percentage specified in the agreement with the tax credit 3813

authority. 3814

(C)(1) A taxpayer or potential taxpayer who proposes a 3815
project to create new jobs in this state may apply to the tax 3816

An application shall not propose to include both home-based 3819

not home-based employees in a project, the taxpayer shall submit 3826
separate applications for separate tax credit agreements for the 3827

(c) Receiving the tax credit is a major factor in the 3840
taxpayer's decision to go forward with the project. 3841

(2)(a) A taxpayer that chooses to begin the project prior to 3842
receiving the determination of the authority may, upon submitting 3843
the taxpayer's application to the authority, request that the 3844

chief investment officer of the nonprofit corporation formed under 3845
section 187.01 of the Revised Code and the director review the 3846
taxpayer's application and recommend to the authority that the 3847
taxpayer's application be considered. As soon as possible after 3848
receiving such a request, the chief investment officer and the 3849
director shall review the taxpayer's application and, if they 3850
determine that the application warrants consideration by the 3851
authority, make that recommendation to the authority not later 3852
than six months after the application is received by the 3853
authority. 3854

(b) The authority shall consider any taxpayer's application 3855
for which it receives a recommendation under division (C)(2)(a) of 3856
this section. If the authority determines that the taxpayer does 3857
not meet all of the criteria set forth in division (C)(1) of this 3858
section, the authority and the department of development services 3859
~~agency~~ shall proceed in accordance with rules adopted by the 3860
director pursuant to division (I) of this section. 3861

(D) An agreement under this section shall include all of the 3862
following: 3863

(1) A detailed description of the project that is the subject 3864
of the agreement; 3865

(2)(a) The term of the tax credit, which, except as provided 3866
in division (D)(2)(b) of this section, shall not exceed fifteen 3867
years, and the first taxable year, or first calendar year that 3868
includes a tax period, for which the credit may be claimed; 3869

(b) If the tax credit is computed on the basis of home-based 3870
employees, the term of the credit shall expire on or before the 3871
last day of the taxable or calendar year ending before the 3872
beginning of the seventh year after September 6, 2012, the 3873
effective date of H.B. 327 of the 129th general assembly. 3874

authority, of excess payroll that will be allowed as the amount of 3879
the credit for each taxable year or for each calendar year that 3880
includes a tax period; 3881

(5) The pay increase factor to be applied to the taxpayer's 3882

annually review the information reported under division (D)(6) of 3891
this section and verify compliance with the agreement; if the 3892
taxpayer is in compliance, a requirement that the director issue a 3893
certificate to the taxpayer stating that the information has been 3894
verified and identifying the amount of the credit that may be 3895
claimed for the taxable or calendar year; 3896

(8) A provision providing that the taxpayer may not relocate 3897
a substantial number of employment positions from elsewhere in 3898
this state to the project location unless the director of 3899
development ~~services~~ determines that the legislative authority of 3900
the county, township, or municipal corporation from which the 3901
employment positions would be relocated has been notified by the 3902
taxpayer of the relocation. 3903

For purposes of this section, the movement of an employment 3904
position from one political subdivision to another political 3905
subdivision shall be considered a relocation of an employment 3906

position unless the employment position in the first political 3907
subdivision is replaced. The movement of a qualifying 3908
work-from-home employee to a different residence located in this 3909
state or to the project location shall not be considered a 3910
relocation of an employment position. 3911

(9) If the tax credit is computed on the basis of home-based 3912
employees, that the tax credit may not be claimed by the taxpayer 3913
until the taxable year or tax period in which the taxpayer employs 3914
at least two hundred employees more than the number of employees 3915
the taxpayer employed on June 30, 2011. 3916

(E) If a taxpayer fails to meet or comply with any condition 3917
or requirement set forth in a tax credit agreement, the tax credit 3918
authority may amend the agreement to reduce the percentage or term 3919
of the tax credit. The reduction of the percentage or term may 3920
take effect in the current taxable or calendar year. 3921

(F) Projects that consist solely of point-of-final-purchase 3922
retail facilities are not eligible for a tax credit under this 3923
section. If a project consists of both point-of-final-purchase 3924
retail facilities and nonretail facilities, only the portion of 3925
the project consisting of the nonretail facilities is eligible for 3926
a tax credit and only the excess payroll from the nonretail 3927
facilities shall be considered when computing the amount of the 3928
tax credit. If a warehouse facility is part of a 3929
point-of-final-purchase retail facility and supplies only that 3930
facility, the warehouse facility is not eligible for a tax credit. 3931
Catalog distribution centers are not considered 3932
point-of-final-purchase retail facilities for the purposes of this 3933
division, and are eligible for tax credits under this section. 3934

(G) Financial statements and other information submitted to 3935
the department of development ~~services agency~~ or the tax credit 3936
authority by an applicant or recipient of a tax credit under this 3937
section, and any information taken for any purpose from such 3938

statements or information, are not public records subject to 3939
section 149.43 of the Revised Code. However, the chairperson of 3940
the authority may make use of the statements and other information 3941
for purposes of issuing public reports or in connection with court 3942
proceedings concerning tax credit agreements under this section. 3943

submit to the tax commissioner or, if the taxpayer is an insurance 3953
company, to the superintendent of insurance, a copy of the 3954
director of ~~development services~~ development's certificate of 3955
verification under division (D)(7) of this section with the 3956
taxpayer's tax report or return for the taxable year or for the 3957
calendar year that includes the tax period. Failure to submit a 3958
copy of the certificate with the report or return does not 3959
invalidate a claim for a credit if the taxpayer submits a copy of 3960
the certificate to the commissioner or superintendent within the 3961
time prescribed by section 5703.0510 of the Revised Code or within 3962
thirty days after the commissioner or superintendent requests it. 3963

(I) The director of development ~~services~~, after consultation 3964
with the tax commissioner and the superintendent of insurance and 3965

rules necessary to implement this section, including rules that 3967
establish a procedure to be followed by the tax credit authority 3968
and the department of development ~~services agency~~ in the event the 3969
authority considers a taxpayer's application for which it receives 3970

a recommendation under division (C)(2)(a) of this section but does 3971
not approve it. The rules may provide for recipients of tax 3972
credits under this section to be charged fees to cover 3973
administrative costs of the tax credit program. For the purposes 3974
of these rules, a qualifying work-from-home employee shall be 3975
considered to be an employee employed at the applicant's project 3976
location. The fees collected shall be credited to the tax 3977
incentives operating fund created in section 122.174 of the 3978

than the greater of seven years or the term of the credit plus 4015
three years, an amount not exceeding seventy-five per cent of the 4016
sum of any credits allowed and received under this section. 4017

substantially meet the job creation, payroll, or investment 4019
requirements included in the agreement, an amount determined at 4020
the discretion of the authority; 4021

by the taxpayer under this section. 4031

(3) In determining the portion of the tax credit to be 4032
refunded to this state, the tax credit authority shall consider 4033

the effect of market conditions on the taxpayer's project and 4034
whether the taxpayer continues to maintain other operations in 4035
this state. After making the determination, the authority shall 4036
certify the amount to be refunded to the tax commissioner or 4037
superintendent of insurance, as appropriate. If the amount is 4038
certified to the commissioner, the commissioner shall make an 4039
assessment for that amount against the taxpayer under Chapter 4040
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 4041
amount is certified to the superintendent, the superintendent 4042
shall make an assessment for that amount against the taxpayer 4043
under Chapter 5725. or 5729. of the Revised Code. The time 4044
limitations on assessments under those chapters do not apply to an 4045
assessment under this division, but the commissioner or 4046
superintendent, as appropriate, shall make the assessment within 4047
one year after the date the authority certifies to the 4048
commissioner or superintendent the amount to be refunded. 4049

director of development ~~services~~ shall submit a report to the 4051

preceding calendar year, a description of the project that is the 4056
subject of each such agreement, and an update on the status of 4057
projects under agreements entered into before the preceding 4058
calendar year. 4059

senate, and the speaker of the house of representatives each shall 4063
appoint one member who shall be a specialist in economic 4064
development; the governor also shall appoint a member who is a 4065

specialist in taxation. Terms of office shall be for four years. 4066
Each member shall serve on the authority until the end of the term 4067
for which the member was appointed. Vacancies shall be filled in 4068
the same manner provided for original appointments. Any member 4069
appointed to fill a vacancy occurring prior to the expiration of 4070
the term for which the member's predecessor was appointed shall 4071
hold office for the remainder of that term. Members may be 4072
reappointed to the authority. Members of the authority shall 4073
receive their necessary and actual expenses while engaged in the 4074
business of the authority. The director of development ~~services~~ 4075
shall serve as chairperson of the authority, and the members 4076

vote on the business of the authority. The majority vote of the 4079
membership of the authority is necessary to approve any such 4080
business, including the election of the vice-chairperson. 4081

professional employee of the department of development ~~services~~ 4083
~~agency~~ to serve as the director's substitute at a meeting of the 4084
authority. The director shall make the appointment in writing. In 4085
the absence of the director from a meeting of the authority, the 4086
appointed substitute shall serve as chairperson. In the absence of 4087
both the director and the director's substitute from a meeting, 4088
the vice-chairperson shall serve as chairperson. 4089

the Revised Code, "taxable year" means the period covered by the 4092
taxpayer's annual statement to the superintendent of insurance. 4093

(O) On or before the first day of March of each of the five 4094
calendar years beginning with 2014, each taxpayer subject to an 4095
agreement with the tax credit authority under this section on the 4096
basis of home-based employees shall report the number of 4097

home-based employees and other employees employed by the taxpayer 4098

employees in the computation of income tax revenue, as that term 4105
was defined in this section prior to the amendment of this section 4106
by H.B. 64 of the 131st general assembly. The report shall include 4107
information on the number of such agreements that were entered 4108
into in the preceding six years, a description of the projects 4109
that were the subjects of such agreements, and an analysis of 4110
nationwide home-based employment trends, including the number of 4111
home-based jobs created from July 1, 2011, through June 30, 2017, 4112
and a description of any home-based employment tax incentives 4113

provision that the taxpayer makes available health care benefits 4118
and tuition reimbursement to all employees. 4119

(R) Original agreements approved by the tax credit authority 4120
under this section in 2014 or 2015 before September 29, 2015, may 4121

(2) In calendar year 2016 and thereafter, the tax credit authority shall annually determine a withholding adjustment factor to be used in the computation of income tax revenue for eligible agreements. The withholding adjustment factor shall be a numerical percentage that equals the percentage that employer income tax withholding rates have been increased or decreased as a result of changes in the income tax rates prescribed by section 5747.02 of the Revised Code by amendment of that section taking effect on or after June 29, 2013.

(3) Except as provided in division (S)(4) of this section, for reporting periods ending in 2015 and thereafter for taxpayers subject to eligible agreements, the tax credit authority shall adjust the income tax revenue reported on the taxpayer's annual report by multiplying the withholding adjustment factor by the taxpayer's income tax revenue and doing one of the following:

(5) Failure by a taxpayer to have achieved any of the 4170
applicable commitments described in divisions (S)(4)(a) to (c) of 4171
this section in a reporting period does not disqualify the 4172
taxpayer for the adjustment under division (S) of this section for 4173
an ensuing reporting period. 4174

(T) For reporting periods ending in calendar year 2020 or 4175
thereafter, any taxpayer may include qualifying work-from-home 4176
employees in its report required under division (D)(6) of this 4177
section, and the compensation of such employees shall qualify as 4178
Ohio employee payroll under division (A)(3)(a) of this section, 4179

be based on the Ohio employee payroll for a calendar year before 4285
the calendar year in which the tax credit authority specifies the 4286
tax credit is to begin, and the credit shall be claimed only for 4287
the taxable years or tax periods specified in the eligible 4288
business' agreement with the tax credit authority. In no event 4289
shall the credit be claimed for a taxable year or tax period 4290
terminating before the date specified in the agreement. 4291

If a credit allowed under this section for a taxable year or 4292
tax period exceeds the taxpayer's tax liability for that year or 4293
period, the excess may be carried forward for the three succeeding 4294
taxable or calendar years, but the amount of any excess credit 4295
allowed in any taxable year or tax period shall be deducted from 4296
the balance carried forward to the succeeding year or period. 4297

the application. After receipt of an application, the authority 4302
shall forward copies of the application to the director of budget 4303
and management, the tax commissioner, and the superintendent of 4304
insurance in the case of an insurance company, each of whom shall 4305
review the application to determine the economic impact the 4306
proposed project would have on the state and the affected 4307
political subdivisions and shall submit a summary of their 4308
determinations to the authority. The authority shall also forward 4309
a copy of the application to the director of development ~~services~~, 4310
who shall review the application to determine the economic impact 4311
the proposed project would have on the state and the affected 4312
political subdivisions and shall submit a summary of the 4313

director's determinations and recommendations to the authority. 4314

(2) The director of development, in reviewing applications 4315
and making recommendations to the tax credit authority, and the 4316
authority, in selecting taxpayers with which to enter into an 4317
agreement under division (D) of this section, shall give priority 4318
to applications that meet one or more of the following criteria, 4319
with greater priority given to applications that meet more of the 4320
criteria: 4321

(a) Within the preceding five years, the applicant has not 4322

this section or section 122.17 of the Revised Code. 4327

(c) The applicant has operated at the project site for at 4328
least the preceding ten years. 4329

(d) The project involves a significant upgrade of the project 4330
site, rather than only routine maintenance of existing facilities, 4331
such as an increase in capacity of a facility, new product 4332
development, or technology upgrades or other facility 4333
modernization. 4334

(e) The applicant intends to use machinery, equipment, and 4335
materials supplied by Ohio businesses in the project when 4336
possible. 4337

(D) Upon review and consideration of the determinations ~~and,~~ 4338
recommendations, and criteria described in division (C) of this 4339
section, the tax credit authority may enter into an agreement with 4340
the taxpayer for a credit under this section if the authority 4341

(1) The taxpayer's capital investment project will result in 4343

the retention of employment in this state. 4344

(2) The taxpayer is economically sound and has the ability to 4345
complete the proposed capital investment project. 4346

(3) The taxpayer intends to and has the ability to maintain 4347
operations at the project site for at least the greater of (a) the 4348
term of the credit plus three years, or (b) seven years. 4349

(4) Receiving the credit is a major factor in the taxpayer's 4350
decision to begin, continue with, or complete the project. 4351

(E) An agreement under this section shall include all of the 4352
following: 4353

(1) A detailed description of the project that is the subject 4354
of the agreement, including the amount of the investment, the 4355
period over which the investment has been or is being made, the 4356
number of full-time equivalent employees at the project site, and 4357
the anticipated Ohio employee payroll to be generated. 4358

(2) The term of the credit, the percentage of the tax credit, 4359
the maximum annual value of tax credits that may be allowed each 4360
year, and the first year for which the credit may be claimed. 4361

(3) A requirement that the taxpayer maintain operations at 4362
the project site for at least the greater of (a) the term of the 4363
credit plus three years, or (b) seven years. 4364

(4)(a) If the taxpayer is engaged at the project site 4365
primarily in significant corporate administrative functions, a 4366
requirement that the taxpayer either retain at least five hundred 4367
full-time equivalent employees at the project site and within this 4368
state for the entire term of the credit, maintain an annual Ohio 4369
employee payroll of at least thirty-five million dollars for the 4370
entire term of the credit, or remain located in a foreign trade 4371
zone for the entire term of the credit; 4372

(b) If the taxpayer is engaged at the project site primarily 4373

as a manufacturer, a requirement that the taxpayer maintain at 4374
least the number of full-time equivalent employees specified in 4375
the agreement pursuant to division (E)(1) of this section at the 4376
project site and within this state for the entire term of the 4377
credit. 4378

(5) A requirement that the taxpayer annually report to the 4379
director of development ~~services~~ full-time equivalent employees, 4380
Ohio employee payroll, capital investment, and other information 4381
the director needs to perform the director's duties under this 4382
section. 4383

(6) A requirement that the director of development ~~services~~ 4384
annually review the annual reports of the taxpayer to verify the 4385
information reported under division (E)(5) of this section and 4386
compliance with the agreement. Upon verification, the director 4387
shall issue a certificate to the taxpayer stating that the 4388
information has been verified and identifying the amount of the 4389
credit for the taxable year or calendar year that includes the tax 4390
period. In determining the number of full-time equivalent 4391
employees, no position shall be counted that is filled by an 4392
employee who is included in the calculation of a tax credit under 4393
section 122.17 of the Revised Code. 4394

