Plaintiffs,

SOCIETY INSURANCE,

Defendant.

Civil Action No. _____

JURY TRIAL DEMANDED

CLASS ACTION COMPLAINT

Plaintiffs Rising Dough, Inc. (d/b/a Madison Sourdough) (“Madison Sourdough”) and Willy McCoys of Albertville LLC, Willy McCoys of Andover LLC, Willy McCoys of Chaska LLC, Willy McCoys of Shakopee LLC (d/b/a McCoys Copper Pint), and Whiskey Jacks of Ramsey, LLC (d/b/a Willy McCoys Ramsey) (collectively “Willy McCoys”), individually and on behalf of the other members of the below-defined nationwide classes (collectively, the “Class”), bring this class action against Defendant Society Insurance, and in support thereof state the following:

I. NATURE OF THE ACTION

1. Plaintiff Madison Sourdough operates a mill, bakery, café and patisserie in Madison Wisconsin. Until the business interruption detailed herein, Madison Sourdough produced breads and pastries 360 days of the year, supplying not only its café with unique breads and pastries, but

also distributing the freshest bakery products to Madison’s finest restaurants, grocery stores, and coffee shops. Madison Sourdough began its days early so its customers across the city could experience this culinary craft at its best. Madison Sourdough specializes in naturally leavened, *i.e.* sourdough, breads using Wisconsin grown wheat, rye, and corn. Its special, yeast-leavened breakfast pastries are called Viennoiserie and are based on classic French techniques. Madison Sourdough laminates all of its Viennoiserie with premium Wisconsin butter and enriches its doughs with local eggs and milk. Its café, which seats approximately 80 people, serves lunch and breakfast throughout the week, employing chefs, servers, and dishwashers.

2. Plaintiffs Willy McCoys is a 1920’s prohibition-themed group of taverns for the “everyday Joes” with seven locations throughout the Twin Cities metropolitan region of Minnesota, including Albertville, Andover, Shakopee, Ramsey, Champlin, Chaska, and Bloomington, Minnesota.¹ Willy McCoys also provides event services, including on-site event spaces for banquets and other community events, as well as off-site catering. As an established neighborhood restaurant and bar for patrons in the local community, Willy McCoys has earned a positive reputation in the Twin Cities metro region for providing consistent, quality food and services. Based upon this reputation, Willy McCoys has developed a steady and profitable client base, and strives to maintain its reputation and the services it provides to the community and its patrons.

3. To protect their businesses in the event that they suddenly had to suspend operations for reasons outside of their control, or in order to prevent further property damage, Plaintiffs purchased insurance coverage from Society Insurance, including special property coverage, as set

¹ The Champlin and Bloomington locations did not have insurance policies with Society Insurance, and therefore, have not been named as parties to this suit.

forth in Society Insurance’s Businessowner’s Special Property Coverage Form (Form TBP2 05-15) (“Special Property Coverage Form”).

4. Society Insurance’s Special Property Coverage Form provides “Business Income” coverage, which promises to pay for loss due to the necessary suspension of operations following damage to property.

5. Society Insurance’s Special Property Coverage Form also provides “Civil Authority” coverage, which promises to pay for loss caused by the action of a civil authority that prohibits access to the insured premises.

6. Society Insurance’s Special Property Coverage Form provides additional “Contamination” coverage that pays for the actual loss of business income and extra expense caused by “‘Contamination’ that results in an action by a public health or other governmental authority that prohibits access to the described premises or production of your product.” The policy broadly defines a covered loss due to “Contamination” as occurring in a variety of circumstances, including an action by a public health or other governmental authority that prohibits access to the described premises and adverse “publicity” resulting from the discovery or suspicion of “Contamination.” The Special Property Coverage Form defines “Contamination” as “a defect, deficiency, inadequacy or dangerous condition in your products, merchandise or premises.”

7. Society Insurance’s Special Property Coverage Form also provides “Extra Expense” coverage, which promises to pay the expense incurred to minimize the suspension of business and to continue operations.

8. Society Insurance’s Special Property Coverage Form, under a section entitled “Duties in the Event of Loss or Damage” mandates that Society’s insured “must see that the following are done in the event of loss or damage to Covered Property . . . [t]ake all reasonable

steps to protect the Covered Property from further damage and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim.”

9. Unlike many policies that provide Business Income (also referred to as “business interruption”) coverage, Society Insurance’s Special Property Coverage Form does not include, and is not subject to, any exclusion for losses caused by viruses or communicable diseases.

