(B)(1) Calculate the district's median income index, which 31639
equals the following quotient: 31640

(The district's median Ohio adjusted gross income / the 31641
median of the median Ohio adjusted gross income of all districts 31642
statewide with a total ADM greater than zero) 31643

(2) Calculate the district's income index, which equals the 31644
following sum: 31645

(The district's median income index X 0.5) + {[the three-year 31646
average federal adjusted gross income of the school district's 31647
residents / the district's ~~formula~~ enrolled ADM for fiscal year 31648

2017) / (the three-year average federal adjusted gross income of 31649
all districts statewide with a ~~formula~~ enrolled ADM for fiscal 31650
year 2017 greater than zero / the statewide ~~formula~~ enrolled ADM 31651
for fiscal year 2017)] X 0.5} 31652

(C) Determine the district's wealth index as follows: 31653

(1) If the district's income index is less than the 31654
district's valuation index and the district's median income index 31655
is less than or equal to 1.5, then the district's wealth index 31656
shall be equal to [(0.4 X the district's income index) + (0.6 X 31657
the district's valuation index)]. 31658

(2) If the district's income index does not meet both of the 31659
conditions described in division (C)(1) of this section, then the 31660
district's wealth index shall be equal to the district's valuation 31661
index. 31662

(D) ~~Determine~~ (1) Prior to fiscal year 2022, determine the 31663
district's state share index as follows: 31664

~~(1)~~ (a) If the district's wealth index is less than or equal 31665
to 0.35, then the district's state share index shall be equal to 31666
0.90. 31667

~~(2)~~ (b) If the district's wealth index is greater than 0.35 31668
but less than or equal to 0.90, then the district's state share 31669
index shall be equal to {0.40 X [(0.90 - the district's wealth 31670
index) / 0.55]} + 0.50. 31671

~~(3)~~ (c) If the district's wealth index is greater than 0.90 31672
but less than 1.8, then the district's state share index shall be 31673
equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} + 31674
0.05. 31675

~~(4)~~ (d) If the district's wealth index is greater than or 31676
equal to 1.8, then the district's state share index shall be equal 31677
to 0.05. 31678

(2) For fiscal year 2022 and each fiscal year thereafter, 31679
determine the district's state share index as follows: 31680

(a) If the district's wealth index is less than or equal to 31681
0.425, then the district's state share index shall be equal to 31682
0.90. 31683

(b) If the district's wealth index is greater than 0.425 but 31684
less than or equal to 0.895, then the district's state share index 31685
shall be equal to $\{0.40 \times [(0.895 - \text{the district's wealth index}) /$ 31686
 $0.47]\} + 0.50.$ 31687

(c) If the district's wealth index is greater than 0.895 but 31688
less than 1.575, then the district's state share index shall be 31689
equal to $\{0.45 \times [(1.575 - \text{the district's wealth index}) / 0.68]\} +$ 31690
0.05. 31691

(d) If the district's wealth index is greater than or equal 31692
to 1.575, then the district's state share index shall be equal to 31693
0.05. 31694

(E)(1) For each school district for which the tax-exempt 31695
value of the district, as certified under division (A)(4) of 31696
section 3317.021 of the Revised Code, equals or exceeds thirty per 31697
cent of the potential value of the district, the department shall 31698
calculate the difference between the district's tax-exempt value 31699
and thirty per cent of the district's potential value. For this 31700
purpose, the "potential value" of a school district is the 31701
three-year average valuation of the district plus the tax-exempt 31702
value of the district. 31703

(2) For each school district to which division (E)(1) of this 31704
section applies, the department shall adjust the district's 31705
three-year average valuation used in the calculation under 31706
division (A) of this section by subtracting from it the amount 31707
calculated under division (E)(1) of this section. The department 31708
shall not, however, make any adjustments to the statewide 31709

three-year average valuation used in the calculation under 31710
division (A) of this section. 31711

(F)(1) Except as provided in division (F)(3) of this section, 31712
for purposes of division (F) of this section, for fiscal year 2018 31713
or 2019, an "eligible school district" is a school district that 31714
satisfies all of the following for that fiscal year: 31715

(a) The total taxable value of public utility personal 31716
property in the district is at least ten per cent of the 31717
district's total taxable value for the tax year immediately 31718
preceding the most recent tax year for which data is available. 31719

(b) The total taxable value of public utility personal 31720
property in the district for the most recent tax year for which 31721
data is available is at least ten per cent less than the total 31722
taxable value of public utility property in the district for the 31723
tax year immediately preceding the most recent tax year for which 31724
data is available. 31725

(c) The total taxable value of power plants in the district 31726
for the most recent tax year for which data is available is at 31727
least ten per cent less than the total taxable value of power 31728
plants in the district for the tax year immediately preceding the 31729
most recent tax year for which data is available. 31730

(2) Notwithstanding divisions (A) to (E) of this section, the 31731
department shall compute each eligible school district's state 31732
share index as follows: 31733

(a) Calculate the district's valuation index in accordance 31734
with division (A) of this section, except that, if the district's 31735
total taxable value for the most recent tax year for which data is 31736
available is less than the district's "three-year average 31737
valuation," the district's "three-year average valuation" shall be 31738
replaced in that calculation with the district's total taxable 31739
value for the most recent tax year for which data is available; 31740

(b) Calculate the district's median income index and income index in accordance with division (B) of this section; 31741
31742

(c) Determine the district's wealth index in accordance with division (C) of this section using the district's valuation index, median income index, and income index as calculated under divisions (F)(2)(a) and (b) of this section; 31743
31744
31745
31746

(d) Determine the district's state share index in accordance with division (D) of this section using the district's wealth index as determined under division (F)(2)(c) of this section. 31747
31748
31749

(3) For purposes of division (F) of this section, if a district is an eligible school district for fiscal year 2018 but is not an eligible school district for fiscal year 2019, the district's state share index for fiscal year 2019 shall be equal to the district's state share index for 2018. 31750
31751
31752
31753
31754

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per mile and the ten districts with the lowest transportation costs per mile, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate miles driven for school bus service in those districts in the previous fiscal year.

(E) The department shall calculate each city, local, and exempted village school district's transportation payment as follows:

(1) Multiply the statewide transportation cost per student by the district's qualifying ridership for the current fiscal year.

(2) Multiply the statewide transportation cost per mile by the district's total number of miles driven for school bus service in the current fiscal year.

(3) Multiply the greater of the amounts calculated under divisions (E)(1) and (2) of this section by the following:

(G)(1) For purposes of division (G) of this section, a school district's "transportation supplement percentage" means the following quotient:

If the result of the calculation for a district under division (G)(1) of this section is less than zero, the district's transportation supplement percentage shall be zero.

(2) The department shall pay each district a transportation supplement calculated according to the following formula:

The district's transportation supplement percentage X the amount calculated for the district under division (E)(2) of this section
X 0.55

(H)(1) If a school district board and a community school governing authority elect to enter into an agreement under division (A) of section 3314.091 of the Revised Code, the department shall make payments to the community school according to the terms of the agreement for each student actually transported under division (C)(1) of that section. district's transportation ADM who are transported under division 33193
(B)(1) or (2) of section 3314.091 of the Revised Code. 33194

(b) For any fiscal year which the general assembly has 33195
specified that the transportation payments to school districts be 33196
calculated in accordance with this section and any rules of the 33197
state board of education implementing this section, the payment to 33198
the community school shall be the amount so calculated on a per 33199
rider basis that otherwise would be computed for and paid to the 33200
school district in which the student is entitled to attend school 33201
by the method of transportation the district would have used. The 33202
community school, however, is not required to use the same method 33203

school is actually provided, who actually utilized transportation 33212

by the community school's governing authority. To qualify for the 33214
payments, the community school shall report to the department, in 33215
the form and manner required by the department, data on the number 33216
of students transported or whose transportation is arranged, the 33217
number of miles traveled, cost to transport, and any other 33218

information requested by the department. 33219

exceed the threshold ~~catastrophic~~ cost for serving the student, 33225
the district may submit to the superintendent of public 33226
instruction documentation, as prescribed by the superintendent, of 33227
all its costs for that student. Upon submission of documentation 33228

student in excess of the threshold ~~catastrophic~~ cost multiplied by 33235
the district's state share index. 33236

(B) For purposes of division (A) of this section, the 33237
threshold ~~catastrophic~~ cost for serving a student equals: 33238

number of the district's graduates reported to the department, in 33260
accordance with the guidelines adopted under section 3301.0714 of 33261
the Revised Code, for the same school year for which the most 33262
recent report card was issued X the district's state share index 33263~~

~~Sec. 3317.0216. (A) For purposes of this section, a city, 33264
local, or exempted village school district's "third grade reading 33265
proficiency percentage" means the percentage of the district's 33266
students scoring at a proficient level of skill or higher on the 33267
third grade English language arts assessment prescribed under 33268
division (A)(1)(a) of section 3301.0710 of the Revised Code for 33269
the immediately preceding school year, as reported on the 33270
district's report card under section 3302.03 of the Revised Code. 33271~~

~~(B) The department of education shall annually calculate a 33272
third-grade reading bonus for each city, local, and exempted 33273

scoring at a proficient level of skill or higher on the 33277
third-grade English language arts assessment prescribed under 33278~~

division (A)(1)(a) of section 3301.0710 of the Revised Code for 33279

(b) One-half times the quotient of (i) the average of the 33293
total federal adjusted gross income of the school district's 33294
residents for the three years most recently reported under section 33295
3317.021 of the Revised Code divided by (ii) its ~~formula~~ enrolled 33296
ADM plus the enrollment reported for the district under divisions 33297
(A)(2)(a) and (i) of section 3317.03 of the Revised Code. 33298

(2) Rank all school districts in order of local wealth per 33299
pupil, from the district with the lowest local wealth per pupil to 33300
the district with the highest local wealth per pupil. 33301

(3) Compute the statewide wealth per pupil, which equals the 33302
following sum: 33303

districts plus the sum of the enrollment reported for all school 33307
districts under divisions (A)(2)(a) and (i) of section 3317.03 of 33308

the Revised Code; plus 33309

(b) One-half times the quotient of (i) the sum of the 33310
three-year average total federal adjusted gross incomes for all 33311
school districts divided by (ii) the sum of ~~formula~~ enrolled ADM 33312
counts for all school districts plus the sum of the enrollment 33313
reported for all school districts under divisions (A)(2)(a) and 33314
(i) of section 3317.03 of the Revised Code. 33315

statewide wealth per pupil by the district's local wealth per 33317
pupil. 33318

(5) Compute the per pupil targeted assistance for each 33319
eligible school district in accordance with the following formula: 33320
(Threshold local wealth per pupil - the district's local wealth 33321
per pupil) 33322
X target millage X the district's wealth index 33323

Where: 33324

(a) An "eligible school district" means a school district 33325

per pupil of the school district with the 490th lowest local 33329
wealth per pupil. 33330

(c) "Target millage" means 0.006. 33331

If the result of the calculation for a school district under 33332

(6) Calculate the aggregate amount to be paid as targeted 33335
assistance funds to each school district under division (A) of 33336
section 3317.022 of the Revised Code by multiplying the per pupil 33337
targeted assistance computed under division (A)(5) of this section 33338

by the district's net ~~formula~~ enrolled ADM. 33339

As used in this division, a district's "net ~~formula~~ enrolled 33340
ADM" means its ~~formula~~ enrolled ADM minus the number of ~~community~~ 33341
~~school students certified under division (B)(3)(d) of section~~ 33342

scholarship students certified under divisions ~~(B)(3)(f), (g),~~ 33348
~~(B)(3)(d) and (l) of that section~~ (h) of section 3317.03 of the 33349
Revised Code. 33350

(B) The department shall annually compute supplemental 33351
targeted assistance funds to school districts, as follows: 33352

quotient of (a) the three-year average valuation of real property 33354
in the district that is classified as agricultural property 33355
divided by (b) the three-year average valuation of all of the real 33356
property in the district. 33357

(2) Calculate the aggregate amount to be paid as supplemental 33358
targeted assistance funds to each school district under division 33359
(A) of section 3317.022 of the Revised Code, as follows: 33360

(The district's agricultural percentage - 0.1) X (0.4 X the 33361
formula amount) X the district's net ~~formula~~ enrolled ADM, as that 33362
term is defined in division (A) of this section 33363

If the result of the calculation for a school district under 33364
division (B)(2) of this section is less than zero, the district's 33365

If the result of a calculation for a school district under
division (C) of this section is greater than 2.5, the district's
capacity ratio shall be 2.5.

(D) Calculate the capacity aid per pupil amount, which equals
the following quotient:

which the amount calculated under division (A) of this section is
less than the amount determined under division (B) of this
section)

(E) Calculate each school district's capacity aid, which
equals the following product:

assigned if attending the public school designated by the district 36912
of residence. 36913

Where it is impractical to transport a pupil by school 36914
conveyance, a board of education may offer payment, in lieu of 36915
providing such transportation in accordance with section 3327.02 36916
of the Revised Code. 36917

A board of education shall provide transportation to students 36918
enrolled in a community school or nonpublic school in accordance 36919
with this section on each day in which that school is open for 36920
operation with students in attendance, regardless of whether the 36921
district's own schools are open for operation with students in 36922
attendance on that day. However, a board of education shall not be 36923
required to transport elementary or high school pupils to and from 36924
a nonpublic or community school on Saturday or Sunday, unless a 36925
board of education and a nonpublic or community school have an 36926
agreement in place to do so before the first day of July of the 36927

school year in which the agreement takes effect. 36928

The governing authority of a nonpublic or community school 36929
may request, from a school district, a list of names and addresses 36930
of pupils enrolled in the school for whom the district provides 36931
transportation under this section. If so requested, a school 36932
district shall provide a list that includes only the names and 36933
addresses of the pupils enrolled in the school making the request. 36934

In all city, local, and exempted village school districts, 36935
the board shall provide transportation for all children who are so 36936
disabled that they are unable to walk to and from the school for 36937
which the state board of education prescribes minimum standards 36938
pursuant to division (D) of section 3301.07 of the Revised Code 36939
and which they attend. In case of dispute whether the child is 36940
able to walk to and from the school, the health commissioner shall 36941
be the judge of such ability. In all city, exempted village, and 36942
local school districts, the board shall provide transportation to 36943
and from school or special education classes for mentally disabled 36944
children in accordance with standards adopted by the state board 36945
of education. 36946

When transportation of pupils is provided the conveyance 36947
shall be run on a time schedule that shall be adopted and put in 36948
force by the board not later than ten days after the beginning of 36949
the school term. The operator of every school bus or motor van 36950
owned and operated by any school district or educational service 36951
center or privately owned and operated under contract with any 36952
school district or service center in this state shall deliver 36953
students enrolled in preschool through twelfth grades to their 36954
respective public and nonpublic schools not sooner than thirty 36955
minutes prior to the beginning of school and to be available to 36956
pick them up not later than thirty minutes after the close of 36957
their respective schools each day. 36958

The cost of any transportation service authorized by this 36959

section shall be paid first out of federal funds, if any, 36960
available for the purpose of pupil transportation, and secondly 36961
out of state appropriations, in accordance with regulations 36962
adopted by the state board of education. 36963

No transportation of any pupils shall be provided by any 36964
board of education to or from any school which in the selection of 36965
pupils, faculty members, or employees, practices discrimination 36966
against any person on the grounds of race, color, religion, or 36967
national origin. 36968

Sec. 3327.016. (A) As used in this section, "eligible 36969
student" means a student entitled to transportation services from 36970
the city, local, or exempted village school district pursuant to 36971
section 3327.01 of the Revised Code. 36972

(B) Each community school established under Chapter 3314. of 36973
the Revised Code or chartered nonpublic school shall establish the 36974
school's start and end times for a particular school year not 36975
later than the first day of June prior to that school year. Each 36976
community or chartered nonpublic school shall provide such start 36977
and end times to each city, local, or exempted village school 36978
district that the school expects will be responsible for providing 36979
transportation services to eligible students enrolled in the 36980
school for that school year. 36981

(C) Each city, local, or exempted village school district 36982
that receives start and end times as prescribed under division (B) 36983
of this section shall use those start and end times to develop a 36984
transportation plan, including transportation routes and 36985
schedules, for eligible students who enrolled in a community or 36986
chartered nonpublic school not later than the first day of June 36987
prior to the school year described in that division. Each district 36988
shall develop and provide such transportation plan to the 36989
community or chartered nonpublic school not later than the first 36990

day of July of that school year. For any eligible student who 36991
enrolls in a community or chartered nonpublic school after the 36992
first day of June prior to that school year, a district shall 36993
develop a transportation plan, including transportation routes and 36994
schedules, for that student within fourteen calendar days of 36995
receiving a request for transportation services from the student's 36996
parent or guardian. 36997

Sec. 3327.017. (A) As used in this section: 36998

(1) "Eligible student" has the same meaning as in section 36999
3327.016 of the Revised Code. 37000

(2) "Mass transit system" has the same meaning as in section 37001
4511.78 of the Revised Code. 37002

(B) No city, local, or exempted village school district shall 37003
provide or arrange for transportation for any eligible student 37004
enrolled in any of grades kindergarten through eight in a 37005
community school established under Chapter 3314. of the Revised 37006
Code or chartered nonpublic school to and from school using 37007
vehicles operated by a mass transit system, unless the district 37008
enters into an agreement with that school authorizing such 37009
transportation. An agreement under division (B) of this section 37010
shall not be effective unless both the school district and 37011
community or chartered nonpublic school approve it. 37012

(C) A city, local, or exempted village school district that 37013
elects to provide or arrange for transportation for any eligible 37014
student enrolled in any of grades nine through twelve in a 37015
community or chartered nonpublic school to and from school using 37016
vehicles operated by a mass transit system shall ensure that the 37017
student is assigned to a route that does not require the student 37018
to make more than one transfer. 37019

Sec. 3327.018. The board of education of each city, local, or 37020

exempted village school district that owns and operates buses for 37021
transporting students may contract, in writing, with a public or 37022
private not-for-profit agency, group, or organization, with a 37023
municipal corporation or other political subdivision or agency of 37024
the state, or with an agency of the federal government to operate 37025
its buses to assist the agency, group, organization, or political 37026
subdivision in the fulfillment of its legitimate activities and in 37027
times of emergency. These contracts shall be entered into under 37028
the authority of the school district as a political subdivision 37029
and shall not be considered commerce. When buses are made 37030
available to other agencies, groups, organizations, or political 37031
subdivisions under this section, the buses must be operated by 37032
individuals holding certificates issued by either the educational 37033
service center governing board that has entered into an agreement 37034
with the school district under section 3313.843 or 3313.845 of the 37035
Revised Code or the superintendent of the school district 37036
certifying that the individuals satisfy the requirements of 37037
section 3327.10 of the Revised Code. All state board of education 37038
regulations governing the operation of school buses when 37039
transporting students shall apply when buses are used in 37040
accordance with this section. 37041

Any board of education of a city, local, or exempted village 37042
school district that makes one or more of its vehicles available 37043
under this section shall procure liability and property damage 37044
insurance, as provided in section 3327.09 of the Revised Code, 37045
covering all vehicles used and passengers transported under this 37046
section. The board of education may recover expenses from 37047
contracting entities, not to exceed the costs of operation and 37048
insurance coverage. 37049

Sec. 3327.02. (A) After considering each of the following 37050
factors, the board of education of a city, exempted village, or 37051

local school district, or a community school governing authority 37052
providing transportation pursuant to section 3314.091 of the 37053
Revised Code, may determine that it is impractical to transport a 37054
pupil who is eligible for transportation to and from a school 37055
under section 3327.01 of the Revised Code: 37056

(1) The time and distance required to provide the 37057
transportation; 37058

(2) The number of pupils to be transported; 37059

(3) The cost of providing transportation in terms of 37060
equipment, maintenance, personnel, and administration; 37061

(4) Whether similar or equivalent service is provided to 37062
other pupils eligible for transportation; 37063

(5) Whether and to what extent the additional service 37064
unavoidably disrupts current transportation schedules; 37065

(6) Whether other reimbursable types of transportation are 37066
available. 37067

(B) Based on its consideration of the factors established in 37068
division (A) of this section, the board or governing authority may 37069
pass a resolution declaring the impracticality of transportation. 37070
The resolution shall include each pupil's name and the reason for 37071
impracticality. Such determination shall be made not later than 37072
thirty calendar days prior to the district's or school's first day 37073
of instruction, or in the case of a student who enrolls within 37074
thirty calendar days prior to the first day of instruction or on 37075
or after the first day of instruction, not later than fourteen 37076
calendar days after the student's enrollment. The determination 37077
may be made by the superintendent and formalized at the next 37078
following meeting of the board or governing authority. 37079

The board or governing authority shall report its 37080
determination to the state board of education in a manner 37081

determined by the state board. 37082

In addition, the board or governing authority shall issue a 37083
letter to the pupil's parent, guardian, or other person in charge 37084
of the pupil, the nonpublic or community school in which the pupil 37085
is enrolled, and to the state board with a detailed description of 37086
the reasons for which such determination was made. 37087

(C) After passing the resolution declaring the impracticality 37088
of transportation, the district board or governing authority shall 37089
offer to provide payment in lieu of transportation by doing the 37090
following: 37091

(1) In accordance with guidelines established by the 37092
department of education, informing the pupil's parent, guardian, 37093
or other person in charge of the pupil of both of the following: 37094

(a) The resolution; 37095

(b) The right of the pupil's parent, guardian, or other 37096
person in charge of the pupil to accept the offer of payment in 37097
lieu of transportation or to reject the offer and instead request 37098
the department to initiate mediation procedures. 37099

(2) Issuing the pupil's parent, guardian, or other person in 37100
charge of the pupil a contract or other form on which the parent, 37101
guardian, or other person in charge of the pupil is given the 37102
option to accept or reject the board's offer of payment in lieu of 37103
transportation. 37104

(D) If the parent, guardian, or other person in charge of the 37105
pupil accepts the offer of payment in lieu of providing 37106
transportation, the board or governing authority shall pay the 37107
parent, guardian, or other person in charge of the pupil an amount 37108
that shall be ~~not less than the amount determined by the general~~ 37109
~~assembly as the minimum for payment in lieu of~~ equal to fifty per 37110
cent of the cost of providing transportation as determined by the 37111
board or governing authority under division (A)(3) of this 37112

section, and not more than ~~the amount determined by the~~ 37113
~~department of education as the average cost of pupil~~ 37114
~~transportation for the previous school year~~ two thousand five 37115
hundred dollars. Payment may be prorated if the time period 37116
involved is only a part of the school year. 37117

(E)(1)(a) Upon the request of a parent, guardian, or other 37118
person in charge of the pupil who rejected the payment in lieu of 37119
transportation, the department shall conduct mediation procedures. 37120
A parent, guardian, or other person in charge of the pupil may 37121
authorize the nonpublic or community school in which the pupil is 37122
enrolled to act on the parent's, guardian's, or other person's 37123
behalf during the mediation proceedings. 37124

(b) If the mediation does not resolve the dispute, the state 37125
board ~~of education~~ shall conduct a hearing in accordance with 37126
Chapter 119. of the Revised Code. The state board may approve the 37127
payment in lieu of transportation or may order the district board 37128
of education or governing authority to provide transportation. The 37129
decision of the state board is binding in subsequent years and on 37130
future parties in interest provided the facts of the determination 37131
remain comparable. 37132

(2) The school district or governing authority shall provide 37133
transportation for the pupil from the time the parent, guardian, 37134
or other person in charge of the pupil requests mediation until 37135
the matter is resolved under division (E)(1)(a) or (b) of this 37136
section. 37137

(F)(1) If the department determines that a school district 37138
board or governing authority has failed or is failing to provide 37139
transportation as required by division (E)(2) of this section or 37140
as ordered by the state board under division (E)(1)(b) of this 37141
section, the department shall order the school district board or 37142
governing authority to pay to the pupil's parent, guardian, or 37143
other person in charge of the pupil, an amount equal to ~~the state~~ 37144

~~average daily cost of transportation as determined by the state board of education for the previous year fifty per cent of the cost of providing transportation as determined by the board or governing authority under division (A)(3) of this section, and not more than two thousand five hundred dollars. The school district board or governing authority shall make payments on a schedule ordered by the department.~~ 37145
37146
37147
37148
37149
37150
37151

(2) If the department subsequently finds that a school district board is not in compliance with an order issued under division (F)(1) of this section and the affected pupils are enrolled in a nonpublic or community school, the department shall deduct the amount that the board is required to pay under that order from any pupil transportation payments the department makes to the school district board under section 3317.0212 of the Revised Code or other provisions of law. The department shall use the moneys so deducted to make payments to the nonpublic or community school attended by the pupil. The department shall continue to make the deductions and payments required under this division until the school district board either complies with the department's order issued under division (F)(1) of this section or begins providing transportation. 37152

37164
37165

(G) A nonpublic or community school that receives payments from the department under division (F)(2) of this section shall do either of the following: 37166
37167
37168

(1) Disburse the entire amount of the payments to the parent, guardian, or other person in charge of the pupil affected by the failure of the school district of residence to provide transportation; 37169
37170
37171
37172

(2) Use the entire amount of the payments to provide acceptable transportation for the affected pupil. 37173
37174

(H) At any time after a parent, guardian, or other person in 37175

charge of a pupil requests transportation for a pupil, that 37176
parent, guardian, or other person may authorize the nonpublic or 37177
community school in which the pupil is enrolled to act on the 37178
parent's, guardian's, or other person's behalf for purposes of 37179
this section. 37180

Sec. 3327.021. The department of education shall monitor each 37181
city, local, or exempted village school district's compliance with 37182
sections 3327.01 and 3327.016 and division (B) of section 3327.017 37183
of the Revised Code. If the department determines a consistent or 37184
prolonged period of noncompliance on the part of the school 37185
district to provide transportation as required under those 37186
sections, the department shall deduct from the district's payment 37187
for student transportation under Chapter 3317. of the Revised Code 37188
the total daily amount of that payment, as computed by the 37189
department, for each day that the district is not in compliance. 37190

This section does not affect the authority of a school 37191
district to provide payment in lieu of transportation in 37192
accordance with section 3327.02 of the Revised Code. 37193

Sec. 3327.101. Notwithstanding anything to the contrary in 37194
this chapter or Chapter 3301-83 of the Administrative Code, the 37195
department of education shall develop an online bus driver 37196
training program to satisfy the classroom portion of pre-service 37197
and annual in-service training for school bus driver 37198
certification. On-the-bus training for drivers shall continue to 37199
be completed in person. 37200

Sec. 3328.24. A college-preparatory boarding school 37201
established under this chapter and its board of trustees shall 37202
comply with sections 102.02, 3301.0710, 3301.0711, 3301.0712, 37203

3319.073, 3319.077, 3319.078, 3319.318, 3319.39, 3319.391, 37207
3319.393, 3319.46, 3320.01, 3320.02, 3320.03, 3323.251, and 37208
5502.262, and Chapter 3365. of the Revised Code as if the school 37209
were a school district and the school's board of trustees were a 37210
district board of education. 37211

Sec. 3333.049. (A) Not later than July 1, 2016, the 37212
chancellor of higher education shall revise the requirements for 37213
reading endorsement programs offered by institutions of higher 37214
education to align those requirements with the reading 37215
competencies adopted by the state board of education under section 37216

Sec. 3333.0417. (A) The chancellor of higher education may 37226
adopt rules regarding when a state institution of higher 37227
education, as defined in section 3345.011 of the Revised Code, may 37228

student owes money to the institution. 37230

(B) In adopting rules under division (A) of this section, the 37231
chancellor shall consider all of the following: 37232

(1) Promoting the state's postsecondary education attainment 37233
goals; 37234

<u>of any person under such rule, however, shall be required to be</u>	37262
<u>made pursuant to Chapter 119. of the Revised Code. The term</u>	37263
<u>"resident" for these purposes shall not be equated with the</u>	37264

definition of that term as it is employed elsewhere under the laws 37265
of this state and other states, and shall not carry with it any of 37266
the legal connotations appurtenant thereto. Rather, except as 37267
provided in divisions (B), (C), (D), ~~and (F)~~, and (G) of this 37268
section, for such purposes, the rule promulgated under this 37269
section shall have the objective of excluding from treatment as 37270
residents those who are present in the state primarily for the 37271
purpose of attending a state-supported or state-assisted 37272
institution of higher education, and may prescribe presumptive 37273
rules, rebuttable or conclusive, as to such purpose based upon the 37274
source or sources of support of the student, residence prior to 37275
first enrollment, evidence of intention to remain in the state 37276
after completion of studies, or such other factors as the 37277
chancellor deems relevant. 37278

(B) The rules of the chancellor for determining student 37279
residency shall grant residency status to a veteran and to the 37280
veteran's spouse and any dependent of the veteran, if both of the 37281
following conditions are met: 37282

(1) The veteran either: 37283

honorably discharged or received a medical discharge that was 37285
related to the military service; 37286

(b) Was killed while serving on active military duty or has 37287
been declared to be missing in action or a prisoner of war. 37288

(2) If the veteran seeks residency status for tuition 37289
surcharge purposes, the veteran has established domicile in this 37290
state as of the first day of a term of enrollment in an 37291
institution of higher education. If the spouse or a dependent of 37292
the veteran seeks residency status for tuition surcharge purposes, 37293
the veteran and the spouse or dependent seeking residency status 37294
have established domicile in this state as of the first day of a 37295

term of enrollment in an institution of higher education, except 37296
that if the veteran was killed while serving on active military 37297
duty, has been declared to be missing in action or a prisoner of 37298
war, or is deceased after discharge, only the spouse or dependent 37299
seeking residency status shall be required to have established 37300
domicile in accordance with this division. 37301

(C) The rules of the chancellor for determining student 37302
residency shall grant residency status to both of the following: 37303

Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans 37306
Educational Assistance Program," 38 U.S.C. 3301 et seq., or any 37307
successor program, if the veteran meets all of the following 37308

declaration of candidacy, a declaration of intent to be a write-in 39095
candidate, or a statement of candidacy, or has become a candidate 39096
by the filling of a vacancy under section 3513.30 of the Revised 39097
Code for any other state office or any federal or county office. 39098

within a county or district smaller than a county shall be filed 39108

signatures. A board of elections shall not accept for filing a 39114
nominating petition of a person seeking to become a candidate if 39115
that person, for the same election, has already filed a 39116
declaration of candidacy, a declaration of intent to be a write-in 39117
candidate, or a nominating petition, or has become a candidate by 39118
the filling of a vacancy under section 3513.30 of the Revised Code 39119
for any federal, state, or county office, if the nominating 39120
petition is for a state or county office, or for any municipal or 39121

board of education, or for member of a governing board of an 39123

board of an educational service center. When a petition of a 39127
candidate has been accepted for filing by a board of elections, 39128
the petition shall not be deemed invalid if, upon verification of 39129
signatures contained in the petition, the board of elections finds 39130
the number of signatures accepted exceeds three times the minimum 39131

that the candidate be designated on the ballot as a nonparty 39139

candidate or as an other-party candidate, or may request that the 39140
candidate's name be placed on the ballot without any designation. 39141
Any such candidate who fails to request a designation either as a 39142
nonparty candidate or as an other-party candidate shall have the 39143
candidate's name placed on the ballot without any designation. 39144

The purpose of establishing a filing deadline for independent 39145
candidates prior to the primary election immediately preceding the 39146
general election at which the candidacy is to be voted on by the 39147
voters is to recognize that the state has a substantial and 39148
compelling interest in protecting its electoral process by 39149
encouraging political stability, ensuring that the winner of the 39150
election will represent a majority of the community, providing the 39151
electorate with an understandable ballot, and enhancing voter 39152
education, thus fostering informed and educated expressions of the 39153
popular will in a general election. The filing deadline for 39154
independent candidates required in this section prevents 39155
splintered parties and unrestrained factionalism, avoids political 39156
fragmentation, and maintains the integrity of the ballot. The 39157
deadline, one day prior to the primary election, is the least 39158
drastic or restrictive means of protecting these state interests. 39159
The general assembly finds that the filing deadline for 39160
independent candidates in primary elections required in this 39161
section is reasonably related to the state's purpose of ensuring 39162
fair and honest elections while leaving unimpaired the political, 39163
voting, and associational rights secured by the first and 39164
fourteenth amendments to the United States Constitution. 39165

The criteria may include accreditation standards promulgated by the public health accreditation board.