(7) A provision providing that the taxpayer may not relocate 4395
a substantial number of employment positions from elsewhere in 4396
this state to the project site unless the director of development 4397
~~services~~ determines that the taxpayer notified the legislative 4398
authority of the county, township, or municipal corporation from 4399
which the employment positions would be relocated. 4400

For purposes of this section, the movement of an employment 4401
position from one political subdivision to another political 4402
subdivision shall be considered a relocation of an employment 4403
position unless the movement is confined to the project site. The 4404
transfer of an employment position from one political subdivision 4405

to another political subdivision shall not be considered a 4406
relocation of an employment position if the employment position in 4407
the first political subdivision is replaced by another employment 4408
position. 4409

(8) A waiver by the taxpayer of any limitations periods 4410
relating to assessments or adjustments resulting from the 4411
taxpayer's failure to comply with the agreement. 4412

(F) If a taxpayer fails to meet or comply with any condition 4413

the certificate to the commissioner or superintendent within the 4443
time prescribed by section 5703.0510 of the Revised Code or within 4444

available sick leave, personal leave, vacation leave, or 6676
compensatory time balances in order to be paid during the 6677
fourteen-day waiting period and to supplement the seventy per cent 6678
of their base rate of pay received during the remaining part of 6679
their parental leave period, in an amount sufficient to give them 6680
up to one hundred per cent of their pay for time on parental 6681
leave. 6682

Use of parental leave does not affect an employee's 6683
eligibility for other forms of paid leave granted under this 6684
chapter and does not prohibit an employee from taking leave under 6685
the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 6686
U.S.C.A. 2601, except that parental leave shall be included in any 6687
leave time provided under that act. 6688

~~(D)~~(E) Employees receiving disability leave benefits under 6689
section 124.385 of the Revised Code prior to becoming eligible for 6690
parental leave shall continue to receive disability leave benefits 6691
for the duration of their disabling condition or as otherwise 6692
provided under the disability leave benefits program. If an 6693
employee is receiving disability leave benefits because of 6694
pregnancy and these benefits expire prior to the expiration date 6695
of any benefits the employee would have been entitled to receive 6696
under this section, the employee shall receive parental leave for 6697
such additional time without being required to serve an additional 6698
waiting period. 6699

124.14 of the Revised Code who works thirty or more hours per 6708
week, and who is a foster caregiver or kinship caregiver is 6709
eligible, on placement of a child in the employee's home, to a 6710
maximum of five days of caregiver leave with full pay in a 6711
calendar year. Caregiver leave begins on the day on which the 6712

caregiver. 6714

(C) The average number of regular hours worked, which shall 6715
include all hours of holiday pay and other types of paid leave, 6716
during the three-month period immediately preceding the day 6717
caregiver leave begins shall be used to determine eligibility for 6718
leave under this section for part-time employees. If an employee 6719

has not worked for a three-month period, the number of hours for 6720
which the employee has been scheduled to work per week during the 6721
employee's period of employment shall be used to determine 6722
eligibility for leave under this section. 6723

(D) Use of caregiver leave does not affect an employee's 6724
eligibility for other forms of paid leave granted under this 6725
chapter and does not prohibit an employee from taking leave under 6726
the "Family and Medical Leave Act of 1993," 29 U.S.C. 2601, except 6727
that caregiver leave shall be included in any leave time provided 6728
under that act. 6729

section may request the department of administrative services' 6747
assistance in the procurement of supplies and services for their 6748

respective offices and, upon the department's approval, may 6749
participate in contracts awarded by the department. 6750

(B) For purchases under division (C) of section 125.05 of the 6751

policy of insurance, including a surety or fidelity bond, covering 6789
officers or employees of a state agency, for which the annual 6790
premium is more than one thousand dollars and which the state may 6791

(D) Upon receipt of a purchase request, the department of 6839
administrative services shall provide the requesting agency a 6840
notification of receipt of the purchase request. The department 6841
then shall determine whether the request can be fulfilled through 6842

notification from a second requisite procurement program within 6866
two business days and the department has made the determination 6867
that the purchase is not subject to a second requisite procurement 6868
program, the department shall provide a waiver to the requesting 6869
agency. 6870

(F) Within five business days after receipt of a request, the department shall notify the requesting agency of its determination and provide any waiver under divisions (D) or (E) of this section. If the department fails to respond within five business days or fails to provide an explanation for any further delay within that time, the requesting agency may use direct purchasing authority to make the requested purchase, subject to the requirements of division (G) of this section, division (E) of section 125.05, and section 127.16 of the Revised Code.

(G) As provided in sections 125.02 and 125.05 of the Revised Code and subject to such rules as the director of administrative services may adopt, the department may issue a release and permit to the agency to secure supplies or services. (3) The board of elections of a county that is authorized to 6963
participate in contracts under division (B)(2) of this section may 6964

computed under division (E) of section 127.16 of the Revised Code 7033
would: 7034

(1) Be exceeded and the controlling board approves the 7035
purchase; 7036

(2) Not be exceeded and the department of administrative 7037
services approves the purchase. 7038

(D) If the department of education or the Ohio education 7039
computer network determines that it can purchase software services 7040
or supplies for specified school districts at a price less than 7041
the price for which the districts could purchase the same software 7042
services or supplies for themselves, the department or network 7043
shall certify that fact to the department of administrative 7044
services and, acting as an agent for the specified school 7045
districts, shall make that purchase without following the 7046
provisions in divisions (A) to (D) of this section. 7047

(E) When the purchase cost of personal protective equipment 7048
is less than fifty thousand dollars, a state agency shall comply 7049
with divisions (A) to (E) of section 125.035 of the Revised Code. 7050
If the purchase is not subject to the requirements of an 7051

which equals approximately fifteen per cent of the estimated total 7071
value of all such purchases to be made in the current fiscal year. 7072
The director shall set aside the purchases selected for 7073
competition only by minority business enterprises, as defined in 7074
division (E)(1) of section 122.71 of the Revised Code. The 7075

required to make through competitive selection, except that only 7078
minority business enterprises certified by the ~~equal employment~~ 7079
~~opportunity coordinator of the department~~ director of 7080

judicial branches, boards of elections, and the adjutant general, 7087
is authorized to make purchases, the agency shall set aside a 7088

number of purchases, the aggregate value of which equals 7089
approximately fifteen per cent of the aggregate value of such 7090
purchases for the current fiscal year for competition by minority 7091
business enterprises only. The procedures for such purchases shall 7092
be the same as for all other such purchases made by the agency, 7093
except that only minority business enterprises certified by the 7094
~~equal employment opportunity coordinator~~ director of development 7095
in accordance with rules adopted under division (B)(1) of section 7096
123.151 of the Revised Code shall be qualified to compete. 7097

(C) In the case of purchases set aside under division (A) or 7098
(B) of this section, if no bid is submitted by a minority business 7099
enterprise, the purchase shall be made according to usual 7100
procedures. The contracting agency shall from time to time set 7101
aside such additional purchases for which only minority business 7102
enterprises may compete, as are necessary to replace those 7103
purchases previously set aside for which no minority business 7104
enterprises bid and to ensure that, in any fiscal year, the 7105
aggregate amount of contracts awarded to minority business 7106
enterprises will equal approximately fifteen per cent of the total 7107
amount of contracts awarded by the agency. 7108

(D) The provisions of this section shall not preclude any 7109
minority business enterprise from competing for any other state 7110
purchases that are not specifically set aside for minority 7111
business enterprises. 7112

(E) No funds of any state agency shall be expended in any 7113
fiscal year for any purchase for which competitive selection is 7114

conditions and terms shall be reasonable and shall not 7134
unreasonably restrict competition, and bidders may bid and 7135
offerors may propose upon all or any item of the products, 7136
supplies, or services listed in such notice. Those bidders and 7137
offerors claiming the preference ~~for United States and Ohio~~ 7138

inferior product; 7194

(7) Such other requirements or procedures reasonably 7195
necessary to implement the system of preferences established 7196

Sec. 125.832. (A) The department of administrative services 7645
is granted exclusive authority over the acquisition and management 7646

of all motor vehicles used by state agencies. In carrying out this 7647
authority, the department shall do both of the following: 7648

(1) Approve the purchase or lease of each motor vehicle for 7649
use by a state agency. The department shall decide if a motor 7650
vehicle shall be leased or purchased for that use. 7651

Except as otherwise provided in division (A)(1) of this 7652
section, on and after July 1, 2005, each state agency shall 7653
acquire all passenger motor vehicles under the department's master 7654
leasing program. If the department determines that acquisition 7655
under that program is not the most economical method and if the 7656
department and the state agency acquiring the passenger motor 7657
vehicle can provide economic justification for doing so, the 7658
department may approve the purchase, rather than the lease, of a 7659
passenger motor vehicle for the acquiring state agency. 7660

(2) Direct and approve all funds that are expended for the 7661
purchase, lease, repair, maintenance, registration, insuring, and 7662
other costs related to the possession and operation of motor 7663
vehicles for the use of state agencies. 7664

(B) The director of administrative services shall establish 7665
and operate a fleet management program. The director shall operate 7666
the program for purposes including, but not limited to, 7667

state agencies shall comply with statewide fleet management 7670
policies and procedures established by the director for the 7671
program, including, but not limited to, motor vehicle assignments, 7672
additions of motor vehicles to fleets or motor vehicle 7673
replacements, motor vehicle fueling, and motor vehicle repairs. 7674

(C) The director shall establish and maintain a fleet 7675
reporting system and shall require state agencies to submit to the 7676
department information relative to state motor vehicles, including 7677

motor vehicles described in division (G)(2) of section 125.831 of 7678
the Revised Code, to be used in operating the fleet management 7679
program. State agencies shall provide to the department fleet data 7680
and other information, including, but not limited to, mileage and 7681
costs. The data and other information shall be submitted in 7682
formats and in a manner determined by the department. 7683

(D) All state agency purchases or leases of motor vehicles 7684
are subject to the prior approval of the director under division 7685
(A)(1) of this section. 7686

(E) State agencies that utilize state motor vehicles or pay 7687
mileage reimbursements to employees shall provide a fleet plan to 7688
the department as directed by the department. 7689

(F)(1) The fleets of state agencies that consist of one 7690
hundred or less vehicles on July 1, 2004, shall be managed by the 7691
department's fleet management program on a time schedule 7692
determined by the department, unless the state agency has received 7693
delegated authority as described in division (G) of this section. 7694

(2) The fleets of state agencies that consist of greater than 7695
one hundred motor vehicles, but less than five hundred motor 7696
vehicles, on July 1, 2005, also shall be managed by the 7697
department's fleet management program on a time schedule 7698
determined by the department, unless the state agency has received 7699
delegated authority as described in division (G) of this section. 7700

(G)(1) The department may delegate any or all of its duties 7701
regarding fleet management to a state agency, if the state agency 7702
demonstrates to the satisfaction of the department both of the 7703
following: 7704

(a) Capabilities to institute and manage a fleet management 7705
program, including, but not limited to, the presence of a 7706
certified fleet manager; 7707

(b) Fleet management performance, as demonstrated by fleet 7708

data and other information submitted pursuant to annual reporting 7709
requirements and any other criteria the department considers 7710
necessary in evaluating the performance. 7711

(2) The department may determine that a state agency is not 7712
in compliance with this section and direct that the agency's fleet 7713
management duties be transferred to the department. 7714

vehicles under this section shall be paid to whichever of the 7716
following applies: 7717

or lease of the motor vehicles; 7719

(2) If the motor vehicles were originally purchased with 7720
moneys derived from the general revenue fund, the proceeds shall 7721
be deposited, in the director's discretion, into the state 7722
treasury to the credit of either the fleet management fund created 7723
by section 125.83 of the Revised Code or the investment recovery 7724
fund created by section 125.14 of the Revised Code. Any such 7725
proceeds deposited into the state treasury to the credit of the 7726
investment recovery fund may be transferred from the investment 7727
recovery fund to the fleet management fund. 7728

(I)(1) The department shall create and maintain a certified 7729
fleet manager program. 7730

(2) State agencies that have received delegated authority as 7731
described in division (G) of this section shall have a certified 7732
fleet manager. 7733

(J) The department annually shall prepare and submit a 7734
statewide fleet report to the governor, the speaker of the house 7735
of representatives, and the president of the senate. The report 7736
shall be submitted not later than the thirty-first day of January 7737
following the end of each fiscal year. It may include, but is not 7738
limited to, the numbers and types of motor vehicles, their 7739

mileage, miles per gallon, and cost per mile, mileage 7740
reimbursements, accident and insurance data, and information 7741
regarding compliance by state agencies having delegated authority 7742
under division (G) of this section with applicable fleet 7743
management requirements. 7744

(K) The director shall adopt rules for implementing the fleet 7745
management program that are consistent with recognized best 7746
practices. The program shall be supported by reasonable fee 7747
charges for the services provided. The director shall collect 7748
these fees and deposit them into the state treasury to the credit 7749
for the fleet management fund created by section 125.83 of the 7750
Revised Code. The setting and collection of fees under this 7751
division is not subject to any restriction imposed by law upon the 7752
director's or the department's authority to set or collect fees. 7753

(L) The director also shall adopt rules that prohibit, except 7754
in very limited circumstances, the exclusive assignment of 7755
state-owned, leased, or pooled motor vehicles to state employees 7756
and that prohibit the reimbursement under section 126.31 of the 7757
Revised Code of state employees who use their own motor vehicles 7758
for any mileage they incur above an amount that the department 7759
shall determine annually unless reimbursement for the excess 7760
mileage is approved by the department in accordance with standards 7761
for that approval the director shall establish in those rules. 7762
Beginning on September 26, 2003, no state-owned, leased, or pooled 7763
motor vehicle shall be personally assigned as any form of 7764
compensation or benefit of state employment, and no state-owned, 7765
leased, or pooled motor vehicle shall be assigned to an employee 7766
solely for commuting to and from home and work. 7767

(M) The director shall do both of the following: 7768

Analysis of the Ohio Fleet Management Program" in connection with 7771

the authority granted to the department by this section; 7772

(2) Attempt to reduce the number of passenger vehicles used 7773
by state agencies during the fiscal years ending on June 30, 2004, 7774
and June 30, 2005. 7775

(N) Each state agency shall reimburse the department for all 7776

agency. 7778

(2) Pursuant to the formula in division (O)(3) of this 7783

per year an employee of a state agency must drive in order to 7785
qualify for approval by the department to receive a motor vehicle 7786
for business use; 7787

(3) Establish the minimum number of business miles per year 7788
at an amount that results when the annual motor vehicle cost is 7789
divided by the amount that is the reimbursement rate per mile 7790
minus the amount that is the sum of the fuel cost, the operating 7791
cost, and the insurance cost. As used in this division: 7792

(a) "Annual motor vehicle cost" means the price of a motor 7793
vehicle divided by the number of years an average motor vehicle is 7794
used. 7795

(b) "Fuel cost" means the average price per gallon of motor 7796
fuel divided by the miles per gallon fuel efficiency of a motor 7797

section, or any penalty, interest, or additional charge on such 8049
tax, after the expiration of the period ending on the later of the 8050
dates specified in divisions (F)(3)(a) and (b) of this section, 8051
provided that such period shall be extended by the period of any 8052
stay to such collection or by any other period to which the 8053
parties mutually agree. If the initial action in aid of execution 8054
is commenced before the later of the dates specified in divisions 8055
(F)(3)(a) and (b) of this section, any and all subsequent actions 8056
may be pursued in aid of execution of judgment for as long as the 8057
debt exists. 8058

(a) Seven years after the assessment of the tax, penalty, 8059
interest, or additional charge is issued. 8060

(b) Four years after the assessment of the tax, penalty, 8061
interest, or additional charge becomes final. For the purposes of 8062
division (F)(3)(b) of this section, the assessment becomes final 8063
at the latest of the following: upon expiration of the period to 8064
petition for reassessment, or if applicable, to appeal a final 8065
determination of the commissioner or decision of the board of tax 8066
appeals or a court, or, if applicable, upon decision of the United 8067
States supreme court. 8068