10. Plaintiffs Willy McCoys were forced to suspend or reduce business at their Willy McCoys taverns due to COVID-19 (a.k.a. the “coronavirus” or “SARS-CoV-2”) and the resultant Executive Orders issued by the Governor of Minnesota mandating the closure of businesses like Willy McCoys taverns for on-site services, as well as in order to take necessary steps to prevent further damage and minimize the suspension of business and continue operations.

11. Plaintiff Madison Sourdough was, likewise, forced to suspend or reduce business due to COVID-19 and the resultant Executive Orders by the Governor of Wisconsin requiring the closure of businesses like Madison Sourdough, as well as in order to take necessary steps to prevent further damage and minimize the suspension of business and continue operations.

12. Upon information and belief, Society Insurance has, on a widescale and uniform basis, refused to pay its insureds under its Business Income, Civil Authority, Contamination, Extra Expense, and Sue and Labor coverages for losses suffered due to COVID-19, any executive orders by civil authorities that have required the necessary suspension of business, and any efforts to prevent further property damage or to minimize the suspension of business and continue operations. Indeed, Society Insurance has denied Plaintiffs Willy McCoys’ claims under its Society Insurance policy.

II. JURISDICTION AND VENUE

13. This Court has jurisdiction over this action pursuant to 28 U.S.C. § 1332 because Plaintiffs Willy McCoys and Defendant are citizens of different states, and because (a) the Class

consists of at least 100 members, (b) the amount in controversy exceeds \$5,000,000 exclusive of interest and costs, and (c) no relevant exceptions apply to this claim.

14. Venue is proper in this District under 28 U.S.C. § 1391 because Defendant resides in this district and a substantial portion of the acts and conduct giving rise to the claims occurred within the District.

attached hereto as Exhibit E. Willy McCoys Shakopee has performed all of its obligations under Policy No. BP19019803-0, including the payment of premiums. The Covered Property, with respect to the Special Property Coverage Form, is the McCoys Copper Pint tavern at 1710 Crossings Boulevard, Shakopee, Minnesota.

27. In return for the payment of a premium, Society Insurance issued Policy No. BP19022048-0 to Willy McCoys Ramsey for a policy period of August 15, 2019 to August 15, 2020, including a Businessowners Special Property Coverage Form. Policy No. BP19022048-0 is attached hereto as Exhibit F. Willy McCoys Ramsey has performed all of its obligations under Policy No. BP19022048-0, including the payment of premiums. The Covered Property, with respect to the Special Property Coverage Form, is the Willy McCoys Ramsey tavern at 6415 Highway 10 NW, Suite 100, Ramsey, Minnesota.

28. Each Plaintiff's Special Property Coverage Form, included within the policies attached as Exhibits A-F, includes identical Business Income, Civil Authority, Contamination, Extra Expense, and Sue and Labor coverages.

29. In many parts of the world, property insurance is sold on a specific peril basis. Such policies cover a risk of loss if that risk of loss is specifically listed (e.g., hurricane, earthquake, H1N1, etc.). Most property policies sold in the United States, however, including those sold by Society Insurance, are all-risk property damage policies. These types of policies cover all risks of loss except for risks that are expressly and specifically excluded. In the Special Property Coverage Form provided to Plaintiffs Willy McCoys and Madison Sourdough, under the heading "Covered Causes of Loss," Society Insurance agreed to "pay for direct physical loss or damage to Covered Property" "unless the loss is excluded or limited by" the Special Property Coverage Form.

30. In the Special Property Coverage Form, Society Insurance did not exclude or limit coverage for losses from viruses.

31. Losses due to COVID-19 are a Covered Cause of Loss under the Society Insurance policies with the Special Property Coverage Form.

32. In the Special Property Coverage Form, Society Insurance agreed to pay for its insureds' actual loss of Business Income sustained due to the necessary suspension of its operations during the "period of restoration" caused by direct physical loss or damage. A "partial slowdown or complete cessation" of business activities at the Covered Property is a "suspension" under the policy, for which Society Insurance agreed to pay for loss of Business Income during the "period of restoration" "that occurs within 12 consecutive months after the date of direct physical loss or damage."

33. "Business Income" means net income (or loss) before tax that Plaintiffs would have earned "if no physical loss or damage had occurred."