(E) If a merger is required by this section, the merger shall be completed not later than thirty months after the official announcement of the result of a federal decennial census, unless either of the following, as applicable, acts for good cause to

Sec. 3709.052. When a majority of the members of the 39816
legislative authority or a majority of the electors of each city 39817
constituting a city health district have voted affirmatively, the 39818
chief executives of the cities affected shall enter into a 39819
contract for the administration of public health affairs in the 39820
combined district. Such contract shall state the proportion of 39821
expenses of the board of health or health department of the 39822
combined district to be paid by each city. Unless the proposal 39823

submitted to the electors provides for the board of health of the 39825
new district, the contract may provide that the administration of 39826
the combined district be taken over by either the board of health 39827
or the health department of one of the cities or by a combined 39828
board of health. If the contract provides for a combined board of 39829
health, the number of members of the board, their terms of office, 39830
and the method of appointment, shall be set forth in the contract. 39831
The contract shall designate the city in which the central office 39832

the health commissioner. A copy of such contract shall be filed 39838
with the director of health. 39839

The service status of any person employed by a city health 39840
district shall not be affected by the creation of a combined 39841
district. 39842

Sec. 3709.06. If any city constituting a city health district 39843
fails to establish a board of health under section 3709.05 of the 39844
Revised Code, the director of health may appoint a health 39845
commissioner for such city, and fix the commissioner's salary and 39846
term of office. Such commissioner shall have the same powers and 39847
perform the duties granted to or imposed upon a board of health of 39848
a city health district, except that rules, regulations, or orders 39849
of a general nature, made by the commissioner and required to be 39850
published, shall be approved by the director. The salary of such 39851
commissioner and all necessary expenses incurred by the 39852
commissioner in performing the duties of the board shall be paid 39853
by and be a valid claim against such city. 39854

Sec. 3709.07. Except as provided in section 3709.071 of the 39855
Revised Code, when it is proposed that one or more city health 39856
districts unite with a general health district in the formation of 39857
a single district, the district advisory council of the general 39858
health district shall meet and vote on the question of union. It 39859
shall require a majority affirmative vote of the members of the 39860
district advisory council to carry the question. The legislative 39861
authority of each city constituting a city health district shall 39862
likewise vote on the question. A majority voting affirmatively 39863
shall be required for approval. When the majority of the district 39864
advisory council and the legislative authority have voted 39865
affirmatively, the chair of the council and the chief executive of 39866
each city shall enter into a contract for the administration of 39867

health affairs in the combined district. Such contract shall state 39868
the proportion of the expenses of the board of health or health 39869
department of the combined district to be paid by the city or 39870
cities and by the original general health district. The contract 39871
may provide that the administration of the combined district shall 39872
be taken over by either the board of health or health department 39873
of one of the cities, by the board of health of the general health 39874
district, or by a combined board of health. Such contract shall 39875
prescribe the date on which such change of administration shall be 39876
made. A copy of such contract shall be filed with the director of 39877
health. 39878

The combined district shall constitute a general health 39879
district, and the board of health or health department of the 39880
city, the board of health of the original general health district, 39881
or the combined board of health, as may be agreed in the contract, 39882
shall have, within the combined district, all the powers granted 39883
to, and perform all the duties required of, the board of health of 39884
a general health district. 39885

The district advisory council of the combined general health 39886
district shall consist of the members of the district advisory 39887
council of the original general health district and the chief 39888
executive of each city constituting a city health district, each 39889
member having one vote. 39890

If the contract provides that the administration of the 39891
combined district shall be taken over by a combined board of 39892
health, rather than the board of health of the original health 39893
district, the contract shall set forth the number of members of 39894
such board, their terms of office, and the manner of appointment 39895
or election of officers. One of the members of such combined board 39896
of health shall be a physician, and one member shall be an 39897
individual appointed by the health district licensing council, if 39898
such council is established under section 3709.41 of the Revised 39899

Code. The contract may also provide for the representation of 39900
areas by one or more members and shall, in such event, specify the 39901
territory to be included in each such area. 39902

The appointment of any member of the combined board who is 39903
designated by the provisions of the contract to represent a city 39904
shall be made by the chief executive and approved by the 39905
legislative authority of such city. If a member is designated by 39906
the contract to represent more than one city, the member shall be 39907
appointed by majority vote of the chief executives of all cities 39908
included in any such area. Except for the member appointed by the 39909
health district licensing council, if such council is established, 39910
the appointment of all members of the combined board who are 39911
designated to represent the balance of the district shall be made 39912
by the district advisory council. 39913

The service status of any person employed by a city or 39914

contained in the registry concerning an individual about whom a 40759
statement required by section 3721.23 of the Revised Code is 40760
included in the registry, the director shall disclose the 40761

statement provided by the individual under section 3721.23 or a 40763
clear and accurate summary of that statement. 40764

(C) The director may by rule specify additional information 40765
that must be provided to the registry by long-term care facilities 40766
and persons or government agencies conducting approved competency 40767

(D) Information contained in the registry is a public record 40770
for the purposes of section 149.43 of the Revised Code, and is 40771

Sec. 3727.80. (A) As used in this section, "health benefit 40774
plan," "health plan issuer," and "health care services" have the 40775
same meanings as in section 3922.01 of the Revised Code. 40776

(B) If a patient is admitted to a hospital for inpatient 40777
health care services and the hospital is informed at the time of 40778

hospital shall notify the health plan issuer of the admission 40780
within twenty-four hours of the patient being admitted. 40781

(C) If a patient is admitted to a hospital for inpatient 40782
health care services prior to the hospital being informed that the 40783

hospital to contact the health plan issuer and confirm coverage. 40791

(E) The notice required under divisions (B) and (C) of this section shall be made in writing and may be provided through a secure electronic transmission by the hospital to the health plan issuer or, if written notice is not possible, then the notice shall be made by telephonic communication.

Sec. 3734.57. (A) The following fees are hereby levied on the transfer or disposal of solid wastes in this state:

(1) Ninety cents per ton through June 30, ~~2022~~2024, twenty cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste facility management fund created in section 3734.18 of the Revised Code and seventy cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste clean-up fund created in section 3734.28 of the Revised Code;

(2) An additional seventy-five cents per ton through June 30, ~~2022~~2024, the proceeds of which shall be deposited in the state treasury to the credit of the waste management fund created in section 3734.061 of the Revised Code.

(3) An additional two dollars and eighty-five cents per ton through June 30, ~~2022~~2024, the proceeds of which shall be deposited in the state treasury to the credit of the environmental protection fund created in section 3745.015 of the Revised Code;

(4) An additional twenty-five cents per ton through June 30, ~~2022~~2024, the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this

division shall be collected by the owner or operator of the 40822
transfer facility as a trustee for the state. The amount of fees 40823
required to be collected under this division at such a transfer 40824
facility shall equal the total tonnage of solid wastes received at 40825
the facility multiplied by the fees levied under this division. In 40826
the case of solid wastes that are not taken to a solid waste 40827
transfer facility located in this state prior to being transported 40828
to a solid waste disposal facility, the fees shall be collected by 40829
the owner or operator of the solid waste disposal facility as a 40830
trustee for the state. The amount of fees required to be collected 40831
under this division at such a disposal facility shall equal the 40832
total tonnage of solid wastes received at the facility that was 40833
not previously taken to a solid waste transfer facility located in 40834
this state multiplied by the fees levied under this division. Fees 40835
levied under this division do not apply to materials separated 40836
from a mixed waste stream for recycling by a generator or 40837
materials removed from the solid waste stream through recycling, 40838
as "recycling" is defined in rules adopted under section 3734.02 40839
of the Revised Code. 40840

The owner or operator of a solid waste transfer facility or 40841
disposal facility, as applicable, shall prepare and file with the 40842
director of environmental protection each month a return 40843
indicating the total tonnage of solid wastes received at the 40844
facility during that month and the total amount of the fees 40845
required to be collected under this division during that month. In 40846
addition, the owner or operator of a solid waste disposal facility 40847
shall indicate on the return the total tonnage of solid wastes 40848
received from transfer facilities located in this state during 40849
that month for which the fees were required to be collected by the 40850
transfer facilities. The monthly returns shall be filed on a form 40851
prescribed by the director. Not later than thirty days after the 40852
last day of the month to which a return applies, the owner or 40853
operator shall mail to the director the return for that month 40854

together with the fees required to be collected under this 40855
division during that month as indicated on the return or may 40856
submit the return and fees electronically in a manner approved by 40857
the director. If the return is filed and the amount of the fees 40858
due is paid in a timely manner as required in this division, the 40859
owner or operator may retain a discount of three-fourths of one 40860
per cent of the total amount of the fees that are required to be 40861
paid as indicated on the return. 40862

The owner or operator may request an extension of not more 40863
than thirty days for filing the return and remitting the fees, 40864
provided that the owner or operator has submitted such a request 40865
in writing to the director together with a detailed description of 40866
why the extension is requested, the director has received the 40867
request not later than the day on which the return is required to 40868
be filed, and the director has approved the request. If the fees 40869
are not remitted within thirty days after the last day of the 40870
month to which the return applies or are not remitted by the last 40871
day of an extension approved by the director, the owner or 40872
operator shall not retain the three-fourths of one per cent 40873
discount and shall pay an additional ten per cent of the amount of 40874
the fees for each month that they are late. For purposes of 40875
calculating the late fee, the first month in which fees are late 40876
begins on the first day after the deadline has passed for timely 40877
submitting the return and fees, and one additional month shall be 40878
counted every thirty days thereafter. 40879

The owner or operator of a solid waste facility may request a 40880
refund or credit of fees levied under this division and remitted 40881
to the director that have not been paid to the owner or operator. 40882
Such a request shall be made only if the fees have not been 40883
collected by the owner or operator, have become a debt that has 40884
become worthless or uncollectable for a period of six months or 40885
more, and may be claimed as a deduction, including a deduction 40886

claimed if the owner or operator keeps accounts on an accrual 40887
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 40888
U.S.C. 166, as amended, and regulations adopted under it. Prior to 40889
making a request for a refund or credit, an owner or operator 40890
shall make reasonable efforts to collect the applicable fees. A 40891
request for a refund or credit shall not include any costs 40892
resulting from those efforts to collect unpaid fees. 40893

A request for a refund or credit of fees shall be made in 40894
writing, on a form prescribed by the director, and shall be 40895
supported by evidence that may be required in rules adopted by the 40896
director under this chapter. After reviewing the request, and if 40897
the request and evidence submitted with the request indicate that 40898
a refund or credit is warranted, the director shall grant a refund 40899
to the owner or operator or shall permit a credit to be taken by 40900
the owner or operator on a subsequent monthly return submitted by 40901
the owner or operator. The amount of a refund or credit shall not 40902
exceed an amount that is equal to ninety days' worth of fees owed 40903
to an owner or operator by a particular debtor of the owner or 40904
operator. A refund or credit shall not be granted by the director 40905
to an owner or operator more than once in any twelve-month period 40906
for fees owed to the owner or operator by a particular debtor. 40907

If, after receiving a refund or credit from the director, an 40908
owner or operator receives payment of all or part of the fees, the 40909
owner or operator shall remit the fees with the next monthly 40910
return submitted to the director together with a written 40911
explanation of the reason for the submittal. 40912

For purposes of computing the fees levied under this division 40913
or division (B) of this section, any solid waste transfer or 40914
disposal facility that does not use scales as a means of 40915
determining gate receipts shall use a conversion factor of three 40916
cubic yards per ton of solid waste or one cubic yard per ton for 40917
baled waste, as applicable. 40918

The fees levied under this division and divisions (B) and (C) 40919
of this section are in addition to all other applicable fees and 40920
taxes and shall be paid by the customer or a political subdivision 40921
to the owner or operator of a solid waste transfer or disposal 40922
facility. In the alternative, the fees shall be paid by a customer 40923
or political subdivision to a transporter of waste who 40924
subsequently transfers the fees to the owner or operator of such a 40925
facility. The fees shall be paid notwithstanding the existence of 40926
any provision in a contract that the customer or a political 40927
subdivision may have with the owner or operator or with a 40928
transporter of waste to the facility that would not require or 40929
allow such payment regardless of whether the contract was entered 40930
prior to or after October 16, 2009. For those purposes, "customer" 40931
means a person who contracts with, or utilizes the solid waste 40932
services of, the owner or operator of a solid waste transfer or 40933
disposal facility or a transporter of solid waste to such a 40934
facility. 40935

(B) For the purposes specified in division (G) of this 40936
section, the solid waste management policy committee of a county 40937
or joint solid waste management district may levy fees upon the 40938
following activities: 40939

(1) The disposal at a solid waste disposal facility located 40940
in the district of solid wastes generated within the district; 40941

(2) The disposal at a solid waste disposal facility within 40942
the district of solid wastes generated outside the boundaries of 40943
the district, but inside this state; 40944

(3) The disposal at a solid waste disposal facility within 40945
the district of solid wastes generated outside the boundaries of 40946
this state. 40947

The solid waste management plan of the county or joint 40948
district approved under section 3734.521 or 3734.55 of the Revised 40949

Code and any amendments to it, or the resolution adopted under 40950
this division, as appropriate, shall establish the rates of the 40951
fees levied under divisions (B)(1), (2), and (3) of this section, 40952
if any, and shall specify whether the fees are levied on the basis 40953
of tons or cubic yards as the unit of measurement. A solid waste 40954
management district that levies fees under this division on the 40955
basis of cubic yards shall do so in accordance with division (A) 40956
of this section. 40957

The fee levied under division (B)(1) of this section shall be 40958
not less than one dollar per ton nor more than two dollars per 40959
ton, the fee levied under division (B)(2) of this section shall be 40960
not less than two dollars per ton nor more than four dollars per 40961
ton, and the fee levied under division (B)(3) of this section 40962
shall be not more than the fee levied under division (B)(1) of 40963
this section. 40964

Prior to the approval of the solid waste management plan of a 40965
district under section 3734.55 of the Revised Code, the solid 40966
waste management policy committee of a district may levy fees 40967
under this division by adopting a resolution establishing the 40968
proposed amount of the fees. Upon adopting the resolution, the 40969
committee shall deliver a copy of the resolution to the board of 40970
county commissioners of each county forming the district and to 40971
the legislative authority of each municipal corporation and 40972
township under the jurisdiction of the district and shall prepare 40973
and publish the resolution and a notice of the time and location 40974
where a public hearing on the fees will be held. Upon adopting the 40975
resolution, the committee shall deliver written notice of the 40976
adoption of the resolution; of the amount of the proposed fees; 40977
and of the date, time, and location of the public hearing to the 40978
director and to the fifty industrial, commercial, or institutional 40979
generators of solid wastes within the district that generate the 40980
largest quantities of solid wastes, as determined by the 40981

committee, and to their local trade associations. The committee 40982
shall make good faith efforts to identify those generators within 40983
the district and their local trade associations, but the 40984
nonprovision of notice under this division to a particular 40985
generator or local trade association does not invalidate the 40986
proceedings under this division. The publication shall occur at 40987
least thirty days before the hearing. After the hearing, the 40988
committee may make such revisions to the proposed fees as it 40989
considers appropriate and thereafter, by resolution, shall adopt 40990
the revised fee schedule. Upon adopting the revised fee schedule, 40991
the committee shall deliver a copy of the resolution doing so to 40992
the board of county commissioners of each county forming the 40993
district and to the legislative authority of each municipal 40994
corporation and township under the jurisdiction of the district. 40995
Within sixty days after the delivery of a copy of the resolution 40996
adopting the proposed revised fees by the policy committee, each 40997
such board and legislative authority, by ordinance or resolution, 40998
shall approve or disapprove the revised fees and deliver a copy of 40999
the ordinance or resolution to the committee. If any such board or 41000
legislative authority fails to adopt and deliver to the policy 41001
committee an ordinance or resolution approving or disapproving the 41002
revised fees within sixty days after the policy committee 41003
delivered its resolution adopting the proposed revised fees, it 41004
shall be conclusively presumed that the board or legislative 41005
authority has approved the proposed revised fees. The committee 41006
shall determine if the resolution has been ratified in the same 41007
manner in which it determines if a draft solid waste management 41008
plan has been ratified under division (B) of section 3734.55 of 41009
the Revised Code. 41010

The committee may amend the schedule of fees levied pursuant 41011
to a resolution adopted and ratified under this division by 41012
adopting a resolution establishing the proposed amount of the 41013
amended fees. The committee may repeal the fees levied pursuant to 41014

such a resolution by adopting a resolution proposing to repeal 41015
them. Upon adopting such a resolution, the committee shall proceed 41016
to obtain ratification of the resolution in accordance with this 41017
division. 41018

Not later than fourteen days after declaring the new fees to 41019
be ratified or the fees to be repealed under this division, the 41020
committee shall notify by certified mail the owner or operator of 41021
each solid waste disposal facility that is required to collect the 41022
fees of the ratification and the amount of the fees or of the 41023
repeal of the fees. Collection of any fees shall commence or 41024
collection of repealed fees shall cease on the first day of the 41025
second month following the month in which notification is sent to 41026
the owner or operator. 41027

Fees levied under this division also may be established, 41028
amended, or repealed by a solid waste management policy committee 41029
through the adoption of a new district solid waste management 41030
plan, the adoption of an amended plan, or the amendment of the 41031
plan or amended plan in accordance with sections 3734.55 and 41032
3734.56 of the Revised Code or the adoption or amendment of a 41033
district plan in connection with a change in district composition 41034
under section 3734.521 of the Revised Code. 41035

Not later than fourteen days after the director issues an 41036
order approving a district's solid waste management plan, amended 41037
plan, or amendment to a plan or amended plan that establishes, 41038
amends, or repeals a schedule of fees levied by the district, the 41039
committee shall notify by certified mail the owner or operator of 41040
each solid waste disposal facility that is required to collect the 41041
fees of the approval of the plan or amended plan, or the amendment 41042
to the plan, as appropriate, and the amount of the fees, if any. 41043
In the case of an initial or amended plan approved under section 41044
3734.521 of the Revised Code in connection with a change in 41045
district composition, other than one involving the withdrawal of a 41046

county from a joint district, the committee, within fourteen days 41047
after the change takes effect pursuant to division (G) of that 41048
section, shall notify by certified mail the owner or operator of 41049
each solid waste disposal facility that is required to collect the 41050
fees that the change has taken effect and of the amount of the 41051
fees, if any. Collection of any fees shall commence or collection 41052
of repealed fees shall cease on the first day of the second month 41053
following the month in which notification is sent to the owner or 41054
operator. 41055

If, in the case of a change in district composition involving 41056
the withdrawal of a county from a joint district, the director 41057
completes the actions required under division (G)(1) or (3) of 41058
section 3734.521 of the Revised Code, as appropriate, forty-five 41059
days or more before the beginning of a calendar year, the policy 41060
committee of each of the districts resulting from the change that 41061
obtained the director's approval of an initial or amended plan in 41062
connection with the change, within fourteen days after the 41063
director's completion of the required actions, shall notify by 41064
certified mail the owner or operator of each solid waste disposal 41065
facility that is required to collect the district's fees that the 41066
change is to take effect on the first day of January immediately 41067
following the issuance of the notice and of the amount of the fees 41068
or amended fees levied under divisions (B)(1) to (3) of this 41069
section pursuant to the district's initial or amended plan as so 41070
approved or, if appropriate, the repeal of the district's fees by 41071
that initial or amended plan. Collection of any fees set forth in 41072
such a plan or amended plan shall commence on the first day of 41073
January immediately following the issuance of the notice. If such 41074
an initial or amended plan repeals a schedule of fees, collection 41075
of the fees shall cease on that first day of January. 41076

If, in the case of a change in district composition involving 41077
the withdrawal of a county from a joint district, the director 41078

completes the actions required under division (G)(1) or (3) of 41079
section 3734.521 of the Revised Code, as appropriate, less than 41080
forty-five days before the beginning of a calendar year, the 41081
director, on behalf of each of the districts resulting from the 41082
change that obtained the director's approval of an initial or 41083
amended plan in connection with the change proceedings, shall 41084
notify by certified mail the owner or operator of each solid waste 41085
disposal facility that is required to collect the district's fees 41086
that the change is to take effect on the first day of January 41087
immediately following the mailing of the notice and of the amount 41088
of the fees or amended fees levied under divisions (B)(1) to (3) 41089
of this section pursuant to the district's initial or amended plan 41090
as so approved or, if appropriate, the repeal of the district's 41091
fees by that initial or amended plan. Collection of any fees set 41092
forth in such a plan or amended plan shall commence on the first 41093
day of the second month following the month in which notification 41094
is sent to the owner or operator. If such an initial or amended 41095
plan repeals a schedule of fees, collection of the fees shall 41096
cease on the first day of the second month following the month in 41097
which notification is sent to the owner or operator. 41098

If the schedule of fees that a solid waste management 41099
district is levying under divisions (B)(1) to (3) of this section 41100
is amended or repealed, the fees in effect immediately prior to 41101
the amendment or repeal shall continue to be collected until 41102
collection of the amended fees commences or collection of the 41103
repealed fees ceases, as applicable, as specified in this 41104
division. In the case of a change in district composition, money 41105
so received from the collection of the fees of the former 41106
districts shall be divided among the resulting districts in 41107
accordance with division (B) of section 343.012 of the Revised 41108
Code and the agreements entered into under division (B) of section 41109
343.01 of the Revised Code to establish the former and resulting 41110
districts and any amendments to those agreements. 41111

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the

fee by the ordinance or resolution, and the director of 41144
environmental protection. Although the fees levied under this 41145
division are levied on the basis of tons as the unit of 41146
measurement, the legislative authority, in its ordinance or 41147
resolution levying the fees under this division, may direct that 41148
the fees be levied on the basis of cubic yards as the unit of 41149
measurement based upon a conversion factor of three cubic yards 41150
per ton generally or one cubic yard per ton for baled wastes. 41151

Not later than five days after enacting an ordinance or 41152
adopting a resolution under this division, the legislative 41153
authority shall so notify by certified mail the owner or operator 41154
of each solid waste disposal facility that is required to collect 41155
the fee. Collection of any fee levied on or after March 24, 1992, 41156
shall commence on the first day of the second month following the 41157
month in which notification is sent to the owner or operator. 41158

(D)(1) The fees levied under divisions (A), (B), and (C) of 41159
this section do not apply to the disposal of solid wastes that: 41160

(a) Are disposed of at a facility owned by the generator of 41161
the wastes when the solid waste facility exclusively disposes of 41162
solid wastes generated at one or more premises owned by the 41163
generator regardless of whether the facility is located on a 41164
premises where the wastes are generated; 41165

(b) Are generated from the combustion of coal, or from the 41166
combustion of primarily coal, regardless of whether the disposal 41167
facility is located on the premises where the wastes are 41168
generated; 41169

(c) Are asbestos or asbestos-containing materials or products 41170
disposed of at a construction and demolition debris facility that 41171
is licensed under Chapter 3714. of the Revised Code or at a solid 41172
waste facility that is licensed under this chapter. 41173

(2) Except as provided in section 3734.571 of the Revised 41174

Code, any fees levied under division (B)(1) of this section apply 41175
to solid wastes originating outside the boundaries of a county or 41176

of solid waste facilities entered into under section 343.02 of the 41178
Revised Code by the board of county commissioners or board of 41179
directors of the county or joint district where the wastes are 41180
generated and disposed of. 41181

(3) When solid wastes, other than solid wastes that consist 41182
of scrap tires, are burned in a disposal facility that is an 41183
incinerator or energy recovery facility, the fees levied under 41184
divisions (A), (B), and (C) of this section shall be levied upon 41185
the disposal of the fly ash and bottom ash remaining after burning 41186
of the solid wastes and shall be collected by the owner or 41187
operator of the sanitary landfill where the ash is disposed of. 41188

(4) When solid wastes are delivered to a solid waste transfer 41189

disposal facility where the wastes are disposed of. 41194

(5) The fees levied under divisions (A), (B), and (C) of this 41195
section do not apply to sewage sludge that is generated by a waste 41196
water treatment facility holding a national pollutant discharge 41197
elimination system permit and that is disposed of through 41198
incineration, land application, or composting or at another 41199
resource recovery or disposal facility that is not a landfill. 41200

(6) The fees levied under divisions (A), (B), and (C) of this 41201
section do not apply to solid wastes delivered to a solid waste 41202
composting facility for processing. When any unprocessed solid 41203
waste or compost product is transported off the premises of a 41204
composting facility and disposed of at a landfill, the fees levied 41205

collected by the owner or operator of the landfill where the 41207
unprocessed waste or compost product is disposed of. 41208

(7) When solid wastes that consist of scrap tires are 41209
processed at a scrap tire recovery facility, the fees levied under 41210
divisions (A), (B), and (C) of this section shall be levied upon 41211
the disposal of the fly ash and bottom ash or other solid wastes 41212
remaining after the processing of the scrap tires and shall be 41213

(8) The director of environmental protection may issue an 41216
order exempting from the fees levied under this section solid 41217
wastes, including, but not limited to, scrap tires, that are 41218
generated, transferred, or disposed of as a result of a contract 41219
providing for the expenditure of public funds entered into by the 41220
administrator or regional administrator of the United States 41221
environmental protection agency, the director of environmental 41222
protection, or the director of administrative services on behalf 41223
of the director of environmental protection for the purpose of 41224
remediating conditions at a hazardous waste facility, solid waste 41225
facility, or other location at which the administrator or regional 41226
administrator or the director of environmental protection has 41227
reason to believe that there is a substantial threat to public 41228
health or safety or the environment or that the conditions are 41229
causing or contributing to air or water pollution or soil 41230
contamination. An order issued by the director of environmental 41231
protection under division (D)(8) of this section shall include a 41232
determination that the amount of the fees not received by a solid 41233
waste management district as a result of the order will not 41234
adversely impact the implementation and financing of the 41235
district's approved solid waste management plan and any approved 41236
amendments to the plan. Such an order is a final action of the 41237
director of environmental protection. 41238

If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of

that regional authority under division (E) of this section shall 41271
be kept by the board in a separate and distinct fund to the credit 41272

section and the fee levied under division (A) of section 3734.573 41275
of the Revised Code shall be expended by the board of county 41276
commissioners or directors of the district in accordance with the 41277
district's solid waste management plan or amended plan approved 41278

(3) Providing financial assistance to boards of health within 41290
the district, if solid waste facilities are located within the 41291
district, for enforcement of this chapter and rules, orders, and 41292
terms and conditions of permits, licenses, and variances adopted 41293
or issued under it, other than the hazardous waste provisions of 41294
this chapter and rules adopted and orders and terms and conditions 41295

waste facility within the county under the district's approved 41301
solid waste management plan or amended plan; 41302

(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;

to the district pursuant to a contract or agreement with the board 41335
of county commissioners or directors of the district; 41336

(10) Payment of any expenses that are agreed to, awarded, or 41337

the case of a joint solid waste management district, if the board 41340
of county commissioners of one of the counties in the district is 41341
negotiating on behalf of affected communities, as defined in that 41342
section, in that county, the board shall obtain the approval of 41343
the board of directors of the district in order to expend moneys 41344
for administrative costs incurred. 41345

Prior to the approval of the district's solid waste 41346
management plan under section 3734.55 of the Revised Code, moneys 41347
in the special fund of the district arising from the fees shall be 41348
expended for those purposes in the manner prescribed by the solid 41349
waste management policy committee by resolution. 41350

Notwithstanding division (G)(6) of this section as it existed 41351
prior to October 29, 1993, or any provision in a district's solid 41352
waste management plan prepared in accordance with division 41353
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 41354
prior to that date, any moneys arising from the fees levied under 41355
division (B)(3) of this section prior to January 1, 1994, may be 41356
expended for any of the purposes authorized in divisions (G)(1) to 41357
(10) of this section. 41358

(H) The director shall adopt rules in accordance with Chapter 41359
119. of the Revised Code prescribing procedures for collecting and 41360
forwarding the fees levied under divisions (B) and (C) of this 41361
section to the boards of county commissioners or directors of 41362
county or joint solid waste management districts and to the 41363
treasurers or other officers of municipal corporations and the 41364
fiscal officers of townships. The rules also shall prescribe the 41365
dates for forwarding the fees to the boards and officials and may 41366

prescribe any other requirements the director considers necessary 41367
or appropriate to implement and administer divisions (A), (B), and 41368
(C) of this section. 41369

Sec. 3734.85. (A) On and after the effective date of the 41370
rules adopted under sections 3734.70, 3734.71, 3734.72, and 41371
3734.73 of the Revised Code, the director of environmental 41372
protection may take action under this section to abate 41373
accumulations of scrap tires. If the director determines that an 41374
accumulation of scrap tires constitutes a danger to the public 41375
health or safety or to the environment, the director shall issue 41376
an order under section 3734.13 of the Revised Code to the person 41377
responsible for the accumulation of scrap tires directing that 41378
person, within one hundred twenty days after the issuance of the 41379
order, to remove the accumulation of scrap tires from the premises 41380
on which it is located and transport the tires to a scrap tire 41381
storage, monocell, monofill, or recovery facility licensed under 41382
section 3734.81 of the Revised Code, to such a facility in another 41383
state operating in compliance with the laws of the state in which 41384
it is located, or to any other solid waste disposal facility in 41385
another state that is operating in compliance with the laws of 41386
that state. If the person responsible for causing the accumulation 41387
of scrap tires is a person different from the owner of the land on 41388
which the accumulation is located, the director may issue such an 41389
order to the landowner. 41390

If the director is unable to ascertain immediately the 41391
identity of the person responsible for causing the accumulation of 41392
scrap tires, the director shall examine the records of the 41393
applicable board of health and law enforcement agencies to 41394
ascertain that person's identity. Before initiating any 41395
enforcement or removal actions under this division against the 41396
owner of the land on which the accumulation is located, the 41397
director shall initiate any such actions against the person that 41398

the director has identified as responsible for causing the 41399
accumulation of scrap tires. Failure of the director to make 41400
diligent efforts to ascertain the identity of the person 41401
responsible for causing the accumulation of scrap tires or to 41402
initiate an action against the person responsible for causing the 41403
accumulation shall not constitute an affirmative defense by a 41404
landowner to an enforcement action initiated by the director under 41405
this division requiring immediate removal of any accumulation of 41406
scrap tires. 41407

