ORDER

Two motions are before the Court. (Docs. 19 and 25.) First, Defendants filed a Rule 12(b)(6) motion to dismiss. (Doc. 19.) After careful consideration of the briefs and cited authority, the Court DENIES that motion. (*Id.*) Defendants may reassert the motion’s arguments at the summary-judgment stage. Second, Plaintiff moved to dismiss Count V of its Fourth Amended Complaint with prejudice and to dismiss all its claims against Auto-Owners Insurance Company without prejudice. (Doc. 25.) The Court then held a telephone conference on September 22, 2020. Thereon, Plaintiff agreed to dismiss all its claims against Auto-Owners *with* prejudice. As stated during the conference, all claims against Auto-Owners are DISMISSED

WITH PREJUDICE, and Count V of Plaintiff's Fourth Amended Complaint is DISMISSED WITH PREJUDICE.

The Court ORDERS the parties to file a Planning Meeting Report within twenty-one (21) days of this Order's entry. (*See* Doc. 11 at 1-3.)

DONE and **ORDERED** on December 8, 2020.