34. The presence of virus or disease can constitute physical damage to property, as the insurance industry has recognized since at least 2006. When preparing so-called "virus" exclusions to be placed in some policies, but not others, the insurance industry drafting arm, ISO, circulated a statement to state insurance regulators that included the following:

Disease-causing agents may render a product impure (change its quality or substance), or enable the spread of disease by their presence on interior building surfaces or the surfaces of personal property. When disease-causing viral or bacterial contamination occurs, potential claims involve the cost of replacement of property (for example, the milk), cost of decontamination (for example, interior building surfaces), and business interruption (time element) losses. Although building and personal property could arguably become contaminated (often temporarily) by such viruses and bacteria, the nature of the property itself would have a bearing on whether there is actual property damage. An allegation of property damage may be a point of disagreement in a particular case.

35. In the Special Property Coverage Form, Society Insurance also agreed to pay necessary Extra Expense that its insureds incur during the "period of restoration" that the insureds

would not have incurred if there had been no direct physical loss or damage to the Covered Property.

36. “Extra Expense” means expenses “to avoid or minimize the suspension of business and to continue ‘operations,’” and to repair or replace property.

37. Society Insurance also agreed to “pay for the actual loss of Business Income” that Plaintiffs sustain “and any Extra Expense caused by action of civil authority that prohibits access to” the Covered Property when a Covered Cause of Loss causes damage to property other than the Covered Property and the civil authority prohibits access to the property and its surrounding area and takes such action “in response to dangerous physical conditions.”

38. Society Insurance’s Special Property Coverage Form provides “Contamination” coverage that pays for the actual loss of Business Income and Extra Expense caused by “‘Contamination’ that results in an action by a public health or other governmental authority that prohibits access to the described premises or production of your product.” The Special Property Coverage Form broadly defines a covered loss due to “Contamination” as occurring in a variety of circumstances, including the following: (a) “Contamination” that results in an action by a public health or other governmental authority that prohibits access to the described premises or production of your product; (b) a “Contamination threat”, or (c) “publicity” resulting from the discovery or suspicion of “Contamination.” The Special Property Coverage Form defines “Contamination” as “a defect, deficiency, inadequacy or dangerous condition in your products, merchandise or premises.”

39. Society Insurance’s Special Property Coverage Form, under a section entitled “Duties in the Event of Loss or Damage” mandates that Society’s insured “must see that the following are done in the event of loss or damage to Covered Property . . . [t]ake all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses

necessary to protect the Covered Property, for consideration in the settlement of the claim.” This type of coverage has historically been known as “sue and labor” coverage or a “sue and labor” provision, and property policies have long provided coverage for these types of expenses.

40. Losses caused by COVID-19 and the related orders issued by local, state, and federal authorities triggered the Business Income, Extra Expense, Civil Authority, Contamination, and Sue and Labor provisions of the Society Insurance policy.

B. The Covered Cause of Loss

41. The presence of COVID-19 has caused civil authorities throughout the country to issue orders requiring the suspension of business at a wide range of establishments, including civil authorities with jurisdiction over Plaintiffs’ businesses (the “Closure Orders”).

1. The Minnesota Closure Orders

42. On March 13, 2020, Minnesota Governor Tim Walz issued Emergency Executive Order 20-01, “Declaring a Peacetime Emergency and Coordinating Minnesota’s Strategy to Protect Minnesotans from COVID-19.” Governor Walz encouraged individual Minnesotans to continue “their individual prevention efforts such as staying home when feeling sick, frequently washing their hands, and monitoring information about COVID-19.”

43. On March 16, 2020, Governor Walz issued Emergency Executive Order 20-04, ordering closure of restaurants for on-premises consumption, bars, taverns, and a variety of other public accommodations.

44. The purpose of Executive Order 20-04 was to slow the spread of the COVID-19 pandemic in public accommodations in which Minnesotans congregate that “pose a threat to public health by providing environments for the spread of COVID-19.” This order expressly prohibited the public from entering, using, or occupying “restaurants” “and other places of public accommodation offering food or beverage for on-premises consumption.”

45. Executive Order 20-04 made it a crime, punishable by up to 90 days in jail and/or \$1,000.00 fine, to violate the Order and enter, use, or occupy a restaurant or bar, such as Willy McCoys.

46. Pursuant to Executive Order 20-04, all restaurants, bars, and places of public accommodation were prohibited from opening to the public for on-site consumption and were to remain closed from March 17, 2020 through March 27, 2020.