Upon the written request of the recipient of an order issued 41408
under this division, the director may extend the time for 41409
compliance with the order if the request demonstrates that the 41410
recipient has acted in good faith to comply with the order. If the 41411
recipient of an order issued under this division fails to comply 41412
with the order within one hundred twenty days after the issuance 41413
of the order or, if the time for compliance with the order was so 41414
extended, within that time, the director shall take such actions 41415
as the director considers reasonable and necessary to remove and 41416
properly manage the scrap tires located on the land named in the 41417
order. The director, through employees of the environmental 41418
protection agency or a contractor, may enter upon the land on 41419
which the accumulation of scrap tires is located and remove and 41420
transport them to a scrap tire recovery facility for processing, 41421
to a scrap tire storage facility for storage, or to a scrap tire 41422
monocell or monofill facility for storage or disposal. 41423

The director shall enter into contracts for the storage, 41424
disposal, or processing of scrap tires removed through removal 41425
operations conducted under this section. 41426

If a person to whom a removal order is issued under this 41427
division fails to comply with the order and if the director 41428
performs a removal action under this section, the person to whom 41429
the removal order is issued is liable to the director for the 41430

costs incurred by the director for conducting the removal 41431
operation, storage at a scrap tire storage facility, storage or 41432
disposal at a scrap tire monocell or monofill facility, or 41433
processing of the scrap tires so removed, the transportation of 41434
the scrap tires from the site of the accumulation to the scrap 41435
tire storage, monocell, monofill, or recovery facility where the 41436
scrap tires were stored, disposed of, or processed, and the 41437
administrative and legal expenses incurred by the director in 41438
connection with the removal operation. The director shall keep an 41439
itemized record of those costs. Upon completion of the actions for 41440
which the costs were incurred, the director shall record the costs 41441
at the office of the county recorder of the county in which the 41442
accumulation of scrap tires was located. The costs so recorded 41443
constitute a lien on the property on which the accumulation of 41444
scrap tires was located until discharged. Upon the written request 41445
of the director, the attorney general shall bring a civil action 41446
against the person responsible for the accumulation of the scrap 41447
tires that were the subject of the removal operation to recover 41448
the costs for which the person is liable under this division. Any 41449
money so received or recovered shall be credited to the scrap tire 41450
management fund created in section 3734.82 of the Revised Code. 41451

If, in a civil action brought under this division, an owner 41452
of real property is ordered to pay to the director the costs of a 41453
removal action that removed an accumulation of scrap tires from 41454
the person's land or if a lien is placed on the person's land for 41455
the costs of such a removal action, and, in either case, if the 41456
landowner was not the person responsible for causing the 41457
accumulation of scrap tires so removed, the landowner may bring a 41458
civil action against the person who was responsible for causing 41459
the accumulation to recover the amount of the removal costs that 41460
the court ordered the landowner to pay to the director or the 41461
amount of the removal costs certified to the county recorder as a 41462
lien on the landowner's property, whichever is applicable. If the 41463

landowner prevails in the civil action against the person who was 41464
responsible for causing the accumulation of scrap tires, the 41465
court, as it considers appropriate, may award to the landowner the 41466
reasonable attorney's fees incurred by the landowner for bringing 41467
the action, court costs, and other reasonable expenses incurred by 41468
the landowner in connection with the civil action. A landowner 41469
shall bring such a civil action within two years after making the 41470
final payment of the removal costs to the director pursuant to the 41471
judgment rendered against the landowner in the civil action 41472
brought under this division upon the director's request or within 41473
two years after the director certified the costs of the removal 41474
action to the county recorder, as appropriate. A person who, at 41475
the time that a removal action was conducted under this division, 41476
owned the land on which the removal action was performed may bring 41477
an action under this division to recover the costs of the removal 41478
action from the person responsible for causing the accumulation of 41479
scrap tires so removed regardless of whether the person owns the 41480
land at the time of bringing the action. 41481

Subject to the limitations set forth in division (G) of 41482
section 3734.82 of the Revised Code, the director may use moneys 41483
in the scrap tire management fund for conducting removal actions 41484
under this division. Any moneys recovered under this division 41485
shall be credited to the scrap tire management fund. 41486

(B) The director shall initiate enforcement and removal 41487
actions under division (A) of this section in accordance with the 41488
following descending listing of priorities: 41489

(1) Accumulations of scrap tires that the director finds 41490

41663

(B) The state fire marshal shall administer a small government fire department services revolving loan program under which the state fire marshal makes loans to qualifying small governments for the following purposes: 41664

biennium period for which the certification is made, to the 41710
director of budget and management. Upon certification, the 41711
director of budget and management may transfer from the state fire 41712
marshal's fund established in section 3737.71 of the Revised Code 41713

Code, in addition to the taxes required to be paid by it, 41720
three-fourths of one per cent on the gross premium receipts 41721
derived from fire insurance and that portion of the premium 41722
reasonably allocable to insurance against the hazard of fire 41723
included in other coverages except life and sickness and accident 41724
insurance, after deducting return premiums paid and considerations 41725
received for reinsurances as shown by the annual statement of such 41726
company made pursuant to sections 3929.30, 3931.06, and 5729.02 of 41727
the Revised Code. The money received shall be paid into the state 41728
treasury to the credit of the state fire marshal's fund, which is 41729
hereby created. The fund shall be used for the maintenance and 41730
administration of the office of the fire marshal and the Ohio fire 41731
academy established by section 3737.33 of the Revised Code. If the 41732
director of commerce certifies to the director of budget and 41733
management that the cash balance in the state fire marshal's fund 41734
is in excess of the amount needed to pay ongoing operating 41735
expenses, the director of commerce, with the approval of the 41736
director of budget and management, may use the excess amount to 41737

acquire by purchase, lease, or otherwise, real property or 41738
interests in real property to be used for the benefit of the 41739
office of the state fire marshal, or to construct, acquire, 41740
enlarge, equip, furnish, or improve the fire marshal's office 41741
facilities or the facilities of the Ohio fire academy. The state 41742
fire marshal's fund shall be assessed a proportionate share of the 41743
administrative costs of the department of commerce in accordance 41744
with procedures prescribed by the director of commerce ~~and~~ 41745
~~approved by the director of budget and management.~~ Such assessment 41746
shall be paid from the state fire marshal's fund to the division 41747
of administration fund. 41748

Notwithstanding any other provision in this section, if the 41749
director of budget and management determines at any time that the 41750
money in the state fire marshal's fund exceeds the amount 41751
necessary to defray ongoing operating expenses in a fiscal year, 41752
the director may transfer the excess to the general revenue fund. 41753

Sec. 3741.14. (A) Each filling station offering self-service 41754
shall be operated in accordance with the most recent version of 41755
the national fire protection association standard number 30A-1990 41756
30A, as that standard is incorporated into the fire code adopted 41757
by the state fire marshal in accordance with section 3737.82 of 41758
the Revised Code, and the provisions of the "Occupational Safety 41759
and Health Act of 1970," 84 Stat. 1590, 5 U.S.C.A. 5108, and any 41760
amendments thereto and standards adopted thereunder. 41761

(B) The fire marshal shall adopt, as part of the state fire 41762
code, rules governing the equipment, operation, and maintenance of 41763
filling stations. The rules shall be such as are necessary for the 41764
protection of the persons and property of the public, but shall 41765
require as a minimum that: 41766

(2) A sign, in block letters at least four inches in height, 41767
be conspicuously displayed on each gasoline pump island where 41768

self-service is offered stating that it is a self-service island; 41769

(3) Signs giving instructions for the operation of gasoline 41770
dispensing equipment, in block letters, be conspicuously posted at 41771
each filling station offering self-service; 41772

(4) A sign bearing the following words in block letters be 41773

(c) "WARNING--IT IS UNLAWFUL AND DANGEROUS TO DISPENSE 41778
GASOLINE INTO UNAPPROVED CONTAINERS"; 41779

(d) "PERSONS USING DISPENSERS WITH HOLD-OPEN LATCHES MUST 41780
REMAIN AT THE REFUELING POINT DURING REFUELING". 41781

(5) All signs required by this section be constructed of 41782
rigid, weather-resistant material; 41783

(6) Gasoline dispensing nozzles used by any person other than 41784
a supervisor, employee, or attendant be of an approved automatic 41785
closing type. Any person other than a supervisor, employee, or 41786
attendant using a dispenser with a hold-open latch shall remain at 41787
the refueling point during refueling. 41788

(C) The fire marshal shall not prohibit the operation of a 41789
filling station offering self-service solely because it is an 41790
unattended filling station that utilizes key- or card-operated 41791
self-service flammable or combustible liquid dispensing equipment. 41792

(D) Nothing in this section shall be interpreted to prohibit 41793
the fire marshal from adopting reasonable rules governing the 41794
safety of self-service flammable or combustible liquid dispensing 41795
equipment. 41796

Sec. 3745.014. There is hereby created in the state treasury 41797

the central support indirect fund, which shall be administered by 41798
the director of environmental protection. Money credited to the 41799
fund shall be used for administrative costs of the environmental 41800
protection agency. The director may assess any operating funds 41801
from which the agency receives appropriations, except the central 41802
support indirect fund, for a share of the administrative costs of 41803
the agency. The amounts assessed shall be transferred to the 41804
central support indirect fund by means of intrastate transfer 41805
vouchers. The director, ~~with the approval of the director of~~ 41806
~~budget and management,~~ shall determine the rate of assessments. 41807

Sec. 3745.11. (A) Applicants for and holders of permits, 41808
licenses, variances, plan approvals, and certifications issued by 41809
the director of environmental protection pursuant to Chapters 41810
3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee 41811
to the environmental protection agency for each such issuance and 41812
each application for an issuance as provided by this section. No 41813
fee shall be charged for any issuance for which no application has 41814
been submitted to the director. 41815

(B) Except as otherwise provided in division (C)(2) of this 41816
section, beginning July 1, 1994, each person who owns or operates 41817
an air contaminant source and who is required to apply for and 41818
obtain a Title V permit under section 3704.036 of the Revised Code 41819
shall pay the fees set forth in this division. For the purposes of 41820
this division, total emissions of air contaminants may be 41821
calculated using engineering calculations, emissions factors, 41822
material balance calculations, or performance testing procedures, 41823
as authorized by the director. 41824

The following fees shall be assessed on the total actual 41825
emissions from a source in tons per year of the regulated 41826
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 41827
organic compounds, and lead: 41828

(1) Fifteen dollars per ton on the total actual emissions of 41829
each such regulated pollutant during the period July through 41830
December 1993, to be collected no sooner than July 1, 1994; 41831

(2) Twenty dollars per ton on the total actual emissions of 41832
each such regulated pollutant during calendar year 1994, to be 41833
collected no sooner than April 15, 1995; 41834

(3) Twenty-five dollars per ton on the total actual emissions 41835
of each such regulated pollutant in calendar year 1995, and each 41836
subsequent calendar year, to be collected no sooner than the 41837
fifteenth day of April of the year next succeeding the calendar 41838
year in which the emissions occurred. 41839

The fees levied under this division do not apply to that 41840
portion of the emissions of a regulated pollutant at a facility 41841
that exceed four thousand tons during a calendar year. 41842

(C)(1) The fees assessed under division (B) of this section 41843
are for the purpose of providing funding for the Title V permit 41844
program. 41845

(2) The fees assessed under division (B) of this section do 41846
not apply to emissions from any electric generating unit 41847
designated as a Phase I unit under Title IV of the federal Clean 41848
Air Act prior to calendar year 2000. Those fees shall be assessed 41849
on the emissions from such a generating unit commencing in 41850
calendar year 2001 based upon the total actual emissions from the 41851
generating unit during calendar year 2000 and shall continue to be 41852
assessed each subsequent calendar year based on the total actual 41853
emissions from the generating unit during the preceding calendar 41854
year. 41855

(3) The director shall issue invoices to owners or operators 41856
of air contaminant sources who are required to pay a fee assessed 41857
under division (B) or (D) of this section. Any such invoice shall 41858
be issued no sooner than the applicable date when the fee first 41859

may be collected in a year under the applicable division, shall 41860
identify the nature and amount of the fee assessed, and shall 41861
indicate that the fee is required to be paid within thirty days 41862
after the issuance of the invoice. 41863

~~(D)(1) Except as provided in division (D)(3) of this section, 41864
from January 1, 1994, through December 31, 2003, each person who 41865
owns or operates an air contaminant source; who is required to 41866
apply for a permit to operate pursuant to rules adopted under 41867
division (G), or a variance pursuant to division (H), of section 41868
3704.03 of the Revised Code; and who is not required to apply for 41869
and obtain a Title V permit under section 3704.036 of the Revised 41870
Code shall pay a single fee based upon the sum of the actual 41871
annual emissions from the facility of the regulated pollutants 41872
particulate matter, sulfur dioxide, nitrogen oxides, organic 41873
compounds, and lead in accordance with the following schedule:~~ 41874

permit to operate pursuant to rules adopted under division (G), or 41884
a variance pursuant to division (H), of section 3704.03 of the 41885
Revised Code; and who is not required to apply for and obtain a 41886
Title V permit under section 3704.03 of the Revised Code shall pay 41887
a single fee based upon the sum of the actual annual emissions 41888
from the facility of the regulated pollutants particulate matter, 41889
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 41890
accordance with the following schedule:~~ 41891

"synthetic minor facility" means a facility for which one or more 41900
permits to install or permits to operate have been issued for the 41901
air contaminant sources at the facility that include terms and 41902
conditions that lower the facility's potential to emit air 41903
contaminants below the major source thresholds established in 41904
rules adopted under section 3704.036 of the Revised Code. 41905

The fees assessed under division ~~(D)(3)~~(D)(2) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section: 41954

(a) The consumer price index for any year is the average of 41955

the consumer price index for all urban consumers published by the 41956
United States department of labor as of the close of the 41957
twelve-month period ending on the thirty-first day of August of 41958
that year. 41959

(b) If the 1989 consumer price index is revised, the director 41960
shall use the revision of the consumer price index that is most 41961
consistent with that for calendar year 1989. 41962

(F) Each person who is issued a permit to install pursuant to 41963

year following March 17, 2000, and each first day of April 42843
thereafter, the director shall issue invoices to persons who are 42844
required to pay the annual sludge fee. The invoice shall identify 42845
the nature and amount of the annual sludge fee assessed and state 42846
the first day of May as the deadline for receipt by the director 42847
of objections regarding the amount of the fee and the first day of 42848
July as the deadline for payment of the fee. 42849

Not later than the first day of May following receipt of an 42850
invoice, a person required to pay the annual sludge fee may submit 42851
objections to the director concerning the accuracy of information 42852
regarding the number of dry tons of sewage sludge used to 42853
calculate the amount of the annual sludge fee or regarding whether 42854
the sewage sludge qualifies for the exceptional quality sludge 42855
discount established in division (Y)(2)(b) of this section. The 42856
director may consider the objections and adjust the amount of the 42857
fee to ensure that it is accurate. 42858

If the director does not adjust the amount of the annual 42859
sludge fee in response to a person's objections, the person may 42860
appeal the director's determination in accordance with Chapter 42861

119. of the Revised Code. 42862

Not later than the first day of June, the director shall 42863
notify the objecting person regarding whether the director has 42864
found the objections to be valid and the reasons for the finding. 42865
If the director finds the objections to be valid and adjusts the 42866
amount of the annual sludge fee accordingly, the director shall 42867
issue with the notification a new invoice to the person 42868
identifying the amount of the annual sludge fee assessed and 42869
stating the first day of July as the deadline for payment. 42870

Not later than the first day of July, any person who is 42871
required to do so shall pay the annual sludge fee. Any person who 42872
is required to pay the fee, but who fails to do so on or before 42873
that date shall pay an additional amount that equals ten per cent 42874
of the required annual sludge fee. 42875

(6) The director shall transmit all moneys collected under 42876
division (Y) of this section to the treasurer of state for deposit 42877
into the surface water protection fund created in section 6111.038 42878
of the Revised Code. The moneys shall be used to defray the costs 42879
of administering and enforcing provisions in Chapter 6111. of the 42880
Revised Code and rules adopted under it that govern the use, 42881
storage, treatment, or disposal of sewage sludge. 42882

(7) Beginning in fiscal year 2001, and every two years 42883
thereafter, the director shall review the total amount of moneys 42884
generated by the annual sludge fees to determine if that amount 42885
exceeded six hundred thousand dollars in either of the two 42886
preceding fiscal years. If the total amount of moneys in the fund 42887
exceeded six hundred thousand dollars in either fiscal year, the 42888
director, after review of the fee structure and consultation with 42889
affected persons, shall issue an order reducing the amount of the 42890
fees levied under division (Y) of this section so that the 42891
estimated amount of moneys resulting from the fees will not exceed 42892
six hundred thousand dollars in any fiscal year. 42893

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. The issuance of an order under this division is not an act or action for purposes of section 3745.04 of the Revised Code.

Sec. 3746.04. ~~Within one year after September 28, 1994, the~~

The director of environmental protection, in accordance with 43139
Chapter 119. of the Revised Code, shall adopt, and subsequently 43140
may amend, suspend, or rescind, rules that do both of the 43141
following: 43142

(A) Revise the rules adopted under Chapters 3704., 3714., 43143
3734., 6109., and 6111. of the Revised Code to incorporate the 43144
provisions necessary to conform those rules to the requirements of 43145
this chapter. The amended rules adopted under this division also 43146
shall establish response times for all submittals to the 43147
environmental protection agency required under this chapter or 43148
rules adopted under it. 43149

(B) Establish requirements and procedures that are reasonably 43150
necessary for the implementation and administration of this 43151
chapter, including, without limitation, all of the following: 43152

(1) Appropriate generic numerical clean-up standards for the 43153
treatment or removal of soils, sediments, and water media for 43154
hazardous substances and petroleum. The rules shall establish 43155
separate generic numerical clean-up standards based upon the 43156
intended use of properties after the completion of voluntary 43157
actions, including industrial, commercial, and residential uses 43158
and such other categories of land use as the director considers to 43159
be appropriate. The generic numerical clean-up standards 43160
established for each category of land use shall be the 43161
concentration of each contaminant that may be present on a 43162
property that shall ensure protection of public health and safety 43163
and the environment for the reasonable exposure for that category 43164
of land use. When developing the standards, the director shall 43165
consider such factors as all of the following: 43166

(a) Scientific information, including, without limitation, 43167
toxicological information and realistic assumptions regarding 43168
human and environmental exposure to hazardous substances or 43169
petroleum; 43170

(b) Climatic factors;	43171
(c) Human activity patterns;	43172
(d) Current statistical techniques;	43173
(e) For petroleum at industrial property, alternatives to the use of total petroleum hydrocarbons.	43174 43175
The generic numerical clean-up standards established in the rules adopted under division (B)(1) of this section shall be consistent with and equivalent in scope, content, and coverage to any applicable standard established by federal environmental laws and regulations adopted under them, including, without limitation, the "Federal Water Pollution Control Act Amendments of 1972," 86 Stat. 886, 33 U.S.C.A. 1251, as amended; the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended; the "Toxic Substances Control Act," 90 Stat. 2003 (1976), 15 U.S.C.A. 2601, as amended; the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2779, 42 U.S.C.A. 9601, as amended; and the "Safe Drinking Water Act," 88 Stat. 1660 (1974), 42 U.S.C.A. 300f, as amended.	43176 43177 43178 43179 43180 43181 43182 43183 43184 43185 43186 43187 43188 43189
In order for the rules adopted under division (B)(1) of this section to require that any such federal environmental standard apply to a property, the property shall meet the requirements of the particular federal statute or regulation involved in the manner specified by the statute or regulation.	43190 43191 43192 43193 43194
The generic numerical clean-up standards for petroleum at commercial or residential property shall be the standards established in rules adopted under division (B) of section 3737.882 of the Revised Code.	43195 43196 43197 43198
(2)(a) Procedures for performing property-specific risk assessments that would be performed at a property to demonstrate that the remedy evaluated in a risk assessment results in	43199 43200 43201

protection of public health and safety and the environment instead 43202
of complying with the generic numerical clean-up standards 43203
established in the rules adopted under division (B)(1) of this 43204
section. The risk assessment procedures shall describe a 43205
methodology to establish, on a property-specific basis, allowable 43206
levels of contamination to remain at a property to ensure 43207
protection of public health and safety and the environment on the 43208
property and off the property when the contamination is emanating 43209
off the property, taking into account all of the following: 43210

(i) The implementation of treatment, storage, or disposal, or 43211
a combination thereof, of hazardous substances or petroleum; 43212

(ii) The existence of institutional controls or activity and 43213
use limitations that eliminate or mitigate exposure to hazardous 43214
substances or petroleum through the restriction of access to 43215
hazardous substances or petroleum; 43216

(iii) The existence of engineering controls that eliminate or 43217
mitigate exposure to hazardous substances or petroleum through 43218
containment of, control of, or restrictions of access to hazardous 43219
substances or petroleum, including, without limitation, fences, 43220
cap systems, cover systems, and landscaping. 43221

(b) The risk assessment procedures and levels of acceptable 43222
risk set forth in the rules adopted under division (B)(2) of this 43223
section shall be based upon all of the following: 43224

(i) Scientific information, including, without limitation, 43225
toxicological information and actual or proposed human and 43226
environmental exposure; 43227

(ii) Locational and climatic factors; 43228

(iii) Surrounding land use and human activities; 43229

(iv) Differing levels of remediation that may be required 43230
when an existing land use is continued compared to when a 43231

different land use follows the remediation. 43232

(c) Any standards established pursuant to rules adopted under 43233
division (B)(2) of this section shall be no more stringent than 43234
standards established under the environmental statutes of this 43235
state and rules adopted under them for the same contaminant in the 43236
same environmental medium that are in effect at the time the risk 43237
assessment is conducted. 43238

(3) Minimum standards for phase I property assessments. The 43239
standards shall specify the information needed to demonstrate that 43240
there is no reason to believe that contamination exists on a 43241
property. The rules adopted under division (B)(3) of this section, 43242
at a minimum, shall require that a phase I property assessment 43243
include all of the following: 43244

(a) A review and analysis of deeds, mortgages, easements of 43245
record, and similar documents relating to the chain of title to 43246
the property that are publicly available or that are known to and 43247
reasonably available to the owner or operator; 43248

(b) A review and analysis of any previous environmental 43249
assessments, property assessments, environmental studies, or 43250
geologic studies of the property and any land within two thousand 43251
feet of the boundaries of the property that are publicly available 43252
or that are known to and reasonably available to the owner or 43253
operator; 43254

(c) A review of current and past environmental compliance 43255
histories of persons who owned or operated the property; 43256

(d) A review of aerial photographs of the property that 43257
indicate prior uses of the property; 43258

(e) Interviews with managers of activities conducted at the 43259
property who have knowledge of environmental conditions at the 43260
property; 43261

(f) Conducting an inspection of the property consisting of a walkover; 43262
43263

(g) Identifying the current and past uses of the property, 43264
adjoining tracts of land, and the area surrounding the property, 43265
including, without limitation, interviews with persons who reside 43266
or have resided, or who are or were employed, within the area 43267
surrounding the property regarding the current and past uses of 43268
the property and adjacent tracts of land. 43269

The rules adopted under division (B)(3) of this section shall 43270
establish criteria to determine when a phase II property 43271
assessment shall be conducted when a phase I property assessment 43272

professional practices of a fraudulent or dishonest nature. 43713

(3) If a certified professional has knowledge or reason to 43714
believe that another person or firm has violated any of the 43715
provisions of this chapter or any requirement of this section, the 43716
certified professional shall present the information to the 43717
director in writing. 43718

~~(G)~~(F) The director, in accordance with rules adopted under 43719
section 3746.04 of the Revised Code, may suspend for a period of 43720
not more than five years or permanently revoke a certified 43721
professional's certification for a violation of or failure to 43722
comply with any requirement or obligation set forth in this 43723

section. 43724

(G) Notwithstanding any other provision of this chapter to 43725
the contrary, a certified professional may use data analyzed by a 43726
certified laboratory prior to the effective date of this amendment 43727
in completion of a no further action letter. 43728

Sec. 3746.09. (A) A person who proposes to enter into or who 43729
is participating in the voluntary action program under this 43730
chapter and rules adopted under it, in accordance with this 43731
section and rules adopted under division ~~(B)(11)~~(B)(10) of section 43732
3746.04 of the Revised Code, may apply to the director of 43733

otherwise established in this chapter and rules adopted under it. 43735
The application for a variance shall be prepared by a certified 43736
professional. The director shall issue a variance from those 43737
applicable standards only if the application makes all of the 43738
following demonstrations to the director's satisfaction: 43739

(1) Either or both of the following: 43740

(a) It is technically infeasible to comply with the 43741
applicable standards otherwise established at the property named 43742
in the application; 43743

(b) The costs of complying with the applicable standards 43744
otherwise established at the property substantially exceed the 43745
economic benefits. 43746

(2) The proposed alternative standard or set of standards and 43747
terms and conditions set forth in the application will result in 43748
an improvement of environmental conditions at the property and 43749
ensure that public health and safety will be protected. 43750

(3) The establishment of and compliance with the alternative 43751
standard or set of standards and terms and conditions are 43752
necessary to promote, protect, preserve, or enhance employment 43753

opportunities or the reuse of the property named in the 43754
application. 43755

A variance issued under this section shall state the specific 43756
standard or standards whose terms are being varied and shall set 43757
forth the specific alternative standard or set of standards and 43758
the terms and conditions imposed on the applicant in their place. 43759
A variance issued under this section shall include only standards 43760
and terms and conditions proposed by the applicant in the 43761
application, except that the director may impose any additional or 43762
alternative terms and conditions that the director determines to 43763
be necessary to ensure that public health and safety will be 43764
protected. If the director finds that compliance with any standard 43765
or term or condition proposed by the applicant will not protect 43766
public health and safety and that the imposition of additional or 43767
alternative terms and conditions will not ensure that public 43768
health or safety will be protected, the director shall disapprove 43769
the application and shall include in the order of denial the 43770
specific findings on which the denial was based. 43771

(B) Variances shall be issued or denied in accordance with 43772

is complete, the director shall schedule a public meeting on the 43776
application to be held within ninety days after the director 43777
determines that the application is complete in the county in which 43778
is located the property to which the application pertains. 43779

(C) Not less than thirty days before the date scheduled for 43780
the public meeting on an application for a variance, the director 43781
shall publish notice of the public meeting and that the director 43782
will receive written comments on the application for a period of 43783
forty-five days commencing on the date of the publication of the 43784

the property is located in close proximity to the boundary of the 43794
county with an adjacent county, as determined by the director, 43795
shall be published in a newspaper of general circulation in the 43796
adjacent county. Concurrently with the publication of the notice 43797
of the public meeting, the director shall mail notice of the 43798
application, comment period, and public meeting to the owner of 43799
each parcel of land that is adjacent to the affected property and 43800
to the legislative authority of the municipal corporation or 43801
township, and county, in which the affected property is located. 43802
The notices mailed to the adjacent land owners and legislative 43803
authorities shall contain the same information as the published 43804

shall present information regarding the application and the basis 43809
of the request for the variance and shall respond to questions 43810
from the public regarding the affected property and the 43811
application. A representative of the environmental protection 43812
agency who is familiar with the affected property and the 43813
application shall attend the public meeting to hear the public's 43814
comments and to respond to questions from the public regarding the 43815
affected property and the application. A stenographic record of 43816

the proceedings at the public meeting shall be kept and shall be 43817
made a part of the administrative record regarding the 43818
application. 43819

(E) Within ninety days after conducting the public meeting on 43820
an application for a variance under division (D) of this section, 43821
the director shall issue a proposed action to the applicant in 43822
accordance with section 3745.07 of the Revised Code that indicates 43823
the director's intent with regard to the issuance or denial of the 43824
application. When considering whether to issue or deny the 43825
application or whether to impose terms and conditions of the 43826
variance that are in addition or alternative to those proposed by 43827
the applicant, the director shall consider comments on the 43828
application made by the public at the public meeting and written 43829
comments on the application received from the public. 43830

and address potential sources of contamination by hazardous 43834
substances or petroleum of soil, sediments, surface water, or 43835
ground water on or underlying property and to establish that the 43836
property meets applicable standards. The voluntary action may 43837
include any one or more of the following elements: 43838

(1) A phase I property assessment conducted in accordance 43839
with rules adopted under division (B)(3) of section 3746.04 of the 43840

a no further action letter from a certified professional. A no 43855
further action letter may be issued for the property at any stage 43856
of the identification of potential hazardous substance or 43857
petroleum contamination or remedial activities after a phase I or 43858
II property assessment has demonstrated that there is no reason to 43859
believe that there has been a release of hazardous substances or 43860
petroleum at or upon the property, that information indicates that 43861
there has been a release of hazardous substances or petroleum at 43862
or upon the property, but that the release is not in excess of 43863
applicable standards, or that if there has been such a release in 43864
excess of applicable standards, those standards have been achieved 43865
through remedial activities or will be achieved in accordance with 43866
the timeframes established in an operation and maintenance 43867
agreement entered into under division (A)(3) of section 3746.12 of 43868
the Revised Code or in such an agreement and a consolidated 43869

expertise and competence in areas other than those of the 43891
certified professional's expertise and competence as necessary for 43892
the issuance of the no further action letter. 43893

connection with a voluntary action. 43914

A covenant not to sue issued under section 3746.12 of the 43915
Revised Code to a person who violated division (B)(2)(a), (b), or 43916

shall be based upon the findings of a phase I or phase II property 43930
assessment. 43931

(2) If remedial activities were conducted in connection with 43932
the voluntary action, data demonstrating that the remedy meets 43933
applicable standards or will achieve applicable standards in 43934
accordance with the timeframes established in an operation and 43935
maintenance agreement entered into under division (A)(3) of 43936
section 3746.12 of the Revised Code or in such an agreement and a 43937
consolidated standards permit issued under section 3746.15 of the 43938

demonstration that the activity and use limitations have been 43951
developed in accordance with this chapter and rules adopted under 43952
it and are contained in a proposed environmental covenant that 43953
meets the requirements established in section 5301.82 of the 43954
Revised Code. 43955

(4) If the remedy relies on engineering controls that contain 43956
or control the release of hazardous substances or petroleum at or 43957
from the property, a plan for the proper operation and maintenance 43958
of the engineering controls. 43959

(D) Except as otherwise specifically provided in this chapter 43960
and rules adopted under it, voluntary actions under this chapter 43961
and rules adopted under it shall be undertaken in compliance with 43962

undertook the voluntary action. The letter shall be accompanied by 43985
a written request that the person notify the certified 43986

Remuneration in excess of such amounts shall be deemed wages subject to contribution to the same extent that such remuneration is defined as wages under the "Federal Unemployment Tax Act," 84 Stat. 714 (1970), 26 U.S.C.A. 3301 to 3311, as amended. The remuneration paid an employee by an employer with respect to employment in another state, upon which contributions were required and paid by such employer under the unemployment compensation act of such other state, shall be included as a part of remuneration in computing the amount specified in this division.