For the purposes of division (F)(3) of this section, an 8069
initial action to collect a tax debt is commenced at the time when 8070
a certified copy of the tax commissioner's entry making an 8071
assessment final has been filed in the office of the clerk of 8072

court of common pleas in the county in which the taxpayer resides 8073
or has its principal place of business in this state, or in the 8074
office of the clerk of court of common pleas of Franklin county, 8075
as provided in section 5739.13, 5741.14, 5747.13, or 5751.09 of 8076
the Revised Code or in any other applicable law requiring such a 8077
filing. If an assessment has not been issued and there is no time 8078
limitation on the issuance of an assessment under applicable law, 8079
an action to collect a tax debt commences when the action is filed 8080
in the courts of this state to collect the liability. 8081

(4) If information contained in a claim that is sold, 8082
conveyed, or transferred to a private entity pursuant to this 8083
section is confidential pursuant to federal law or a section of 8084
the Revised Code that implements a federal law governing 8085
confidentiality, such information remains subject to that law 8086
during and following the sale, conveyance, or transfer. 8087

(5) The attorney general may adopt rules to aid in the 8088
implementation of this section. 8089

Sec. 131.025. The attorney general shall enter into an 8090
agreement with the United States secretary of the treasury to 8091

For the purpose of this section, "state income tax" includes 8099
taxes levied pursuant to Chapter 718. of the Revised Code to the 8100
extent that such taxes qualify for the federal treasury offset 8101
program under 26 U.S.C. 6402(e). Notwithstanding section 718.01 of 8102

the Revised Code, for the sole purpose of meeting the requirements 8103
of the federal treasury offset program, the attorney general is 8104
the tax administrator, as defined in that section, respecting 8105
delinquencies arising from taxes levied pursuant to Chapter 718. 8106
of the Revised Code once delinquency is certified to the attorney 8107
general for collection under section 131.02 of the Revised Code. 8108

Sec. 133.06. (A) A school district shall not incur, without a 8109
vote of the electors, net indebtedness that exceeds an amount 8110
equal to one-tenth of one per cent of its tax valuation, except as 8111

(D) of section 3313.372 of the Revised Code, or as prescribed in 8113
section 3318.052 or 3318.44 of the Revised Code, or as provided in 8114
division (J) of this section. 8115

(B) Except as provided in divisions (E), (F), and (I) of this 8116
section, a school district shall not incur net indebtedness that 8117
exceeds an amount equal to nine per cent of its tax valuation. 8118

(C) A school district shall not submit to a vote of the 8119
electors the question of the issuance of securities in an amount 8120
that will make the district's net indebtedness after the issuance 8121
of the securities exceed an amount equal to four per cent of its 8122
tax valuation, unless the superintendent of public instruction, 8123
acting under policies adopted by the state board of education, and 8124
the tax commissioner, acting under written policies of the 8125
commissioner, consent to the submission. A request for the 8126
consents shall be made at least one hundred twenty days prior to 8127
the election at which the question is to be submitted. 8128

The superintendent of public instruction shall certify to the 8129
district the superintendent's and the tax commissioner's decisions 8130
within thirty days after receipt of the request for consents. 8131

If the electors do not approve the issuance of securities at 8132
the election for which the superintendent of public instruction 8133

and tax commissioner consented to the submission of the question, 8134
the school district may submit the same question to the electors 8135
on the date that the next special election may be held under 8136
section 3501.01 of the Revised Code without submitting a new 8137
request for consent. If the school district seeks to submit the 8138
same question at any other subsequent election, the district shall 8139
first submit a new request for consent in accordance with this 8140
division. 8141

(D) In calculating the net indebtedness of a school district, 8142
none of the following shall be considered: 8143

equipment used in transporting pupils or issued pursuant to 8145
division (D) of section 133.10 of the Revised Code; 8146

(4) Loans, evidenced by any securities, received under 8154
sections 3313.483, 3317.0210, and 3317.0211 of the Revised Code; 8155

(5) Debt incurred under section 3313.374 of the Revised Code; 8156

(8) Debt incurred under section 5705.2112 or 5705.2113 of the 8161
Revised Code by the fiscal board of a qualifying partnership of 8162
which the school district is a participating school district. 8163

(E) A school district may become a special needs district as 8164
to certain securities as provided in division (E) of this section. 8165

(1) A board of education, by resolution, may declare its 8166
school district to be a special needs district by determining both 8167

by the existing permanent improvements of the district. 8170

(b) The district cannot obtain sufficient funds by the 8171
issuance of securities within the limitation of division (B) of 8172
this section to provide additional or improved needed permanent 8173

(2) The board of education shall certify a copy of that 8175

projected needs. 8188

(b) The projection of the potential average growth of tax 8189

certified to the superintendent and any other information the 8191
superintendent obtains, indicates a likelihood of potential 8192
average growth of tax valuation of the district during the next 8193

five years of an average of not less than one and one-half per 8194
cent per year. The findings and certification of the 8195
superintendent shall be conclusive. 8196

(4) An approved special needs district may incur net 8197
indebtedness by the issuance of securities in accordance with the 8198
provisions of this chapter in an amount that does not exceed an 8199
amount equal to the greater of the following: 8200

(a) Twelve per cent of the sum of its tax valuation plus an 8201
amount that is the product of multiplying that tax valuation by 8202
the percentage by which the tax valuation has increased over the 8203
tax valuation on the first day of the sixtieth month preceding the 8204
month in which its board determines to submit to the electors the 8205
question of issuing the proposed securities; 8206

(b) Twelve per cent of the sum of its tax valuation plus an 8207
amount that is the product of multiplying that tax valuation by 8208
the percentage, determined by the superintendent of public 8209

during the next ten years. 8211

(F) A school district may issue securities for emergency 8212

equal to three per cent of its tax valuation, as provided in this 8214
division. 8215

(1) A board of education, by resolution, may declare an 8216

(a) School buildings or other necessary school facilities in 8218
the district have been wholly or partially destroyed, or condemned 8219
by a constituted public authority, or that such buildings or 8220

as to require additions and improvements to them before the 8222
buildings or facilities are usable for their intended purpose, or 8223
that corrections to permanent improvements are necessary to remove 8224

or prevent health or safety hazards. 8225

(b) Existing fiscal and net indebtedness limitations make 8226
adequate replacement, additions, or improvements impossible. 8227

(2) Upon the declaration of an emergency, the board of 8228
education may, by resolution, submit to the electors of the 8229
district pursuant to section 133.18 of the Revised Code the 8230
question of issuing securities for the purpose of paying the cost, 8231
in excess of any insurance or condemnation proceeds received by 8232
the district, of permanent improvements to respond to the 8233
emergency need. 8234

(3) The procedures for the election shall be as provided in 8235
section 133.18 of the Revised Code, except that: 8236

(a) The form of the ballot shall describe the emergency 8237
existing, refer to this division as the authority under which the 8238
emergency is declared, and state that the amount of the proposed 8239

this section; 8241

(b) The resolution required by division (B) of section 133.18 8242
of the Revised Code shall be certified to the county auditor and 8243
the board of elections at least one hundred days prior to the 8244
election; 8245

(c) The county auditor shall advise and, not later than 8246
ninety-five days before the election, confirm that advice by 8247
certification to, the board of education of the information 8248

(d) The board of education shall then certify its resolution 8250
and the information required by division (D) of section 133.18 of 8251
the Revised Code to the board of elections not less than ninety 8252
days prior to the election. 8253

(4) Notwithstanding division (B) of section 133.21 of the 8254

Revised Code, the first principal payment of securities issued 8255
under this division may be set at any date not later than sixty 8256
months after the earliest possible principal payment otherwise 8257
provided for in that division. 8258

(G)(1) The board of education may contract with an architect, 8259
professional engineer, or other person experienced in the design 8260
and implementation of energy conservation measures for an analysis 8261
and recommendations pertaining to installations, modifications of 8262
installations, or remodeling that would significantly reduce 8263
energy consumption in buildings owned by the district. The report 8264
shall include estimates of all costs of such installations, 8265
modifications, or remodeling, including costs of design, 8266
engineering, installation, maintenance, repairs, measurement and 8267
verification of energy savings, and debt service, forgone residual 8268
value of materials or equipment replaced by the energy 8269
conservation measure, as defined by the Ohio facilities 8270
construction commission, a baseline analysis of actual energy 8271
consumption data for the preceding three years with the utility 8272
baseline based on only the actual energy consumption data for the 8273
preceding twelve months, and estimates of the amounts by which 8274
energy consumption and resultant operational and maintenance 8275
costs, as defined by the commission, would be reduced. 8276

If the board finds after receiving the report that the amount 8277
of money the district would spend on such installations, 8278
modifications, or remodeling is not likely to exceed the amount of 8279
money it would save in energy and resultant operational and 8280
maintenance costs over the ensuing fifteen years, the board may 8281
submit to the commission a copy of its findings and a request for 8282
approval to incur indebtedness to finance the making or 8283
modification of installations or the remodeling of buildings for 8284
the purpose of significantly reducing energy consumption. 8285

The facilities construction commission, in consultation with 8286

the auditor of state, may deny a request under division (G)(1) of 8287
this section by the board of education of any school district that 8288
is in a state of fiscal watch pursuant to division (A) of section 8289
3316.03 of the Revised Code, if it determines that the expenditure 8290
of funds is not in the best interest of the school district. 8291

No district board of education of a school district that is 8292
in a state of fiscal emergency pursuant to division (B) of section 8293
3316.03 of the Revised Code shall submit a request without 8294
submitting evidence that the installations, modifications, or 8295
remodeling have been approved by the district's financial planning 8296
and supervision commission established under section 3316.05 of 8297
the Revised Code. 8298

No board of education of a school district for which an 8299
academic distress commission has been established under section 8300
3302.10 of the Revised Code shall submit a request without first 8301
receiving approval to incur indebtedness from the district's 8302
academic distress commission established under that section, for 8303
so long as such commission continues to be required for the 8304
district. 8305

(2) The board of education may contract with a person 8306
experienced in the implementation of student transportation to 8307
produce a report that includes an analysis of and recommendations 8308
for the use of alternative fuel vehicles by school districts. The 8309
report shall include cost estimates detailing the return on 8310
investment over the life of the alternative fuel vehicles and 8311
environmental impact of alternative fuel vehicles. The report also 8312
shall include estimates of all costs associated with alternative 8313
fuel transportation, including facility modifications and vehicle 8314
purchase costs or conversion costs. 8315

If the board finds after receiving the report that the amount 8316
of money the district would spend on purchasing alternative fuel 8317
vehicles or vehicle conversion is not likely to exceed the amount 8318

of money it would save in fuel and resultant operational and 8319
maintenance costs over the ensuing five years, the board may 8320
submit to the commission a copy of its findings and a request for 8321
approval to incur indebtedness to finance the purchase of new 8322
alternative fuel vehicles or vehicle conversions for the purpose 8323
of reducing fuel costs. 8324

The facilities construction commission, in consultation with 8325
the auditor of state, may deny a request under division (G)(2) of 8326
this section by the board of education of any school district that 8327
is in a state of fiscal watch pursuant to division (A) of section 8328
3316.03 of the Revised Code, if it determines that the expenditure 8329
of funds is not in the best interest of the school district. 8330

No district board of education of a school district that is 8331
in a state of fiscal emergency pursuant to division (B) of section 8332
3316.03 of the Revised Code shall submit a request without 8333
submitting evidence that the purchase or conversion of alternative 8334
fuel vehicles has been approved by the district's financial 8335
planning and supervision commission established under section 8336
3316.05 of the Revised Code. 8337

No board of education of a school district for which an 8338
academic distress commission has been established under section 8339
3302.10 of the Revised Code shall submit a request without first 8340
receiving approval to incur indebtedness from the district's 8341
academic distress commission established under that section, for 8342
so long as such commission continues to be required for the 8343
district. 8344

(3) The facilities construction commission shall approve the 8345
board's request provided that the following conditions are 8346
satisfied: 8347

(a) The commission determines that the board's findings are 8348
reasonable. 8349

(b) The request for approval is complete. 8350

(c) If the request was submitted under division (G)(1) of 8351
this section, the installations, modifications, or remodeling are 8352
consistent with any project to construct or acquire classroom 8353
facilities, or to reconstruct or make additions to existing 8354
classroom facilities under sections 3318.01 to 3318.20 or sections 8355
3318.40 to 3318.45 of the Revised Code. 8356

Upon receipt of the commission's approval, the district may 8357
issue securities without a vote of the electors in a principal 8358
amount not to exceed nine-tenths of one per cent of its tax 8359
valuation for the purpose specified in division (G)(1) or (2) of 8360
this section, but the total net indebtedness of the district 8361
without a vote of the electors incurred under this and all other 8362
sections of the Revised Code, except section 3318.052 of the 8363
Revised Code, shall not exceed one per cent of the district's tax 8364
valuation. 8365

(4)(a) So long as any securities issued under division (G)(1) 8366
of this section remain outstanding, the board of education shall 8367
monitor the energy consumption and resultant operational and 8368
maintenance costs of buildings in which installations or 8369
modifications have been made or remodeling has been done pursuant 8370
to that division. Except as provided in division (G)(4)(b) of this 8371
section, the board shall maintain and annually update a report in 8372
a form and manner prescribed by the facilities construction 8373
commission documenting the reductions in energy consumption and 8374
resultant operational and maintenance cost savings attributable to 8375
such installations, modifications, or remodeling. The resultant 8376
operational and maintenance cost savings shall be certified by the 8377
school district treasurer. The report shall be submitted annually 8378
to the commission. 8379

(b) If the facilities construction commission verifies that 8380
the certified annual reports submitted to the commission by a 8381

board of education under division (G)(4)(a) of this section 8382
fulfill the guarantee required under division (B) of section 8383
3313.372 of the Revised Code for three consecutive years, the 8384
board of education shall no longer be subject to the annual 8385
reporting requirements of division (G)(4)(a) of this section. 8386

(5) So long as any securities issued under division (G)(2) of 8387
this section remain outstanding, the board of education shall 8388
monitor the purchase of new alternative fuel vehicles or vehicle 8389
conversions pursuant to that division. The board shall maintain 8390
and annually update a report in a form and manner prescribed by 8391
the facilities construction commission documenting the purchase of 8392
new alternative fuel vehicles or vehicle conversions, the 8393
associated environmental impact, and return on investment. The 8394
resultant fuel and operational and maintenance cost savings shall 8395
be certified by the school district treasurer. The report shall be 8396
submitted annually to the commission. 8397

(H) With the consent of the superintendent of public 8398
instruction, a school district may incur without a vote of the 8399
electors net indebtedness that exceeds the amounts stated in 8400
divisions (A) and (G) of this section for the purpose of paying 8401
costs of permanent improvements, if and to the extent that both of 8402
the following conditions are satisfied: 8403

(1) The fiscal officer of the school district estimates that 8404
receipts of the school district from payments made under or 8405

section 5709.43 or division (B) of section 5709.47 of the Revised 8410
Code, or any combination thereof, are, after accounting for any 8411
appropriate coverage requirements, sufficient in time and amount, 8412
and are committed by the proceedings, to pay the debt charges on 8413

the securities issued to evidence that indebtedness and payable 8414
from those receipts, and the taxing authority of the district 8415
confirms the fiscal officer's estimate, which confirmation is 8416
approved by the superintendent of public instruction; 8417

(2) The fiscal officer of the school district certifies, and 8418
the taxing authority of the district confirms, that the district, 8419
at the time of the certification and confirmation, reasonably 8420
expects to have sufficient revenue available for the purpose of 8421
operating such permanent improvements for their intended purpose 8422
upon acquisition or completion thereof, and the superintendent of 8423
public instruction approves the taxing authority's confirmation. 8424

(I) A school district may incur net indebtedness by the 8428
issuance of securities in accordance with the provisions of this 8429
chapter in excess of the limit specified in division (B) or (C) of 8430
this section when necessary to raise the school district portion 8431
of the basic project cost and any additional funds necessary to 8432
participate in a project under Chapter 3318. of the Revised Code, 8433
including the cost of items designated by the facilities 8434
construction commission as required locally funded initiatives, 8435