47. On March 25, 2020, Governor Walz issued Emergency Executive Order 20-18 extending the mandatory closure of restaurants, bars, and places of public accommodation to the public and on-site consumption to May 1, 2020 and further ordering that all mandates set forth in Executive Order 20-04 shall remain in effect until that date.

48. On March 25, 2020, Governor Walz also issued Emergency Executive Order 20-20, in which he ordered “all persons currently living within the State of Minnesota ... to stay at home or in their place of residence” except for certain exempted essential activities and work, effective at 11:59 pm on March 27, 2020, and continuing through 5:00 pm on April 10, 2020 (a.k.a. Minnesota’s Shelter-in-Place Order).

49. The purpose of Executive Order 20-20 was to slow the spread of the COVID-19 pandemic. In Executive Order 20-20, the Governor also declared that the “restrictions on restaurants, bars, and other places of public accommodation adopted in Executive Orders 20-04 and 20-18 remain in effect.”

50. Executive Order 20-20 provides that a violation of the Shelter-in-Place Order is punishable by up to 90 days in jail and/or a fine not to exceed \$1,000.00.

51. On April 8, 2020, Governor Walz issued Emergency Executive Order 20-33, in which he extended the Shelter-in-Place Order to 11:59 p.m. on May 3, 2020.

52. The purpose of Executive Order 20-33 was to continue Minnesota’s measures to slow the spread of the COVID-19 pandemic.

2. The Wisconsin Closure Orders

53. On March 12, 2020, Wisconsin Governor Tony Evers issued Executive Order 72, “Declaring a Health Emergency in Response to the COVID-19 Coronavirus.” In the accompanying press release, Governor Evers reminded people of simple steps to avoid getting sick, including frequent hand washing, covering coughs and sneezes, and staying home when sick.

54. On March 16, 2020, Governor Evers issued Emergency Order 4, effective at 12:01 am on March 17, 2020, ordering “a statewide moratorium on mass gatherings of 50 people or more to mitigate the spread of COVID-19.” Restaurants and bars were limited to “50 percent of seating capacity or 50 total people, whichever is less,” and were required to maintain “distancing of 6 feet between tables, booths, bar stools, and ordering counters.”

55. On March 17, 2020, Governor Evers issued Emergency Order 5, effective at 5:00 pm on March 17, 2020, prohibiting gatherings of “10 or more people in a single room or single confined space at the same time.” Restaurants were allowed to “remain open for take-out or delivery service only,” and were required to “preserve social distancing of six feet between customers during pick up.”

56. On March 20, 2020, Governor Evers issued Emergency Order 8, “Updated Mass Gathering Ban,” further detailing the limit on bars and restaurants to take-out and delivery (with no delivery of alcoholic beverages to retail customers unless they paid in person).

57. On March 24, 2020, Governor Evers issued Emergency Order 12, a “Safer At Home Order.” Governor Evers stated: “Despite prior emergency orders banning mass gatherings, the rates of infection continue to drastically increase, necessitating additional measures to slow the rate of infection and save lives.” All individuals present within the state were ordered “to stay at

home or their place of residence,” with certain exceptions. Bars and restaurants remained limited to take-out and delivery (with no delivery of alcoholic beverages to retail customers).

58. Executive Order 12 provides that a violation of the Order is punishable by up to 30 days in jail and/or a fine not to exceed \$250.00.

3. The Impact of COVID-19 and the Closure Orders

59. The presence of COVID-19 caused “direct physical loss of or damage to” each “Covered Property” under the Plaintiffs’ policies, and the policies of the other Class members, by denying use of and damaging the Covered Property, and by causing a necessary suspension of operations during a period of restoration.

60. The Closure Orders, including the issuance of Minnesota Emergency Executive Order Nos. 20-04, 20-18, 20-20 and 20-33 and Wisconsin Executive Orders 4, 5, 8 and 12, prohibited access to Plaintiffs and the other Class members’ Covered Property, and the area immediately surrounding Covered Property, in response to dangerous physical conditions resulting from a Covered Cause of Loss.

61. As a result of the presence of COVID-19 and the Closure Orders, Plaintiffs and the other Class members lost Business Income and incurred Extra Expense.

62. On or about March 17, 2020, Willy McCoys submitted claims for each of its locations named herein to Society Insurance under each location’s respective policy.

63. On March 26, 2020, Society Insurance denied Willy McCoys’ claims. Society denied that COVID-19 was a Covered Cause of Loss but did not identify any exclusion from coverage.