(H)(1) "Remuneration" means all compensation for personal services, including commissions and bonuses and the cash value of all compensation in any medium other than cash, except that in the case of agricultural or domestic service, "remuneration" includes only cash remuneration. The reasonable cash value of compensation paid in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the director, provided that "remuneration" does not include:

to services performed after October 1, 1941. 46078

three annual payrolls of an employer, provided that if, as of any 46090
computation date, the employer has had less than three annual 46091

the annual payrolls which the employer has had as of such date. 46093

(L)(1) "Contributions" means the money payments to the state 46094
unemployment compensation fund required of employers by section 46095

which the individual performs no services and with respect to such 46105
week no remuneration is payable to the individual. 46106

(N) An individual is "partially unemployed" in any week if, 46107
due to involuntary loss of work, the total remuneration payable to 46108
the individual for such week is less than the individual's weekly 46109
benefit amount. 46110

(O) "Week" means the calendar week ending at midnight 46111
Saturday unless an equivalent week of seven consecutive calendar 46112
days is prescribed by the director. 46113

(1) "Qualifying week" means any calendar week in an 46114
individual's base period with respect to which the individual 46115
earns or is paid remuneration in employment subject to this 46116
chapter. A calendar week with respect to which an individual earns 46117
remuneration but for which payment was not made within the base 46118
period, when necessary to qualify for benefit rights, may be 46119
considered to be a qualifying week. The number of qualifying weeks 46120
which may be established in a calendar quarter shall not exceed 46121
the number of calendar weeks in the quarter. 46122

(2) "Average weekly wage" means the amount obtained by 46123
dividing an individual's total remuneration for all qualifying 46124
weeks during the base period by the number of such qualifying 46125
weeks, provided that if the computation results in an amount that 46126
is not a multiple of one dollar, such amount shall be rounded to 46127
the next lower multiple of one dollar. 46128

(P) "Weekly benefit amount" means the amount of benefits an 46129
individual would be entitled to receive for one week of total 46130
unemployment. 46131

(Q)(1) "Base period" means the first four of the last five 46132
completed calendar quarters immediately preceding the first day of 46133

an individual's benefit year, except as provided in division 46134
(Q)(2) of this section. 46135

(2) If an individual does not have sufficient qualifying 46136
weeks and wages in the base period to qualify for benefit rights, 46137
the individual's base period shall be the four most recently 46138
completed calendar quarters preceding the first day of the 46139
individual's benefit year. Such base period shall be known as the 46140
"alternate base period." If information as to weeks and wages for 46141
the most recent quarter of the alternate base period is not 46142
available to the director from the regular quarterly reports of 46143
wage information, which are systematically accessible, the 46144
director may, consistent with the provisions of section 4141.28 of 46145
the Revised Code, base the determination of eligibility for 46146
benefits on the affidavit of the claimant with respect to weeks 46147
and wages for that calendar quarter. The claimant shall furnish 46148
payroll documentation, where available, in support of the 46149
affidavit. The determination based upon the alternate base period 46150
as it relates to the claimant's benefit rights, shall be amended 46151
when the quarterly report of wage information from the employer is 46152
timely received and that information causes a change in the 46153
determination. As provided in division (B) of section 4141.28 of 46154
the Revised Code, any benefits paid and charged to an employer's 46155
account, based upon a claimant's affidavit, shall be adjusted 46156
effective as of the beginning of the claimant's benefit year. No 46157
calendar quarter in a base period or alternate base period shall 46158
be used to establish a subsequent benefit year. 46159

(3) The "base period" of a combined wage claim, as described 46160
in division (H) of section 4141.43 of the Revised Code, shall be 46161
the base period prescribed by the law of the state in which the 46162
claim is allowed. 46163

(4) For purposes of determining the weeks that comprise a 46164
completed calendar quarter under this division, only those weeks 46165

ending at midnight Saturday within the calendar quarter shall be 46166
utilized. 46167

(R)(1) "Benefit year" with respect to an individual means the 46168
fifty-two week period beginning with the first day of that week 46169
with respect to which the individual first files a valid 46170
application for determination of benefit rights, and thereafter 46171
the fifty-two week period beginning with the first day of that 46172
week with respect to which the individual next files a valid 46173
application for determination of benefit rights after the 46174
termination of the individual's last preceding benefit year, 46175
except that the application shall not be considered valid unless 46176
the individual has had employment in six weeks that is subject to 46177
this chapter or the unemployment compensation act of another 46178
state, or the United States, and has, since the beginning of the 46179
individual's previous benefit year, in the employment earned three 46180
times the average weekly wage determined for the previous benefit 46181
year. The "benefit year" of a combined wage claim, as described in 46182
division (H) of section 4141.43 of the Revised Code, shall be the 46183
benefit year prescribed by the law of the state in which the claim 46184
is allowed. Any application for determination of benefit rights 46185
made in accordance with section 4141.28 of the Revised Code is 46186
valid if the individual filing such application is unemployed, has 46187
been employed by an employer or employers subject to this chapter 46188
in at least twenty qualifying weeks within the individual's base 46189
period, and has earned or been paid remuneration at an average 46190
weekly wage of not less than twenty-seven and one-half per cent of 46191
the statewide average weekly wage for such weeks. For purposes of 46192
determining whether an individual has had sufficient employment 46193
since the beginning of the individual's previous benefit year to 46194
file a valid application, "employment" means the performance of 46195
services for which remuneration is payable. 46196

(2) Effective for benefit years beginning on and after 46197

December 26, 2004, but before July 1, 2022, any application for 46198
determination of benefit rights made in accordance with section 46199
4141.28 of the Revised Code is valid if the individual satisfies 46200
the criteria described in division (R)(1) of this section, and if 46201
the reason for the individual's separation from employment is not 46202
disqualifying pursuant to division (D)(2) of section 4141.29 or 46203
section 4141.291 of the Revised Code. A disqualification imposed 46204
pursuant to division (D)(2) of section 4141.29 or section 4141.291 46205
of the Revised Code must be removed as provided in those sections 46206
as a requirement of establishing a valid application for benefit 46207
years beginning on and after December 26, 2004, but before July 1, 46208
2022. Effective for benefit years beginning on and after July 1, 46209
2022, any application for determination of benefit rights made in 46210
accordance with section 4141.28 of the Revised Code is valid if 46211
the individual satisfies the criteria described in division (R)(1) 46212
of this section. A disqualification imposed pursuant to division 46213
(D)(2) of section 4141.29 or section 4141.291 of the Revised Code 46214
does not affect the validity of an application. 46215

(3) The statewide average weekly wage shall be calculated by 46216
the director once a year based on the twelve-month period ending 46217
the thirtieth day of June, as set forth in division (B)(3) of 46218
section 4141.30 of the Revised Code, rounded down to the nearest 46219
dollar. Increases or decreases in the amount of remuneration 46220
required to have been earned or paid in order for individuals to 46221
have filed valid applications shall become effective on Sunday of 46222
the calendar week in which the first day of January occurs that 46223
follows the twelve-month period ending the thirtieth day of June 46224
upon which the calculation of the statewide average weekly wage 46225
was based. 46226

(4) As used in this division, an individual is "unemployed" 46227
if, with respect to the calendar week in which such application is 46228
filed, the individual is "partially unemployed" or "totally 46229

unemployed" as defined in this section or if, prior to filing the application, the individual was separated from the individual's most recent work for any reason which terminated the individual's employee-employer relationship, or was laid off indefinitely or for a definite period of seven or more days.

(S) "Calendar quarter" means the period of three consecutive calendar months ending on the thirty-first day of March, the thirtieth day of June, the thirtieth day of September, and the thirty-first day of December, or the equivalent thereof as the director prescribes by rule.

(U) "Contribution period" means the calendar year beginning on the first day of January of any year.

(V) "Agricultural labor," for the purpose of this division, means any service performed prior to January 1, 1972, which was agricultural labor as defined in this division prior to that date, and service performed after December 31, 1971:

(1) On a farm, in the employ of any person, in connection with cultivating the soil, or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, bees, poultry, and fur-bearing animals and wildlife;

(2) In the employ of the owner or tenant or other operator of a farm in connection with the operation, management, conservation, improvement, or maintenance of such farm and its tools and equipment, or in salvaging timber or clearing land of brush and other debris left by hurricane, if the major part of such service is performed on a farm;

(3) In connection with the production or harvesting of any

commodity defined as an agricultural commodity in section 15 (g) 46261

(3) The director shall determine fault for purposes of 46607
divisions (B)(2)(b) and (C)(2)(c) of this section in the same 46608

normal weekly hours of work reduced between ten and ~~fifty~~ sixty 46628
per cent, the director shall pay the individual, if the individual 46629
is otherwise eligible, shared work compensation in an amount equal 46630
to the individual's weekly benefit amount as described in division 46631
(B) of section 4141.30 of the Revised Code for a period of total 46632
unemployment, multiplied by the percentage by which the 46633

week when factoring in both the amount of hours worked for the 46635
other employer and the amount of hours worked for the 46636
participating employer. 46637

(E) A participating employee is not entitled to receive 46638

under that section. 46653

work plan that covers the individual. 46659

(H)(1) Except as provided in divisions (H)(2) and (3) of this 46660
section, a participating employee is not eligible to receive 46661
benefits for being partially unemployed for any week during which 46662
the individual works as a participating employee. 46663

(2) A participating employee who performs no services during 46664
a week for the participating employer and who is otherwise 46665

unemployed for that week. 46667

(3) A participating employee whose normal weekly hours of 46668
work are reduced by more than ~~fifty~~ sixty per cent and who is 46669
otherwise eligible may be paid benefits for partial unemployment 46670
for that week. 46671

(I) Any payment of total or partial unemployment compensation 46672
benefits under this section is not a payment of shared work 46673
compensation under an approved plan but shall be calculated 46674
against the maximum total benefits payable to the participating 46675
employee in a benefit year under section 4141.30 of the Revised 46676
Code. 46677

(J) For purposes of this section and unless another benefit 46678
year applies to the individual, notwithstanding division (R)(1) of 46679
section 4141.01 of the Revised Code, a participating employee's 46680
"benefit year" is the fifty-two week period beginning with the 46681

participating employer first files a claim on behalf of the 46683
participating employee pursuant to division (B) of section 4141.54 46684

reimbursement or the federal government requires an employer's 46704
account to be charged, any shared work compensation paid to an 46705
individual shall be charged in accordance with division (C) of 46706
this section. 46707

(C) Except as provided in divisions (A) and (B) of this 46708
section, any shared work compensation paid to an individual under 46709

with division (D) of section 4141.24 of the Revised Code. 46711

Sec. 4301.03. The liquor control commission may adopt and 46712
promulgate, repeal, rescind, and amend, in the manner required by 46713

No rule or order shall prohibit pari-mutuel wagering on 46738
simulcast horse races at a satellite facility that has been issued 46739
a D liquor permit under Chapter 4303. of the Revised Code. No rule 46740
or order shall prohibit a charitable organization that holds a D-4 46741
permit from selling or serving beer or intoxicating liquor under 46742
its permit in a portion of its premises merely because that 46743
portion of its premises is used ~~at other times~~ for the conduct of 46744
a bingo game, as described in division (O) of section 2915.01 of 46745
the Revised Code. ~~However, such an organization shall not sell or~~ 46746

(K) Rules establishing the method by which alcohol products may be imported for sale by wholesale distributors and the method by which manufacturers and suppliers may sell alcohol products to wholesale distributors.

Every rule, standard, requirement, or order of the commission and every repeal, amendment, or rescission of them shall be posted for public inspection in the principal office of the commission and the principal office of the division of liquor control, and a certified copy of them shall be filed in the office of the secretary of state. An order applying only to persons named in it shall be served on the persons affected by personal delivery of a certified copy, or by mailing a certified copy to each person

affected by it or, in the case of a corporation, to any officer or 46813
agent of the corporation upon whom a service of summons may be 46814
served in a civil action. The posting and filing required by this 46815
section constitutes sufficient notice to all persons affected by 46816
such rule or order which is not required to be served. General 46817
rules of the commission promulgated pursuant to this section shall 46818
be published in the manner the commission determines. 46819

of the following: 46821

this state, including the manufacture, importation, and sale of 46823
beer and intoxicating liquor; 46824

(2) Grant or refuse permits for the manufacture, 46825
distribution, transportation, and sale of beer and intoxicating 46826
liquor and the sale of alcohol, as authorized or required by this 46827
chapter and Chapter 4303. of the Revised Code. A certificate, 46828
signed by the superintendent of liquor control and to which is 46829
affixed the official seal of the division, stating that it appears 46830
from the records of the division that no permit has been issued to 46831
the person specified in the certificate, or that a permit, if 46832
issued, has been revoked, canceled, or suspended, shall be 46833
received as prima-facie evidence of the facts recited in the 46834
certificate in any court or before any officer of this state. 46835

(3) Put into operation, manage, and control a system of state 46836
liquor stores for the sale of spirituous liquor at retail and to 46837
holders of permits authorizing the sale of spirituous liquor; 46838
however, the division shall not establish any drive-in state 46839
liquor stores; and by means of those types of stores, and any 46840
manufacturing plants, distributing and bottling plants, 46841
warehouses, and other facilities that it considers expedient, 46842
establish and maintain a state monopoly of the distribution of 46843

spirituous liquor and its sale in packages or containers; and for 46844
that purpose, manufacture, buy, import, possess, and sell 46845
spirituous liquors as provided in this chapter and Chapter 4303. 46846
of the Revised Code, and in the rules promulgated by the 46847
superintendent of liquor control pursuant to those chapters; lease 46848
or in any manner acquire the use of any land or building required 46849
for any of those purposes; purchase any equipment that is 46850
required; and borrow money to carry on its business, and issue, 46851
sign, endorse, and accept notes, checks, and bills of exchange; 46852
but all obligations of the division created under authority of 46853
this division shall be a charge only upon the moneys received by 46854
the division from the sale of spirituous liquor and its other 46855
business transactions in connection with the sale of spirituous 46856
liquor, and shall not be general obligations of the state; 46857

(4) Enforce the administrative provisions of this chapter and 46858
Chapter 4303. of the Revised Code, and the rules and orders of the 46859
liquor control commission and the superintendent relating to the 46860
manufacture, importation, transportation, distribution, and sale 46861
of beer or intoxicating liquor. The attorney general, any 46862
prosecuting attorney, and any prosecuting officer of a municipal 46863
corporation or a municipal court shall, at the request of the 46864
division of liquor control or the department of public safety, 46865
prosecute any person charged with the violation of any provision 46866
in those chapters or of any section of the Revised Code relating 46867
to the manufacture, importation, transportation, distribution, and 46868
sale of beer or intoxicating liquor. 46869

(5) Determine the locations of all state liquor stores and 46870
manufacturing, distributing, and bottling plants required in 46871
connection with those stores, subject to this chapter and Chapter 46872
4303. of the Revised Code; 46873

(6) Conduct inspections of liquor permit premises to 46874
determine compliance with the administrative provisions of this 46875

chapter and Chapter 4303. of the Revised Code and the rules 46876
adopted under those provisions by the liquor control commission. 46877

Except as otherwise provided in division (A)(6) of this 46878
section, those inspections may be conducted only during those 46879
hours in which the permit holder is open for business and only by 46880
authorized agents or employees of the division or by any peace 46881
officer, as defined in section 2935.01 of the Revised Code. 46882
Inspections may be conducted at other hours only to determine 46883
compliance with laws or commission rules that regulate the hours 46884
of sale of beer or intoxicating liquor and only if the 46885
investigator has reasonable cause to believe that those laws or 46886
rules are being violated. Any inspection conducted pursuant to 46887
division (A)(6) of this section is subject to all of the following 46888
requirements: 46889

(a) The only property that may be confiscated is contraband, 46890
as defined in section 2901.01 of the Revised Code, or property 46891
that is otherwise necessary for evidentiary purposes. 46892

(b) A complete inventory of all property confiscated from the 46893
premises shall be given to the permit holder or the permit 46894
holder's agent or employee by the confiscating agent or officer at 46895
the conclusion of the inspection. At that time, the inventory 46896
shall be signed by the confiscating agent or officer, and the 46897
agent or officer shall give the permit holder or the permit 46898
holder's agent or employee the opportunity to sign the inventory. 46899

(c) Inspections conducted pursuant to division (A)(6) of this 46900
section shall be conducted in a reasonable manner. A finding by 46901
any court of competent jurisdiction that an inspection was not 46902
conducted in a reasonable manner in accordance with this section 46903
or any rules adopted by the commission may be considered grounds 46904
for suppression of evidence. A finding by the commission that an 46905
inspection was not conducted in a reasonable manner in accordance 46906
with this section or any rules adopted by it may be considered 46907

grounds for dismissal of the commission case. 46908

If any court of competent jurisdiction finds that property 46909
confiscated as the result of an administrative inspection is not 46910
necessary for evidentiary purposes and is not contraband, as 46911
defined in section 2901.01 of the Revised Code, the court shall 46912
order the immediate return of the confiscated property, provided 46913
that property is not otherwise subject to forfeiture, to the 46914
permit holder. However, the return of this property is not grounds 46915
for dismissal of the case. The commission likewise may order the 46916
return of confiscated property if no criminal prosecution is 46917
pending or anticipated. 46918

(7) Delegate to any of its agents or employees any power of 46919
investigation that the division possesses with respect to the 46920
enforcement of any of the administrative laws relating to beer or 46921
intoxicating liquor, provided that this division does not 46922
authorize the division to designate any agent or employee to serve 46923
as an enforcement agent. The employment and designation of 46924
enforcement agents shall be within the exclusive authority of the 46925
director of public safety pursuant to sections 5502.13 to 5502.19 46926
of the Revised Code. 46927

(8) Collect the following fees: 46928

(a) A biennial fifty-dollar registration fee for each agent, 46929
solicitor, trade marketing professional, or salesperson, 46930
registered pursuant to section 4303.25 of the Revised Code, of a 46931
beer or intoxicating liquor manufacturer, supplier, broker, trade 46932
marketing company, or wholesale distributor doing business in this 46933
state; 46934

(b) A fifty-dollar product registration fee for each new beer 46935
or intoxicating liquor product sold in this state. The product 46936
registration fee also applies to products sold in this state by 46937
B-2a, S-1, and S-2 permit holders. The product registration fee 46938

shall be accompanied by a copy of the federal label and product approval for the new product.

(c) An annual three-hundred-dollar supplier registration fee from each manufacturer or supplier that produces and ships into this state, or ships into this state, intoxicating liquor or beer, in addition to an initial application fee of one hundred dollars. A manufacturer that produces and ships beer or wine into this state and that holds only an § S-1 or S-2 permit, as applicable, is exempt from the supplier registration fee. A manufacturer that produces and ships beer or wine into this state and that holds a B-2a permit shall pay an annual seventy-six-dollar supplier registration fee. A manufacturer that produces and ships wine into this state and that does not hold either an § S-1 or a B-2a permit, but that produces less than two hundred fifty thousand gallons of wine per year ~~and that is entitled to a tax credit under 27 C.F.R. 24.278~~ shall pay an annual seventy-six-dollar supplier registration fee. A B-2a, S-1, or § S-2 permit holder that does not sell its wine to wholesale distributors of wine in this state and an § S-1 permit holder that does not sell its beer to wholesale distributors of beer in this state shall not be required to submit to the division territory designation forms.

Each supplier, agent, solicitor, trade marketing professional, or salesperson registration issued under this division shall authorize the person named to carry on the activity specified in the registration. Each agent, solicitor, trade marketing professional, or salesperson registration is valid for two years or for the unexpired portion of a two-year registration period. Each supplier registration is valid for one year or for the unexpired portion of a one-year registration period. Registrations shall end on their respective uniform expiration date, which shall be designated by the division, and are subject to suspension, revocation, cancellation, or fine as authorized by

this chapter and Chapter 4303. of the Revised Code. 46971

As used in this division, "trade marketing company" and 46972
"trade marketing professional" have the same meanings as in 46973
section 4301.171 of the Revised Code. 46974

the division and regulate the electronic transfer of information 46976
and funds among persons and governmental entities engaged in the 46977
manufacture, distribution, and retail sale of alcoholic beverages; 46978

(10) Notify all holders of retail permits of the forms of 46979
permissible identification for purposes of division (A) of section 46980
4301.639 of the Revised Code; 46981

(11) Exercise all other powers expressly or by necessary 46982
implication conferred upon the division by this chapter and 46983
Chapter 4303. of the Revised Code, and all powers necessary for 46984
the exercise or discharge of any power, duty, or function 46985
expressly conferred or imposed upon the division by those 46986
chapters. 46987

(B) The division may do all of the following: 46988

necessary for the operation of the state liquor stores that are 46991
made under this chapter and Chapter 4303. of the Revised Code; 46992

(2) Enter into leases and contracts of all descriptions and 46993

state; 46996

(3) Terminate at will any lease entered into pursuant to 46997
division (B)(2) of this section upon first giving ninety days' 46998

(4) Fix the wholesale and retail prices at which the various 47000

classes, varieties, and brands of spirituous liquor shall be sold 47001

pursuant to section 5739.021 of the Revised Code and for which tax 47005
the tax commissioner has authorized prepayment pursuant to section 47006
5739.05 of the Revised Code. In fixing selling prices, the 47007
division shall compute an anticipated gross profit at least 47008

of the division and also an adequate working capital reserve for 47010
the division. The gross profit shall not exceed forty per cent of 47011
the retail selling price based on costs of the division, and in 47012
addition the sum required by section 4301.12 of the Revised Code 47013
to be paid into the state treasury. An amount equal to one and 47014
one-half per cent of that gross profit shall be paid into the 47015
statewide treatment and prevention fund created by section 4301.30 47016

and drafts received by it or any of its employees or agents prior 47032
to paying them to the treasurer of state as provided by section 47033
113.08 of the Revised Code. 47034

A sum equal to three dollars and thirty-eight cents for each 47035

the credit of the undivided liquor permit fund established by 47042
section 4301.30 of the Revised Code. 47043

Except as otherwise provided by law, the division shall 47044
deposit all moneys collected under Chapters 4301. and 4303. of the 47045
Revised Code into the state treasury to the credit of the state 47046
liquor regulatory fund created in section 4301.30 of the Revised 47047
Code. In addition, revenue resulting from any contracts with the 47048
department of commerce pertaining to the responsibilities and 47049
operations described in this chapter may be credited to the fund. 47050

Whenever, in the judgment of the director of budget and 47051
management, the amount in the liquor control fund is in excess of 47052
that needed to meet the maturing obligations of the division, as 47053
working capital for its further operations, to pay the operating 47054
expenses of the commission, and for the alcohol testing program 47055
under section 3701.143 of the Revised Code, the director shall 47056
transfer the excess to the credit of the general revenue fund. If 47057
the director determines that the amount in the liquor control fund 47058
is insufficient, the director may transfer money from the general 47059
revenue fund to the liquor control fund. 47060

Sec. 4301.30. (A) All fees collected by the division of 47061

liquor control shall be deposited in the state treasury to the 47062
credit of the undivided liquor permit fund, which is hereby 47063
created, at the time prescribed under section 4301.12 of the 47064
Revised Code. Each payment shall be accompanied by a statement 47065
showing separately the amount collected for each class of permits 47066
in each municipal corporation and in each township outside the 47067
limits of any municipal corporation in such township. 47068

(B)(1) An amount equal to forty-five per cent of the fund 47069
shall be paid from the fund into the state liquor regulatory fund, 47070
which is hereby created in the state treasury. The state liquor 47071
regulatory fund shall be used to pay the operating expenses of the 47072
division of liquor control in administering and enforcing Title 47073
XLIII of the Revised Code and the operating expenses of the liquor 47074
control commission. Investment earnings of the fund shall be 47075
credited to the fund. 47076

(2) Whenever, in the judgment of the director of budget and 47077
management, the amount of money that is in the state liquor 47078
regulatory fund is in excess of the amount that is needed to pay 47079
the operating expenses of the division in administering and 47080
enforcing Title XLIII of the Revised Code and the operating 47081
expenses of the commission, the director shall credit the excess 47082
amount to the general revenue fund. 47083

(C) Twenty per cent of the undivided liquor permit fund shall 47084
be paid into the statewide treatment and prevention fund, which is 47085
hereby created in the state treasury. This amount shall be 47086
appropriated by the general assembly, together with an amount 47087
equal to one and one-half per cent of the gross profit of the 47088
division of liquor control derived under division (B)(4) of 47089

and in allocating these amounts for the purposes of Chapter 5119. 47092

of the Revised Code, the department shall comply with the 47093
nondiscrimination provisions of Title VI of the Civil Rights Act 47094
of 1964, and any rules adopted under that act. 47095

(D) Thirty-five per cent of the undivided liquor permit fund 47096
shall be distributed by the superintendent of liquor control at 47097
quarterly calendar periods as follows: 47098

(1) To each municipal corporation, the aggregate amount shown 47099
by the statements to have been collected from permits in the 47100
municipal corporation, for the use of the general fund of the 47101
municipal corporation; 47102

(2) To each township, the aggregate amount shown by the 47103
statements to have been collected from permits in its territory, 47104
outside the limits of any municipal corporation located in the 47105
township, for the use of the general fund of the township, or for 47106
fire protection purposes, including buildings and equipment in the 47107
township or in an established fire district within the township, 47108
to the extent that the funds are derived from liquor permits 47109
within the territory comprising such fire district. 47110

(E) For the purpose of the distribution required by this 47111
section, E, H, and D permits covering boats or vessels are deemed 47112
to have been issued in the municipal corporation or township 47113
wherein the owner or operator of the vehicle, boat, vessel, or 47114
dining car equipment to which the permit relates has the owner's 47115
or operator's principal office or place of business within the 47116
state. 47117

(F) If the liquor control commission determines that the 47118
police or other officers of any municipal corporation or township 47119
entitled to share in distributions under this section are refusing 47120
or culpably neglecting to enforce this chapter and Chapter 4303. 47121
of the Revised Code, or the penal laws of this state relating to 47122
the manufacture, importation, transportation, distribution, and 47123

sale of beer and intoxicating liquors, or if the prosecuting 47124
officer of a municipal corporation or a municipal court fails to 47125

The commission shall notify the tax commissioner regarding the 48404

(4) If the commissioner concludes that under the 48432

to receive a new application or notification under division (B) of 49697
this section after an application for reduction has been approved 49698
is prima-facie evidence that the original applicant is entitled to 49699
the reduction calculated on the basis of the information contained 49700
in the original application. The original application and any 49701
subsequent application shall be in the form of a signed statement 49702
and shall be filed on or before the thirty-first day of December 49703
of the year preceding the year for which the reduction is sought. 49704

signing such application constitutes a delegation of authority by 49710
the applicant to the tax commissioner or the county auditor, 49711

(3) A late application for a reduction in taxes for the year 49721
preceding the year for which an original application is filed may 49722
be filed with an original application. If the auditor determines 49723
that the information contained in the late application is correct, 49724
the auditor shall determine both the amount of the reduction in 49725
taxes to which the applicant would have been entitled for the 49726
current tax year had the application been timely filed and 49727
approved in the preceding year, and the amount the taxes levied 49728
under section 4503.06 of the Revised Code for the current year 49729
would have been reduced as a result of the reduction. When an 49730
applicant is permanently and totally disabled on the first day of 49731
January of the year in which the applicant files a late 49732
application, the auditor, in making the determination of the 49733
amounts of the reduction in taxes under division (A)(3) of this 49734
section, is not required to determine that the applicant was 49735
permanently and totally disabled on the first day of January of 49736
the preceding year. 49737

The amount of the reduction in taxes pursuant to a late 49738
application shall be treated as an overpayment of taxes by the 49739
applicant. The auditor shall credit the amount of the overpayment 49740
against the amount of the taxes or penalties then due from the 49741
applicant, and, at the next succeeding settlement, the amount of 49742
the credit shall be deducted from the amount of any taxes or 49743
penalties distributable to the county or any taxing unit in the 49744
county that has received the benefit of the taxes or penalties 49745
previously overpaid, in proportion to the benefits previously 49746
received. If, after the credit has been made, there remains a 49747
balance of the overpayment, or if there are no taxes or penalties 49748
due from the applicant, the auditor shall refund that balance to 49749
the applicant by a warrant drawn on the county treasurer in favor 49750
of the applicant. The treasurer shall pay the warrant from the 49751
general fund of the county. If there is insufficient money in the 49752
general fund to make the payment, the treasurer shall pay the 49753
warrant out of any undivided manufactured or mobile home taxes 49754
subsequently received by the treasurer for distribution to the 49755
county or taxing district in the county that received the benefit 49756
of the overpaid taxes, in proportion to the benefits previously 49757
received, and the amount paid from the undivided funds shall be 49758
deducted from the money otherwise distributable to the county or 49759

information earlier furnished the auditor relative to the 49808
application. The form shall be completed and returned to the 49809
auditor not later than the thirty-first day of December if the 49810
changes would affect the person's eligibility for the reduction. 49811

services or other certifiable services and supports have been 55298
certified by the director. 55299

(C) The director may refuse to certify certifiable services 55300
and supports, refuse to renew certification, or revoke 55301

during the current certification period or any previous 55308

~~the applicant in satisfying the standards. The director shall give~~ 55329
~~the applicant a reasonable time within which to demonstrate that~~ 55330
~~its certifiable services and supports satisfy the standards or to~~ 55331
~~bring them into compliance with the standards. If the director~~ 55332

appropriate board of alcohol, drug addiction, and mental health 55335
services reallocate any funds for the certifiable services and 55336
supports the applicant was to provide to another community mental 55337
health services provider or community addiction services provider 55338
whose certifiable services and supports satisfy the standards. If 55339
the board does not reallocate such funds in a reasonable period of 55340
time, the director may withhold state and federal funds for the 55341
certifiable services and supports and allocate those funds 55342
directly to a community mental health services provider or 55343
community addiction services provider whose certifiable services 55344
and supports satisfy the standards. 55345

addiction services shall specify the conditions under which the 55777
lands shall be sold, including whether the lands will be sold as a 55778
single unit or sold in specific parcels that the director 55779
designates, and shall solicit from the subdivision offers to 55780

executive officer of a subdivision a written offer to purchase the 55788
lands at or above the price specified in the ~~director's~~ original 55789
notice from the director of mental health and addiction services 55790
to the officer, provided such offer otherwise complies with the 55791
conditions of purchase specified in the ~~director's~~ original notice 55792
from the director of mental health and addiction services, the 55793
director of mental health and addiction services shall forthwith 55794
enter into an agreement to sell the lands to the subdivision. The 55795
agreement shall incorporate any and all terms that are acceptable 55796
to both parties and that are consistent with the terms specified 55797
in the ~~director's~~ original notice from the director of mental 55798
health and addiction services. If no offer to purchase is received 55799
by the director of mental health and addiction services within the 55800
thirty-day period provided in this division, the ~~director's~~ 55801
original notice from the director of mental health and addiction 55802
services shall be considered withdrawn and the director of mental 55803
health and addiction services shall be under no obligation to sell 55804
any of the lands specified in the notice to the subdivision. If 55805
two or more offers to purchase the same parcels of land are 55806
received by the director of mental health and addiction services 55807
within the required time period from the executive officers of two 55808
or more subdivisions, the director of mental health and addiction 55809
services shall accept the offer or offers to purchase that the 55810
director considers to be in the best interests of the state and of 55811
the department of mental health and addiction services and shall 55812
proceed to enter into agreements of sale pursuant to this 55813
division. If all of the ~~director's~~ original notices from the 55814
director of mental health and addiction services relating to a 55815
given parcel of land become withdrawn, the director of mental 55816
health and addiction services may thereupon proceed to sell the 55817

parcel as otherwise provided in this section. No subdivision may 55818
commence an action to enforce the provisions of this division, or 55819
to seek any other legal or equitable remedy relative to this 55820
division, with respect to any lands certified to the ~~auditor of~~ 55821
~~state~~ director of administrative services under division (A)(4) of 55822
this section, except within sixty days of the date on which the 55823
lands were so certified. 55824