3318.20 of the Revised Code is greater than or equal to one 8444
hundred million dollars may incur without a vote of the electors 8445

net indebtedness in an amount up to two per cent of its tax 8446
valuation through the issuance of general obligation securities in 8447
order to generate all or part of the amount of its portion of the 8448
basic project cost if the controlling board has approved the 8449
facilities construction commission's conditional approval of the 8450
project under section 3318.04 of the Revised Code. The school 8451
district board and the Ohio facilities construction commission 8452
shall include the dedication of the proceeds of such securities in 8453
the agreement entered into under section 3318.08 of the Revised 8454

credited to the several treasurers, governing boards, and 8756
investing authorities participating in a pool in a manner which 8757

investments in the pool and the differing periods of time for 8759
which such amounts are in the pool. 8760

(D)(1) If the director ~~of development services~~ determines 8927
that an application meets the criteria in divisions (C)(1), (2), 8928
and (3) of this section, the director shall conduct a cost-benefit 8929

building will result in a net revenue gain in state and local 8932
taxes once the building is used. The director shall consider the 8933
results of the cost-benefit analysis in determining whether to 8934
approve the application. The director shall also consider the 8935

the credits throughout the state. The director may approve an 8937
application only after completion of the cost-benefit analysis. 8938

division (D)(6) of this section during each state fiscal biennium. 8991

divisions (C)(1), (2), and (3) of this section only; issuance of a 9016
certificate does not represent a verification or certification by 9017

section, all public records responsive to the request shall be 9536
promptly prepared and made available for inspection to any person 9537
at all reasonable times during regular business hours. Subject to 9538
division (B)(8) of this section, upon request by any person, a 9539
public office or person responsible for public records shall make 9540
copies of the requested public record available to the requester 9541
at cost and within a reasonable period of time. If a public record 9542
contains information that is exempt from the duty to permit public 9543
inspection or to copy the public record, the public office or the 9544
person responsible for the public record shall make available all 9545
of the information within the public record that is not exempt. 9546
When making that public record available for public inspection or 9547
copying that public record, the public office or the person 9548
responsible for the public record shall notify the requester of 9549
any redaction or make the redaction plainly visible. A redaction 9550
shall be deemed a denial of a request to inspect or copy the 9551
redacted information, except if federal or state law authorizes or 9552
requires a public office to make the redaction. 9553

(2) To facilitate broader access to public records, a public 9554
office or the person responsible for public records shall organize 9555
and maintain public records in a manner that they can be made 9556

available for inspection or copying in accordance with division 9557
(B) of this section. A public office also shall have available a 9558
copy of its current records retention schedule at a location 9559
readily available to the public. If a requester makes an ambiguous 9560
or overly broad request or has difficulty in making a request for 9561
copies or inspection of public records under this section such 9562
that the public office or the person responsible for the requested 9563
public record cannot reasonably identify what public records are 9564
being requested, the public office or the person responsible for 9565
the requested public record may deny the request but shall provide 9566
the requester with an opportunity to revise the request by 9567
informing the requester of the manner in which records are 9568
maintained by the public office and accessed in the ordinary 9569
course of the public office's or person's duties. 9570

(3) If a request is ultimately denied, in part or in whole, 9571
the public office or the person responsible for the requested 9572
public record shall provide the requester with an explanation, 9573
including legal authority, setting forth why the request was 9574
denied. If the initial request was provided in writing, the 9575
explanation also shall be provided to the requester in writing. 9576
The explanation shall not preclude the public office or the person 9577
responsible for the requested public record from relying upon 9578
additional reasons or legal authority in defending an action 9579
commenced under division (C) of this section. 9580

(4) Unless specifically required or authorized by state or 9581
federal law or in accordance with division (B) of this section, no 9582
public office or person responsible for public records may limit 9583
or condition the availability of public records by requiring 9584
disclosure of the requester's identity or the intended use of the 9585
requested public record. Any requirement that the requester 9586
disclose the requester's identity or the intended use of the 9587
requested public record constitutes a denial of the request. 9588

(5) A public office or person responsible for public records 9589
may ask a requester to make the request in writing, may ask for 9590
the requester's identity, and may inquire about the intended use 9591
of the information requested, but may do so only after disclosing 9592
to the requester that a written request is not mandatory, that the 9593
requester may decline to reveal the requester's identity or the 9594
intended use, and when a written request or disclosure of the 9595
identity or intended use would benefit the requester by enhancing 9596
the ability of the public office or person responsible for public 9597
records to identify, locate, or deliver the public records sought 9598
by the requester. 9599

(6) If any person requests a copy of a public record in 9600
accordance with division (B) of this section, the public office or 9601
person responsible for the public record may require that person 9602
to pay in advance the cost involved in providing the copy of the 9603
public record in accordance with the choice made by the person 9604
requesting the copy under this division. The public office or the 9605
person responsible for the public record shall permit that person 9606
to choose to have the public record duplicated upon paper, upon 9607
the same medium upon which the public office or person responsible 9608
for the public record keeps it, or upon any other medium upon 9609
which the public office or person responsible for the public 9610
record determines that it reasonably can be duplicated as an 9611
integral part of the normal operations of the public office or 9612
person responsible for the public record. When the person 9613
requesting the copy makes a choice under this division, the public 9614
office or person responsible for the public record shall provide a 9615
copy of it in accordance with the choice made by that person. 9616
Nothing in this section requires a public office or person 9617
responsible for the public record to allow the person requesting a 9618
copy of the public record to make the copies of the public record. 9619

(7)(a) Upon a request made in accordance with division (B) of 9620

this section and subject to division (B)(6) of this section, a 9621
public office or person responsible for public records shall 9622
transmit a copy of a public record to any person by United States 9623
mail or by any other means of delivery or transmission within a 9624
reasonable period of time after receiving the request for the 9625
copy. The public office or person responsible for the public 9626
record may require the person making the request to pay in advance 9627
the cost of postage if the copy is transmitted by United States 9628
mail or the cost of delivery if the copy is transmitted other than 9629
by United States mail, and to pay in advance the costs incurred 9630
for other supplies used in the mailing, delivery, or transmission. 9631

(b) Any public office may adopt a policy and procedures that 9632
it will follow in transmitting, within a reasonable period of time 9633
after receiving a request, copies of public records by United 9634
States mail or by any other means of delivery or transmission 9635
pursuant to division (B)(7) of this section. A public office that 9636
adopts a policy and procedures under division (B)(7) of this 9637
section shall comply with them in performing its duties under that 9638
division. 9639

(c) In any policy and procedures adopted under division 9640
(B)(7) of this section: 9641

(i) A public office may limit the number of records requested 9642
by a person that the office will physically deliver by United 9643
States mail or by another delivery service to ten per month, 9644
unless the person certifies to the office in writing that the 9645
person does not intend to use or forward the requested records, or 9646
the information contained in them, for commercial purposes; 9647

(ii) A public office that chooses to provide some or all of 9648
its public records on a web site that is fully accessible to and 9649
searchable by members of the public at all times, other than 9650
during acts of God outside the public office's control or 9651
maintenance, and that charges no fee to search, access, download, 9652

or otherwise receive records provided on the web site, may limit 9653
to ten per month the number of records requested by a person that 9654
the office will deliver in a digital format, unless the requested 9655
records are not provided on the web site and unless the person 9656
certifies to the office in writing that the person does not intend 9657
to use or forward the requested records, or the information 9658
contained in them, for commercial purposes. 9659

(iii) For purposes of division (B)(7) of this section, 9660
"commercial" shall be narrowly construed and does not include 9661
reporting or gathering news, reporting or gathering information to 9662
assist citizen oversight or understanding of the operation or 9663
activities of government, or nonprofit educational research. 9664

(8) A public office or person responsible for public records 9665
is not required to permit a person who is incarcerated pursuant to 9666
a criminal conviction or a juvenile adjudication to inspect or to 9667
obtain a copy of any public record concerning a criminal 9668
investigation or prosecution or concerning what would be a 9669
criminal investigation or prosecution if the subject of the 9670
investigation or prosecution were an adult, unless the request to 9671
inspect or to obtain a copy of the record is for the purpose of 9672
acquiring information that is subject to release as a public 9673
record under this section and the judge who imposed the sentence 9674
or made the adjudication with respect to the person, or the 9675
judge's successor in office, finds that the information sought in 9676
the public record is necessary to support what appears to be a 9677
justiciable claim of the person. 9678

(9)(a) Upon written request made and signed by a journalist, 9679
a public office, or person responsible for public records, having 9680
custody of the records of the agency employing a specified 9681
designated public service worker shall disclose to the journalist 9682
the address of the actual personal residence of the designated 9683
public service worker and, if the designated public service 9684

worker's spouse, former spouse, or child is employed by a public 9685
office, the name and address of the employer of the designated 9686
public service worker's spouse, former spouse, or child. The 9687
request shall include the journalist's name and title and the name 9688
and address of the journalist's employer and shall state that 9689
disclosure of the information sought would be in the public 9690
interest. 9691

(b) Division (B)(9)(a) of this section also applies to 9692
journalist requests for: 9693

(i) Customer information maintained by a municipally owned or 9694

medium, including a newspaper, magazine, press association, news 9704
agency, or wire service, a radio or television station, or a 9705
similar medium, for the purpose of gathering, processing, 9706
transmitting, compiling, editing, or disseminating information for 9707
the general public. 9708

(10) Upon a request made by a victim, victim's attorney, or 9709
victim's representative, as that term is used in section 2930.02 9710
of the Revised Code, a public office or person responsible for 9711
public records shall transmit a copy of a depiction of the victim 9712
as described in division (A)(1)(ii) of this section to the victim, 9713
victim's attorney, or victim's representative. 9714

(C)(1) If a person allegedly is aggrieved by the failure of a 9715

public office or the person responsible for public records to 9716
promptly prepare a public record and to make it available to the 9717
person for inspection in accordance with division (B) of this 9718
section or by any other failure of a public office or the person 9719
responsible for public records to comply with an obligation in 9720
accordance with division (B) of this section, the person allegedly 9721
aggrieved may do only one of the following, and not both: 9722

(a) File a complaint with the clerk of the court of claims or 9723
the clerk of the court of common pleas under section 2743.75 of 9724
the Revised Code; 9725

(b) Commence a mandamus action to obtain a judgment that 9726
orders the public office or the person responsible for the public 9727

court costs and reasonable attorney's fees to the person that 9729
instituted the mandamus action, and, if applicable, that includes 9730
an order fixing statutory damages under division (C)(2) of this 9731
section. The mandamus action may be commenced in the court of 9732
common pleas of the county in which division (B) of this section 9733
allegedly was not complied with, in the supreme court pursuant to 9734
its original jurisdiction under Section 2 of Article IV, Ohio 9735
Constitution, or in the court of appeals for the appellate 9736
district in which division (B) of this section allegedly was not 9737
complied with pursuant to its original jurisdiction under Section 9738
3 of Article IV, Ohio Constitution. 9739

(2) If a requester transmits a written request by hand 9740
delivery, electronic submission, or certified mail to inspect or 9741
receive copies of any public record in a manner that fairly 9742
describes the public record or class of public records to the 9743
public office or person responsible for the requested public 9744
records, except as otherwise provided in this section, the 9745
requester shall be entitled to recover the amount of statutory 9746
damages set forth in this division if a court determines that the 9747

public office or the person responsible for public records failed 9748
to comply with an obligation in accordance with division (B) of 9749
this section. 9750

The amount of statutory damages shall be fixed at one hundred 9751
dollars for each business day during which the public office or 9752

construed as a penalty, but as compensation for injury arising 9758
from lost use of the requested information. The existence of this 9759
injury shall be conclusively presumed. The award of statutory 9760
damages shall be in addition to all other remedies authorized by 9761
this section. 9762

The court may reduce an award of statutory damages or not 9763
award statutory damages if the court determines both of the 9764
following: 9765

(a) That, based on the ordinary application of statutory law 9766
and case law as it existed at the time of the conduct or 9767
threatened conduct of the public office or person responsible for 9768
the requested public records that allegedly constitutes a failure 9769
to comply with an obligation in accordance with division (B) of 9770
this section and that was the basis of the mandamus action, a 9771
well-informed public office or person responsible for the 9772
requested public records reasonably would believe that the conduct 9773
or threatened conduct of the public office or person responsible 9774
for the requested public records did not constitute a failure to 9775
comply with an obligation in accordance with division (B) of this 9776
section; 9777

(b) That a well-informed public office or person responsible 9778
for the requested public records reasonably would believe that the 9779

conduct or threatened conduct of the public office or person 9780
responsible for the requested public records would serve the 9781
public policy that underlies the authority that is asserted as 9782
permitting that conduct or threatened conduct. 9783

(3) In a mandamus action filed under division (C)(1) of this 9784
section, the following apply: 9785

(a)(i) If the court orders the public office or the person 9786
responsible for the public record to comply with division (B) of 9787
this section, the court shall determine and award to the relator 9788
all court costs, which shall be construed as remedial and not 9789
punitive. 9790

(ii) If the court makes a determination described in division 9791
(C)(3)(b)(iii) of this section, the court shall determine and 9792
award to the relator all court costs, which shall be construed as 9793
remedial and not punitive. 9794

(b) If the court renders a judgment that orders the public 9795
office or the person responsible for the public record to comply 9796
with division (B) of this section or if the court determines any 9797
of the following, the court may award reasonable attorney's fees 9798
to the relator, subject to division (C)(4) of this section: 9799

(i) The public office or the person responsible for the 9800
public records failed to respond affirmatively or negatively to 9801
the public records request in accordance with the time allowed 9802
under division (B) of this section. 9803

(ii) The public office or the person responsible for the 9804
public records promised to permit the relator to inspect or 9805
receive copies of the public records requested within a specified 9806
period of time but failed to fulfill that promise within that 9807
specified period of time. 9808

(iii) The public office or the person responsible for the 9809
public records acted in bad faith when the office or person 9810

voluntarily made the public records available to the relator for 9811
the first time after the relator commenced the mandamus action, 9812
but before the court issued any order concluding whether or not 9813
the public office or person was required to comply with division 9814
(B) of this section. No discovery may be conducted on the issue of 9815
the alleged bad faith of the public office or person responsible 9816
for the public records. This division shall not be construed as 9817
creating a presumption that the public office or the person 9818
responsible for the public records acted in bad faith when the 9819
office or person voluntarily made the public records available to 9820
the relator for the first time after the relator commenced the 9821
mandamus action, but before the court issued any order described 9822
in this division. 9823

(c) The court shall not award attorney's fees to the relator 9824
if the court determines both of the following: 9825

(i) That, based on the ordinary application of statutory law 9826
and case law as it existed at the time of the conduct or 9827
threatened conduct of the public office or person responsible for 9828
the requested public records that allegedly constitutes a failure 9829
to comply with an obligation in accordance with division (B) of 9830
this section and that was the basis of the mandamus action, a 9831
well-informed public office or person responsible for the 9832
requested public records reasonably would believe that the conduct 9833
or threatened conduct of the public office or person responsible 9834
for the requested public records did not constitute a failure to 9835
comply with an obligation in accordance with division (B) of this 9836
section; 9837

(ii) That a well-informed public office or person responsible 9838
for the requested public records reasonably would believe that the 9839
conduct or threatened conduct of the public office or person 9840
responsible for the requested public records would serve the 9841
public policy that underlies the authority that is asserted as 9842

permitting that conduct or threatened conduct. 9843

(4) All of the following apply to any award of reasonable 9844
attorney's fees awarded under division (C)(3)(b) of this section: 9845

(a) The fees shall be construed as remedial and not punitive. 9846

(b) The fees awarded shall not exceed the total of the 9847
reasonable attorney's fees incurred before the public record was 9848
made available to the relator and the fees described in division 9849
(C)(4)(c) of this section. 9850

(c) Reasonable attorney's fees shall include reasonable fees 9851
incurred to produce proof of the reasonableness and amount of the 9852
fees and to otherwise litigate entitlement to the fees. 9853

(d) The court may reduce the amount of fees awarded if the 9854
court determines that, given the factual circumstances involved 9855
with the specific public records request, an alternative means 9856
should have been pursued to more effectively and efficiently 9857
resolve the dispute that was subject to the mandamus action filed 9858
under division (C)(1) of this section. 9859