64. Indeed, Society Insurance has, on a widescale basis with many if not all of its insureds, refused to provide Business Income, Extra Expense, Civil Authority, Contamination or

Sue and Labor coverage due to COVID-19 and the resultant executive orders by civil authorities that have required the suspension of business.

V. CLASS ACTION ALLEGATIONS

65. Plaintiffs bring this action pursuant to Rules 23(a), 23(b)(1), 23(b)(2), 23(b)(3), and 23(c)(4) of the Federal Rules of Civil Procedure, individually and on behalf of all others similarly situated.

66. Plaintiffs Willy McCoys seek to represent nationwide classes defined as:

- All persons and entities that: (a) had Business Income coverage under a property insurance policy issued by Society Insurance; (b) suffered a suspension of business related to COVID-19, at the premises covered by their Society Insurance property insurance policy; (c) made a claim under their property insurance policy issued by Society Insurance; and (d) were denied Business Income coverage by Society Insurance for the suspension of business resulting from the presence or threat of COVID-19 (the “Business Income Breach Class”).
- All persons and entities that: (a) had Civil Authority coverage under a property insurance policy issued by Society Insurance; (b) suffered loss of Business Income and/or Extra Expense caused by action of a civil authority; (c) made a claim under their property insurance policy issued by Society Insurance; and (d) were denied Civil Authority coverage by Society Insurance for the loss of Business Income and/or Extra Expense caused by a Closure Order (the “Civil Authority Breach Class”).
- All persons and entities that: (a) had Extra Expense coverage under a property insurance policy issued by Society Insurance; (b) sought to minimize the suspension of business in connection with COVID-19 at the premises covered by their Society Insurance property insurance policy; (c) made a claim under their property insurance policy issued by Society Insurance; and (d) were denied Extra Expense coverage by Society Insurance despite their efforts to minimize the suspension of business caused by COVID-19 (the “Extra Expense Breach Class”).
- All persons and entities that: (a) had Contamination coverage under a property insurance policy issued by Society Insurance; (b) suffered a suspension of business, caused by COVID-19, at the premises covered by their Society Insurance property insurance policy; (c)

made a claim under their property insurance policy issued by Society Insurance; and (d) were denied Contamination coverage by Society Insurance for the suspension of business caused by COVID-19 (the “Contamination Breach Class”).

- All persons and entities that: (a) had a Sue and Labor provision under a property insurance policy issued by Society Insurance; (b) sought to prevent property damage caused by COVID-19 by suspending or reducing business operations, at the premises covered by their Society Insurance property insurance policy; (c) made a claim under their property insurance policy issued by Society Insurance; and (d) were denied Sue and Labor coverage by Society Insurance in connection with the suspension of business caused by COVID-19 (the “Sue and Labor Breach Class”).

67. Plaintiffs Willy McCoys and Madison Sourdough also seek to represent nationwide

classes defined as:

- All persons and entities with Business Income coverage under a property insurance policy issued by Society Insurance that suffered a suspension of business due to COVID-19 at the premises covered by the business income coverage (the “Business Income Declaratory Judgment Class”).
- All persons and entities with Civil Authority coverage under a property insurance policy issued by Society Insurance that suffered loss of Business Income and/or Extra Expense caused by a Closure Order (the “Civil Authority Declaratory Judgment Class”).
- All persons and entities with Extra Expense coverage under a property insurance policy issued by Society Insurance that sought to minimize the suspension of business in connection with COVID-19 at the premises covered by their Society Insurance property insurance policy (the “Extra Expense Declaratory Judgment Class”).
- All persons and entities with Contamination coverage under a property insurance policy issued by Society Insurance that suffered a suspension of business, caused by COVID-19, at the premises covered by their Society Insurance property insurance policy (the “Contamination Declaratory Judgment Class”).
- All persons and entities with a Sue and Labor provision under a property insurance policy issued by Society Insurance that sought to prevent property damage caused by COVID-19 by suspending or reducing business operations, at the premises covered by their

Society Insurance property insurance policy (the “Sue and Labor Declaratory Judgment Class”).

68. Excluded from each defined Class is Defendant and any of its members, affiliates, parents, subsidiaries, officers, directors, employees, successors, or assigns; governmental entities; and the Court staff assigned to this case and their immediate family members. Plaintiffs reserve the right to modify or amend each of the Class definitions, as appropriate, during the course of this litigation.