(C) Any agreement under this section shall be at such terms 55825
as will be in the best interests of the state and the department 55826
of mental health and addiction services. However, the terms of any 55827
agreement for sale shall include a provision that the purchaser 55828
will abide by any comprehensive plan for the area that has been 55829
adopted by the local government in which the property is located 55830
before the parties enter into the agreement. No lease shall be of 55831
a duration greater than fifteen years. No agreement, except an 55832
agreement entered into under division (B) of this section, shall 55833
be entered into before the proposal to sell or lease the land or 55834
facilities has been advertised once each week for four weeks in a 55835
newspaper of general circulation in every county in which the 55836
lands or facilities are located and if the preliminary appraised 55837
value of the land to be sold or leased is more than one hundred 55838
thousand dollars, advertisement shall be made once each week for 55839
four weeks in at least two newspapers in the state having a daily 55840
circulation of one hundred thousand or more. If a city in this 55841
state is served by more than one newspaper having a circulation of 55842
one hundred thousand or more, advertisement may be made in only 55843
one of the newspapers serving the city. 55844

(D) Each deed or lease prepared and recorded pursuant to this 55845
section shall contain a recital stating that all provisions of 55846
this section have been complied with. The recital shall be 55847
considered binding and conclusive against all subdivisions of the 55848
state provided no action has been commenced pursuant to division 55849

(B) of this section. Any deed or lease containing such a recital 55850
shall be conclusively presumed to have been executed in compliance 55851
with this section insofar as title or other interest of any bona 55852
fide purchasers, lessees, or transferees of the property is 55853
concerned. 55854

(E) Nothing in this section shall be construed as 55855
establishing a precedent for the disposal of state lands and 55856
facilities by other departments of the state. 55857

(b) It shall provide the assessment and treatment for 55872
qualified prisoners referred and transferred to it under this 55873
section in a suitable facility that is licensed pursuant to 55874
division (C) of section 2967.14 of the Revised Code. 55875

(c) All qualified prisoners referred and transferred to it 55876
under this section shall reside initially in the suitable facility 55877
specified in division (A)(1)(b) of this section while undergoing 55878

the assessment and treatment. 55879

(2) "Electronic monitoring device" has the same meaning as in 55880
section 2929.01 of the Revised Code. 55881

(3) "State correctional institution" has the same meaning as 55882
in section 2967.01 of the Revised Code. 55883

(4) "Qualified prisoner" means a person who satisfies all of 55884
the following: 55885

(a) The person is confined in a state correctional 55886

~~(b) The person has not previously been convicted of or 55889
pleaded guilty to a felony offense of violence and, within the 55890
preceding five years, has not been convicted of or pleaded guilty 55891
to a misdemeanor offense of violence. 55892~~

~~(c)~~ The department of rehabilitation and correction 55893
determines, using a standardized assessment tool, that the person 55894
has a substance use disorder. 55895

~~(d)~~(c) The person has not more than twelve months remaining 55896
to be served under the prison term described in division (A)(4)(a) 55897
of this section. 55898

~~(e)~~(d) The person is not serving any prison term other than 55899
the term described in division (A)(4)(a) of this section. 55900

~~(f)~~(e) The person is eighteen years of age or older. 55901

~~(g)~~(f) The person does not show signs of drug or alcohol 55902
withdrawal and does not require medical detoxification. 55903

~~(h)~~(g) As determined by the department of rehabilitation and 55904
correction, the person is physically and mentally capable of 55905
uninterrupted participation in the substance use disorder 55906
treatment program established under division (B) of this section. 55907

(B) The department of rehabilitation and correction shall 55908
establish and operate a program for community-based substance use 55909
disorder treatment for qualified prisoners. The purpose of the 55910
program shall be to provide substance use disorder assessment and 55911
treatment through community treatment providers to help reduce 55912
substance use relapses and recidivism for qualified prisoners 55913
while preparing them for reentry into the community and improving 55914
public safety. 55915

(C)(1) The department shall determine which qualified 55916
prisoners in its custody should be placed in the substance use 55917
disorder treatment program established under division (B) of this 55918
section. The department has full discretion in making that 55919
determination. If the department determines that a qualified 55920
prisoner should be placed in the program, the department may refer 55921
the prisoner to a community treatment provider the department has 55922
approved under division (E) of this section for participation in 55923
the program and transfer the prisoner from the state correctional 55924
institution to the provider's approved and licensed facility. 55925
Except as otherwise provided in division (C)(3) of this section, 55926
no prisoner shall be placed under the program in any facility 55927
other than a facility of a community treatment provider that has 55928
been so approved. If the department places a prisoner in the 55929
program, the prisoner shall receive credit against the prisoner's 55930
prison term for all time served in the provider's approved and 55931
licensed facility and may earn days of credit under section 55932
2967.193 of the Revised Code, but otherwise neither the placement 55933
nor the prisoner's participation in or completion of the program 55934
shall result in any reduction of the prisoner's prison term. 55935

(2) If the department places a prisoner in the substance use 55936
disorder treatment program, the prisoner does not satisfactorily 55937
participate in the program, and the prisoner has not served the 55938
prisoner's entire prison term, the department may remove the 55939

prisoner from the program and return the prisoner to a state 55940
correctional institution. 55941

(3) If the department places a prisoner in the substance use 55942
disorder treatment program and the prisoner is satisfactorily 55943
participating in the program, the department may permit the 55944
prisoner to reside at a residence approved by the department if 55945
the department determines, with input from the community treatment 55946
provider, that residing at the approved residence will help the 55947
prisoner prepare for reentry into the community and will help 55948
reduce substance use relapses and recidivism for the prisoner. If 55949
a prisoner is permitted under this division to reside at a 55950
residence approved by the department, the prisoner shall be 55951
monitored during the period of that residence by an electronic 55952
monitoring device. 55953

disorder treatment program established under division (B) of this 55955
section, before the prisoner is released from custody of the 55956
department upon completion of the prisoner's prison term, the 55957
department shall conduct and prepare an evaluation of the 55958
prisoner, the prisoner's participation in the program, and the 55959
prisoner's needs regarding substance use disorder treatment upon 55960
release. Before the prisoner is released from custody of the 55961
department upon completion of the prisoner's prison term, the 55962
parole board or the court acting pursuant to an agreement under 55963
section 2967.29 of the Revised Code shall consider the evaluation, 55964
in addition to all other information and materials considered, as 55965
follows: 55966

(a) If the prisoner is a prisoner for whom post-release 55967
control is mandatory under section 2967.28 of the Revised Code, 55968
the board or court shall consider it in determining which 55969
post-release control sanction or sanctions to impose upon the 55970
prisoner under that section. 55971

(b) If the prisoner is a prisoner for whom post-release control is not mandatory under section 2967.28 of the Revised Code, the board or court shall consider it in determining whether a post-release control sanction is necessary and, if so, which post-release control sanction or sanctions to impose upon the prisoner under that section.

(2) If the department determines that a prisoner it placed in the substance use disorder treatment program successfully completed the program and successfully completed a term of post-release control, if applicable, and if the prisoner submits an application under section 2953.32 of the Revised Code for sealing the record of the conviction, the director may issue a letter to the court in support of the application.

(E)(1) The department shall accept applications from community treatment providers that satisfy the requirement specified in division (E)(2) of this section and that wish to participate in the substance use disorder treatment program established under division (B) of this section, and shall approve for participation in the program at least four and not more than eight of the providers that apply. To the extent feasible, the department shall approve one or more providers from each geographical quadrant of the state.

(2) Each community treatment provider that applies under division (E)(1) of this section to participate in the program shall have the provider's alcohol and drug addiction services that provide substance use disorder treatment certified by the department of mental health and addiction services under section 5119.36 of the Revised Code. A community treatment provider is not required to have the provider's halfway house or residential treatment certified by the department of mental health and addiction services.

(F) The department of rehabilitation and correction shall

adopt rules for the operation of the substance use disorder 56004
treatment program it establishes under division (B) of this 56005
section and shall operate the program in accordance with this 56006
section and those rules. The rules shall establish, at a minimum, 56007
all of the following: 56008

(1) Criteria that establish which qualified prisoners are 56009
eligible for the program; 56010

(2) Criteria that must be satisfied to transfer a qualified 56011
prisoner to a residence pursuant to division (C)(3) of this 56012
section; 56013

(3) Criteria for the removal of a prisoner from the program 56014
pursuant to division (C)(2) of this section; 56015

(4) Criteria for determining when an offender has 56016
successfully completed the program for purposes of division (D)(2) 56017
of this section; 56018

(5) Criteria for community treatment providers to provide 56019
assessment and treatment, including minimum standards for 56020
treatment. 56021

Sec. 5120.62. The director ~~or~~ of rehabilitation and 56022
correction shall adopt rules under Chapter 119. of the Revised 56023
Code that govern the establishment and operation of a system that 56024
provides limited and monitored access to the internet for 56025
prisoners ~~who are participating in an approved educational program~~ 56026
~~with direct supervision that requires the use of the internet for~~ 56027
~~training or research purposes~~ solely for a use or purpose approved 56028
by the managing officer of that prisoner's institution or by the 56029
managing officer's designee. The rules shall include all of the 56030

accessible ~~on the computers used by prisoners in the educational~~ 56037
~~program;~~ 56038

system, including users of the system and the sites accessed by 56040
the system; 56041

(E) Sanctions that must be imposed against prisoners and 56042
staff members who violate department rules governing prisoner 56043

A license shall be renewed for a period that does not exceed three years, unless the director refuses to renew the license under division (D) of this section. The director, when issuing or renewing a license, shall specify the period for which the license is being issued or renewed. this section, the director may impose the suspension before 56192
providing an opportunity for an adjudication under Chapter 119. of 56193
the Revised Code. The director shall lift an order for the 56194
suspension of admissions when the director determines that the 56195

(4) The director may order the placement of a monitor at a 56197
residential facility for any violation specified in rules adopted 56198
under division (G)(2) of this section. The director shall lift the 56199

deficiencies of the residential facility and inform the licensee 56206
that no plan of correction will be accepted. The director shall 56207
also send a copy of the letter to the county board of 56208
developmental disabilities. Except in the case of a licensee that 56209

(6) Pursuant to rules which shall be adopted in accordance 56217
with Chapter 119. of the Revised Code, the director may order the 56218
immediate removal of residents from a residential facility 56219
whenever conditions at the facility present an immediate danger of 56220
physical or psychological harm to the residents. 56221

(7) In determining whether a residential facility is being 56222
operated in compliance with a provision of this chapter that 56223
applies to residential facilities or the rules adopted under such 56224
a provision, or whether conditions at a residential facility 56225
present an immediate danger of physical or psychological harm to 56226
the residents, the director may rely on information obtained by a 56227
county board of developmental disabilities or other governmental 56228
agencies. 56229

(8) In proceedings initiated to deny, refuse to renew, or 56230
revoke licenses, the director may deny, refuse to renew, or revoke 56231

that prompted the proceedings have been corrected at the time of 56233
the hearing. 56234

(E)(1) Except as provided in division (E)(2) of this section, 56235
appeals from proceedings initiated to impose a sanction under 56236
division (D) of this section shall be conducted in accordance with 56237
Chapter 119. of the Revised Code. 56238

(2) Appeals from proceedings initiated to order the 56239
suspension of admissions to a facility shall be conducted in 56240
accordance with Chapter 119. of the Revised Code, unless the order 56241
was issued before providing an opportunity for an adjudication, in 56242
which case all of the following apply: 56243

(a) The licensee may request a hearing not later than ten 56244
days after receiving the notice specified in section 119.07 of the 56245
Revised Code. 56246

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the licensee and the director.

(f) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(F) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is five years after the date of the denial. (H)(1) Before issuing a license, the director shall conduct a survey of the residential facility for which application is made. 56314
56315
The director shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there. the citations; 56338

(b) When appropriate, specify a timetable within which the 56339
licensee must submit a plan of correction describing how the 56340
problems specified in the citations will be corrected and, the 56341
date by which the licensee anticipates the problems will be 56342
corrected. 56343

(4) If the director initiates a proceeding to revoke a 56344
license, the director shall include the report required by 56345
division (H)(3) of this section with the notice of the proposed 56346
revocation the director sends to the licensee. In this 56347
circumstance, the licensee may not submit a plan of correction. 56348

(5) After a plan of correction is submitted, the director 56349
shall approve or disapprove the plan. If the plan of correction is 56350
approved, a copy of the approved plan shall be provided, not later 56351

the survey report shall be provided to any person or government 56357
entity that requests it and shall be made available on the 56358
internet web site maintained by the department. 56359

(6) The director shall initiate disciplinary action against 56360
any department employee who notifies or causes the notification to 56361
any unauthorized person of an unannounced survey of a residential 56362
facility by an authorized representative of the department. 56363

(I) In addition to any other information which may be 56364
required of applicants for a license pursuant to this section, the 56365
director shall require each applicant to provide a copy of an 56366
approved plan for a proposed residential facility pursuant to 56367
section 5123.042 of the Revised Code. This division does not apply 56368

to renewal of a license or to an applicant for an initial or 56369
modified license who meets the requirements of section 5123.197 of 56370
the Revised Code. 56371

(J)(1) A licensee shall notify the owner of the building in 56372
which the licensee's residential facility is located of any 56373
significant change in the identity of the licensee or management 56374
contractor before the effective date of the change if the licensee 56375
is not the owner of the building. 56376

(a) Division (J)(1)(b) of this section applies to a 56377
residential facility that meets both of the following criteria: 56378

(i) The building in which the residential facility is located 56379
was leased by the licensee between July 1, 1995, and July 1, 1996. 56380

(ii) The residential facility was operated at that building 56381
without a lease agreement for more than four years. 56382

(b) For a residential facility described in division 56383
(J)(1)(a) of this section, a license that specifies the location 56384
of a residential facility is not transferrable to a different 56385
location if the licensee is not the owner of the building where 56386
the residential facility is located. If a licensee no longer 56387
operates the residential facility at the location specified in the 56388
license, the owner of the building in which the residential 56389
facility is located may request that the director transfer the 56390
license to a different licensee or management contractor that is 56391
willing to operate the residential facility at that location. The 56392
director shall grant the license to the owner of the residential 56393
facility upon the owner's request. 56394

(c) Nothing in division (J)(1)(b) of this section shall be 56395
construed to require the director to increase the number of 56396
residential facility licenses in this state. 56397

(2) Pursuant to rules, which shall be adopted in accordance 56398
with Chapter 119. of the Revised Code, the director may require 56399

notification to the department of any significant change in the 56400
ownership of a residential facility or in the identity of the 56401
licensee or management contractor. If the director determines that 56402
a significant change of ownership is proposed, the director shall 56403
consider the proposed change to be an application for development 56404
by a new operator pursuant to section 5123.042 of the Revised Code 56405
and shall advise the applicant within sixty days of the 56406
notification that the current license shall continue in effect or 56407
a new license will be required pursuant to this section. If the 56408
director requires a new license, the director shall permit the 56409
facility to continue to operate under the current license until 56410
the new license is issued, unless the current license is revoked, 56411
refused to be renewed, or terminated in accordance with Chapter 56412
119. of the Revised Code. 56413

(3) A licensee shall transfer to the new licensee or 56414
management contractor all records related to the residents of the 56415
facility following any significant change in the identity of the 56416
licensee or management contractor. 56417

(K) A county board of developmental disabilities and any 56418
interested person may file complaints alleging violations of 56419
statute or department rule relating to residential facilities with 56420
the department. All complaints shall state the facts constituting 56421
the basis of the allegation. The department shall not reveal the 56422
source of any complaint unless the complainant agrees in writing 56423
to waive the right to confidentiality or until so ordered by a 56424
court of competent jurisdiction. 56425

The department shall adopt rules in accordance with Chapter 56426
119. of the Revised Code establishing procedures for the receipt, 56427
referral, investigation, and disposition of complaints filed with 56428
the department under this division. 56429

(L) Before issuing a license under this section to a 56430
residential facility that will accommodate at any time more than 56431

one individual with a developmental disability, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings concerning the comments and the director's decision on the issuance of the license. If the director does not receive written comments from any notified local officials within the specified time, the director shall continue the process for issuance of the license.

(M) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least six but not more than eight individuals with developmental disabilities as a permitted use in any residential district or zone, including any

single-family residential district or zone, of any political 56463
subdivision. These residential facilities may be required to 56464
comply with area, height, yard, and architectural compatibility 56465
requirements that are uniformly imposed upon all single-family 56466
residences within the district or zone. 56467

(N) Any person may operate a licensed residential facility 56468
that provides room and board, personal care, habilitation 56469
services, and supervision in a family setting for at least nine 56470
but not more than sixteen individuals with developmental 56471
disabilities as a permitted use in any multiple-family residential 56472
district or zone of any political subdivision, except that a 56473
political subdivision that has enacted a zoning ordinance or 56474
resolution establishing planned unit development districts may 56475
exclude these residential facilities from those districts, and a 56476
political subdivision that has enacted a zoning ordinance or 56477
resolution may regulate these residential facilities in 56478
multiple-family residential districts or zones as a conditionally 56479
permitted use or special exception, in either case, under 56480
reasonable and specific standards and conditions set out in the 56481
zoning ordinance or resolution to: 56482

(1) Require the architectural design and site layout of the 56483
residential facility and the location, nature, and height of any 56484
walls, screens, and fences to be compatible with adjoining land 56485
uses and the residential character of the neighborhood; 56486

(2) Require compliance with yard, parking, and sign 56487
regulation; 56488

(3) Limit excessive concentration of these residential 56489
facilities. 56490

(O) This section does not prohibit a political subdivision 56491
from applying to residential facilities nondiscriminatory 56492
regulations requiring compliance with health, fire, and safety 56493

regulations and building standards and regulations. 56494

(P) Divisions (M) and (N) of this section are not applicable 56495
to municipal corporations that had in effect on June 15, 1977, an 56496
ordinance specifically permitting in residential zones licensed 56497
residential facilities by means of permitted uses, conditional 56498
uses, or special exception, so long as such ordinance remains in 56499
effect without any substantive modification. 56500

(Q)(1) The director may issue an interim license to operate a 56501
residential facility to an applicant for a license under this 56502
section if either of the following is the case: 56503

(a) The director determines that an emergency exists 56504
requiring immediate placement of individuals in a residential 56505
facility, that insufficient licensed beds are available, and that 56506
the residential facility is likely to receive a permanent license 56507
under this section within thirty days after issuance of the 56508
interim license. 56509

(b) The director determines that the issuance of an interim 56510
license is necessary to meet a temporary need for a residential 56511
facility. 56512

(2) To be eligible to receive an interim license, an 56513
applicant must meet the same criteria that must be met to receive 56514
a permanent license under this section, except for any differing 56515
procedures and time frames that may apply to issuance of a 56516
permanent license. 56517

(3) An interim license shall be valid for thirty days and may 56518
be renewed by the director for a period not to exceed one hundred 56519
eighty days. 56520

(4) The director shall adopt rules in accordance with Chapter 56521
119. of the Revised Code as the director considers necessary to 56522
administer the issuance of interim licenses. 56523

(R) Notwithstanding rules adopted pursuant to this section 56524
establishing the maximum number of individuals who may be served 56525
in a particular type of residential facility, a residential 56526
facility shall be permitted to serve the same number of 56527
individuals being served by the facility on the effective date of 56528
the rules or the number of individuals for which the facility is 56529
authorized pursuant to a current application for a certificate of 56530
need with a letter of support from the department of developmental 56531
disabilities and which is in the review process prior to April 4, 56532
1986. 56533

This division does not preclude the department from 56534
suspending new admissions to a residential facility pursuant to a 56535
written order issued under section 5124.70 of the Revised Code. 56536

(S) The director may enter at any time, for purposes of 56537
investigation, any home, facility, or other structure that has 56538
been reported to the director or that the director has reasonable 56539
cause to believe is being operated as a residential facility 56540
without a license issued under this section. 56541

The director may petition the court of common pleas of the 56542
county in which an unlicensed residential facility is located for 56543
an order enjoining the person or governmental agency operating the 56544
facility from continuing to operate without a license. The court 56545
may grant the injunction on a showing that the person or 56546
governmental agency named in the petition is operating a 56547
residential facility without a license. The court may grant the 56548
injunction, regardless of whether the residential facility meets 56549
the requirements for receiving a license under this section. 56550

(a) In accordance with section 5124.25 of the Revised Code, pay the provider a rate add-on for ventilator-dependent outlier ICF/IID services if the rate add-on is to be paid under that section and the department approves the provider's application for the rate add-on; 57514
57515
57516
57517
57518

(b) In accordance with section 5124.26 of the Revised Code, 57519
pay the provider for outlier ICF/IID services the ICF/IID provides 57520
to residents identified as needing intensive behavioral health 57521
support services if the rate add-on is to be paid under that 57522
section and the department approves the provider's application for 57523
the rate add-on. 57524

(2) The rate add-ons are not to be part of the ICF/IID's 57525
total per medicaid day payment rate. 57526

Sec. 5124.151. (A) The total per medicaid day payment rate 57527
determined under section 5124.15 of the Revised Code shall not be 57528
the initial rate for ICF/IID services provided by a new ICF/IID. 57529
Instead, the initial total per medicaid day payment rate for 57530
ICF/IID services provided by a new ICF/IID shall be determined in 57531
accordance with this section. 57532

(B) The initial total per medicaid day payment rate for 57533
ICF/IID services provided by a new ICF/IID, other than an ICF/IID 57534
in peer group ~~5-A5~~, shall be determined in the following manner: 57535

be the median per medicaid day capital component rate for the 57537
ICF/IID's peer group for the fiscal year. 57538

(2) The initial per medicaid day direct care costs component 57539
rate shall be determined as follows: 57540

(a) If there are no cost or resident assessment data for the 57541
new ICF/IID as necessary to determine a rate under section 5124.19 57542
of the Revised Code, the rate shall be determined as follows: 57543

(i) Determine the median cost per case-mix unit under 57544
division (B) of section 5124.19 of the Revised Code for the new 57545
ICF/IID's peer group for the applicable cost report year; 57546

(ii) Multiply the amount determined under division 57547

score for the new ICF/IID's peer group for that period; 57549

(iii) Adjust the product determined under division 57550
(B)(2)(a)(ii) of this section by the rate of inflation estimated 57551
under division (D) of section 5124.19 of the Revised Code. 57552

(b) If the new ICF/IID is a replacement ICF/IID and the 57553
ICF/IID or ICFs/IID that are being replaced are in operation 57554
immediately before the new ICF/IID opens, the rate shall be the 57555
same as the rate for the replaced ICF/IID or ICFs/IID, 57556
proportionate to the number of ICF/IID beds in each replaced 57557
ICF/IID. 57558

(c) If the new ICF/IID is a replacement ICF/IID and the 57559
ICF/IID or ICFs/IID that are being replaced are not in operation 57560

rate for ICFs/IID determined for the fiscal year under section 57569
5124.23 of the Revised Code. 57570

(C) The initial total medicaid day payment rate for ICF/IID 57571

(D)(1) Except as provided in division (D)(2) of this section, 57582
the department of developmental disabilities shall adjust a new 57583
ICF/IID's initial total per medicaid day payment rate determined 57584
under this section effective the first day of July, to reflect new 57585
rate determinations for all ICFs/IID under this chapter. 57586

(2) If the department accepts, under division (A) of section 57587
5124.101 of the Revised Code, a cost report filed by the provider 57588
of a new ICF/IID, the department shall adjust the ICF/IID's 57589
initial total per medicaid day payment rate in accordance with 57590
divisions (E) and (F) of that section rather than division (D)(1) 57591
of this section. 57592

Sec. 5124.152. (A) The total per medicaid day payment rate 57593
determined under section 5124.15 of the Revised Code shall not be 57594
paid for ICF/IID services provided by an ICF/IID, or discrete unit 57595
of an ICF/IID, designated by the department of developmental 57596
disabilities as an outlier ICF/IID or unit. Instead, the provider 57597
of a designated outlier ICF/IID or unit shall be paid each fiscal 57598
year a total per medicaid day payment rate that the department 57599
shall prospectively determine in accordance with a methodology 57600
established in rules authorized by this section. 57601

(B) The department may designate an ICF/IID, or discrete unit 57602
of an ICF/IID, as an outlier ICF/IID or unit if the ICF/IID or 57603
unit serves residents who have either of the following: 57604

(2) Diagnoses or special care needs that are specified in rules authorized by this section as otherwise qualifying for consideration under this section.

(C) Notwithstanding any other provision of this chapter, the costs incurred by a designated outlier ICF/IID or unit shall not be considered in establishing medicaid payment rates for other ICFs/IID or units.

(D) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

(1)(a) The rules shall do both of the following:

(i) Specify the criteria and procedures the department will apply when designating an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit;

(ii) Establish a methodology for prospectively determining the total per medicaid day payment rate that will be paid each fiscal year for ICF/IID services provided by a designated outlier ICF/IID or unit.

(i) Provide for consideration of whether all of the allowable costs of an ICF/IID, or discrete unit of an ICF/IID, would be paid by the rate determined under section 5124.15 of the Revised Code;

(ii) Specify the minimum number of ICF/IID beds that an ICF/IID, or discrete unit of an ICF/IID, must have to be designated an outlier ICF/IID or unit.

(c) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall not limit the designation to ICFs/IID, or discrete

ICF/IID, or discrete unit of an ICF/IID, that serves residents who 57648
have complex medical conditions or severe behavioral problems; 57649

(ii) Require that a designated outlier ICF/IID or unit 57650
receive authorization from the department before admitting or 57651
retaining a resident. 57652

(b) If the director adopts rules authorized by division 57653
(D)(2)(a)(ii) of this section regarding the authorization of a 57654
designated outlier ICF/IID or unit to admit or retain a resident, 57655
the rules shall specify the criteria and procedures the department 57656
will apply when granting the authorization. 57657

Sec. 5124.19. (A) For each fiscal year, the department of	58068
developmental disabilities shall determine each ICF/IID's per	58069
medicaid day direct care costs component rate. An ICF/IID's rate	58070
shall be determined as follows:	58071
(1) Determine the product of the following:	58072

the calendar quarter ending on the last day of March of the 58079
calendar year in which the fiscal year begins. 58080

(b) The lesser of the following: 58081

(2) Adjust the product determined under division (A)(1) of 58087
this section by the inflation rate estimated under division (D) of 58088
this section. 58089

(B) To determine an ICF/IID's cost per case-mix unit for a 58090
cost report year, the department shall determine the quotient of 58091

(1) The ICF/IID's desk-reviewed, actual, allowable, per diem 58093
direct care costs for the cost report year; 58094

(2) The ICF/IID's annual average case-mix score as determined 58095
under section 5124.193 of the Revised Code for the fiscal year for 58096
which the rate is determined. 58097

(C)(1) The maximum cost per case-mix unit for a peer group 58098
for a fiscal year, other than peer group ~~5-A5~~, is the following 58099
percentage above the peer group's median cost per case-mix unit 58100
for that fiscal year: 58101

(a) For peer group ~~1-A1~~, sixteen per cent; 58102

(b) For peer group ~~2-A2~~, fourteen per cent; 58103

(c) For peer group ~~3-A3~~, eighteen per cent; 58104

(d) For peer group ~~4-A4~~, twenty-two per cent. 58105

(2) The maximum cost per case-mix unit for peer group ~~5-A5~~ 58106
for a fiscal year is the ninety-fifth percentile of all ICFs/IID 58107
in peer group ~~5-A5~~ for the applicable cost report year. 58108

(3) In determining the maximum cost per case-mix unit for a 58109
peer group under division (C)(1) of this section, the department 58110
shall exclude from its determination the cost per case-mix unit of 58111
any ICF/IID in the peer group that participated in the medicaid 58112
program under the same provider for less than twelve months during 58113
the applicable cost report year. 58114

(4) In determining the maximum cost per case-mix unit for a 58115
peer group under division (C)(1) or (2) of this section, the 58116
department shall exclude from its determination the cost per 58117
case-mix unit of any ICF/IID in the peer group that has a case-mix 58118
score that was assigned by the department to the ICF/IID under 58119
division (B) of section 5124.193 of the Revised Code. 58120

(5) The department shall not reset a peer group's maximum 58121
cost per case-mix unit for a fiscal year under division (C)(1) or 58122
(2) of this section based on additional information that the 58123
department receives after it sets the maximum for that fiscal 58124
year. The department shall reset a peer group's maximum cost per 58125
case-mix unit for a fiscal year only if it made an error in 58126
setting the maximum for that fiscal year based on information 58127
available to the department at the time it originally sets the 58128
maximum for that fiscal year. 58129

(D) The department shall estimate the rate of inflation for 58130
the eighteen-month period beginning on the first day of July of 58131
the applicable cost report year and ending on the last day of 58132
December of the fiscal year for which the rate is determined, 58133
using the following: 58134

(1) Subject to division (D)(2) of this section, the 58135

employment cost index for total compensation, health care and 58136
social assistance component, published by the United States bureau 58137
of labor statistics; 58138

(2) If the United States bureau of labor statistics ceases to 58139
publish the index specified in division (D)(1) of this section, 58140
the index that is subsequently published by the bureau and covers 58141
the staff costs of ICFs/IID. 58142

Sec. 5124.191. (A) As used in sections 5124.191 to 5124.193 58143
of the Revised Code, "ICF/IID resident" includes an individual who 58144
is on hospital or therapeutic leave from an ICF/IID. 58145

(B) In accordance with rules adopted under section 5124.03 of 58146
the Revised Code, the department of developmental disabilities 58147
shall assess each ICF/IID resident regardless of payment source 58148
and compile complete assessment data on the residents. The 58149
department shall perform the initial assessment of an ICF/IID 58150
resident. The department may perform a subsequent assessment of an 58151
ICF/IID resident under any of the following circumstances: 58152

(1) The provider of the ICF/IID in which the resident resides 58153
or from which the resident is on hospital or therapeutic leave has 58154
submitted to the department under division (D) of this section 58155
revised assessment data for the resident or an attestation of no 58156
changes in the resident's assessment data and the department has 58157
reason to believe that the revised assessment data or attestation 58158
is inaccurate; 58159

(2) The department has reason to believe that the resident's 58160
most recent assessment no longer accurately reflects the 58161
resident's condition; 58162

(3) The department determines that the resident's most recent 58163
assessment should be updated because of the passage of time since 58164
that assessment was performed. 58165

(C) If an ICF/IID provider disagrees with the results of an assessment performed by the department under this section, the provider may request that the department reconsider the results in accordance with rules adopted under section 5124.03 of the Revised Code.