(5) If the court does not issue a writ of mandamus under 9860
division (C) of this section and the court determines at that time 9861
that the bringing of the mandamus action was frivolous conduct as 9862
defined in division (A) of section 2323.51 of the Revised Code, 9863
the court may award to the public office all court costs, 9864
expenses, and reasonable attorney's fees, as determined by the 9865
court. 9866

(D) Chapter 1347. of the Revised Code does not limit the 9867
provisions of this section. 9868

(E)(1) To ensure that all employees of public offices are 9869

policy developed and provided to the public office by the attorney 9882
general under section 109.43 of the Revised Code. Except as 9883

available to a single person, may not limit the number of public 9886
records that it will make available during a fixed period of time, 9887

adopted by the public office under this division to the employee 9892
of the public office who is the records custodian or records 9893
manager or otherwise has custody of the records of that office. 9894

receipt of the copy of the public records policy. The public 9896

to Chapter 119. of the Revised Code to reasonably limit the number 9908
of bulk commercial special extraction requests made by a person 9909

year. The rules may include provisions for charges to be made for 9911
bulk commercial special extraction requests for the actual cost of 9912

for commercial purposes. "Bulk commercial special extraction 9928

section 2743.75 of the Revised Code, requesting the court to order 9975
the release of all or portions of the recording. If the court 9976
considering the request determines that the filing articulates by 9977
clear and convincing evidence that the public interest in the 9978
recording substantially outweighs privacy interests and other 9979
interests asserted to deny release, the court shall order the 9980
public office to release the recording. 9981

an original application is filed, may be filed with the original 12287
application. If the county auditor determines the information 12288
contained in the late application is correct, the auditor shall 12289
determine the amount of the reduction in taxes to which the 12290
applicant would have been entitled for the preceding tax year had 12291
the applicant's application been timely filed and approved in that 12292
year. 12293

The amount of such reduction shall be treated by the auditor 12294
as an overpayment of taxes by the applicant and shall be refunded 12295
in the manner prescribed in section 5715.22 of the Revised Code 12296
for making refunds of overpayments. The county auditor shall 12297
certify the total amount of the reductions in taxes made in the 12298
current year under this division to the tax commissioner, who 12299
shall treat the full amount thereof as a reduction in taxes for 12300
the preceding tax year and shall make reimbursement to the county 12301
therefor in the manner prescribed by section 323.156 of the 12302
Revised Code, from money appropriated for that purpose. 12303

(C)(1) If, in any year after an application has been filed 12304
under division (A)(1) or (2) of this section, the owner does not 12305
qualify for a reduction in taxes on the homestead or on the 12306
manufactured or mobile home set forth on such application, the 12307
owner shall notify the county auditor that the owner is not 12308
qualified for a reduction in taxes. 12309

(2) If, in any year after an application has been filed under 12310
division (A)(1) of this section, the occupant of a homestead in a 12311
housing cooperative does not qualify for a reduction in taxes on 12312
the homestead, the occupant shall notify the county auditor that 12313
the occupant is not qualified for a reduction in taxes or file a 12314
new application under division (A)(1) of this section. 12315

(3) If the county auditor or county treasurer discovers that 12316
the an owner of property or occupant of a homestead in a housing 12317
cooperative not entitled to the reduction in taxes under division 12318
(A) or (B) of section 323.152 of the Revised Code failed to notify 12319
the county auditor as required by division (C)(1) or (2) of this 12320
section, a charge shall be imposed against the property in the 12321
amount by which taxes were reduced under that division for each 12322
tax year the county auditor ascertains that the property was not 12323
entitled to the reduction and was owned by the current owner or, 12324
in the case of a homestead in a housing cooperative, occupied by 12325
the current occupant. Interest shall accrue in the manner 12326
prescribed by division (B) of section 323.121 or division (G)(2) 12327
of section 4503.06 of the Revised Code on the amount by which 12328
taxes were reduced for each such tax year as if the reduction 12329
became delinquent taxes at the close of the last day the second 12330
installment of taxes for that tax year could be paid without 12331
penalty. The county auditor shall notify the owner or occupant, by 12332
ordinary mail, of the charge, of the owner's or occupant's right 12333
to appeal the charge, and of the manner in which the owner or 12334
occupant may appeal. The owner or occupant may appeal the 12335
imposition of the charge and interest by filing an appeal with the 12336
county board of revision not later than the last day prescribed 12337
for payment of real and public utility property taxes under 12338
section 323.12 of the Revised Code following receipt of the notice 12339
and occurring at least ninety days after receipt of the notice. 12340
The appeal shall be treated in the same manner as a complaint 12341
relating to the valuation or assessment of real property under 12342
Chapter 5715. of the Revised Code. The charge and any interest 12343
shall be collected as other delinquent taxes. 12344

(4) Each year during January, the county auditor shall 12345
furnish by ordinary mail a continuing application to each person 12346
receiving a reduction under division (A) of section 323.152 of the 12347
Revised Code. The continuing application shall be used to report 12348

changes in total income, ownership, occupancy, disability, and 12349
other information earlier furnished the auditor relative to the 12350
reduction in taxes on the property. The continuing application 12351
shall be returned to the auditor not later than the thirty-first 12352
day of December; provided, that if such changes do not affect the 12353
status of the homestead exemption or the amount of the reduction 12354
to which the owner is entitled under division (A) of section 12355
323.152 of the Revised Code or to which the occupant is entitled 12356
under section 323.159 of the Revised Code, the application does 12357
not need to be returned. 12358

(5) Each year during February, the county auditor, except as 12359
otherwise provided in this paragraph, shall furnish by ordinary 12360
mail an original application to the owner, as of the first day of 12361
January of that year, of a homestead or a manufactured or mobile 12362
home that transferred during the preceding calendar year and that 12363
qualified for and received a reduction in taxes under division (B) 12364
of section 323.152 of the Revised Code for the preceding tax year. 12365
In order to receive the reduction under that division, the owner 12366
shall file the application with the county auditor not later than 12367
the thirty-first day of December. If the application is not timely 12368
filed, the auditor shall not grant a reduction in taxes for the 12369
homestead for the current year, and shall notify the owner that 12370
the reduction in taxes has not been granted, in the same manner 12371
prescribed under section 323.154 of the Revised Code for 12372
notification of denial of an application. Failure of an owner to 12373
receive an application does not excuse the failure of the owner to 12374
file an original application. The county auditor is not required 12375
to furnish an application under this paragraph for any homestead 12376
for which application has previously been made on a form 12377
incorporated into any form used by the county auditor to 12378
administer the tax law in respect to the conveyance of real 12379
property or of used manufactured homes or used mobile homes, and 12380
an owner who previously has applied on such a form is not required 12381

to return an application furnished under this paragraph. 12382

(D) No person shall knowingly make a false statement for the 12383
purpose of obtaining a reduction in the person's real property or 12384
manufactured home taxes under section 323.152 of the Revised Code. 12385

(E) No person shall knowingly fail to notify the county 12386
auditor of changes required by division (C) of this section that 12387
have the effect of maintaining or securing a reduction in taxes 12388
under section 323.152 of the Revised Code. 12389

(F) No person shall knowingly make a false statement or 12390
certification attesting to any person's physical or mental 12391
condition for purposes of qualifying such person for tax relief 12392
pursuant to sections 323.151 to 323.159 of the Revised Code. 12393

Sec. 329.12. (A) A county department of job and family 12394
services may establish an individual development account program 12395
for residents of the county. The program shall provide for 12396

contributions from individuals and entities, including the county 12398
department, to be used as matching funds for deposit in the 12399
accounts. 12400

(6) Any other factor the county department considers 12420
appropriate. 12421

(C) At the time it commences the program and on the first day 12422
of each subsequent program year, the county department may make a 12423
grant to the fiduciary organization to pay all or part of the 12424
administrative costs of the program. 12425

(D) The county department shall require the fiduciary 12426
organization to collect and maintain information regarding the 12427
program, including all of the following: 12428

The size of the board shall be determined by the board of 12458

notify the department of mental health and addiction services. 12465
After the resolution is adopted and the department is notified, 12466
the determination of size is final. 12467

(B)(1) In the case of a board of alcohol, drug addiction, and 12468

business enterprise or an EDGE business enterprise for the purpose 12597
of obtaining contracts or any other benefits under this section 12598

Sec. 341.12. ~~(A)~~ In a county not having a sufficient jail or 12601
staff, ~~subject to division (B) of this section~~, the sheriff shall 12602

in the county or staff based upon the minimum standards for jails 12622

the fiscal officer shall certify a list of vendors located within 13128
the tourism development district to the tax commissioner, which 13129
shall include the name, address, and vendor's license number for 13130
each vendor. 13131

another provider that is not a contracting party will provide 13184
water or sanitary sewer services to an area within a proposed 13185
joint economic development district. 13186

(11) "Non-contracting municipal corporation" means a 13187
municipal corporation that is not a contracting party. 13188

(B) This section provides alternative procedures and 13189
requirements to those set forth in sections 715.70 and 715.71 of 13190
the Revised Code for creating and operating a joint economic 13191
development district. This section applies to municipal 13192
corporations and townships that are located in the same county or 13193
in adjacent counties. 13194

(C) One or more municipal corporations, one or more 13195
townships, and, under division (D) of this section, one or more 13196
counties may enter into a contract pursuant to which they 13197
designate one or more areas as a joint economic development 13198
district for the purpose of facilitating economic development and 13199
redevelopment, to create or preserve jobs and employment 13200
opportunities, and to improve the economic welfare of the people 13201
in this state and in the area of the contracting parties. 13202

(1) Except as otherwise provided in division (C)(2) of this 13203
section, the territory of each of the contracting parties shall be 13204
contiguous to the territory of at least one other contracting 13205
party, or contiguous to the territory of a township, municipal 13206
corporation, or county that is contiguous to another contracting 13207
party, even if the intervening township or municipal corporation 13208
is not a contracting party. 13209

(2) Contracting parties that have entered into a contract 13210
under section 715.70 or 715.71 of the Revised Code creating a 13211

joint economic development district prior to November 15, 1995, 13212
may enter into a contract under this section even if the territory 13213
of each of the contracting parties is not contiguous to the 13214
territory of at least one other contracting party, or contiguous 13215
to the territory of a township or municipal corporation that is 13216
contiguous to another contracting party as otherwise required 13217
under division (C)(1) of this section. The contract and district 13218
shall meet the requirements of this section. 13219

(D) If, on or after December 30, 2008, but on or before June 13220
30, 2009, one or more municipal corporations and one or more 13221
townships enter into a contract or amend an existing contract 13222
under this section, one or more counties in which all of those 13223
municipal corporations or townships are located also may enter 13224
into the contract as a contracting party or parties. 13225

(E)(1) The area or areas to be included in a joint economic 13226
development district shall meet all of the following criteria: 13227

(a) The area or areas shall be located within the territory 13228
of one or more of the contracting parties and may consist of all 13229
of the territory of any or all of the contracting parties. 13230

(b) No electors, except those residing in a mixed-use 13231
development, shall reside within the area or areas on the 13232
effective date of the contract creating the district. 13233

(c) The area or areas shall not include any parcel of land 13234
owned in fee by or leased to a municipal corporation or township, 13235
unless the municipal corporation or township is a contracting 13236
party or has given its consent to have the parcel of land included 13237
in the district by the adoption of an ordinance or resolution. 13238

(d) The area or areas shall not include any parcel of land 13239
excluded pursuant to division (J)(2) of this section. 13240

(2) The contracting parties may designate excluded parcels 13241
within the boundaries of the joint economic development district. 13242

Excluded parcels are not part of the district and persons employed 13243
or residing on such parcels shall not be subject to any income tax 13244
imposed within the district under division (F)(5) of this section. 13245

(F)(1) The contract creating a joint economic development 13246
district shall provide for the amount or nature of the 13247
contribution of each contracting party to the development and 13248
operation of the district and may provide for the sharing of the 13249
costs of the operation of and improvements for the district. The 13250
contributions may be in any form to which the contracting parties 13251
agree and may include, but are not limited to, the provision of 13252
services, money, real or personal property, facilities, or 13253
equipment. 13254

(2) The contract may provide for the contracting parties to 13255
share revenue from taxes levied by one or more of the contracting 13256
parties if those revenues may lawfully be applied to that purpose 13257
under the legislation by which those taxes are levied. 13258

(3) The contract shall include an economic development plan 13259
for the district that consists of a schedule for the provision of 13260
new, expanded, or additional services, facilities, or 13261
improvements. The contract may provide for expanded or additional 13262
capacity for or other enhancement of existing services, 13263
facilities, or improvements. 13264

(4) The contract shall enumerate the specific powers, duties, 13265
and functions of the board of directors of the district described 13266
under division (P) of this section and shall designate procedures 13267
consistent with that division for appointing members to the board. 13268
The contract shall enumerate rules to govern the board in carrying 13269
out its business under this section. 13270

(5)(a) The contract may grant to the board the power to adopt 13271
a resolution to levy an income tax within the entire district or 13272
within portions of the district designated by the contract. The 13273

income tax shall be used to carry out the economic development 13274
plan for the district or the portion of the district in which the 13275
tax is levied and for any other lawful purpose of the contracting 13276
parties pursuant to the contract, including the provision of 13277
utility services by one or more of the contracting parties. 13278

(b) An income tax levied under this section shall be based on 13279
both the income earned by persons employed or residing within the 13280
district and the net profit of businesses operating within the 13281
district. 13282

Except as provided in this section, the income tax levied 13283
within the district is subject to Chapter 718. of the Revised 13284
Code, except that no vote shall be required. The rate of the 13285
income tax shall be no higher than the highest rate being levied 13286
by a municipal corporation that is a contracting party. 13287

(c) If the board adopts a resolution to levy an income tax, 13288
it shall enter into an agreement with a municipal corporation that 13289
is a contracting party to administer, collect, and enforce the 13290
income tax on behalf of the district. 13291

(d) A resolution levying an income tax under this section 13292
shall require the contracting parties to annually set aside a 13293
percentage, to be stated in the resolution, of the amount of the 13294
income tax collected for the long-term maintenance of the 13295
district. 13296

(e) An income tax levied under this section shall apply in 13297
the district or the portion of the district in which the contract 13298
authorizes an income tax throughout the term of the contract 13299
creating the district. The tax shall not apply to any persons 13300
employed or residing on a parcel excluded from the district under 13301
division (E)(2) of this section. 13302

(6) If there is unincorporated territory in the district, the 13303
contract shall specify that restrictions on annexation proceedings 13304

under division (R) of this section apply to such unincorporated territory. The contract may prohibit proceedings under Chapter 709. of the Revised Code proposing the annexation to, merger of, or consolidation with a municipal corporation that is a contracting party of any unincorporated territory within a township that is a contracting party during the term of the contract regardless of whether that territory is located within the district.

(7) The contract may designate property as a community entertainment district, or may be amended to designate property as a community entertainment district, as prescribed in division (D) of section 4301.80 of the Revised Code. A contract or amendment designating a community entertainment district shall include all information and documentation described in divisions (B)(1) to (6) of section 4301.80 of the Revised Code. The public notice required under division (I) of this section shall specify that the contract designates a community entertainment district and describe the location of that district. Except as provided in division (F) of section 4301.80 of the Revised Code, an area designated as a community entertainment district under a joint economic development district contract shall not lose its designation even if the contract is canceled or terminated.