69. This action has been brought and may properly be maintained on behalf of each Class proposed herein under the criteria of Rule 23 of the Federal Rules of Civil Procedure.

70. **Numerosity—Federal Rule of Civil Procedure 23(a)(1).** The members of each defined Class are so numerous that individual joinder of all Class members is impracticable. While Plaintiffs are informed and believe that there are thousands of members of each Class, the precise number of Class members is unknown to Plaintiffs but may be ascertained from Defendant’s books and records. Class members may be notified of the pendency of this action by recognized, Court-approved notice dissemination methods, which may include U.S. Mail, electronic mail, internet postings, and/or published notice.

71. **Commonality and Predominance—Federal Rule of Civil Procedure 23(a)(2) and 23(b)(3).** This action involves common questions of law and fact, which predominate over any questions affecting only individual Class members, including, without limitation:

- a. Society Insurance issued all-risk policies to the members of the Class in exchange for payment of premiums by the Class members;
- b. whether the Class suffered a covered loss based on the common policies issued to members of the Class;
- c. whether Society Insurance wrongfully denied all claims based on COVID-19;

- d. whether Society Insurance's Business Income coverage applies to a suspension of business caused by COVID-19;
- e. whether Society Insurance's Civil Authority coverage applies to a loss of Business Income caused by the orders of state governors requiring the suspension of business as a result of COVID-19;
- f. whether Society Insurance's Extra Expense coverage applies to efforts to minimize a loss caused by COVID-19;
- g. whether Society Insurance's Contamination coverage applies to a loss of Business Income and Extra Expense as a result of COVID-19;
- h. whether Society Insurance's Sue and Labor provision applies to require Society Insurance to pay for efforts to reduce damage caused by COVID-19;
- i. whether Society Insurance has breached its contracts of insurance through a blanket denial of all claims based on business interruption, income loss or closures related to COVID-19 and the related closures; and
- j. whether Plaintiffs and the Class are entitled to an award of reasonable attorney fees, interest and costs.

72. **Typicality—Federal Rule of Civil Procedure 23(a)(3).** Plaintiffs' claims are typical of the other Class members' claims because Plaintiffs and the other Class members are all similarly affected by Defendant's refusal to pay under its Business Income, Civil Authority Contamination, Extra Expense, and Sue and Labor coverages. Plaintiffs' claims are based upon the same legal theories as those of the other Class members. Plaintiffs and the other Class members sustained damages as a direct and proximate result of the same wrongful practices in which Defendant engaged.

73. **Adequacy of Representation—Federal Rule of Civil Procedure 23(a)(4).** Plaintiffs are adequate Class representatives because their interests do not conflict with the interests of the other Class members who they seek to represent, Plaintiffs have retained counsel competent and experienced in complex class action litigation, including successfully litigating class action cases similar to this one, where insurers breached contracts with insureds by failing to pay the amounts owed under their policies, and Plaintiffs intend to prosecute this action vigorously. The interests of the above-defined Classes will be fairly and adequately protected by Plaintiffs and their counsel.

74. **Inconsistent or Varying Adjudications and the Risk of Impediments to Other Class Members' Interests—Federal Rule of Civil Procedure 23(b)(1).** Plaintiffs seek class-wide adjudication as to the interpretation, and resultant scope, of Defendant's Business Income, Civil Authority, Contamination, Extra Expense, and Sue and Labor coverages. The prosecution of separate actions by individual members of the Classes would create an immediate risk of inconsistent or varying adjudications that would establish incompatible standards of conduct for the Defendant. Moreover, the adjudications sought by Plaintiffs could, as a practical matter, substantially impair or impede the ability of other Class members, who are not parties to this action, to protect their interests.

75. **Declaratory and Injunctive Relief—Federal Rule of Civil Procedure 23(b)(2).** Defendant acted or refused to act on grounds generally applicable to Plaintiffs and the other Class members, thereby making appropriate final injunctive relief and declaratory relief, as described below, with respect to the Class members.

76. **Superiority—Federal Rule of Civil Procedure 23(b)(3).** A class action is superior to any other available means for the fair and efficient adjudication of this controversy, and no unusual difficulties are likely to be encountered in the management of this class action.

Individualized litigation creates a potential for inconsistent or contradictory judgments and increases the delay and expense to all parties and the court system. By contrast, the class action device presents far fewer management difficulties, and provides the benefits of single adjudication, economy of scale, and comprehensive supervision by a single court.