(D) After the department assesses an ICF/IID resident under this section, the provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave shall submit to the department, not later than fifteen days after the end of each subsequent calendar quarter and through the medium or media specified in rules adopted under section 5124.03 of the Revised Code, either of the following:

(1) Revised assessment data for the resident if there are changes in the resident's assessment data;

(2) An attestation that there are no changes in the resident's assessment data.

(E) A resident assessment instrument specified in rules adopted under section 5124.03 of the Revised Code shall be used to compile or revise assessment data of ICF/IID residents under this section. ~~The resident assessment instrument used for the purpose of this section may be different from the resident assessment instrument used for the purpose of section 5124.196 of the Revised Code.~~

Sec. 5124.21. (A) For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day indirect care costs component rate. An ICF/IID's rate shall be the lesser of the individual rate determined under division (B) of this section and the maximum rate determined for the ICF/IID's peer group under division (C) of this section.

(B) An ICF/IID's individual rate is the sum of the following:

(1) The ICF/IID's desk-reviewed, actual, allowable, per diem indirect care costs for the applicable cost report year, adjusted for the inflation rate estimated under division (E) of this section; 58196
58197
58198
58199

(2) Subject to division (D) of this section, an efficiency incentive equal to the difference between the amount of the per diem indirect care costs for the applicable cost report year determined for the ICF/IID under division (B)(1) of this section and the maximum rate established for the ICF/IID's peer group under division (C) of this section for that year. 58200
58201
58202
58203
58204
58205

(C)(1) The maximum rate for an ICF/IID's peer group shall be the following percentage above the peer group's median per diem indirect care costs for the applicable cost report year: 58206
58207
58208

(a) For ICFs/IID in peer group ~~1-A1~~, eight per cent; 58209

(b) For ICFs/IID in peer group ~~2-A2~~ or peer group ~~3-A3~~, ten per cent; 58210
58211

(c) For ICFs/IID in peer group ~~4-A4~~ or peer group ~~5-A5~~, twelve per cent. 58212
58213

(2) The department shall not redetermine a peer group's maximum rate under division (C)(1) of this section based on additional information that it receives after the maximum rate is set. The department shall redetermine a peer group's maximum rate only if the department made an error in computing the maximum rate based on the information available to the department at the time of the original calculation. 58214
58215
58216
58217
58218
58219
58220

(D) The efficiency incentive for an ICF/IID shall not exceed the following: 58221
58222

(1) If the ICF/IID is in peer group ~~1-A1~~, five per cent of the peer group's maximum rate established under division (C)(1)(a) of this section; 58223
58224
58225

(2) If the ICF/IID is in peer group ~~2-A2~~, peer group ~~3-A3~~,
peer group ~~4-A4~~, or peer group ~~5-A5~~, six per cent of the peer
group's maximum rate established under division (C)(1)(b) or (c)
of this section.

(E) When adjusting rates for inflation under division (B)(1)
of this section, the department shall estimate the rate of
inflation for the eighteen-month period beginning on the first day
of July of the applicable cost report year and ending on the
thirty-first day of December of the fiscal year for which the rate
is determined. To estimate the rate of inflation, the department
shall use the following:

(1) Subject to division (E)(2) of this section, the consumer
price index for all items for all urban consumers for the midwest
region, published by the United States bureau of labor statistics;

(2) If the United States bureau of labor statistics ceases to
publish the index specified in division (E)(1) of this section, a
comparable index that the bureau publishes and the department
determines is appropriate.

Sec. 5124.23. For each fiscal year, the department of
developmental disabilities shall determine each ICF/IID's per
medicaid day other protected costs component rate. An ICF/IID's
rate shall be the ICF/IID's desk-reviewed, actual, allowable, per
diem other protected costs from the applicable cost report year,
adjusted for inflation using the following:

(A) Subject to division (B) of this section, the consumer
price index for all urban consumers for nonprescription drugs and
medical supplies, as published by the United States bureau of
labor statistics;

(B) If the United States bureau of labor statistics ceases to
publish the index specified in division ~~(B)(1)~~(A) of this section,

the index that is subsequently published by the bureau and covers 58256
nonprescription drugs and medical supplies. 58257

Sec. 5124.29. Except as otherwise provided in section 5124.30 58258
of the Revised Code, the department of developmental disabilities, 58259
in determining whether an ICF/IID's direct care costs and indirect 58260
care costs are allowable, shall place no limit on specific 58261
categories of reasonable costs other than compensation of owners, 58262
compensation of relatives of owners, and compensation of 58263
administrators. 58264

Compensation cost limits for owners and relatives of owners 58265
shall be based on compensation costs for individuals who hold 58266
comparable positions but who are not owners or relatives of 58267
owners, as reported on ICFs/IID's cost reports. As used in this 58268
section, "comparable position" means the position that is held by 58269
the owner or the owner's relative, if that position is listed 58270
separately on the cost report form, or if the position is not 58271
listed separately, the group of positions that is listed on the 58272
cost report form and that includes the position held by the owner 58273
or the owner's relative. In the case of an owner or owner's 58274
relative who serves the ICFs/IID in a capacity such as corporate 58275
officer, proprietor, or partner for which no comparable position 58276
or group of positions is listed on the cost report form, the 58277
compensation cost limit shall be based on civil service 58278
equivalents and shall be specified in rules adopted under section 58279
5124.03 of the Revised Code. 58280

Compensation cost limits for administrators shall be based on 58281
compensation costs for administrators who are not owners or 58282
relatives of owners, as reported on ICFs/IID's cost reports. ~~For~~ 58283
~~the purpose of determining an ICF/IID's total per medicaid day~~ 58284
~~payment rate under division (C) of section 5124.15 of the Revised~~ 58285
~~Code, compensation cost limits for administrators of four or more~~ 58286

~~ICFs/IID shall be the same as the limits for administrators of~~ 58287
~~ICFs/IID with one hundred fifty or more beds.~~ 58288

Sec. 5124.30. Except as provided in ~~sections~~ section 5124.17 58289
~~and 5124.171~~ of the Revised Code, the costs of goods, services, 58290
and facilities, furnished to an ICF/IID provider by a related 58291
party are includable in the allowable costs of the provider at the 58292
reasonable cost to the related party. 58293

Sec. 5124.38. (A) The director of developmental disabilities 58294
shall establish a process under which an ICF/IID provider, or a 58295
group or association of ICF/IID providers, may seek 58296
reconsideration of medicaid payment rates established under this 58297
chapter, ~~including a rate for direct care costs redetermined~~ 58298
~~before the effective date of the rate as a result of an exception~~ 58299
~~review conducted under section 5124.198 of the Revised Code.~~ 58300
Except as provided in divisions (B) to (E) of this section, the 58301
only issue that a provider, group, or association may raise in the 58302
rate reconsideration is whether the rate was calculated in 58303
accordance with this chapter and the rules adopted under section 58304
5124.03 of the Revised Code. The provider, group, or association 58305
may submit written arguments or other materials that support its 58306
position. The provider, group, or association and department shall 58307
take actions regarding the rate reconsideration within time frames 58308
specified in rules authorized by this section. 58309

If the department determines, as a result of the rate 58310
reconsideration, that the rate established for one or more 58311
ICFs/IID is less than the rate to which the ICF/IID is entitled, 58312
the department shall increase the rate. If the department has paid 58313
the incorrect rate for a period of time, the department shall pay 58314
the provider of the ICF/IID the difference between the amount the 58315
provider was paid for that period for the ICF/IID and the amount 58316
the provider should have been paid for the ICF/IID. 58317

(B)(1) The department, through the rate reconsideration process, may increase during a fiscal year the medicaid payment rate determined for an ICF/IID under this chapter if the provider demonstrates that the ICF/IID's actual, allowable costs have increased because of any of the following extreme circumstances:

(a) A natural disaster;

~~(b) A nonextensive renovation approved under division (E) of section 5124.171 of the Revised Code;~~

~~(c)~~ If the ICF/IID has an appropriate claims management program, an increase in the ICF/IID's workers' compensation experience rating of greater than five per cent;

~~(d)~~(c) If the ICF/IID is an inner-city ICF/IID, increased security costs;

~~(e)~~(d) A change of ownership that results from bankruptcy, foreclosure, or findings by the department of health of violations of medicaid certification requirements;

~~(f)~~(e) Other extreme circumstances specified in rules authorized by this section.

(2) An ICF/IID may qualify for a rate increase under this division only if its per diem, actual, allowable costs have increased to a level that exceeds its total rate. An increase under this division is subject to any rate limitations or maximum rates established by this chapter for specific cost centers. Any rate increase granted under this division shall take effect on the first day of the first month after the department receives the request.

(C) The department, through the rate reconsideration process, may increase an ICF/IID's rate as determined under this chapter if the department, in the department's sole discretion, determines that the rate as determined under those sections works an extreme

hardship on the ICF/IID. 58348

(D)(1) ~~When~~ Subject to any applicable limitation under 58349
section 5124.17 of the Revised Code, when beds certified for the 58350
medicaid program are added to an existing ICF/IID or replaced at 58351
the same site, the department, through the rate reconsideration 58352
process, ~~may do either of the following to account for the costs~~ 58353
~~of the beds that are added or replaced:~~ 58354

~~(a) Subject to any applicable limitation under section~~ 58355
~~5124.17 of the Revised Code,~~ proportionately increase the 58356
ICF/IID's per medicaid day capital component rate determined under 58357
that section. 58358

~~(b) Subject to any applicable limitation under section~~ 58359
~~5124.171 of the Revised Code,~~ proportionately increase the 58360
ICF/IID's per medicaid day payment rate for reasonable capital 58361
costs determined under that section to account for the costs of 58362
the beds that are added or replaced. 58363

(2) If the department grants an increase under division 58364
(D)(1)~~(a) or (b)~~ of this section, the increase shall go into 58365
effect one month after the first day of the month after the 58366
department receives sufficient documentation needed to determine 58367
the amount of the increase. 58368

(3) ~~Any rate increase of an ICF/IID's per medicaid day~~ 58369
~~payment rate for reasonable capital costs determined under section~~ 58370
~~5124.171 of the Revised Code that is granted under division~~ 58371
~~(D)(1)(b) of this section after June 30, 1993, shall remain in~~ 58372
~~effect until the earlier of the following:~~ 58373

~~(a) The effective date of a per medicaid day payment rate for~~ 58374

~~(b) The date the provider of the ICF/IID begins to be paid a~~ 58378

~~(4)~~ The provider of an ICF/IID that has its per medicaid day 58381

depreciation in an amount equal to the depreciation included in 58384
the rate adjustment on its cost report for the first year of 58385
operation. During the term of any loan used to finance a project 58386
for which the rate increase is granted, the provider, if the 58387
ICF/IID is operated by the same provider, shall subtract from the 58388
interest costs it reports on the ICF/IID's cost report an amount 58389
equal to the difference between the following: 58390

(a) The actual, allowable interest costs for the loan during 58391
the calendar year for which the costs are being reported; 58392

(b) The actual, allowable interest costs attributable to the 58393
loan that were used to calculate the rates paid to the provider 58394
for the ICF/IID during the same calendar year. 58395

(E) If the provider of an ICF/IID submits to the department 58396
revised assessment data for a resident of the ICF/IID under 58397
division (D) of section 5124.191 of the Revised Code and the 58398
revised assessment data results in at least a fifteen per cent 58399
increase in the ICF/IID's case-mix score determined under section 58400
5124.193 of the Revised Code, the provider may request that the 58401
department, through the rate reconsideration process, increase the 58402
ICF/IID's per medicaid day direct care costs component rate 58403
determined under section 5124.19 of the Revised Code to account 58404
for the increase in the ICF/IID's case-mix score. If the 58405
department determines that the revised assessment data so 58406
increases the ICF/IID's case-mix score, the department shall grant 58407
the rate increase. The increase shall go into effect one month 58408
after the first day of the month after the department receives 58409
sufficient documentation needed to determine the amount of the 58410

increase. 58411

(F) The department's decision at the conclusion of a rate 58412
reconsideration process is not subject to any administrative 58413
proceedings under Chapter 119. or any other provision of the 58414
Revised Code. 58415

(G) The director of developmental disabilities shall adopt 58416
rules under section 5124.03 of the Revised Code as necessary to 58417
implement this section. 58418

Sec. 5124.39. (A) Except as provided in divisions (B) and (C) 58419
of this section, if the provider of an ICF/IID in former peer 58420
group 1-B, as that group existed on the date immediately preceding 58421
the effective date of this amendment, obtained approval from the 58422
department of developmental disabilities to become a downsized 58423
ICF/IID not later than July 1, 2018, and the ICF/IID does not 58424
become a downsized ICF/IID by that date, the department shall 58425
recoup from the provider an amount equal to the sum of the 58426
following: 58427

(1) The difference between the amount of the efficiency 58428
incentive payments the ICF/IID earned under former sections 58429
5124.171 and 5124.211 of the Revised Code, as those sections 58430
existed on the date immediately preceding the effective date of 58431
this amendment, because the provider obtained such approval and 58432
the amount of the efficiency incentive payments the ICF/IID would 58433
have earned under those sections had the provider not obtained 58434
such approval; 58435

(2) An amount of interest on the difference determined under 58436
division (A)(1) of this section. 58437

(B) The department shall exempt an ICF/IID provider from a 58438
recoupment otherwise required by this section if the provider 58439
voluntarily repays the department the difference determined under 58440

division (A)(1) of this section. No interest shall be charged on 58441
the amount voluntarily repaid. 58442

(C) The department may exempt an ICF/IID provider from a 58443
recoupment otherwise required by this section if both of the 58444
following apply: 58445

(1) The provider, on or before July 1, 2018, demonstrates to 58446
the department's satisfaction that the provider made a good faith 58447
effort to complete the downsizing by July 1, 2018, but the ICF/IID 58448
did not become a downsized ICF/IID by that date for reasons beyond 58449
the provider's control; 58450

(2) The ICF/IID becomes a downsized ICF/IID within a period 58451
of time after July 1, 2018, that the department determines is 58452
reasonable. 58453

(D) An ICF/IID provider subject to a recoupment under 58454
division (A) of this section or voluntarily making a repayment 58455
under division (B) of this section shall choose one of the 58456
following methods by which the recoupment or voluntary repayment 58457
shall be made: 58458

(1) In a lump sum payment; 58459

(2) Subject to the department's approval, in installment 58460
payments; 58461

(3) In a single deduction from the next available medicaid 58462
payment made to the provider if that payment at least equals the 58463
total amount of the recoupment or voluntary repayment; 58464

(4) Subject to the department's approval, in installment 58465
deductions from medicaid payments made to the provider. 58466

(E) An ICF/IID provider may request that the director of 58467
developmental disabilities reconsider either or both of the 58468
following: 58469

(1) A decision that the provider is subject to a recoupment 58470

under this section; 58471

(2) A determination under this section of the amount to be 58472
recouped from the provider. 58473

(F) The director shall adopt rules under section 5124.03 of 58474
the Revised Code as necessary to implement this section, including 58475
rules specifying how the amount of interest charged under division 58476
(A)(2) of this section is to be determined. 58477

Sec. 5124.40. If an ICF/IID provider properly amends a cost 58478
report for an ICF/IID under section 5124.107 of the Revised Code 58479
and the amended report shows that the provider received a lower 58480
medicaid payment rate under the original cost report than the 58481
provider was entitled to receive, the department of developmental 58482
disabilities shall adjust the provider's rate for the ICF/IID 58483
prospectively to reflect the corrected information. The department 58484
shall pay the adjusted rate beginning two months after the first 58485
day of the month after the provider files the amended cost report. 58486

~~If the department finds, from an exception review of resident 58487
assessment data conducted pursuant to section 5124.198 of the 58488
Revised Code after the effective date of an ICF/IID's rate for 58489
direct care costs that is based on the resident assessment data, 58490
that inaccurate resident assessment data resulted in the provider 58491
receiving a lower rate for the ICF/IID than the provider was 58492
entitled to receive, the department prospectively shall adjust the 58493
provider's rate for the ICF/IID accordingly. The department shall 58494
make payments to the provider using the adjusted rate for the 58495
remainder of the calendar quarter for which the resident 58496
assessment data is used to determine the rate, beginning one month 58497
after the first day of the month after the exception review is 58498
completed. 58499~~

Sec. 5124.41. (A) The department of developmental 58500

disabilities shall redetermine a provider's medicaid payment rate 58501
for an ICF/IID using revised information if ~~any~~ either of the 58502
following results in a determination that the provider received a 58503
higher medicaid payment rate for the ICF/IID than the provider was 58504
entitled to receive: 58505

(1) The provider properly amends a cost report for the 58506
ICF/IID under section 5124.107 of the Revised Code; 58507

(2) The department makes a finding based on an audit under 58508
section 5124.109 of the Revised Code; 58509

~~(3) The department makes a finding based on an exception 58510
review of resident assessment data conducted under section 58511
5124.198 of the Revised Code after the effective date of the 58512
ICF/IID's rate for direct care costs that is based on the resident 58513
assessment data. 58514~~

(B) The department shall apply the redetermined rate to the 58515
periods when the provider received the incorrect rate to determine 58516
the amount of the overpayment. The provider shall refund the 58517
amount of the overpayment. The department may charge the provider 58518
the following amount of interest from the time the overpayment was 58519
made: 58520

(1) If the overpayment resulted from costs reported for 58521
calendar year 1993, the interest shall be not greater than one and 58522
one-half times the current average bank prime rate. 58523

(2) If the overpayment resulted from costs reported for a 58524
subsequent calendar year: 58525

(a) The interest shall be not greater than two times the 58526
current average bank prime rate if the overpayment was not more 58527
than one per cent of the total medicaid payments to the provider 58528
for the fiscal year for which the incorrect information was used 58529
to determine a rate. 58530

(b) The interest shall be not greater than two and one-half 58531
times the current average bank prime rate if the overpayment was 58532
more than one per cent of the total medicaid payments to the 58533
provider for the fiscal year for which the incorrect information 58534
was used to determine a rate. 58535

board, in conjunction with the department of developmental 58882

action it takes or fails to take in its implementation of medicaid 58887
local administrative authority. 58888

(F) If the department of developmental disabilities or 58889

~~(5) (2) The county board fails to submit an acceptable plan 58917
of correction to the department within the time required by 58918
division (F)(2) of section 5126.055 of the Revised Code. 58919~~

(B) If required by division (A) of this section to take 58920
action against a county board, the department shall issue an order 58921
terminating the county board's medicaid local administrative 58922

medicaid case management services, or all or part of both of those 58924
services. The department shall provide a copy of the order to the 58925
board of county commissioners, senior probate judge, county 58926

department shall specify in the order the medicaid local 58928
administrative authority that the department is terminating, the 58929

reason for the termination, and the county board's option and 58930
responsibilities under this division. 58931

A county board whose medicaid local administrative authority 58932
is terminated may, not later than thirty days after the department 58933
issues the termination order, recommend to the department that 58934
another county board that has not had any of its medicaid local 58935
administrative authority terminated or another entity the 58936
department approves administer the services for which the county 58937
board's medicaid local administrative authority is terminated. The 58938
department may contract with the other county board or entity to 58939
administer the services. If the department enters into such a 58940
contract, the county board shall adopt a resolution giving the 58941
other county board or entity full medicaid local administrative 58942
authority over the services that the other county board or entity 58943
is to administer. The other county board or entity shall be known 58944
as the contracting authority. 58945

If the department rejects the county board's recommendation 58946
regarding a contracting authority, the county board may appeal the 58947
rejection under section 5123.043 of the Revised Code. 58948

If the county board does not submit a recommendation to the 58949
department regarding a contracting authority within the required 58950
time or the department rejects the county board's recommendation 58951
and the rejection is upheld pursuant to an appeal, if any, under 58952
section 5123.043 of the Revised Code, the department shall appoint 58953
an administrative receiver to administer the services for which 58954
the county board's medicaid local administrative authority is 58955
terminated. To the extent necessary for the department to appoint 58956
an administrative receiver, the department may utilize employees 58957

services for which the county board's medicaid local 58964
administrative authority is terminated. 58965

The contracting authority or administrative receiver shall 58966
develop and submit to the department a plan of correction to 58967
remediate the problems that caused the department to issue the 58968
termination order. If, after reviewing the plan, the department 58969
approves it, the contracting authority or administrative receiver 58970
shall implement the plan. 58971

The county board shall transfer control of state and federal 58972
funds it is otherwise eligible to receive for the services for 58973
which the county board's medicaid local administrative authority 58974
is terminated and funds the county board may use under division 58975
(A) of section 5126.0511 of the Revised Code to pay the nonfederal 58976
share of the services that the county board is required by 58977
sections 5126.059 and 5126.0510 of the Revised Code to pay. The 58978

amount necessary for the contracting authority or administrative 58982
receiver to fulfill its duties in administering the services, 58983
including its duties to pay its personnel for time worked, travel, 58984
and related matters. If the county board fails to make the 58985
transfer, the department may withhold the state and federal funds 58986
from the county board and bring a mandamus action against the 58987
county board in the court of common pleas of the county served by 58988
the county board or in the Franklin county court of common pleas. 58989
The mandamus action may not require that the county board transfer 58990
any funds other than the funds the county board is required by 58991
division (B) of this section to transfer. 58992

The contracting authority or administrative receiver has the 58993

right to authorize the payment of bills in the same manner that 58994
the county board may authorize payment of bills under this chapter 58995
and section 319.16 of the Revised Code. 58996

normal bidding procedures. The board shall from time to time set 59051
aside such additional contracts as are necessary to replace those 59052
contracts previously set aside on which no minority business 59053
enterprise bid. 59054

(F) This section does not preclude any minority business 59055
enterprise from bidding on any other contract not specifically set 59056

aside for minority business enterprises. 59057

(G) Within ninety days after the beginning of each calendar 59058
year, each county board of developmental disabilities shall file a 59059

5165.16 of the Revised Code; 60099

(2) The per medicaid day payment rate for capital costs 60100
determined for the nursing facility under section 5165.17 of the 60101
Revised Code; 60102

(3) The per medicaid day payment rate for direct care costs 60103
determined for the nursing facility under section 5165.19 of the 60104
Revised Code; 60105

(4) The per medicaid day payment rate for tax costs 60106
determined for the nursing facility under section 5165.21 of the 60107
Revised Code; 60108

(5) If the nursing facility qualifies as a critical access 60109
nursing facility, the nursing facility's critical access incentive 60110
payment paid under section 5165.23 of the Revised Code. 60111

(B) To the sum determined under division (A) of this section, 60112
add sixteen dollars and forty-four cents. 60113

(C) From the sum determined under division (B) of this 60114
section, subtract one dollar and seventy-nine cents. 60115

~~(D) To the difference determined under division (C) of this 60116
section, add the per medicaid day quality payment rate determined 60117
for the nursing facility under section 5165.25 of the Revised 60118
Code. 60119~~

~~(E)~~ To the sum determined under division ~~(D)~~(C) of this 60120
section, add, for state fiscal year ~~2021~~ 2022 and for state fiscal 60121
year 2023, the per medicaid day quality incentive payment rate 60122
determined for the nursing facility under section 5165.26 of the 60123
Revised Code. 60124

Sec. 5165.151. (A) The total per medicaid day payment rate 60125
determined under section 5165.15 of the Revised Code shall not be 60126
the initial rate for nursing facility services provided by a new 60127
nursing facility. Instead, the initial total per medicaid day 60128
payment rate for nursing facility services provided by a new 60129
nursing facility shall be determined in the following manner: 60130

(1) The initial rate for ancillary and support costs shall be 60131
the rate for the new nursing facility's peer group determined 60132
under division (C) of section 5165.16 of the Revised Code. 60133

(2) The initial rate for capital costs shall be the rate for 60134
the new nursing facility's peer group determined under division 60135
(C) of section 5165.17 of the Revised Code; 60136

(3) The initial rate for direct care costs shall be the 60137
product of the cost per case-mix unit determined under division 60138
(C) of section 5165.19 of the Revised Code for the new nursing 60139
facility's peer group and the new nursing facility's case-mix 60140
score determined under division (B) of this section. 60141

(4) The initial rate for tax costs shall be the following: 60142

(a) If the provider of the new nursing facility submits to 60143
the department of medicaid the nursing facility's projected tax 60144
costs for the calendar year in which the provider obtains an 60145
initial provider agreement for the new nursing facility, an amount 60146
determined by dividing those projected tax costs by the number of 60147
inpatient days the nursing facility would have for that calendar 60148
year if its occupancy rate were one hundred per cent; 60149

(b) If division (A)(4)(a) of this section does not apply, the median rate for tax costs for the new nursing facility's peer group in which the nursing facility is placed under division (B) of section 5165.16 of the Revised Code.

~~(5) The quality payment shall be the mean quality payment rate determined for nursing facilities under section 5165.25 of the Revised Code.~~

~~(6)~~ Fourteen dollars and sixty-five cents shall be added to the sum of the rates and payment specified in divisions (A)(1) to ~~(5)~~(4) of this section.

(B) For the purpose of division (A)(3) of this section, a new nursing facility's case-mix score shall be the following:

(1) Unless the new nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the new nursing facility begins participating in the medicaid program, the median annual average case-mix score for the new nursing facility's peer group;

(2) If the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the new nursing facility begins participating in the medicaid program, the semiannual case-mix score most recently determined under section 5165.192 of the Revised Code for the replaced nursing facility as adjusted, if necessary, to reflect any difference in the number of beds in the replaced and new nursing facilities.

(C) Subject to division (D) of this section, the department of medicaid shall adjust the rates established under division (A) of this section effective the first day of July, to reflect new rate calculations for all nursing facilities under this chapter.

(D) If a rate for direct care costs is determined under this section for a new nursing facility using the median annual average

case-mix score for the new nursing facility's peer group, the rate 60181
shall be redetermined to reflect the new nursing facility's actual 60182
semiannual average case-mix score determined under section 60183
5165.192 of the Revised Code after the new nursing facility 60184
submits its first two quarterly assessment data that qualify for 60185
use in calculating a case-mix score in accordance with rules 60186
authorized by section 5165.192 of the Revised Code. If the new 60187
nursing facility's quarterly submissions do not qualify for use in 60188
calculating a case-mix score, the department shall continue to use 60189
the median annual average case-mix score for the new nursing 60190
facility's peer group in lieu of the new nursing facility's 60191
semiannual case-mix score until the new nursing facility submits 60192
two consecutive quarterly assessment data that qualify for use in 60193
calculating a case-mix score. 60194

Sec. 5165.16. (A) The department of medicaid shall determine 60195
each nursing facility's per medicaid day payment rate for 60196
ancillary and support costs. A nursing facility's rate shall be 60197
the rate determined under division (C) of this section for the 60198
nursing facility's peer group. 60199

(B) For the purpose of determining nursing facilities' rates 60200
for ancillary and support costs, the department shall establish 60201
six peer groups composed as follows: 60202

(1) Each nursing facility located in any of the following 60203
counties shall be placed in peer group one or two: Brown, Butler, 60204
Clermont, Clinton, Hamilton, and Warren. Each nursing facility 60205
located in any of those counties that has fewer than one hundred 60206
beds shall be placed in peer group one. Each nursing facility 60207
located in any of those counties that has one hundred or more beds 60208
shall be placed in peer group two. 60209

(2) Each nursing facility located in any of the following 60210
counties shall be placed in peer group three or four: Allen, 60211

Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, 60212
Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, 60213

than one hundred beds shall be placed in peer group three. Each 60218
nursing facility located in any of those counties that has one 60219
hundred or more beds shall be placed in peer group four. 60220

(3) Each nursing facility located in any of the following 60221
counties shall be placed in peer group five or six: Adams, 60222
Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, 60223
Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, 60224
Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, 60225
Jefferson, Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, 60226
Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, 60227
Shelby, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, 60228
and Wyandot. Each nursing facility located in any of those 60229
counties that has fewer than one hundred beds shall be placed in 60230
peer group five. Each nursing facility located in any of those 60231
counties that has one hundred or more beds shall be placed in peer 60232
group six. 60233

(C)(1) The department shall determine the rate for ancillary 60234
and support costs for each peer group established under division 60235
(B) of this section. The rate for ancillary and support costs 60236
determined under this division for a peer group shall be used for 60237
subsequent years until the department conducts a rebasing. To 60238
determine a peer group's rate for ancillary and support costs, the 60239
department shall do all of the following: 60240

(a) ~~Subject to division (C)(2) of this section, determine~~ 60241
Determine the rate for ancillary and support costs for each 60242
nursing facility in the peer group for the applicable calendar 60243

year by using the greater of the nursing facility's actual 60244
inpatient days for the applicable calendar year or the inpatient 60245
days the nursing facility would have had for the applicable 60246
calendar year if its occupancy rate had been ninety per cent; 60247

(b) Subject to division ~~(C)(3)~~ (C)(2) of this section, 60248
identify which nursing facility in the peer group is at the 60249
twenty-fifth percentile of the rate for ancillary and support 60250
costs for the applicable calendar year determined under division 60251
(C)(1)(a) of this section; 60252

(c) Multiply the rate for ancillary and support costs 60253
determined under division (C)(1)(a) of this section for the 60254
nursing facility identified under division (C)(1)(b) of this 60255
section by the rate of inflation for the eighteen-month period 60256
beginning on the first day of July of the applicable calendar year 60257
and ending the last day of December of the calendar year 60258
immediately following the applicable calendar year using the 60259
following: 60260

(i) Except as provided in division (C)(1)(c)(ii) of this 60261
section, the consumer price index for all items for all urban 60262
consumers for the midwest region, published by the United States 60263
bureau of labor statistics; 60264

(ii) If the United States bureau of labor statistics ceases 60265
to publish the index specified in division (C)(1)(c)(i) of this 60266
section, the index the bureau subsequently publishes that covers 60267
urban consumers' prices for items for the region that includes 60268
this state. 60269

~~(2) For the purpose of determining a nursing facility's 60270
occupancy rate under division (C)(1)(a) of this section, the 60271
department shall include any beds that the nursing facility 60272
removes from its medicaid certified capacity unless the nursing 60273
facility also removes the beds from its licensed bed capacity. 60274~~

~~(3)~~ In making the identification under division (C)(1)(b) of this section, the department shall exclude both of the following:

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose ancillary and support costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem ancillary and support cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

~~(4)~~(3) The department shall not redetermine a peer group's rate for ancillary and support costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for ancillary and support costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

Sec. 5165.17. (A) The department of medicaid shall determine each nursing facility's per medicaid day payment rate for capital costs. A nursing facility's rate shall be the rate determined under division (C) of this section for the nursing facility's peer group.

(B) For the purpose of determining nursing facilities' rates for capital costs, the department shall establish six peer groups.