(8) If any part of the district is located either within one-half of one mile of a non-contracting municipal corporation or within an area covered by or subject to a water or sewer service plan or agreement, the contract shall include all of the following:

(a) A preliminary estimate of the costs of providing public utility services, facilities, and improvements to the district, prepared by a professional engineer;

(b) An analysis of the anticipated sources for funding the costs of the public utilities infrastructure needed to serve the

district and a projection of when such funds will be available and 13337
when such costs are likely to be incurred; 13338

(c) Evidence or estimates indicating that the construction of 13339
the public utility infrastructure needed to serve at least some 13340
portion of the district will be completed within five years after 13341
the creation of the district. 13342

(G) The contract creating a joint economic development 13343
district shall continue in existence throughout its term and shall 13344
be binding on the contracting parties and on any parties 13345
succeeding to the contracting parties, whether by annexation, 13346
merger, or consolidation. Except as provided in division (H) of 13347
this section, the contract may be amended, renewed, or terminated 13348
with the approval of the contracting parties or any parties 13349
succeeding to the contracting parties. If the contract is amended 13350
to add or remove an area to or from an existing district, the 13351
amendment shall be adopted in the manner prescribed under division 13352
(L) of this section. 13353

(H) If two or more contracting parties previously have 13354
entered into a separate contract for utility services, then 13355
amendment, renewal, or termination of the separate contract for 13356
utility services shall not constitute any part of the 13357
consideration for the contract creating a joint economic 13358
development district. A contract creating a joint economic 13359
development district shall be rebuttably presumed to violate this 13360
division if it is entered into within two years prior or five 13361
years subsequent to the amendment, renewal, or termination of a 13362
separate contract for utility services that two or more 13363
contracting parties previously have entered into. The presumption 13364
stated in this division may be rebutted by clear and convincing 13365
evidence of both of the following: 13366

(1) That other substantial consideration existed to support 13367
the contract creating a joint economic development district; 13368

(2) That the contracting parties entered into the contract 13369
creating a joint economic development district freely and without 13370
duress or coercion related to the amendment, renewal, or 13371
termination of the separate contract for utility services. 13372

A contract creating a joint economic development district 13373
that violates this division is void and unenforceable. 13374

(I)(1) Before the legislative authority of any of the 13375
contracting parties adopts an ordinance or resolution approving a 13376
contract to create a district, the legislative authority of each 13377
of the contracting parties shall hold a public hearing concerning 13378
the contract and district. Each legislative authority shall 13379
provide at least thirty days' public notice of the time and place 13380
of the public hearing in a newspaper of general circulation in the 13381
municipal corporation, township, or county, as applicable. During 13382
the thirty-day period prior to the public hearing and until the 13383
date that an ordinance or resolution is adopted under division (K) 13384
of this section to approve the joint economic development district 13385
contract, all of the following documents shall be available for 13386
public inspection in the office of the clerk of the legislative 13387
authority of a municipal corporation and county that is a 13388
contracting party and in the office of the fiscal officer of a 13389
township that is a contracting party: 13390

(a) A copy of the contract creating the district, including 13391
the economic development plan for the district and the schedule 13392
for the provision of new, expanded, or additional services, 13393
facilities, or improvements described in division (F)(3) of this 13394
section; 13395

(b) A description of the area or areas to be included in the 13396
district, including a map in sufficient detail to denote the 13397
specific boundaries of the area or areas and to indicate any 13398
zoning restrictions applicable to the area or areas, and the 13399
parcel number, provided for under section 319.28 of the Revised 13400

Code, of any parcel located within the boundaries of the joint 13401
economic development district and excluded from the district under 13402
division (E)(2) of this section; 13403

(c) If the contract authorizes the board of directors of the 13404
district to adopt a resolution to levy an income tax within the 13405
district or within portions of the district, a schedule for the 13406
collection of the tax. 13407

(2) At least thirty days before the first public hearing is 13408
to be held by one or more legislative authorities on a proposed 13409
district, notice shall be sent in writing to each non-contracting 13410
municipal corporation that is located within one-half of one mile 13411
of the proposed district or that is identified in a water or sewer 13412
service plan or agreement as a future provider of water or sewer 13413
services to all or part of the proposed district. 13414

(3) A public hearing held under this division shall allow for 13415
public comment and recommendations on the contract and district. 13416
The contracting parties may include in the contract any of those 13417
recommendations prior to approval of the contract. 13418

(J)(1) Before any of the contracting parties approves a 13419
contract under division (K) of this section, the contracting 13420
parties shall circulate one or more petitions to record owners of 13421
real property located within the proposed joint economic 13422
development district and owners of businesses operating within the 13423
proposed district. The petitions shall state that all of the 13424
documents described in divisions (I)(1)(a) to (c) of this section 13425
are available for public inspection in the office of the clerk of 13426
the legislative authority of each municipal corporation and county 13427
that is a contracting party or the office of the fiscal officer of 13428
each township that is a contracting party. The petitions shall 13429
clearly indicate that, by signing the petition, the record owner 13430
or owner consents to the proposed joint economic development 13431
district. 13432

A contracting party may send written notice of the petitions 13433
by certified mail with return receipt requested to the last known 13434
mailing addresses of any or all of the record owners of real 13435
property located within the proposed district or the owners of 13436
businesses operating within the proposed district. The contracting 13437
parties shall equally share the costs of complying with this 13438
division. 13439

(2) If any portion of property located within the proposed 13440
joint economic development district is also either located within 13441
one-half of one mile of a non-contracting municipal corporation or 13442
covered by or subject to a water or sewer service plan or 13443
agreement under which a non-contracting municipal corporation is 13444
identified as a future provider of water or sewer services to all 13445
or part of the proposed district, then that property and any 13446
property contiguous to that property if owned by the same person 13447
shall be excluded from the joint economic development district 13448
unless the owner of the property signs the petition. 13449

(K)(1) After the public hearings required under division (I) 13450
of this section have been held and the petitions described in 13451
division (J) of this section have been signed by the majority of 13452
the record owners of real property located within the proposed 13453
joint economic development district and by a majority of the 13454
owners of businesses, if any, operating within the proposed 13455
district, each contracting party may adopt an ordinance or 13456
resolution approving the contract to create a joint economic 13457
development district. Not later than ten days after all of the 13458
contracting parties have adopted ordinances or resolutions 13459
approving the district contract, each contracting party shall give 13460
notice of the proposed district to all of the following: 13461

(a) Each record owner of real property to be included in the 13462
district and in the territory of that contracting party who did 13463
not sign the petitions described in division (J) of this section; 13464

(b) An owner of each business operating within the district 13465
and in the territory of that contracting party no owner of which 13466
signed the petitions described in division (J) of this section. 13467

(2) Such notices shall be given by certified mail and shall 13468
specify that the property or business is located within an area to 13469
be included in the district and that all of the documents 13470
described in divisions (I)(1)(a) to (c) of this section are 13471
available for public inspection in the office of the clerk of the 13472
legislative authority of each municipal corporation and county 13473
that is a contracting party or the office of the fiscal officer of 13474
each township that is a contracting party. The contracting parties 13475
shall equally share the costs of complying with division (K) of 13476
this section. 13477

(L)(1) The contracting parties may amend the joint economic 13478
development district contract to add any area that was not 13479
originally included in the district if the area satisfies the 13480
criteria prescribed under division (E) of this section. The 13481
contracting parties may also amend the district contract to remove 13482
any area originally included in the district or exclude one or 13483
more parcels located within the district pursuant to division 13484
(E)(2) of this section. 13485

(2) An amendment adding an area to a district, removing an 13486
area from the district, or excluding one or more parcels from the 13487
district may be approved only by a resolution or ordinance adopted 13488
by each of the contracting parties. The contracting parties shall 13489
conduct public hearings on the amendment and provide notice in the 13490
manner required under division (I) of this section for original 13491
contracts. The contracting parties shall make available for public 13492
inspection a copy of the amendment, a description of the area to 13493
be added, removed, or excluded to or from the district, and a map 13494
of that area in sufficient detail to denote the specific 13495
boundaries of the area and to indicate any zoning restrictions 13496

applicable to the area. 13497

(3) Before adopting a resolution or ordinance approving the 13498
addition of an area to the district, the contracting parties shall 13499
circulate petitions to the record owners of real property located 13500
within the proposed addition to the district and owners of 13501
businesses operating within the proposed addition to the district 13502
in the same manner required under division (J) of this section for 13503
original contracts. The contracting parties may notify such record 13504
owners of real property and owners of businesses that the 13505
petitions are available for signing in the same manner provided by 13506
that division. The contracting parties shall equally share the 13507
costs of complying with this division. 13508

(4) The contracting parties to a joint economic development 13509
district may vote to approve an amendment to the district contract 13510
under this division after the public hearings required under 13511
division (L)(2) of this section are completed and, if the 13512
amendment adds an area or areas to the district, the petitions 13513
required under division (L)(3) of this section have been signed by 13514
the majority of record owners of real property located within the 13515
area or areas added to the district and by a majority of the 13516
owners of businesses, if any, operating within the proposed 13517
addition to the district. 13518

(5) Not later than ten days after all of the contracting 13519
parties have adopted ordinances or resolutions approving an 13520
amendment adding one or more areas to the district, each 13521
contracting party shall give notice of the addition to all of the 13522
following: 13523

(a) Each record owner of real property to be included in the 13524
addition to the district and in the territory of that contracting 13525
party who did not sign the petitions described in division (L)(3) 13526
of this section; 13527

(b) An owner of each business operating within the addition 13528
to the district and in the territory of that contracting party no 13529
owner of which signed the petitions described in division (L)(3) 13530
of this section. 13531

The contracting parties shall equally share the costs of 13532
complying with division (L)(5) of this section. 13533

(M)(1) A board of township trustees that is a party to a 13534
contract creating a joint economic development district may choose 13535
not to submit its resolution approving the contract to the 13536
electors of the township if all of the following conditions are 13537
satisfied: 13538

(a) The resolution has been approved by a unanimous vote of 13539
the members of the board of township trustees or, if a county is 13540
one of the contracting parties under division (D) of this section, 13541
the resolution has been approved by a majority vote of the members 13542
of the board of township trustees; 13543

(b) The contracting parties have circulated petitions as 13544
required under division (J) of this section and obtained the 13545
signatures required under division (L) of this section; 13546

(c) The territory to be included in the proposed district is 13547
zoned in a manner appropriate to the function of the district. 13548

(2) If the board of township trustees has not invoked its 13549
authority under division (M)(1) of this section, the board, at 13550
least ninety days before the date of the election, shall file its 13551
resolution approving the district contract with the board of 13552
elections for submission to the electors of the township for 13553
approval at the next succeeding general, primary, or special 13554
election. 13555

(3) Any contract creating a district in which a board of 13556
township trustees is a party shall provide that the contract is 13557
not effective before the thirty-first day after its approval, 13558

including approval by the electors of the township if required by 13559
this section. 13560

(4) If the board of township trustees invokes its authority 13561
under division (M)(1) of this section and does not submit the 13562
district contract to the electors for approval, the resolution of 13563
the board of township trustees approving the contract is subject 13564
to a referendum of the electors of the township when requested 13565
through a petition. When signed by ten per cent of the number of 13566
electors in the township who voted for the office of governor at 13567
the most recent general election, a referendum petition asking 13568
that the resolution be submitted to the electors of the township 13569
may be presented to the board of township trustees. Such a 13570
petition shall be presented within thirty days after the board of 13571
township trustees adopts the resolution approving the district 13572
contract. The board of township trustees shall, not later than 13573
four p.m. of the tenth day after receipt of the petition, certify 13574
the text of the resolution to the board of elections. The board of 13575
elections shall submit the resolution to the electors of the 13576
township for their approval or rejection at the next general, 13577
primary, or special election occurring at least ninety days after 13578
certification of the resolution. 13579

(N) The ballot respecting a resolution to create a district 13580

benefit that has, or will be, derived is negligible in comparison 13700
to the income tax revenue generated from the net profits of the 13701

The legislative authority of each contracting party shall be 13703

business owner under division (Q)(1) of this section and each 13717
answer submitted by a contracting party under division (Q)(2) of 13718
this section. The court may make a determination on the record and 13719
the evidence thus submitted, or it may conduct a hearing and 13720
request the presence of the business owner and the contracting 13721
parties to present evidence relevant to the complaint. The court 13722
shall make a determination on the complaint not sooner than thirty 13723
days but not later than sixty days after the complaint is filed by 13724

all contracting parties to the district consent. 13727

(4) The court shall grant the exemption requested in the 13728

(6) The court shall send notice of the determination with 13734

the income of its employees from employment within the district 13738

Sec. 1509.12. (A) ~~(1) No owner of any well~~ person shall 15015
construct or operate a well, ~~or permit defective casing in a well~~ 15016
~~to leak fluids or gases~~, that causes damage to other permeable 15017
strata, underground sources of drinking water, or the surface of 15018
the land or that threatens the public health and safety or the 15019
environment. ~~Upon~~ 15020

(2) No owner of a well shall permit defective casing in a 15021
well to leak fluids or gases. 15022

(3) Upon the discovery that the casing in a well is defective 15023
or that a well was not adequately constructed, the person that 15024
constructed the well or owner of the well shall notify the chief 15025
of the division of oil and gas resources management within 15026
twenty-four hours of the discovery, and ~~the owner~~ shall 15027
immediately repair the casing, correct the construction 15028
inadequacies, or plug and abandon the well. 15029

(B) When the chief finds that a well should be plugged, the 15030
chief shall notify the person that constructed the well or owner 15031
of the well to that effect by order in writing and shall specify 15032
in the order a reasonable time within which to comply. No ~~owner~~ 15033

unplugged thereafter constitutes a separate offense. 15036

Where the plugging method prescribed by rules adopted 15037
pursuant to section 1509.15 of the Revised Code cannot be applied 15038
or if applied would be ineffective in carrying out the protection 15039
that the law is meant to give, the chief may designate a different 15040
method of plugging. The abandonment report shall show the manner 15041
in which the well was plugged. 15042

(C) In case of oil or gas wells abandoned prior to September 1, 1978, the board of county commissioners of the county in which the wells are located may submit to the electors of the county the question of establishing a special fund, by general levy, by general bond issue, or out of current funds, which shall be approved by a majority of the electors voting upon that question for the purpose of plugging the wells. The fund shall be administered by the board and the plugging of oil and gas wells shall be under the supervision of the chief, and the board shall let contracts for that purpose, provided that the fund shall not be used for the purpose of plugging oil and gas wells that were abandoned subsequent to September 1, 1978.

Sec. 1509.13. (A) ~~No~~ (1) Except as otherwise provided in division (A)(2) of this section and division (E)(1) of section 1509.071 of the Revised Code, no person shall plug and abandon a well without having a permit to do so issued by the chief of the division of oil and gas resources management. The permit shall be issued by the chief in accordance with this chapter and shall be valid for a period of twenty-four months from the date of issue.

(2) The holder of a valid permit issued under section 1509.06 of the Revised Code may receive approval from an oil and gas resources inspector to plug and abandon the well associated with that permit, without obtaining the permit required under division (A) of this section, if either of the following apply:

(a) The well was drilled to total depth and the well cannot or will not be completed.

(b) The well is a lost hole or dry hole.

(3) A permit holder plugging a well pursuant to division (A)(2)(a) of this section shall plug the well within thirty days of receipt of approval from the oil and gas resources inspector.

