DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

Determination Pursuant to Section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as Amended

AGENCY: Office of the Secretary, Department of Homeland Security.

ACTION: Notice of determination.

SUMMARY: The Acting Secretary of Homeland Security has determined, pursuant to law, that it is necessary to waive certain laws, regulations, and other legal requirements in order to ensure the expeditious construction of barriers and roads in the vicinity of the international land border in Starr County, Texas.

DATES: This determination takes effect on **[INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

SUPPLEMENTARY INFORMATION: Important mission requirements of the Department of Homeland Security (“DHS”) include border security and the detection and prevention of illegal entry into the United States. Border security is critical to the nation’s national security.

Recognizing the critical importance of border security, Congress has mandated DHS to achieve and maintain operational control of the international land border. Secure Fence Act of 2006, Public Law 109-367, section 2, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1701 note). Congress defined “operational control” as the prevention of all unlawful entries into the United States, including entries by terrorists, other unlawful aliens, instruments of terrorism, narcotics, and other contraband. *Id.* Consistent with that mandate from Congress, the President’s Executive Order on Border Security and Immigration Enforcement Improvements directed executive

departments and agencies to deploy all lawful means to secure the southern border. Executive Order 13767, section 1. In order to achieve that end, the President directed, among other things, that I take immediate steps to prevent all unlawful entries into the United States, including the immediate construction of physical infrastructure to prevent illegal entry. Executive Order 13767, section 4(a).

Congress has provided to the Secretary of Homeland Security a number of authorities necessary to carry out DHS's border security mission. One of those authorities is found at section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as amended ("IIRIRA"). Public Law 104-208, Div. C, 110 Stat. 3009-546, 3009-554 (Sept. 30, 1996) (8 U.S.C. 1103 note), as amended by the REAL ID Act of 2005, Public Law 109-13, Div. B, 119 Stat. 231, 302, 306 (May 11, 2005) (8 U.S.C. 1103 note), as amended by the Secure Fence Act of 2006, Public Law 109-367, section 3, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1103 note), as amended by the Department of Homeland Security Appropriations Act, 2008, Public Law 110-161, Div. E, Title V, section 564, 121 Stat. 2090 (Dec. 26, 2007). In section 102(a) of IIRIRA, Congress provided that the Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads (including the removal of obstacles to detection of illegal entrants) in the vicinity of the United States border to deter illegal crossings in areas of high illegal entry into the United States. In section 102(b) of IIRIRA, Congress mandated the installation of additional fencing, barriers, roads, lighting, cameras, and sensors on the southwest border. Finally, in section 102(c) of IIRIRA, Congress granted to the Secretary of Homeland Security the authority to waive all legal requirements that I, in my sole discretion, determine necessary to ensure the expeditious construction of barriers and roads authorized by section 102 of IIRIRA.

DETERMINATION AND WAIVER:

Section 1

The United States Border Patrol's (Border Patrol) Rio Grande Valley Sector is an area of high illegal entry. In fiscal year 2019, the Border Patrol apprehended over 339,000 illegal aliens attempting to enter the United States between border crossings in the Rio Grande Valley Sector. In that same time period, the Border Patrol had over 1,000 drug-related events between border crossings in the Rio Grande Valley Sector, through which it seized over 122,000 pounds of marijuana, over 2,500 pounds of cocaine, over 90 pounds of heroin, over 1,700 pounds of methamphetamine, and over 11 pounds of fentanyl.

Owing to the high levels of illegal entry within the Rio Grande Valley Sector, I must use my authority under section 102 of IIRIRA to install additional physical barriers and roads in the Rio Grande Valley Sector. Therefore, DHS will take immediate action to construct barriers and roads. The areas in the vicinity of the border within which such construction will occur are more specifically described in Section 2 below. The areas in Section 2 are located within the cities and the census designated place specifically enumerated in section 232(c) of title II of division A of the Consolidated Appropriations Act, 2019. *See* Public Law 116-6, Div. A, Title II, section 232. As required by section 232(a) of the Consolidated Appropriations Act, 2019, DHS consulted with local elected officials from the cities and census designated place identified in section 232(c) of the Consolidated Appropriations Act, 2019 regarding the alignment and design of physical barriers in such areas.

Section 2

I determine that the following areas in the vicinity of the United States border, located in the State of Texas within the Border Patrol's Rio Grande Valley Sector, are areas of high illegal entry (the "project areas"):

- Starting at the western boundary of the census designated place of Salineno, Texas and generally following the Rio Grande River south and east to the southeast boundary of the census designated place of Salineno, Texas.
- Starting at the western boundary of the Los Negros Creek Tract of the Lower Rio Grande Valley National Wildlife Refuge and generally following the Rio Grande River east to the eastern boundary of the city limits of Escobares, Texas.
- Starting at the western boundary of the city limits of Rio Grande City, Texas, and extending east to approximately two hundred and fifteen (215) feet southeast of the location where the international bridge at the Rio Grande City port of entry begins to cross the Rio Grande River.
- Starting approximately one-quarter (0.25) of a mile northwest of the intersection of Mission Street and West Private Lazaro Solis Street, then extending south for approximately one and one-half (1.5) miles, then extending north and east to approximately one and one-half (1.5) miles southeast of the intersection of East Private Lazaro Solis Street and El Sol Drive.

There is presently an acute and immediate need to construct physical barriers and roads in the vicinity of the border of the United States in order to prevent unlawful entries into the United States in the project areas pursuant to sections 102(a) and 102(b) of IIRIRA. In order to ensure the expeditious construction of the barriers and roads in the project areas, I have determined that it is necessary that I exercise the authority that is vested in me by section 102(c) of IIRIRA.

Accordingly, pursuant to section 102(c) of IIRIRA, I hereby waive in their entirety, with respect to the construction of physical barriers and roads (including, but not limited to, accessing

the project areas, creating and using staging areas, the conduct of earthwork, excavation, fill, and site preparation, and installation and upkeep of physical barriers, roads, supporting elements, drainage, erosion controls, safety features, lighting, cameras, and sensors) in the project areas, all of the following statutes, including all federal, state, or other laws, regulations, and legal requirements of, deriving from, or related to the subject of, the following statutes, as amended: The National Environmental Policy Act (Pub. L. 91-190, 83 Stat. 852 (Jan. 1, 1970) (42 U.S.C. 4321 et seq.)); the Endangered Species Act (Pub. This waiver does not revoke or supersede any other waiver determination made pursuant to section 102(c) of IIRIRA. Such waivers shall remain in full force and effect in accordance with their terms. I reserve the authority to execute further waivers from time to time as I may determine to be necessary under section 102 of IIRIRA.