(1) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds

shall be placed in peer group two. 60305

(2) Each nursing facility located in any of the following 60306
counties shall be placed in peer group three or four: Allen, 60307
Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, 60308
Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, 60309
Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, 60310
Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, 60311
Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. Each 60312
nursing facility located in any of those counties that has fewer 60313
than one hundred beds shall be placed in peer group three. Each 60314
nursing facility located in any of those counties that has one 60315
hundred or more beds shall be placed in peer group four. 60316

(3) Each nursing facility located in any of the following 60317
counties shall be placed in peer group five or six: Adams, 60318
Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, 60319
Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, 60320
Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, 60321
Jefferson, Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, 60322
Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, 60323
Shelby, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, 60324
and Wyandot. Each nursing facility located in any of those 60325
counties that has fewer than one hundred beds shall be placed in 60326
peer group five. Each nursing facility located in any of those 60327
counties that has one hundred or more beds shall be placed in peer 60328
group six. 60329

(C)(1) The department shall determine the rate for capital 60330
costs for each peer group established under division (B) of this 60331
section. The rate for capital costs determined under this division 60332
for a peer group shall be used for subsequent years until the 60333
department conducts a rebasing. A peer group's rate for capital 60334
costs shall be the rate for capital costs for the nursing facility 60335
in the peer group that is at the twenty-fifth percentile of the 60336

rate for capital costs for the applicable calendar year. 60337

(2) To identify the nursing facility in a peer group that is 60338
at the twenty-fifth percentile of the rate for capital costs for 60339
the applicable calendar year, the department shall do both of the 60340
following: 60341

(a) ~~Subject to division (C)(3) of this section, use~~ Use the 60342
greater of each nursing facility's actual inpatient days for the 60343
applicable calendar year or the inpatient days the nursing 60344
facility would have had for the applicable calendar year if its 60345
occupancy rate had been one hundred per cent; 60346

(b) Exclude both of the following: 60347

(i) Nursing facilities that participated in the medicaid 60348
program under the same provider for less than twelve months in the 60349
applicable calendar year; 60350

(ii) Nursing facilities whose capital costs are more than one 60351
standard deviation from the mean desk-reviewed, actual, allowable, 60352
per diem capital cost for all nursing facilities in the nursing 60353
facility's peer group for the applicable calendar year. 60354

(3) ~~For the purpose of determining a nursing facility's~~ 60355
~~occupancy rate under division (C)(2)(a) of this section, the~~ 60356
~~department shall include any beds that the nursing facility~~ 60357
~~removes from its medicaid certified capacity after June 30, 2005,~~ 60358
~~unless the nursing facility also removes the beds from its~~ 60359
~~licensed bed capacity.~~ 60360

~~(4)~~ The department shall not redetermine a peer group's rate 60361
for capital costs under this division based on additional 60362
information that it receives after the rate is determined. The 60363
department shall redetermine a peer group's rate for capital costs 60364
only if the department made an error in determining the rate based 60365
on information available to the department at the time of the 60366
original determination. 60367

(D) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted under section 5165.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under this chapter is used to reimburse the government agency.

(E) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division (E)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the facility's cost report for the calendar year preceding the state fiscal year during which the rate will be paid.

(2) For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program, except as otherwise provided in this chapter.

(3) Except as provided in division (E)(4) of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the provider that transferred the interest to continue to operate the

facility under a lease, management agreement, or other 60400
arrangement. If the previous sentence does not prohibit the 60401
adjustment of the capital cost basis under this division, the 60402
basis of the asset shall be adjusted by one-half of the change in 60403
the consumer price index for all items for all urban consumers, as 60404
published by the United States bureau of labor statistics, during 60405
the time that the transferor held the asset. 60406

(4) If a provider transfers an interest in a facility to 60407
another provider who is a related party, the capital cost basis of 60408
the asset shall be adjusted as specified in division (E)(3) of 60409
this section if all of the following conditions are met: 60410

(a) The related party is a relative of owner; 60411

(b) Except as provided in division (E)(4)(c)(ii) of this 60412
section, the provider making the transfer retains no ownership 60413
interest in the facility; 60414

(c) The department determines that the transfer is an arm's 60415
length transaction pursuant to rules adopted under section 5165.02 60416
of the Revised Code. The rules shall provide that a transfer is an 60417
arm's length transaction if all of the following apply: 60418

(i) Once the transfer goes into effect, the provider that 60419
made the transfer has no direct or indirect interest in the 60420
provider that acquires the facility or the facility itself, 60421
including interest as an owner, officer, director, employee, 60422
independent contractor, or consultant, but excluding interest as a 60423
creditor. 60424

(ii) The provider that made the transfer does not reacquire 60425
an interest in the facility except through the exercise of a 60426
creditor's rights in the event of a default. If the provider 60427
reacquires an interest in the facility in this manner, the 60428
department shall treat the facility as if the transfer never 60429
occurred when the department calculates its reimbursement rates 60430

for capital costs. 60431

(iii) The transfer satisfies any other criteria specified in 60432
the rules. 60433

(d) Except in the case of hardship caused by a catastrophic 60434
event, as determined by the department, or in the case of a 60435
provider making the transfer who is at least sixty-five years of 60436
age, not less than twenty years have elapsed since, for the same 60437
facility, the capital cost basis was adjusted most recently under 60438
division (E)(4) of this section or actual, allowable capital costs 60439
was determined most recently under division (F)(9) of this 60440
section. 60441

(F) As used in this division: 60442

"Imputed interest" means the lesser of the prime rate plus 60443
two per cent or ten per cent. 60444

"Lease expense" means lease payments in the case of an 60445
operating lease and depreciation expense and interest expense in 60446
the case of a capital lease. 60447

"New lease" means a lease, to a different lessee, of a 60448
nursing facility that previously was operated under a lease. 60449

(1) Subject to division (A) of this section, for a lease of a 60450
facility that was effective on May 27, 1992, the entire lease 60451
expense is an actual, allowable capital cost during the term of 60452
the existing lease. The entire lease expense also is an actual, 60453
allowable capital cost if a lease in existence on May 27, 1992, is 60454
renewed under either of the following circumstances: 60455

(a) The renewal is pursuant to a renewal option that was in 60456
existence on May 27, 1992; 60457

(b) The renewal is for the same lease payment amount and 60458
between the same parties as the lease in existence on May 27, 60459
1992. 60460

(2) Subject to division (A) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(3) Subject to division (A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that is initially operated under a lease, actual, allowable capital costs shall include the annual lease expense if there was a substantial commitment of money for construction of the facility after December 22, 1992, and before July 1, 1993. If there was not a substantial commitment of money after December 22, 1992, and before July 1, 1993, actual, allowable capital costs shall include the lesser of the annual lease expense or the sum of the following:

(a) The annual depreciation expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis;

(b) The greater of the lessor's actual annual amortization of financing costs and interest expense at the inception of the lease or the imputed interest expense calculated at the inception of the lease using seventy per cent of the lessor's historical capital asset cost basis.

(4) Subject to division (A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that was not initially operated under a lease and has been in existence

for ten years, actual, allowable capital costs shall include the 60493
lesser of the annual lease expense or the annual depreciation 60494
expense and imputed interest expense that would be calculated at 60495
the inception of the lease using the entire historical capital 60496
asset cost basis of one-half of the change in the consumer price 60497
index for all items for all urban consumers, as published by the 60498
United States bureau of labor statistics, during the time the 60499
lessor held each asset until the beginning of the lease. 60500

(5) Subject to division (A) of this section, for a new lease 60501
of a facility that was operated under a lease on May 27, 1992, 60502
actual, allowable capital costs shall include the lesser of the 60503
annual new lease expense or the annual old lease payment. If the 60504
old lease was in effect for ten years or longer, the old lease 60505
payment from the beginning of the old lease shall be adjusted by 60506
one-half of the change in the consumer price index for all items 60507
for all urban consumers, as published by the United States bureau 60508
of labor statistics, from the beginning of the old lease to the 60509
beginning of the new lease. 60510

(6) Subject to division (A) of this section, for a new lease 60511
of a facility that was not in existence or that was in existence 60512
but not operated under a lease on May 27, 1992, actual, allowable 60513
capital costs shall include the lesser of annual new lease expense 60514
or the annual amount calculated for the old lease under division 60515
(F)(2), (3), (4), or (6) of this section, as applicable. If the 60516
old lease was in effect for ten years or longer, the lessor's 60517
historical capital asset cost basis shall be, for purposes of 60518
calculating the annual amount under division (F)(2), (3), (4), or 60519
(6) of this section, adjusted by one-half of the change in the 60520
consumer price index for all items for all urban consumers, as 60521
published by the United States bureau of labor statistics, from 60522
the beginning of the old lease to the beginning of the new lease. 60523

In the case of a lease under division (F)(3) of this section 60524

of a facility for which a substantial commitment of money was made 60525
after December 22, 1992, and before July 1, 1993, the old lease 60526
payment shall be adjusted for the purpose of determining the 60527
annual amount. 60528

(7) For any revision of a lease described in division (F)(1), 60529
(2), (3), (4), (5), or (6) of this section, or for any subsequent 60530
lease of a facility operated under such a lease, other than 60531
execution of a new lease, the portion of actual, allowable capital 60532
costs attributable to the lease shall be the same as before the 60533
revision or subsequent lease. 60534

(8) Except as provided in division (F)(9) of this section, if 60535
a provider leases an interest in a facility to another provider 60536
who is a related party or previously operated the facility, the 60537
related party's or previous operator's actual, allowable capital 60538
costs shall include the lesser of the annual lease expense or the 60539
reasonable cost to the lessor. 60540

(C)(1) The legislative authority of a municipal corporation 62618
may adopt an ordinance creating an incentive district and 62619
declaring improvements to parcels within the district to be a 62620
public purpose and, except as provided in division (C)(2) of this 62621
section, exempt from taxation as provided in this section, but no 62622
legislative authority of a municipal corporation that has a 62623
population that exceeds twenty-five thousand, as shown by the most 62624
recent federal decennial census, shall adopt an ordinance that 62625
creates an incentive district if the sum of the taxable value of 62626
real property in the proposed district for the preceding tax year 62627
and the taxable value of all real property in the municipal 62628
corporation that would have been taxable in the preceding year 62629
were it not for the fact that the property was in an existing 62630

incentive district and therefore exempt from taxation exceeds 62631
twenty-five per cent of the taxable value of real property in the 62632
municipal corporation for the preceding tax year. The ordinance 62633
shall delineate the boundary of the proposed district and 62634
specifically identify each parcel within the district. A proposed 62635
district may not include any parcel that is or has been exempted 62636
from taxation under division (B) of this section or that is or has 62637
been within another district created under this division. An 62638
ordinance may create more than one such district, and more than 62639
one ordinance may be adopted under division (C)(1) of this 62640
section. 62641

(2)(a) Not later than thirty days prior to adopting an 62642
ordinance under division (C)(1) of this section, if the municipal 62643
corporation intends to apply for exemptions from taxation under 62644
section 5709.911 of the Revised Code on behalf of owners of real 62645
property located within the proposed incentive district, the 62646
legislative authority of the municipal corporation shall conduct a 62647
public hearing on the proposed ordinance. Not later than thirty 62648
days prior to the public hearing, the legislative authority shall 62649
give notice of the public hearing and the proposed ordinance by 62650
first class mail to every real property owner whose property is 62651
located within the boundaries of the proposed incentive district 62652
that is the subject of the proposed ordinance. The notice shall 62653
include a map of the proposed incentive district on which the 62654
legislative authority of the municipal corporation shall have 62655
delineated an overlay. The notice shall inform the property owner 62656
of the owner's right to exclude the owner's property from the 62657
incentive district if the owner's entire parcel of property will 62658
not be located within the overlay, by submitting a written 62659
response in accordance with division (C)(2)(b) of this section. 62660
The notice also shall include information detailing the required 62661
contents of the response, the address to which the response may be 62662
mailed, and the deadline for submitting the response. 62663

(b) Any owner of real property located within the boundaries 62664
of an incentive district proposed under division (C)(1) of this 62665
section whose entire parcel of property is not located within the 62666
overlay may exclude the property from the proposed incentive 62667
district by submitting a written response to the legislative 62668
authority of the municipal corporation not later than forty-five 62669
days after the postmark date on the notice required under division 62670
(C)(2)(a) of this section. The response shall be sent by first 62671
class mail or delivered in person at a public hearing held by the 62672
legislative authority under division (C)(2)(a) of this section. 62673
The response shall conform to any content requirements that may be 62674
established by the municipal corporation and included in the 62675
notice provided under division (C)(2)(a) of this section. In the 62676
response, property owners may identify a parcel by street address, 62677
by the manner in which it is identified in the ordinance, or by 62678
other means allowing the identity of the parcel to be ascertained. 62679

(c) Before adopting an ordinance under division (C)(1) of 62680
this section, the legislative authority of a municipal corporation 62681
shall amend the ordinance to exclude any parcel located wholly or 62682
partly outside the overlay for which a written response has been 62683
submitted under division (C)(2)(b) of this section. A municipal 62684
corporation shall not apply for exemptions from taxation under 62685
section 5709.911 of the Revised Code for any such parcel, and 62686
service payments may not be required from the owner of the parcel. 62687
Improvements to a parcel excluded from an incentive district under 62688
this division may be exempted from taxation under division (B) of 62689
this section pursuant to an ordinance adopted under that division 62690
or under any other section of the Revised Code under which the 62691
parcel qualifies. 62692

(3)(a) An ordinance adopted under division (C)(1) of this 62693
section shall specify the life of the incentive district and the 62694
percentage of the improvements to be exempted, shall designate the 62695

public infrastructure improvements made, to be made, or in the 62696
process of being made, that benefit or serve, or, once made, will 62697
benefit or serve parcels in the district. The ordinance also shall 62698
identify one or more specific projects being, or to be, undertaken 62699
in the district that place additional demand on the public 62700
infrastructure improvements designated in the ordinance. The 62701
project identified may, but need not be, the project under 62702
division (C)(3)(b) of this section that places real property in 62703
use for commercial or industrial purposes. Except as otherwise 62704
permitted under that division, the service payments provided for 62705
in section 5709.42 of the Revised Code shall be used to finance 62706
the designated public infrastructure improvements, for the purpose 62707
described in division (D)(1), (E), or (F) of this section, or as 62708
provided in section 5709.43 of the Revised Code. 62709

An ordinance adopted under division (C)(1) of this section on 62710
or after March 30, 2006, shall not designate police or fire 62711
equipment as public infrastructure improvements, and no service 62712
payment provided for in section 5709.42 of the Revised Code and 62713
received by the municipal corporation under the ordinance shall be 62714
used for police or fire equipment. 62715

(b) An ordinance adopted under division (C)(1) of this 62716
section may authorize the use of service payments provided for in 62717
section 5709.42 of the Revised Code for the purpose of housing 62718
renovations within the incentive district, provided that the 62719
ordinance also designates public infrastructure improvements that 62720
benefit or serve the district, and that a project within the 62721
district places real property in use for commercial or industrial 62722
purposes. Service payments may be used to finance or support 62723
loans, deferred loans, and grants to persons for the purpose of 62724
housing renovations within the district. The ordinance shall 62725
designate the parcels within the district that are eligible for 62726
housing renovation. The ordinance shall state separately the 62727

amounts or the percentages of the expected aggregate service 62728
payments that are designated for each public infrastructure 62729
improvement and for the general purpose of housing renovations. 62730

(4) Except with the approval of the board of education of 62731
each city, local, or exempted village school district within the 62732
territory of which the incentive district is or will be located, 62733
and subject to division (E) of this section, the life of an 62734
incentive district shall not exceed ten years, and the percentage 62735
of improvements to be exempted shall not exceed seventy-five per 62736
cent. With approval of the board of education, the life of a 62737
district may be not more than thirty years, and the percentage of 62738
improvements to be exempted may be not more than one hundred per 62739
cent. The approval of a board of education shall be obtained in 62740
the manner provided in division (D) of this section. 62741

(D)(1) If the ordinance declaring improvements to a parcel to 62742
be a public purpose or creating an incentive district specifies 62743
that payments in lieu of taxes provided for in section 5709.42 of 62744
the Revised Code shall be paid to the city, local, or exempted 62745
village, and joint vocational school district in which the parcel 62746
or incentive district is located in the amount of the taxes that 62747
would have been payable to the school district if the improvements 62748
had not been exempted from taxation, the percentage of the 62749
improvement that may be exempted from taxation may exceed 62750
seventy-five per cent, and the exemption may be granted for up to 62751
thirty years, without the approval of the board of education as 62752
otherwise required under division (D)(2) of this section. 62753

(2) Improvements with respect to a parcel may be exempted 62754
from taxation under division (B) of this section, and improvements 62755
to parcels within an incentive district may be exempted from 62756
taxation under division (C) of this section, for up to ten years 62757
or, with the approval under this paragraph of the board of 62758
education of the city, local, or exempted village school district 62759

within which the parcel or district is located, for up to thirty 62760
years. The percentage of the improvement exempted from taxation 62761
may, with such approval, exceed seventy-five per cent, but shall 62762
not exceed one hundred per cent. Not later than forty-five 62763
business days prior to adopting an ordinance under this section 62764
declaring improvements to be a public purpose that is subject to 62765
approval by a board of education under this division, the 62766
legislative authority shall deliver to the board of education a 62767
notice stating its intent to adopt an ordinance making that 62768
declaration. The notice regarding improvements with respect to a 62769
parcel under division (B) of this section shall identify the 62770
parcels for which improvements are to be exempted from taxation, 62771
provide an estimate of the true value in money of the 62772
improvements, specify the period for which the improvements would 62773
be exempted from taxation and the percentage of the improvement 62774
that would be exempted, and indicate the date on which the 62775
legislative authority intends to adopt the ordinance. The notice 62776
regarding improvements to parcels within an incentive district 62777
under division (C) of this section shall delineate the boundaries 62778
of the district, specifically identify each parcel within the 62779
district, identify each anticipated improvement in the district, 62780
provide an estimate of the true value in money of each such 62781
improvement, specify the life of the district and the percentage 62782
of improvements that would be exempted, and indicate the date on 62783
which the legislative authority intends to adopt the ordinance. 62784
The board of education, by resolution adopted by a majority of the 62785
board, may approve the exemption for the period or for the 62786
exemption percentage specified in the notice; may disapprove the 62787
exemption for the number of years in excess of ten, may disapprove 62788
the exemption for the percentage of the improvement to be exempted 62789
in excess of seventy-five per cent, or both; or may approve the 62790
exemption on the condition that the legislative authority and the 62791
board negotiate an agreement providing for compensation to the 62792

school district equal in value to a percentage of the amount of 62793
taxes exempted in the eleventh and subsequent years of the 62794
exemption period or, in the case of exemption percentages in 62795
excess of seventy-five per cent, compensation equal in value to a 62796
percentage of the taxes that would be payable on the portion of 62797
the improvement in excess of seventy-five per cent were that 62798
portion to be subject to taxation, or other mutually agreeable 62799
compensation. If an agreement is negotiated between the 62800
legislative authority and the board to compensate the school 62801
district for all or part of the taxes exempted, including 62802
agreements for payments in lieu of taxes under section 5709.42 of 62803
the Revised Code, the legislative authority shall compensate the 62804
joint vocational school district within which the parcel or 62805
district is located at the same rate and under the same terms 62806
received by the city, local, or exempted village school district. 62807

(3) The board of education shall certify its resolution to 62808
the legislative authority not later than fourteen days prior to 62809
the date the legislative authority intends to adopt the ordinance 62810
as indicated in the notice. If the board of education and the 62811
legislative authority negotiate a mutually acceptable compensation 62812
agreement, the ordinance may declare the improvements a public 62813
purpose for the number of years specified in the ordinance or, in 62814
the case of exemption percentages in excess of seventy-five per 62815
cent, for the exemption percentage specified in the ordinance. In 62816
either case, if the board and the legislative authority fail to 62817
negotiate a mutually acceptable compensation agreement, the 62818
ordinance may declare the improvements a public purpose for not 62819
more than ten years, and shall not exempt more than seventy-five 62820
per cent of the improvements from taxation. If the board fails to 62821
certify a resolution to the legislative authority within the time 62822
prescribed by this division, the legislative authority thereupon 62823
may adopt the ordinance and may declare the improvements a public 62824
purpose for up to thirty years, or, in the case of exemption 62825

percentages proposed in excess of seventy-five per cent, for the 62826
exemption percentage specified in the ordinance. The legislative 62827
authority may adopt the ordinance at any time after the board of 62828
education certifies its resolution approving the exemption to the 62829
legislative authority, or, if the board approves the exemption on 62830
the condition that a mutually acceptable compensation agreement be 62831
negotiated, at any time after the compensation agreement is agreed 62832
to by the board and the legislative authority. 62833

(4) If a board of education has adopted a resolution waiving 62834
its right to approve exemptions from taxation under this section 62835
and the resolution remains in effect, approval of exemptions by 62836
the board is not required under division (D) of this section. If a 62837
board of education has adopted a resolution allowing a legislative 62838
authority to deliver the notice required under division (D) of 62839
this section fewer than forty-five business days prior to the 62840
legislative authority's adoption of the ordinance, the legislative 62841
authority shall deliver the notice to the board not later than the 62842
number of days prior to such adoption as prescribed by the board 62843
in its resolution. If a board of education adopts a resolution 62844
waiving its right to approve agreements or shortening the 62845
notification period, the board shall certify a copy of the 62846
resolution to the legislative authority. If the board of education 62847
rescinds such a resolution, it shall certify notice of the 62848
rescission to the legislative authority. 62849

(5) If the legislative authority is not required by division 62850
(D) of this section to notify the board of education of the 62851
legislative authority's intent to declare improvements to be a 62852
public purpose, the legislative authority shall comply with the 62853
notice requirements imposed under section 5709.83 of the Revised 62854
Code, unless the board has adopted a resolution under that section 62855
waiving its right to receive such a notice. 62856

(6) Nothing in division (D) of this section prohibits the 62857

legislative authority of a municipal corporation from amending the 62858
ordinance or resolution under section 5709.51 of the Revised Code 62859
to extend the term of the exemption. 62860

(E)(1) If a proposed ordinance under division (C)(1) of this 62861
section exempts improvements with respect to a parcel within an 62862
incentive district for more than ten years, or the percentage of 62863
the improvement exempted from taxation exceeds seventy-five per 62864
cent, not later than forty-five business days prior to adopting 62865
the ordinance the legislative authority of the municipal 62866
corporation shall deliver to the board of county commissioners of 62867
the county within which the incentive district will be located a 62868
notice that states its intent to adopt an ordinance creating an 62869
incentive district. The notice shall include a copy of the 62870
proposed ordinance, identify the parcels for which improvements 62871
are to be exempted from taxation, provide an estimate of the true 62872
value in money of the improvements, specify the period of time for 62873
which the improvements would be exempted from taxation, specify 62874
the percentage of the improvements that would be exempted from 62875
taxation, and indicate the date on which the legislative authority 62876
intends to adopt the ordinance. 62877

(2) The board of county commissioners, by resolution adopted 62878
by a majority of the board, may object to the exemption for the 62879
number of years in excess of ten, may object to the exemption for 62880
the percentage of the improvement to be exempted in excess of 62881
seventy-five per cent, or both. If the board of county 62882
commissioners objects, the board may negotiate a mutually 62883
acceptable compensation agreement with the legislative authority. 62884
In no case shall the compensation provided to the board exceed the 62885
property taxes forgone due to the exemption. If the board of 62886
county commissioners objects, and the board and legislative 62887
authority fail to negotiate a mutually acceptable compensation 62888
agreement, the ordinance adopted under division (C)(1) of this 62889

section shall provide to the board compensation in the eleventh 62890
and subsequent years of the exemption period equal in value to not 62891
more than fifty per cent of the taxes that would be payable to the 62892
county or, if the board's objection includes an objection to an 62893
exemption percentage in excess of seventy-five per cent, 62894
compensation equal in value to not more than fifty per cent of the 62895
taxes that would be payable to the county, on the portion of the 62896
improvement in excess of seventy-five per cent, were that portion 62897
to be subject to taxation. The board of county commissioners shall 62898
certify its resolution to the legislative authority not later than 62899
thirty days after receipt of the notice. 62900

(3) If the board of county commissioners does not object or 62901
fails to certify its resolution objecting to an exemption within 62902
thirty days after receipt of the notice, the legislative authority 62903
may adopt the ordinance, and no compensation shall be provided to 62904
the board of county commissioners. If the board timely certifies 62905
its resolution objecting to the ordinance, the legislative 62906
authority may adopt the ordinance at any time after a mutually 62907
acceptable compensation agreement is agreed to by the board and 62908
the legislative authority, or, if no compensation agreement is 62909
negotiated, at any time after the legislative authority agrees in 62910
the proposed ordinance to provide compensation to the board of 62911
fifty per cent of the taxes that would be payable to the county in 62912
the eleventh and subsequent years of the exemption period or on 62913
the portion of the improvement in excess of seventy-five per cent, 62914
were that portion to be subject to taxation. 62915

(F) Service payments in lieu of taxes that are attributable 62916
to any amount by which the effective tax rate of either a renewal 62917
levy with an increase or a replacement levy exceeds the effective 62918
tax rate of the levy renewed or replaced, or that are attributable 62919
to an additional levy, for a levy authorized by the voters for any 62920
of the following purposes on or after January 1, 2006, and which 62921

are provided pursuant to an ordinance creating an incentive 62922
district under division (C)(1) of this section that is adopted on 62923
or after January 1, 2006, or a later date as specified in this 62924
division, shall be distributed to the appropriate taxing authority 62925
as required under division (C) of section 5709.42 of the Revised 62926
Code in an amount equal to the amount of taxes from that 62927
additional levy or from the increase in the effective tax rate of 62928
such renewal or replacement levy that would have been payable to 62929
that taxing authority from the following levies were it not for 62930
the exemption authorized under division (C) of this section: 62931

(1) A tax levied under division (L) of section 5705.19 or 62932
section 5705.191 or 5705.222 of the Revised Code for community 62933

(5) A tax levied under section 5705.23 of the Revised Code 62945
for library purposes; 62946

for the support of children services and the placement and care of 62948
children; 62949

(7) A tax levied under division (Z) of section 5705.19 of the 62950
Revised Code for the provision and maintenance of zoological park 62951
services and facilities under section 307.76 of the Revised Code; 62952

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts; 62953
62954
62955

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code; 62956

62967

(13) A tax levied by a township under section 505.39, division (I) of section 5705.19, or division (JJ) of section 5705.19 of the Revised Code to the extent the proceeds are used for the purposes described in division (I) of that section, for the purpose of funding fire, emergency medical, and ambulance services as described in that section and those divisions. 62968
62969
62970
62971
62972
62973
Division (F)(13) of this section applies only if the township levying the tax provides fire, emergency medical, or ambulance services in the incentive district, and only to incentive districts created by an ordinance adopted on or after the effective date of the amendment of this section by H.B. 69 of the 132nd general assembly, March 23, 2018. The board of township trustees may, by resolution, waive the application of this division or negotiate with the municipal corporation that created the district for a lesser amount of payments in lieu of taxes. 62974
62975
62976
62977
62978
62979
62980
62981
62982

(G) An exemption from taxation granted under this section 62983

commences with the tax year specified in the ordinance so long as 62984
the year specified in the ordinance commences after the effective 62985
date of the ordinance. If the ordinance specifies a year 62986
commencing before the effective date of the resolution or 62987
specifies no year whatsoever, the exemption commences with the tax 62988
year in which an exempted improvement first appears on the tax 62989
list and duplicate of real and public utility property and that 62990
commences after the effective date of the ordinance. In lieu of 62991
stating a specific year, the ordinance may provide that the 62992
exemption commences in the tax year in which the value of an 62993
improvement exceeds a specified amount or in which the 62994
construction of one or more improvements is completed, provided 62995
that such tax year commences after the effective date of the 62996
ordinance. With respect to the exemption of improvements to 62997
parcels under division (B) of this section, the ordinance may 62998
allow for the exemption to commence in different tax years on a 62999
parcel-by-parcel basis, with a separate exemption term specified 63000
for each parcel. 63001

Except as otherwise provided in this division or section 63002
5709.51 of the Revised Code, the exemption ends on the date 63003
specified in the ordinance as the date the improvement ceases to 63004
be a public purpose or the incentive district expires, or ends on 63005
the date on which the public infrastructure improvements and 63006
housing renovations are paid in full from the municipal public 63007
improvement tax increment equivalent fund established under 63008
division (A) of section 5709.43 of the Revised Code, whichever 63009
occurs first. The exemption of an improvement with respect to a 63010
parcel or within an incentive district may end on a later date, as 63011
specified in the ordinance, if the legislative authority and the 63012
board of education of the city, local, or exempted village school 63013
district within which the parcel or district is located have 63014
entered into a compensation agreement under section 5709.82 of the 63015
Revised Code with respect to the improvement, and the board of 63016

education has approved the term of the exemption under division 63017
(D)(2) of this section, but in no case shall the improvement be 63018
exempted from taxation for more than thirty years. Exemptions 63019
shall be claimed and allowed in the same manner as in the case of 63020
other real property exemptions. If an exemption status changes 63021
during a year, the procedure for the apportionment of the taxes 63022
for that year is the same as in the case of other changes in tax 63023
exemption status during the year. 63024

(H) Additional municipal financing of public infrastructure 63025
improvements and housing renovations may be provided by any 63026
methods that the municipal corporation may otherwise use for 63027
financing such improvements or renovations. If the municipal 63028
corporation issues bonds or notes to finance the public 63029
infrastructure improvements and housing renovations and pledges 63030
money from the municipal public improvement tax increment 63031
equivalent fund to pay the interest on and principal of the bonds 63032
or notes, the bonds or notes are not subject to Chapter 133. of 63033
the Revised Code. 63034

(I) The municipal corporation, not later than fifteen days 63035
after the adoption of an ordinance under this section, shall 63036
submit to the director of development services a copy of the 63037
ordinance. On or before the thirty-first day of March of each 63038
year, the municipal corporation shall submit a status report to 63039
the director of development services. The report shall indicate, 63040
in the manner prescribed by the director, the progress of the 63041
project during each year that an exemption remains in effect, 63042
including a summary of the receipts from service payments in lieu 63043
of taxes; expenditures of money from the funds created under 63044
section 5709.43 of the Revised Code; a description of the public 63045
infrastructure improvements and housing renovations financed with 63046
such expenditures; and a quantitative summary of changes in 63047
employment and private investment resulting from each project. 63048

(J) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(K) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

Sec. 5709.41. (A) As used in this section:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined under section 1.14 of the Revised Code.

(2) "Improvement" means the increase in assessed value of any parcel of property subsequent to the acquisition of the parcel by a municipal corporation engaged in urban redevelopment.

(B) The legislative authority of a municipal corporation, by ordinance, may declare to be a public purpose any improvement to a parcel of real property if both of the following apply:

(1) The municipal corporation held fee title to the parcel prior to the adoption of the ordinance;

(2) The parcel is leased, or the fee of the parcel is conveyed, to any person either before or after adoption of the ordinance.