(4) A permit holder plugging a well pursuant to division (A)(2)(b) of this section shall plug the well immediately after determining that the well is a lost hole or dry hole in accordance with rules adopted under this chapter. 15073
15074
15075
15076

(B) ~~Application by the owner~~ The application for a permit to plug and abandon shall be filed as many days in advance as will be necessary for an oil and gas resources inspector or, if the well is located in a coal bearing township, both a deputy mine inspector and an oil and gas resources inspector to be present at the plugging. The application shall be filed with the chief upon a form that the chief prescribes and shall contain the following information: 15077
15078
15079
15080
15081
15082
15083
15084

(1) The name and address of the ~~owner~~ applicant; 15085

(2) The signature of the ~~owner~~ applicant or the ~~owner's~~ applicant's authorized agent. When an authorized agent signs an application, it shall be accompanied by a certified copy of the appointment as that agent. 15086

15089

(3) The location of the well identified by section or lot number, city, village, township, and county; 15090
15091

(4) Designation of well by name and number; 15092

(5) The total depth of the well to be plugged; 15093

(6) The date and amount of last production from the well; 15094

(7) Other ~~data~~ information that the chief may require. 15095

(C) Except as otherwise provided in division (E)(2)(a) of section 1509.071 of the Revised Code, ~~if oil or gas has been produced from the well,~~ the application shall be accompanied by a nonrefundable fee of two hundred fifty dollars. ~~If a well has been drilled in accordance with law and the permit is still valid, the permit holder may receive approval to plug the well from an oil and gas resources inspector so that the well can be plugged and~~ 15096

~~abandoned without undue delay.~~ Unless waived by an oil and gas 15103
resources inspector, the owner of a well or the owner's authorized 15104
representative shall notify an oil and gas resources inspector at 15105
least twenty-four hours prior to the commencement of the plugging 15106
of a well. No well shall be plugged and abandoned without an oil 15107
and gas resources inspector present unless permission has been 15108
granted by the chief. The owner of a well that has produced oil or 15109
gas shall give written notice at the same time to the owner of the 15110
land upon which the well is located and to all lessors that 15111
receive gas from the well pursuant to ~~a lease~~ an agreement. If the 15112
well penetrates or passes within one hundred feet of the 15113
excavations and workings of a mine, the owner of the well shall 15114
give written notice to the owner or lessee of that mine, ~~of the~~ 15115
~~well owner's~~ intention to abandon the well and of the time when 15116
the ~~well~~ owner of the well will be prepared to commence plugging 15117
it. 15118

(D) An applicant may file a request with the chief for 15119
expedited review of an application for a permit to plug and 15120
abandon a well. The chief may refuse to accept a request for 15121
expedited review if, in the chief's judgment, acceptance of the 15122
request will prevent the issuance, within twenty-one days of 15123
filing, of permits for which applications filed under section 15124
1509.06 of the Revised Code are pending. In addition to a complete 15125
application for a permit that meets the requirements of this 15126
section and the permit fee prescribed by this section, if 15127
applicable, a request shall be accompanied by a nonrefundable 15128
filing fee of five hundred dollars unless the chief has ordered 15129
the applicant to plug and abandon the well. When a request for 15130
expedited review is filed, the chief shall immediately begin to 15131
process the application and shall issue a permit within seven days 15132
of the filing of the request unless the chief, by order, denies 15133
the application. 15134

(E) This (1) Except as otherwise provided in division (E)(2) 15135
of this section, any person undertaking the plugging of a well for 15136
which a permit has been issued under this section shall obtain 15137
insurance for bodily injury coverage and property damage coverage 15138
in the amount established under section 1509.07 of the Revised 15139
Code to pay for damages or injury to property or person, including 15140
damages caused by the plugging of the well. The person shall 15141
electronically submit proof of insurance to the chief upon the 15142
chief's request. 15143

(2) Division (E)(1) of this section does not apply to a 15144
person already required to maintain an insurance policy under 15145
section 1509.07 of the Revised Code. 15146

(F) This section does not apply to a well plugged or 15147
abandoned in compliance with section 1571.05 of the Revised Code. 15148

Sec. 1509.28. (A) The chief of the division of oil and gas 15149
resources management, upon the chief's own motion or upon 15150
application by the owners of sixty-five per cent of the land area 15151
overlying the pool, shall hold a hearing to consider the need for 15152
the operation as a unit of an entire pool or part thereof. In 15153
calculating the sixty-five per cent, an owner's entire interest in 15154
each tract in the proposed unit area, including any divided, 15155
undivided, partial, fee, or other interest in the tract, shall be 15156
included to the fullest extent of that interest. An application by 15157
owners shall be accompanied by a nonrefundable fee of ten thousand 15158
dollars and by such information as the chief may request. 15159

The chief shall make an order providing for the unit 15160
operation of a pool or part thereof if the chief finds that such 15161
operation is reasonably necessary to increase substantially the 15162
ultimate recovery of oil and gas, and the value of the estimated 15163
additional recovery of oil or gas exceeds the estimated additional 15164
cost incident to conducting the operation. The order shall be upon 15165

terms and conditions that are just and reasonable and shall 15166
prescribe a plan for unit operations that shall include: 15167

(1) A description of the unitized area, termed the unit area; 15168

(2) A statement of the nature of the operations contemplated; 15169

(3) An allocation to the separately owned tracts in the unit 15170
area of all the oil and gas that is produced from the unit area 15171
and is saved, being the production that is not used in the conduct 15172
of operations on the unit area or not unavoidably lost. The 15173
allocation shall be in accord with the agreement, if any, of the 15174
interested parties. If there is no such agreement, the chief shall 15175
determine the value, from the evidence introduced at the hearing, 15176
of each separately owned tract in the unit area, exclusive of 15177
physical equipment, for development of oil and gas by unit 15178
operations, and the production allocated to each tract shall be 15179
the proportion that the value of each tract so determined bears to 15180
the value of all tracts in the unit area. 15181

(4) A provision for the credits and charges to be made in the 15182
adjustment among the owners in the unit area for their respective 15183
investments in wells, tanks, pumps, machinery, materials, and 15184
equipment contributed to the unit operations; 15185

(5) A provision providing how the expenses of unit 15186
operations, including capital investment, shall be determined and 15187
charged to the separately owned tracts and how the expenses shall 15188
be paid; 15189

(6) A provision, if necessary, for carrying or otherwise 15190
financing any person who is unable to meet the person's financial 15191
obligations in connection with the unit, allowing a reasonable 15192
interest charge for such service; 15193

(7) A provision for the supervision and conduct of the unit 15194
operations, in respect to which each person shall have a vote with 15195
a value corresponding to the percentage of the expenses of unit 15196

operations chargeable against the interest of that person; 15197

(8) The time when the unit operations shall commence, and the 15198
manner in which, and the circumstances under which, the unit 15199
operations shall terminate; 15200

(9) Such additional provisions as are found to be appropriate 15201
for carrying on the unit operations, and for the protection or 15202
adjustment of correlative rights. 15203

(B) No order of the chief providing for unit operations shall 15204
become effective unless and until the plan for unit operations 15205
prescribed by the chief has been approved in writing by those 15206
owners who, under the chief's order, will be required to pay at 15207
least sixty-five per cent of the costs of the unit operation, and 15208
also by the royalty or, with respect to unleased acreage, fee 15209
owners of sixty-five per cent of the acreage to be included in the 15210
unit. If the plan for unit operations has not been so approved by 15211
owners and royalty owners at the time the order providing for unit 15212
operations is made, the chief shall upon application and notice 15213
hold such supplemental hearings as may be required to determine if 15214
and when the plan for unit operations has been so approved. If the 15215
owners and royalty owners, or either, owning the required 15216
percentage of interest in the unit area do not approve the plan 15217
for unit operations within a period of six months from the date on 15218
which the order providing for unit operations is made, the order 15219
shall cease to be of force and shall be revoked by the chief. 15220

An order providing for unit operations may be amended by an 15221
order made by the chief, in the same manner and subject to the 15222
same conditions as an original order providing for unit 15223
operations, provided that: 15224

(1) If such an amendment affects only the rights and 15225
interests of the owners, the approval of the amendment by the 15226
royalty owners shall not be required. 15227

(2) No such order of amendment shall change the percentage 15228
for allocation of oil and gas as established for any separately 15229
owned tract by the original order, except with the consent of all 15230
persons owning interest in the tract. 15231

The chief, by an order, may provide for the unit operation of 15232
a pool or a part thereof that embraces a unit area established by 15233
a previous order of the chief. Such an order, in providing for the 15234
allocation of unit production, shall first treat the unit area 15235
previously established as a single tract, and the portion of the 15236
unit production so allocated thereto shall then be allocated among 15237
the separately owned tracts included in the previously established 15238
unit area in the same proportions as those specified in the 15239
previous order. 15240

Oil and gas allocated to a separately owned tract shall be 15241
deemed, for all purposes, to have been actually produced from the 15242
tract, and all operations, including, but not limited to, the 15243
commencement, drilling, operation of, or production from a well 15244
upon any portion of the unit area shall be deemed for all purposes 15245
the conduct of such operations and production from any lease or 15246
contract for lands any portion of which is included in the unit 15247
area. The operations conducted pursuant to the order of the chief 15248
shall constitute a fulfillment of all the express or implied 15249
obligations of each lease or contract covering lands in the unit 15250
area to the extent that compliance with such obligations cannot be 15251
had because of the order of the chief. 15252

Oil and gas allocated to any tract, and the proceeds from the 15253
sale thereof, shall be the property and income of the several 15254
persons to whom, or to whose credit, the same are allocated or 15255
payable under the order providing for unit operations. 15256

No order of the chief or other contract relating to the sale 15257
or purchase of production from a separately owned tract shall be 15258
terminated by the order providing for unit operations, but shall 15259

remain in force and apply to oil and gas allocated to the tract 15260
until terminated in accordance with the provisions thereof. 15261

Notwithstanding divisions (A) to ~~(H)~~(G) of section ~~1509.73~~ 15262
155.33 of the Revised Code and rules adopted under it, the chief 15263
shall issue an order for the unit operation of a pool or a part of 15264
a pool that encompasses a unit area for which all or a portion of 15265
the mineral rights are owned by the department of transportation. 15266

Except to the extent that the parties affected so agree, no 15267
order providing for unit operations shall be construed to result 15268
in a transfer of all or any part of the title of any person to the 15269
oil and gas rights in any tract in the unit area. All property, 15270
whether real or personal, that may be acquired for the account of 15271
the owners within the unit area shall be the property of such 15272
owners in the proportion that the expenses of unit operations are 15273
charged. 15274

Sec. 1513.08. (A) After a coal mining and reclamation permit 15275
application has been approved, the applicant shall file with the 15276
chief of the division of mineral resources management, on a form 15277
prescribed and furnished by the chief, the performance security 15278
required under this section that shall be payable to the state and 15279
conditioned on the faithful performance of all the requirements of 15280
this chapter and rules adopted under it and the terms and 15281
conditions of the permit. 15282

(B) Using the information contained in the permit 15283
application; the requirements contained in the approved permit and 15284
reclamation plan; and, after considering the topography, geology, 15285
hydrology, and revegetation potential of the area of the approved 15286
permit, the probable difficulty of reclamation; the chief shall 15287
determine the estimated cost of reclamation under the initial term 15288
of the permit if the reclamation has to be performed by the 15289
division of mineral resources management in the event of 15290

forfeiture of the performance security by the applicant. The chief 15291
shall send written notice of the amount of the estimated cost of 15292
reclamation by certified mail to the applicant. The applicant 15293
shall send written notice to the chief indicating the method by 15294
which the applicant will provide the performance security pursuant 15295
to division (C) of this section. 15296

(C) The applicant shall provide the performance security in 15297
an amount using one of the following: 15298

(1) If the applicant elects to provide performance security 15299
without reliance on the reclamation forfeiture fund created in 15300
section 1513.18 of the Revised Code, the amount of the estimated 15301
cost of reclamation as determined by the chief under division (B) 15302
of this section for the increments of land on which the operator 15303
will conduct a coal mining and reclamation operation under the 15304
initial term of the permit as indicated in the application; 15305

(2) If the applicant elects to provide performance security 15306
together with reliance on the reclamation forfeiture fund through 15307
payment of the additional tax on the severance of coal that is 15308
levied under division (A)(8) of section 5749.02 of the Revised 15309
Code, an amount of twenty-five hundred dollars per acre of land on 15310
which the operator will conduct coal mining and reclamation under 15311
the initial term of the permit as indicated in the application. 15312
~~However, in~~ In order for an applicant to be eligible to provide 15313
performance security in accordance with division (C)(2) of this 15314
section, the applicant, an owner and controller of the applicant, 15315
or an affiliate of the applicant shall have held a permit issued 15316
under this chapter for any coal mining and reclamation operation 15317
for a period of not less than five years. ~~It~~ 15318

If a permit is transferred, assigned, or sold, the transferee 15319
is not eligible to provide performance security under division 15320
(C)(2) of this section if the transferee has not held a permit 15321
issued under this chapter for any coal mining and reclamation 15322

operation for a period of not less than five years. This 15323
restriction applies even if the status or name of the permittee 15324
otherwise remains the same after the transfer, assignment, or 15325
sale. 15326

In the event of forfeiture of performance security that was 15327
provided in accordance with division (C)(2) of this section, the 15328
difference between the amount of that performance security and the 15329
estimated cost of reclamation as determined by the chief under 15330
division (B) of this section shall be obtained from money in the 15331
reclamation forfeiture fund as needed to complete the reclamation. 15332

The performance security provided under division (C) of this 15333
section for the entire area to be mined under one permit issued 15334
under this chapter shall not be less than ten thousand dollars. 15335

The performance security shall cover areas of land affected 15336
by mining within or immediately adjacent to the permitted area, so 15337
long as the total number of acres does not exceed the number of 15338
acres for which the performance security is provided. However, the 15339
authority for the performance security to cover areas of land 15340
immediately adjacent to the permitted area does not authorize a 15341
permittee to mine areas outside an approved permit area. As 15342
succeeding increments of coal mining and reclamation operations 15343
are to be initiated and conducted within the permit area, the 15344
permittee shall file with the chief additional performance 15345
security to cover the increments in accordance with this section. 15346
If a permittee intends to mine areas outside the approved permit 15347
area, the permittee shall provide additional performance security 15348
in accordance with this section to cover the areas to be mined. 15349

If an applicant or permittee ~~has is not held a permit issued~~ 15350
~~under this chapter for any coal mining and reclamation operation~~ 15351
~~for a period of five years or more~~ eligible to provide performance 15352
security in accordance with division (C)(2) of this section, the 15353
applicant or permittee shall provide performance security in 15354

accordance with division (C)(1) of this section in the full amount 15355
of the estimated cost of reclamation as determined by the chief 15356
for a permitted coal preparation plant or coal refuse disposal 15357
area that is not located within a permitted area of a mine. If an 15358
applicant for a permit for a coal preparation plant or coal refuse 15359
disposal area or a permittee of a permitted coal preparation plant 15360
or coal refuse disposal area that is not located within a 15361
permitted area of a mine has held a permit issued under this 15362
chapter for any coal mining and reclamation operation for a period 15363
of five years or more, the applicant or permittee may provide 15364
performance security for the coal preparation plant or coal refuse 15365
disposal area either in accordance with division (C)(1) of this 15366
section in the full amount of the estimated cost of reclamation as 15367
determined by the chief or in accordance with division (C)(2) of 15368
this section in an amount of twenty-five hundred dollars per acre 15369
of land with reliance on the reclamation forfeiture fund. If a 15370
permittee has previously provided performance security under 15371
division (C)(1) of this section for a coal preparation plant or 15372
coal refuse disposal area that is not located within a permitted 15373
area of a mine and elects to provide performance security in 15374
accordance with division (C)(2) of this section, the permittee 15375
shall submit written notice to the chief indicating that the 15376
permittee elects to provide performance security in accordance 15377
with division (C)(2) of this section. Upon receipt of such a 15378
written notice, the chief shall release to the permittee the 15379
amount of the performance security previously provided under 15380
division (C)(1) of this section that exceeds the amount of 15381
performance security that is required to be provided under 15382
division (C)(2) of this section. 15383

(D) A permittee's liability under the performance security 15384
shall be limited to the obligations established under the permit, 15385
which include completion of the reclamation plan in order to make 15386
the land capable of supporting the postmining land use that was 15387

approved in the permit. The period of liability under the 15388
performance security shall be for the duration of the coal mining 15389
and reclamation operation and for a period coincident with the 15390
operator's responsibility for revegetation requirements under 15391
section 1513.16 of the Revised Code. 15392

(E) The amount of the estimated cost of reclamation 15393
determined under division (B) of this section and the amount of a 15394
permittee's performance security provided in accordance with 15395
division (C)(1) of this section shall be adjusted by the chief as 15396
the land that is affected by mining increases or decreases or if 15397
the cost of reclamation increases or decreases. If the performance 15398
security was provided in accordance with division (C)(2) of this 15399
section and the chief has issued a cessation order under division 15400
(D)(2) of section 1513.02 of the Revised Code for failure to abate 15401
a violation of the contemporaneous reclamation requirement under 15402
division (A)(15) of section 1513.16 of the Revised Code, the chief 15403
may require the permittee to increase the amount of performance 15404
security from twenty-five hundred dollars per acre of land to five 15405
thousand dollars per acre of land. 15406

The chief shall notify the permittee, each surety, and any 15407
person who has a property interest in the performance security and 15408
who has requested to be notified of any proposed adjustment to the 15409
performance security. The permittee may request an informal 15410
conference with the chief concerning the proposed adjustment, and 15411
the chief shall provide such an informal conference. 15412