Improvements used or to be used for residential purposes may be declared a public purpose under this section only if the parcel is located in a blighted area of an impacted city as those terms are defined in section 1728.01 of the Revised Code. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used

for purposes that would cause the tax commissioner to classify the 63079
parcel as residential property in accordance with rules adopted by 63080
the commissioner under section 5713.041 of the Revised Code. 63081

(C) Except as otherwise provided in division (C)(1), (2), or 63082
(3) of this section, not more than seventy-five per cent of an 63083
improvement thus declared to be a public purpose may be exempted 63084
from real property taxation. The ordinance shall specify the 63085
percentage of the improvement to be exempted from taxation. If a 63086
parcel is located in a new community district in which the new 63087
community authority imposes a community development charge on the 63088
basis of rentals received from leases of real property as 63089
described in division (L)(2) of section 349.01 of the Revised 63090
Code, the parcel may not be exempted from taxation under this 63091
section. 63092

(1) If the ordinance declaring improvements to a parcel to be 63093
a public purpose specifies that payments in lieu of taxes provided 63094
for in section 5709.42 of the Revised Code shall be paid to the 63095
city, local, or exempted village school district in which the 63096
parcel is located in the amount of the taxes that would have been 63097
payable to the school district if the improvements had not been 63098
exempted from taxation, the percentage of the improvement that may 63099
be exempted from taxation may exceed seventy-five per cent, and 63100
the exemption may be granted for up to thirty years, without the 63101
approval of the board of education as otherwise required under 63102
division (C)(2) of this section. 63103

(2) Improvements may be exempted from taxation for up to ten 63104
years or, with the approval of the board of education of the city, 63105
local, or exempted village school district within the territory of 63106
which the improvements are or will be located, for up to thirty 63107
years. The percentage of the improvement exempted from taxation 63108
may, with such approval, exceed seventy-five per cent, but shall 63109
not exceed one hundred per cent. Not later than forty-five 63110

business days prior to adopting an ordinance under this section, 63111
the legislative authority shall deliver to the board of education 63112
a notice stating its intent to declare improvements to be a public 63113
purpose under this section. The notice shall describe the parcel 63114
and the improvements, provide an estimate of the true value in 63115
money of the improvements, specify the period for which the 63116
improvements would be exempted from taxation and the percentage of 63117
the improvements that would be exempted, and indicate the date on 63118
which the legislative authority intends to adopt the ordinance. 63119
The board of education, by resolution adopted by a majority of the 63120
board, may approve the exemption for the period or for the 63121
exemption percentage specified in the notice, may disapprove the 63122
exemption for the number of years in excess of ten, may disapprove 63123
the exemption for the percentage of the improvements to be 63124
exempted in excess of seventy-five per cent, or both, or may 63125
approve the exemption on the condition that the legislative 63126
authority and the board negotiate an agreement providing for 63127
compensation to the school district equal in value to a percentage 63128
of the amount of taxes exempted in the eleventh and subsequent 63129
years of the exemption period, or, in the case of exemption 63130
percentages in excess of seventy-five per cent, compensation equal 63131
in value to a percentage of the taxes that would be payable on the 63132
portion of the improvement in excess of seventy-five per cent were 63133
that portion to be subject to taxation. The board of education 63134
shall certify its resolution to the legislative authority not 63135
later than fourteen days prior to the date the legislative 63136
authority intends to adopt the ordinance as indicated in the 63137
notice. If the board of education approves the exemption on the 63138
condition that a compensation agreement be negotiated, the board 63139
in its resolution shall propose a compensation percentage. If the 63140
board of education and the legislative authority negotiate a 63141
mutually acceptable compensation agreement, the ordinance may 63142
declare the improvements a public purpose for the number of years 63143

specified in the ordinance or, in the case of exemption 63144
percentages in excess of seventy-five per cent, for the exemption 63145
percentage specified in the ordinance. In either case, if the 63146
board and the legislative authority fail to negotiate a mutually 63147
acceptable compensation agreement, the ordinance may declare the 63148
improvements a public purpose for not more than ten years, but 63149
shall not exempt more than seventy-five per cent of the 63150
improvements from taxation. If the board fails to certify a 63151
resolution to the legislative authority within the time prescribed 63152
by this division, the legislative authority thereupon may adopt 63153
the ordinance and may declare the improvements a public purpose 63154
for up to thirty years. The legislative authority may adopt the 63155
ordinance at any time after the board of education certifies its 63156
resolution approving the exemption to the legislative authority, 63157
or, if the board approves the exemption on the condition that a 63158
mutually acceptable compensation agreement be negotiated, at any 63159
time after the compensation agreement is agreed to by the board 63160
and the legislative authority. If a mutually acceptable 63161
compensation agreement is negotiated between the legislative 63162
authority and the board, including agreements for payments in lieu 63163
of taxes under section 5709.42 of the Revised Code, the 63164
legislative authority shall compensate the joint vocational school 63165
district within the territory of which the improvements are or 63166
will be located at the same rate and under the same terms received 63167
by the city, local, or exempted village school district. 63168

(3) If a board of education has adopted a resolution waiving 63169
its right to approve exemptions from taxation and the resolution 63170
remains in effect, approval of exemptions by the board is not 63171
required under this division. If a board of education has adopted 63172
a resolution allowing a legislative authority to deliver the 63173
notice required under this division fewer than forty-five business 63174
days prior to the legislative authority's adoption of the 63175
ordinance, the legislative authority shall deliver the notice to 63176

the board not later than the number of days prior to such adoption 63177
as prescribed by the board in its resolution. If a board of 63178
education adopts a resolution waiving its right to approve 63179
exemptions or shortening the notification period, the board shall 63180
certify a copy of the resolution to the legislative authority. If 63181
the board of education rescinds such a resolution, it shall 63182
certify notice of the rescission to the legislative authority. 63183

(4) If the legislative authority is not required by division 63184
(C)(1), (2), or (3) of this section to notify the board of 63185
education of the legislative authority's intent to declare 63186
improvements to be a public purpose, the legislative authority 63187
shall comply with the notice requirements imposed under section 63188
5709.83 of the Revised Code, unless the board has adopted a 63189
resolution under that section waiving its right to receive such a 63190
notice. 63191

(5) Nothing in division (C) of this section prohibits the 63192
legislative authority of a municipal corporation from amending the 63193
ordinance or resolution under section 5709.51 of the Revised Code 63194
to extend the term of the exemption. 63195

(D) ~~The An exemption granted under this section commences on~~ 63196
~~the effective date of the ordinance and with the tax year~~ 63197
specified in the ordinance so long as the year specified in the 63198
ordinance commences after the effective date of the ordinance. If 63199
the ordinance specifies a year commencing before the effective 63200
date of the ordinance or specifies no year, the exemption 63201
commences with the tax year in which an exempted improvement first 63202
appears on the tax list and that commences after the effective 63203
date of the ordinance. In lieu of stating a specific year, the 63204
ordinance may provide that the exemption commences in the tax year 63205
in which the value of an improvement exceeds a specified amount or 63206
in which the construction of one or more improvements is 63207
completed, provided that such tax year commences after the 63208

effective date of the ordinance. In lieu of stating a specific 63209
year, the ordinance may allow for the exemption to commence in 63210
different tax years on a parcel-by-parcel basis, with a separate 63211
exemption term specified for each parcel. The exemption ends on 63212
the date specified in the ordinance as the date the improvement 63213
ceases to be a public purpose. The exemption shall be claimed and 63214
allowed in the same or a similar manner as in the case of other 63215
real property exemptions. If an exemption status changes during a 63216
tax year, the procedure for the apportionment of the taxes for 63217
that year is the same as in the case of other changes in tax 63218
exemption status during the year. 63219

(E) A municipal corporation, not later than fifteen days 63220
after the adoption of an ordinance granting a tax exemption under 63221
this section, shall submit to the director of development services 63222
a copy of the ordinance. On or before the thirty-first day of 63223
March each year, the municipal corporation shall submit a status 63224
report to the director of development outlining the progress of 63225
the project during each year that the exemption remains in effect. 63226

Sec. 5713.03. The county auditor, from the best sources of 63227
information available, shall determine, as nearly as practicable, 63228
the true value of the fee simple estate, as if unencumbered but, 63229
except as otherwise provided in rules adopted under section 63230
5715.01 of the Revised Code related to the valuation of subsidized 63231
residential rental property, subject to any effects from the 63232
exercise of police powers or from other governmental actions, of 63233
each separate tract, lot, or parcel of real property and of 63234
buildings, structures, and improvements located thereon and the 63235
current agricultural use value of land valued for tax purposes in 63236
accordance with section 5713.31 of the Revised Code, in every 63237
district, according to the rules prescribed by this chapter and 63238
section 5715.01 of the Revised Code, and in accordance with the 63239
uniform rules and methods of valuing and assessing real property 63240

as adopted, prescribed, and promulgated by the tax commissioner. 63241

The auditor shall determine the taxable value of all real property 63242
by reducing its true or current agricultural use value by the 63243
percentage ordered by the commissioner. In determining the true 63244
value of any tract, lot, or parcel of real estate under this 63245
section, if such tract, lot, or parcel has been the subject of an 63246
arm's length sale between a willing seller and a willing buyer 63247
within a reasonable length of time, either before or after the tax 63248
lien date, the auditor may consider the sale price of such tract, 63249
lot, or parcel to be the true value for taxation purposes. 63250

However, the sale price in an arm's length transaction between a 63251
willing seller and a willing buyer shall not be considered the 63252
true value of the property sold if subsequent to the sale: 63253

(A) The tract, lot, or parcel of real estate loses value due 63254
to some casualty; 63255

(B) An improvement is added to the property. 63256

Nothing in this section or section 5713.01 of the Revised 63257
Code and no rule adopted under section 5715.01 of the Revised Code 63258
shall require the county auditor to change the true value in money 63259
of any property in any year except a year in which the tax 63260
commissioner is required to determine under section 5715.24 of the 63261
Revised Code whether the property has been assessed as required by 63262
law. 63263

The county auditor shall adopt and use a real property record 63264
approved by the commissioner for each tract, lot, or parcel of 63265
real property, setting forth the true and taxable value of land 63266
and, in the case of land valued in accordance with section 5713.31 63267
of the Revised Code, its current agricultural use value, the 63268
number of acres of arable land, permanent pasture land, woodland, 63269
and wasteland in each tract, lot, or parcel. The auditor shall 63270
record pertinent information and the true and taxable value of 63271

each building, structure, or improvement to land, which value 63272
shall be included as a separate part of the total value of each 63273
tract, lot, or parcel of real property. 63274

Sec. 5715.01. (A) The tax commissioner shall direct and 63275
supervise the assessment for taxation of all real property. The 63276
commissioner shall adopt, prescribe, and promulgate rules for the 63277
determination of true value and taxable value of real property by 63278
uniform rule for such values and for the determination of the 63279
current agricultural use value of land devoted exclusively to 63280
agricultural use. 63281

(1) The uniform rules shall prescribe methods of determining 63282
the true value and taxable value of real property. The rules shall 63283
provide that in determining the true value of lands or 63284
improvements thereon for tax purposes, all facts and circumstances 63285
relating to the value of the property, its availability for the 63286
purposes for which it is constructed or being used, its obsolete 63287
character, if any, the income capacity of the property, if any, 63288
and any other factor that tends to prove its true value shall be 63289
used. In determining the true value of minerals or rights to 63290
minerals for the purpose of real property taxation, the tax 63291
commissioner shall not include in the value of the minerals or 63292
rights to minerals the value of any tangible personal property 63293
used in the recovery of those minerals. 63294

The rules shall require that subsidized residential rental 63295
property be valued according to its income capacity on the basis 63296
of the property's market rent and expenses and not on the 63297
property's contract rent. The market rent and expenses of 63298
subsidized residential rental property shall be calculated without 63299
considering any effects on the property from the exercise of 63300
police powers or from other governmental actions. As used in 63301
division (A)(1) of this section, "subsidized residential rental 63302

property" means property on which is situated one or more dwelling units leased or otherwise rented to tenants solely for residential purposes, excluding a college or university dormitory, to which any of the following applies: 63303
63304
63305
63306

(a) All or a portion of the units' construction or renovation costs are paid by financial incentives authorized under federal law. 63307
63308
63309

(b) All or a portion of the units' rent is subsidized as authorized under federal law. 63310
63311

(c) The property is a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code. 63312
63313
63314

(2) The uniform rules shall prescribe the method for determining the current agricultural use value of land devoted exclusively to agricultural use, which method shall reflect standard and modern appraisal techniques that take into consideration the productivity of the soil under normal management practices, typical cropping and land use patterns, the average price patterns of the crops and products produced and the typical production costs to determine the net income potential to be capitalized, and other pertinent factors. 63315
63316
63317
63318
63319
63320
63321
63322
63323

In determining the agricultural land capitalization rate to be applied to the net income potential from agricultural use, the commissioner shall use standard and modern appraisal techniques. In calculating the capitalization rate for any year, the commissioner shall comply with both of the following requirements: 63324
63325
63326
63327
63328

(a) The commissioner shall use an equity yield rate equal to the greater of (i) the average of the total rates of return on farm equity for the twenty-five most recent years for which those rates have been calculated and published by the United States department of agriculture economic research service or another 63329
63330
63331
63332
63333

published source or (ii) the loan interest rate the commissioner
uses for that year to calculate the capitalization rate;

(b) The commissioner shall assume that the holding period for
agricultural land is twenty-five years for the purpose of
computing buildup of equity or appreciation with respect to that
land.

The commissioner shall add to the overall capitalization rate
a tax additur. The sum of the overall capitalization rate and the
tax additur shall represent as nearly as possible the rate of
return a prudent investor would expect from an average or typical
farm in this state considering only agricultural factors.

The commissioner shall annually determine and announce the
overall capitalization rate, tax additur, agricultural land
capitalization rate, and the individual components used in
computing such amounts in a determination, finding, computation,
or order of the commissioner published simultaneously with the
commissioner's annual publication of the per-acre agricultural use
values for each soil type.

(3) Notwithstanding any other provision of this chapter and
Chapter 5713. of the Revised Code, the current agricultural use
value of land devoted exclusively to agricultural use shall equal
the following amounts for the years specified:

(a) In counties that undergo a reappraisal or triennial
update in 2017, the current agricultural use value of the land for
each of the 2017, 2018, and 2019 tax years shall equal the sum of
the following amounts:

(i) The current agricultural use value of the land for that
tax year, as determined under this section and section 5713.31 of
the Revised Code, and rules adopted pursuant those sections,
without regard to the adjustment under division (A)(3)(a)(ii) of
this section;

(ii) One-half of the amount, if any, by which the value of the land for the 2016 tax year, as determined under this section, section 5713.31 of the Revised Code, and the rules adopted pursuant those sections and issued by the tax commissioner for counties undergoing a reappraisal or triennial update in the 2016 tax year, exceeds the value determined under division (A)(3)(a)(i) of this section.

(b) In counties that undergo a reappraisal or triennial update in 2018, the current agricultural use value of the land for each of the 2018, 2019, and 2020 tax years shall equal the sum of the following amounts:

(i) The current agricultural use value of the land for that tax year, as determined under this section and section 5713.31 of the Revised Code, and rules adopted pursuant those sections, without regard to the adjustment under division (A)(3)(b)(ii) of this section;

(ii) One-half of the amount, if any, by which the value of the land for the 2017 tax year, as determined under this section, section 5713.31 of the Revised Code, and the rules adopted pursuant those sections and issued by the tax commissioner for counties undergoing a reappraisal or triennial update in the 2017 tax year, exceeds the value determined under division (A)(3)(b)(i) of this section.

(c) In counties that undergo a reappraisal or triennial update in 2019, the current agricultural use value of the land for each of the 2019, 2020, and 2021 tax years shall equal the sum of the following amounts:

(i) The current agricultural use value of the land for that tax year, as determined under this section and section 5713.31 of the Revised Code, and rules adopted pursuant those sections, without regard to the adjustment under division (A)(3)(c)(ii) of

this section; 63396

(ii) One-half of the amount, if any, by which the value of 63397
the land for the 2018 tax year, as determined under this section, 63398
section 5713.31 of the Revised Code, and the rules adopted 63399
pursuant those sections and issued by the tax commissioner for 63400
counties undergoing a reappraisal or triennial update in the 2018 63401
tax year, exceeds the value determined under division (A)(3)(c)(i) 63402
of this section. 63403

(B) The taxable value shall be that per cent of true value in 63404
money, or current agricultural use value in the case of land 63405
valued in accordance with section 5713.31 of the Revised Code, the 63406
commissioner by rule establishes, but it shall not exceed 63407
thirty-five per cent. The uniform rules shall also prescribe 63408
methods of making the appraisals set forth in section 5713.03 of 63409
the Revised Code. The taxable value of each tract, lot, or parcel 63410
of real property and improvements thereon, determined in 63411
accordance with the uniform rules and methods prescribed thereby, 63412
shall be the taxable value of the tract, lot, or parcel for all 63413
purposes of sections 5713.01 to 5713.26, 5715.01 to 5715.51, and 63414
5717.01 to 5717.06 of the Revised Code. County auditors shall, 63415
under the direction and supervision of the commissioner, be the 63416
chief assessing officers of their respective counties, and shall 63417
list and value the real property within their respective counties 63418
for taxation in accordance with this section and sections 5713.03 63419
and 5713.31 of the Revised Code and with such rules of the 63420
commissioner. There shall also be a board in each county, known as 63421
the county board of revision, which shall hear complaints and 63422
revise assessments of real property for taxation. 63423

(C) The commissioner shall neither adopt nor enforce any rule 63424
that requires true value for any tax year to be any value other 63425
than the true value in money on the tax lien date of such tax year 63426
or that requires taxable value to be obtained in any way other 63427

than by reducing the true value, or in the case of land valued in 63428
accordance with section 5713.31 of the Revised Code, its current 63429
agricultural use value, by a specified, uniform percentage. 63430

Sec. 5726.20. (A) The tax commissioner may make an 63431
assessment, based on any information in the commissioner's 63432
possession, against any person that fails to file a return or 63433
report or pay any tax as required by this chapter. The reporting 63434
person for a taxpayer shall file the annual report required under 63435
section ~~5726.02~~ 5726.03 of the Revised Code and remit the tax 63436
imposed by this chapter. Each person included in the annual report 63437
of the taxpayer is jointly and severally liable for the tax 63438
imposed by this chapter and any penalties and interest thereon. If 63439
the reporting person fails, for any reason, to file and remit any 63440
tax, the amount due may be collected by assessment against the 63441
reporting person and against any or all other persons required to 63442
be included in the annual report of the taxpayer as provided in 63443
section 5703.90 of the Revised Code. The commissioner shall make 63444
the assessment in the manner provided in this section. The 63445
commissioner shall give the person assessed written notice of the 63446
assessment as provided in section 5703.37 of the Revised Code. 63447
With the notice, the commissioner shall provide instructions on 63448
the manner in which to petition for reassessment and request a 63449
hearing with respect to the petition. 63450

(B) No assessment shall be made or issued against a person 63451
under this section more than four years after the later of the 63452
final date the report subject to assessment was required to be 63453
filed or the date such report was filed. Such time limit may be 63454
extended if both the person and the commissioner consent in 63455
writing to the extension or if an agreement waiving or extending 63456
the time limit has been entered into pursuant to section 122.171 63457
of the Revised Code. Any such extension shall extend the four-year 63458
time limit prescribed in division (A) of section 5726.30 of the 63459

Revised Code for the same period of time. There shall be no bar or 63460
limit to an assessment against a person that fails to file a 63461
report subject to assessment as required by this chapter, or that 63462
files a fraudulent report. 63463

(C) Unless the person assessed, within sixty days after 63464
service of the notice of assessment, files with the tax 63465
commissioner, either in person or by certified mail, a written 63466
petition for reassessment signed by the person or the person's 63467
authorized agent having knowledge of the facts, the assessment 63468
shall become final, and the amount of the assessment is due and 63469
payable from the person assessed to the treasurer of state. A 63470
petition shall indicate the objections of the person assessed, but 63471
additional objections may be raised in writing if received by the 63472
commissioner prior to the date shown on the final determination. 63473
If a petition for reassessment has been properly filed, the 63474
commissioner shall proceed under section 5703.60 of the Revised 63475
Code. 63476

(D)(1) After an assessment becomes final, if any portion of 63477
the assessment, including any accrued interest, remains unpaid, a 63478
certified copy of the tax commissioner's entry making the 63479
assessment final may be filed in the office of the clerk of the 63480
court of common pleas in the county in which the person resides or 63481
has its principal place of business in this state, or in the 63482
office of the clerk of court of common pleas of Franklin county. 63483

(2) Immediately upon the filing of the entry, the clerk shall 63484
enter judgment for the state against the person assessed in the 63485
amount shown on the entry. The judgment may be filed by the clerk 63486
in a loose-leaf book entitled, "special judgments for the 63487
financial institution tax" and shall have the same effect as other 63488
judgments. Execution shall issue upon the judgment at the request 63489
of the tax commissioner, and all laws applicable to sales on 63490
execution shall apply to sales made under the judgment. 63491

(3) If the assessment is not paid in its entirety within 63492
sixty days after the day the assessment was issued, the portion of 63493
the assessment consisting of tax due shall bear interest at the 63494
rate per annum prescribed by section 5703.47 of the Revised Code 63495
from the date the tax commissioner issues the assessment until the 63496
date the assessment is paid or until it is certified to the 63497
attorney general for collection under section 131.02 of the 63498
Revised Code, whichever comes first. If the unpaid portion of the 63499
assessment is certified to the attorney general for collection, 63500
the entire unpaid portion of the assessment shall bear interest at 63501
the rate per annum prescribed by section 5703.47 of the Revised 63502
Code from the date of certification until the date it is paid in 63503
its entirety. Interest shall be paid in the same manner as the tax 63504
and may be collected by the issuance of an assessment under this 63505
section. 63506

(E) If the tax commissioner believes that collection of the 63507
tax imposed by this chapter will be jeopardized unless proceedings 63508
to collect or secure collection of the tax are instituted without 63509
delay, the commissioner may issue a jeopardy assessment against 63510
the person liable for the tax. Immediately upon the issuance of 63511
the jeopardy assessment, the commissioner shall file an entry with 63512
the clerk of the court of common pleas in the manner prescribed by 63513
division (D) of this section. Notice of the jeopardy assessment 63514
shall be served on the person assessed or the person's authorized 63515
agent in the manner provided in section 5703.37 of the Revised 63516
Code within five days of the filing of the entry with the clerk. 63517
The total amount assessed shall be immediately due and payable, 63518
unless the person assessed files a petition for reassessment in 63519
accordance with division (C) of this section and provides security 63520
in a form satisfactory to the commissioner and in an amount 63521
sufficient to satisfy the unpaid balance of the assessment. Full 63522
or partial payment of the assessment shall not prejudice the 63523
commissioner's consideration of the petition for reassessment. 63524

(F) The tax commissioner shall immediately forward to the 63525
treasurer of state all amounts the commissioner receives under 63526
this section. Such amounts shall be considered as revenue arising 63527
from the tax imposed by this chapter. 63528

(G) If the tax commissioner possesses information indicating 63529
that the amount of tax a taxpayer is required to pay under this 63530
chapter exceeds the amount the reporting person for the taxpayer 63531
paid, the tax commissioner may audit a sample of the taxpayer's 63532
gross receipts over a representative period of time to ascertain 63533
the amount of tax due, and may issue an assessment based on the 63534
audit. The tax commissioner shall make a good faith effort to 63535
reach agreement with the taxpayer in selecting a representative 63536
sample. The tax commissioner may apply a sampling method only if 63537
the commissioner has prescribed the method by rule. 63538

(H) If the whereabouts of a person subject to this chapter is 63539
not known to the tax commissioner, the secretary of state is 63540
hereby deemed to be that person's agent for purposes of service of 63541
process or notice of any assessment, action, or proceedings 63542
instituted in this state against the person under this chapter. 63543
Such process or notice shall be served on such person by the 63544
commissioner or by an agent of the commissioner by leaving a true 63545
and attested copy of the process or notice at the office of the 63546
secretary of state at least fifteen days before the return day of 63547
such process or notice, and by sending a copy of the process or 63548
notice to such person by ordinary mail, with an endorsement 63549
thereon of the service upon the secretary of state, addressed to 63550
such person at the person's last known address. 63551

Sec. 5727.75. (A) For purposes of this section: 63552

(1) "Qualified energy project" means an energy project 63553
certified by the director of development services pursuant to this 63554
section. 63555

(2) "Energy project" means a project to provide electric power through the construction, installation, and use of an energy facility. 63556
63557
63558

(3) "Alternative energy zone" means a county declared as such by the board of county commissioners under division (E)(1)(b) or (c) of this section. 63559
63560
63561

(4) "Full-time equivalent employee" means the total number of employee-hours for which compensation was paid to individuals employed at a qualified energy project for services performed at the project during the calendar year divided by two thousand eighty hours. 63562
63563
63564
63565
63566

(5) "Solar energy project" means an energy project composed of an energy facility using solar panels to generate electricity. 63567
63568

(6) "Internet identifier of record" has the same meaning as in section 9.312 of the Revised Code. 63569
63570

(B)(1) Tangible personal property of a qualified energy project using renewable energy resources is exempt from taxation for tax years 2011 through ~~2023~~2025 if all of the following conditions are satisfied: 63571
63572
63573
63574

(a) On or before December 31, ~~2022~~2024, the owner or a lessee pursuant to a sale and leaseback transaction of the project submits an application to the power siting board for a certificate under section 4906.20 of the Revised Code, or if that section does not apply, submits an application for any approval, consent, permit, or certificate or satisfies any condition required by a public agency or political subdivision of this state for the construction or initial operation of an energy project. 63575

63581
63582

(b) Construction or installation of the energy facility begins on or after January 1, 2009, and before January 1, ~~2023~~2025. For the purposes of this division, construction begins on the earlier of the date of application for a certificate or 63583
63584
63585
63586

other approval or permit described in division (B)(1)(a) of this 63587
section, or the date the contract for the construction or 63588
installation of the energy facility is entered into. 63589

(c) For a qualified energy project with a nameplate capacity 63590
of twenty megawatts or greater, a board of county commissioners of 63591
a county in which property of the project is located has adopted a 63592
resolution under division (E)(1)(b) or (c) of this section to 63593
approve the application submitted under division (E) of this 63594
section to exempt the property located in that county from 63595
taxation. A board's adoption of a resolution rejecting an 63596
application or its failure to adopt a resolution approving the 63597
application does not affect the tax-exempt status of the qualified 63598
energy project's property that is located in another county. 63599

(2) If tangible personal property of a qualified energy 63600
project using renewable energy resources was exempt from taxation 63601
under this section beginning in any of tax years 2011 through 63602
~~2023~~2025, and the certification under division (E)(2) of this 63603
section has not been revoked, the tangible personal property of 63604
the qualified energy project is exempt from taxation for tax year 63605
~~2024~~2026 and all ensuing tax years if the property was placed into 63606
service before January 1, ~~2024~~2026, as certified in the 63607
construction progress report required under division (F)(2) of 63608
this section. Tangible personal property that has not been placed 63609
into service before that date is taxable property subject to 63610
taxation. An energy project for which certification has been 63611
revoked is ineligible for further exemption under this section. 63612
Revocation does not affect the tax-exempt status of the project's 63613
tangible personal property for the tax year in which revocation 63614
occurs or any prior tax year. 63615

(C) Tangible personal property of a qualified energy project 63616
using clean coal technology, advanced nuclear technology, or 63617
cogeneration technology is exempt from taxation for the first tax 63618

year that the property would be listed for taxation and all 63619
subsequent years if all of the following circumstances are met: 63620

(1) The property was placed into service before January 1, 63621
2021. Tangible personal property that has not been placed into 63622
service before that date is taxable property subject to taxation. 63623

(2) For such a qualified energy project with a nameplate 63624
capacity of twenty megawatts or greater, a board of county 63625
commissioners of a county in which property of the qualified 63626
energy project is located has adopted a resolution under division 63627
(E)(1)(b) or (c) of this section to approve the application 63628
submitted under division (E) of this section to exempt the 63629
property located in that county from taxation. A board's adoption 63630
of a resolution rejecting the application or its failure to adopt 63631
a resolution approving the application does not affect the 63632
tax-exempt status of the qualified energy project's property that 63633
is located in another county. 63634

(3) The certification for the qualified energy project issued 63635
under division (E)(2) of this section has not been revoked. An 63636
energy project for which certification has been revoked is 63637
ineligible for exemption under this section. Revocation does not 63638
affect the tax-exempt status of the project's tangible personal 63639
property for the tax year in which revocation occurs or any prior 63640
tax year. 63641

(D) Except as otherwise provided in this section, real 63642
property of a qualified energy project is exempt from taxation for 63643
any tax year for which the tangible personal property of the 63644
qualified energy project is exempted under this section. 63645

(E)(1)(a) A person may apply to the director of development 63646
services for certification of an energy project as a qualified 63647
energy project on or before the following dates: 63648

(i) December 31, ~~2022~~2024, for an energy project using 63649

renewable energy resources; 63650

(ii) December 31, 2017, for an energy project using clean 63651
coal technology, advanced nuclear technology, or cogeneration 63652
technology. 63653

(b) The director shall forward a copy of each application for 63654
certification of an energy project with a nameplate capacity of 63655
twenty megawatts or greater to the board of county commissioners 63656
of each county in which the project is located and to each taxing 63657
unit with territory located in each of the affected counties. Any 63658
board that receives from the director a copy of an application 63659
submitted under this division shall adopt a resolution approving 63660
or rejecting the application unless it has adopted a resolution 63661
under division (E)(1)(c) of this section. A resolution adopted 63662
under division (E)(1)(b) or (c) of this section may require an 63663
annual service payment to be made in addition to the service 63664
payment required under division (G) of this section. The sum of 63665
the service payment required in the resolution and the service 63666
payment required under division (G) of this section shall not 63667
exceed nine thousand dollars per megawatt of nameplate capacity 63668
located in the county. The resolution shall specify the time and 63669
manner in which the payments required by the resolution shall be 63670
paid to the county treasurer. The county treasurer shall deposit 63671
the payment to the credit of the county's general fund to be used 63672
for any purpose for which money credited to that fund may be used. 63673

The board shall send copies of the resolution to the owner of 63674
the facility and the director by certified mail or, if the board 63675
has record of an internet identifier of record associated with the 63676
owner or director, by ordinary mail and by that internet 63677
identifier of record. The board shall send such notice within 63678
thirty days after receipt of the application, or a longer period 63679
of time if authorized by the director. 63680

(c) A board of county commissioners may adopt a resolution 63681

declaring the county to be an alternative energy zone and 63682
declaring all applications submitted to the director of 63683
development services under this division after the adoption of the 63684
resolution, and prior to its repeal, to be approved by the board. 63685

All tangible personal property and real property of an energy 63686
project with a nameplate capacity of twenty megawatts or greater 63687
is taxable if it is located in a county in which the board of 63688
county commissioners adopted a resolution rejecting the 63689
application submitted under this division or failed to adopt a 63690
resolution approving the application under division (E)(1)(b) or 63691
(c) of this section. 63692

(2) The director shall certify an energy project if all of 63693
the following circumstances exist: 63694

(a) The application was timely submitted. 63695

(b) For an energy project with a nameplate capacity of twenty 63696
megawatts or greater, a board of county commissioners of at least 63697
one county in which the project is located has adopted a 63698
resolution approving the application under division (E)(1)(b) or 63699
(c) of this section. 63700

(c) No portion of the project's facility was used to supply 63701
electricity before December 31, 2009. 63702

(3) The director shall deny a certification application if 63703
the director determines the person has failed to comply with any 63704
requirement under this section. The director may revoke a 63705
certification if the director determines the person, or subsequent 63706
owner or lessee pursuant to a sale and leaseback transaction of 63707
the qualified energy project, has failed to comply with any 63708
requirement under this section. Upon certification or revocation, 63709
the director shall notify the person, owner, or lessee, the tax 63710
commissioner, and the county auditor of a county in which the 63711
project is located of the certification or revocation. Notice 63712