If the chief increases the amount of performance security 15413
under this division, the permittee shall provide additional 15414
performance security in an amount determined by the chief. If the 15415
chief decreases the amount of performance security under this 15416
division, the chief shall determine the amount of the reduction of 15417
the performance security and send written notice of the amount of 15418
reduction to the permittee. The permittee may reduce the amount of 15419

the performance security in the amount determined by the chief. 15420

(F) A permittee may request a reduction in the amount of the 15421
performance security by submitting to the chief documentation 15422
proving that the amount of the performance security provided by 15423
the permittee exceeds the estimated cost of reclamation if the 15424
reclamation would have to be performed by the division in the 15425
event of forfeiture of the performance security. The chief shall 15426
examine the documentation and determine whether the permittee's 15427
performance security exceeds the estimated cost of reclamation. If 15428
the chief determines that the performance security exceeds that 15429
estimated cost, the chief shall determine the amount of the 15430
reduction of the performance security and send written notice of 15431
the amount to the permittee. The permittee may reduce the amount 15432
of the performance security in the amount determined by the chief. 15433
Adjustments in the amount of performance security under this 15434
division shall not be considered release of performance security 15435
and are not subject to section 1513.16 of the Revised Code. 15436

(G) If the performance security is a bond, it shall be 15437
executed by the operator and a corporate surety licensed to do 15438
business in this state. If the performance security is a cash 15439
deposit or negotiable certificates of deposit of a bank or savings 15440
and loan association, the bank or savings and loan association 15441
shall be licensed and operating in this state. The cash deposit or 15442
market value of the securities shall be equal to or greater than 15443
the amount of the performance security required under this 15444
section. The chief shall review any documents pertaining to the 15445
performance security and approve or disapprove the documents. The 15446
chief shall notify the applicant of the chief's determination. 15447

(H) If the performance security is a bond, the chief may 15448
accept the bond of the applicant itself without separate surety 15449
when the applicant demonstrates to the satisfaction of the chief 15450
the existence of a suitable agent to receive service of process 15451

and a history of financial solvency and continuous operation 15452
sufficient for authorization to self-insure or bond the amount. 15453

(I) Performance security provided under this section may be 15454
held in trust, provided that the state is the primary beneficiary 15455
of the trust and the custodian of the performance security held in 15456
trust is a bank, trust company, or other financial institution 15457
that is licensed and operating in this state. The chief shall 15458
review the trust document and approve or disapprove the document. 15459
The chief shall notify the applicant of the chief's determination. 15460

(J) If a surety, bank, savings and loan association, trust 15461
company, or other financial institution that holds the performance 15462
security required under this section becomes insolvent, the 15463
permittee shall notify the chief of the insolvency, and the chief 15464
shall order the permittee to submit a plan for replacement 15465
performance security within thirty days after receipt of notice 15466
from the chief. If the permittee provided performance security in 15467
accordance with division (C)(1) of this section, the permittee 15468
shall provide the replacement performance security within ninety 15469
days after receipt of notice from the chief. If the permittee 15470
provided performance security in accordance with division (C)(2) 15471
of this section, the permittee shall provide the replacement 15472
performance security within one year after receipt of notice from 15473
the chief, and, for a period of one year after the permittee's 15474
receipt of notice from the chief or until the permittee provides 15475
the replacement performance security, whichever occurs first, 15476
money in the reclamation forfeiture fund shall be the permittee's 15477
replacement performance security in an amount not to exceed the 15478
estimated cost of reclamation as determined by the chief. 15479

(K) If a permittee provided performance security in 15480
accordance with division (C)(1) of this section, the permittee's 15481
responsibility for repairing material damage and replacement of 15482
water supply resulting from subsidence shall be satisfied by 15483

either of the following: 15484

(1) The purchase prior to mining of a noncancelable 15485
premium-prepaid liability insurance policy in lieu of the 15486
permittee's performance security for subsidence damage. The 15487
insurance policy shall contain terms and conditions that 15488
specifically provide coverage for repairing material damage and 15489
replacement of water supply resulting from subsidence. 15490

(2) The provision of additional performance security in the 15491
amount of the estimated cost to the division of mineral resources 15492
management to repair material damage and replace water supplies 15493
resulting from subsidence until the repair or replacement is 15494
completed. However, if such repair or replacement is completed, or 15495
compensation for structures that have been damaged by subsidence 15496
is provided, by the permittee within ninety days of the occurrence 15497
of the subsidence, additional performance security is not 15498
required. In addition, the chief may extend the ninety-day period 15499
for a period not to exceed one year if the chief determines that 15500
the permittee has demonstrated in writing that subsidence is not 15501
complete and that probable subsidence-related damage likely will 15502
occur and, as a result, the completion of repairs of 15503
subsidence-related material damage to lands or protected 15504
structures or the replacement of water supply within ninety days 15505
of the occurrence of the subsidence would be unreasonable. 15506

(L) If the performance security provided in accordance with 15507
this section exceeds the estimated cost of reclamation, the chief 15508
may authorize the amount of the performance security that exceeds 15509
the estimated cost of reclamation together with any interest or 15510
other earnings on the performance security to be paid to the 15511
permittee. 15512

(M) A permittee that held a valid coal mining and reclamation 15513
permit immediately prior to April 6, 2007, shall provide, not 15514
later than a date established by the chief, performance security 15515

in accordance with division (C)(1) or (2) of this section, rather 15516
than in accordance with the law as it existed prior to that date, 15517
by filing it with the chief on a form that the chief prescribes 15518
and furnishes. Accordingly, for purposes of this section, 15519
"applicant" is deemed to include such a permittee. 15520

(N) As used in this section: 15521

(1) "Affiliate of the applicant" means an entity that has a 15522
parent entity in common with the applicant. 15523

(2) "Owner and controller of the applicant" means a person 15524
that has any relationship with the applicant that gives the person 15525
authority to determine directly or indirectly the manner in which 15526
the applicant conducts coal mining operations. 15527

Sec. 1521.06. (A) No dam may be constructed for the purpose 15528
of storing, conserving, or retarding water, or for any other 15529
purpose, nor shall any levee be constructed for the purpose of 15530
diverting or retaining flood water, unless the person or 15531
governmental agency desiring the construction has a construction 15532
permit for the dam or levee issued by the chief of the division of 15533
water resources. 15534

A construction permit is not required under this section for: 15535

(1) A dam that is or will be less than ten feet in height and 15536
that has or will have a storage capacity of not more than fifty 15537
acre-feet at the elevation of the top of the dam, as determined by 15538
the chief. For the purposes of this section, the height of a dam 15539
shall be measured from the natural stream bed or lowest ground 15540
elevation at the downstream or outside limit of the dam to the 15541
elevation of the top of the dam. 15542

(2) A dam, regardless of height, that has or will have a 15543
storage capacity of not more than fifteen acre-feet at the 15544
elevation of the top of the dam, as determined by the chief; 15545

(3) A dam, regardless of storage capacity, that is or will be 15546
six feet or less in height, as determined by the chief; 15547

(4) A dam or levee that belongs to a class exempted by the 15548
chief; 15549

(5) The repair, maintenance, improvement, alteration, or 15550
removal of a dam or levee that is subject to section 1521.062 of 15551
the Revised Code, unless the construction constitutes an 15552
enlargement or reconstruction of the structure as determined by 15553
the chief; 15554

(6) A dam or impoundment constructed under Chapter 1513. of 15555
the Revised Code. 15556

(B) Before a construction permit may be issued, three copies 15557
of the plans and specifications, including a detailed cost 15558
estimate, for the proposed construction, prepared by a registered 15559
professional engineer, together with any filing fee specified by 15560
rules adopted by the chief in accordance with division (I) of this 15561
section and the bond or other security required by section 15562
1521.061 of the Revised Code, shall be filed with the chief. The 15563
detailed estimate of the cost shall include all costs associated 15564
with the construction of the dam or levee, including supervision 15565
and inspection of the construction by a registered professional 15566
engineer. 15567

All fees collected pursuant to this section, ~~and all fines~~ 15568
~~collected pursuant to section 1521.99 of the Revised Code,~~ shall 15569
be deposited in the state treasury to the credit of the dam safety 15570
fund, which is hereby created. Expenditures from the fund shall be 15571
made by the chief for the purpose of administering this section 15572
and sections 1521.061 and 1521.062 of the Revised Code. 15573

(C) The chief shall, within thirty days from the date of the 15574
receipt of the application, fee, and bond or other security, issue 15575
or deny a construction permit for the construction or may issue a 15576

construction permit conditioned upon the making of such changes in 15577
the plans and specifications for the construction as the chief 15578
considers advisable if the chief determines that the construction 15579
of the proposed dam or levee, in accordance with the plans and 15580
specifications filed, would endanger life, health, or property. 15581

(D) The chief may deny a construction permit after finding 15582
that a dam or levee built in accordance with the plans and 15583
specifications would endanger life, health, or property, because 15584
of improper or inadequate design, or for such other reasons as the 15585
chief may determine. 15586

In the event the chief denies a permit for the construction 15587
of the dam or levee, or issues a permit conditioned upon a making 15588
of changes in the plans or specifications for the construction, 15589
the chief shall state the reasons therefor and so notify, in 15590
writing, the person or governmental agency making the application 15591
for a permit. If the permit is denied, the chief shall return the 15592
bond or other security to the person or governmental agency making 15593
application for the permit. 15594

The decision of the chief conditioning or denying a 15595
construction permit is subject to appeal as provided in Chapter 15596
119. of the Revised Code. A dam or levee built substantially at 15597
variance from the plans and specifications upon which a 15598
construction permit was issued is in violation of this section. 15599
The chief may at any time inspect any dam or levee, or site upon 15600
which any dam or levee is to be constructed, in order to determine 15601
whether it complies with this section. 15602

(E) A registered professional engineer shall inspect the 15603
construction for which the permit was issued during all phases of 15604
construction and shall furnish to the chief such regular reports 15605
of the engineer's inspections as the chief may require. When the 15606
chief finds that construction has been fully completed in 15607
accordance with the terms of the permit and the plans and 15608

specifications approved by the chief, the chief shall approve the 15609
construction. When one year has elapsed after approval of the 15610
completed construction, and the chief finds that within this 15611
period no fact has become apparent to indicate that the 15612
construction was not performed in accordance with the terms of the 15613
permit and the plans and specifications approved by the chief, or 15614
that the construction as performed would endanger life, health, or 15615
property, the chief shall release the bond or other security. No 15616
bond or other security shall be released until one year after 15617
final approval by the chief, unless the dam or levee has been 15618
modified so that it will not retain water and has been approved as 15619
nonhazardous after determination by the chief that the dam or 15620
levee as modified will not endanger life, health, or property. 15621

(F) When inspections required by this section are not being 15622
performed, the chief shall notify the person or governmental 15623
agency to which the permit has been issued that inspections are 15624
not being performed by the registered professional engineer and 15625
that the chief will inspect the remainder of the construction. 15626
Thereafter, the chief shall inspect the construction and the cost 15627
of inspection shall be charged against the owner. Failure of the 15628
registered professional engineer to submit required inspection 15629
reports shall be deemed notice that the engineer's inspections are 15630
not being performed. 15631

(G) The chief may order construction to cease on any dam or 15632
levee that is being built in violation of this section, and may 15633
prohibit the retention of water behind any dam or levee that has 15634
been built in violation of this section. 15635

(H) The chief may adopt rules in accordance with Chapter 119. 15636
of the Revised Code, for the design and construction of dams and 15637
levees for which a construction permit is required by this section 15638
or for which periodic inspection is required by section 1521.062 15639
of the Revised Code, for deposit and forfeiture of bonds and other 15640

securities required by section 1521.061 of the Revised Code, for 15641
the periodic inspection, operation, repair, improvement, 15642
alteration, or removal of all dams and levees, as specified in 15643
section 1521.062 of the Revised Code, and for establishing classes 15644
of dams or levees that are exempt from the requirements of this 15645
section and section 1521.062 of the Revised Code as being of a 15646
size, purpose, or situation that does not present a substantial 15647
hazard to life, health, or property. The chief may, by rule, limit 15648
the period during which a construction permit issued under this 15649
section is valid. The rules may allow for the extension of the 15650
period during which a permit is valid upon written request, 15651
provided that the written request includes a revised construction 15652
cost estimate, and may require the payment of an additional filing 15653
fee for the requested extension. If a construction permit expires 15654
without an extension before construction is completed, the person 15655
or agency shall apply for a new permit, and shall not continue 15656
construction until the new permit is issued. 15657

(I) The chief shall adopt rules in accordance with Chapter 15658
119. of the Revised Code establishing a filing fee schedule for 15659
purposes of division (B) of this section. 15660

Sec. 1521.061. (A)(1) Except as otherwise provided in this 15661
section, the chief of the division of water resources shall not 15662
issue a construction permit ~~shall not be issued~~ under section 15663
1521.06 of the Revised Code unless the person or governmental 15664
agency applying for the permit executes and files a surety bond 15665
conditioned on completion of the dam or levee in accordance with 15666
the terms of the permit and the plans and specifications approved 15667
by the chief ~~of the division of water resources, in an amount~~ 15668
~~equal to fifty per cent of the estimated cost of the project.~~ 15669
Except as provided in division (A)(2) of this section, the surety 15670
bond shall equal: 15671

(a) \$50,000 for the first \$500,000 of the estimated cost of 15672
the project; plus 15673

(b) Twenty-five per cent of the estimated cost for the next 15674
\$4,500,000 of the estimated cost of the project; plus 15675

(c) Ten per cent of the estimated cost that exceeds 15676
\$5,000,000. 15677

(2) The chief may reduce the amount of the required surety 15678
bond to the amount equal to the cost estimate of construction 15679
activities necessary to render the dam nonhazardous if the cost 15680
estimate is provided by the applicant and approved by the chief. 15681

(B) If a permittee requests an extension of the time period 15682
during which a construction permit is valid in accordance with 15683
rules adopted under section 1521.06 of the Revised Code, the chief 15684
shall determine whether the revised construction cost estimate 15685
provided with the request exceeds the original construction cost 15686
estimate that was filed with the chief by more than twenty-five 15687
per cent. If the revised construction cost estimate exceeds the 15688
original construction cost estimate by more than twenty-five per 15689
cent, the chief may require an additional surety bond to be filed 15690
~~so that the total amount of the surety bonds equals at least fifty~~ 15691
~~per cent of~~ in an amount determined in accordance with division 15692
(A) of this section based on the revised construction cost 15693
estimate. 15694

(C) The chief shall not approve any bond until it is 15695
personally signed and acknowledged by both principal and surety, 15696
or as to either by the attorney in fact thereof, with a certified 15697

Code. 18557

(2) The juvenile court shall exercise its jurisdiction in 18558
child support matters in accordance with section 3109.05 of the 18559
Revised Code. 18560

(G) Any juvenile court that makes or modifies an order for 18561
child support shall comply with Chapters 3119., 3121., 3123., and 18562
3125. of the Revised Code. If any person required to pay child 18563
support under an order made by a juvenile court on or after April 18564
15, 1985, or modified on or after December 1, 1986, is found in 18565
contempt of court for failure to make support payments under the 18566
order, the court that makes the finding, in addition to any other 18567
penalty or remedy imposed, shall assess all court costs arising 18568

out of the contempt proceeding against the person and require the 18569
person to pay any reasonable attorney's fees of any adverse party, 18570
as determined by the court, that arose in relation to the act of 18571
contempt. 18572

(H) If a child who is charged with an act that would be an 18573
offense if committed by an adult was fourteen years of age or 18574
older and under eighteen years of age at the time of the alleged 18575
act and if the case is transferred for criminal prosecution 18576
pursuant to section 2152.12 of the Revised Code, except as 18577
provided in section 2152.121 of the Revised Code, the juvenile 18578
court does not have jurisdiction to hear or determine the case 18579
subsequent to the transfer. The court to which the case is 18580
transferred for criminal prosecution pursuant to that section has 18581
jurisdiction subsequent to the transfer to hear and determine the 18582
case in the same manner as if the case originally had been 18583
commenced in that court, subject to section 2152.121 of the 18584
Revised Code, including, but not limited to, jurisdiction to 18585
accept a plea of guilty or another plea authorized by Criminal 18586
Rule 11 or another section of the Revised Code and jurisdiction to 18587
accept a verdict and to enter a judgment of conviction pursuant to 18588
the Rules of Criminal Procedure against the child for the 18589
commission of the offense that was the basis of the transfer of 18590
the case for criminal prosecution, whether the conviction is for 18591
the same degree or a lesser degree of the offense charged, for the 18592
commission of a lesser-included offense, or for the commission of 18593
another offense that is different from the offense charged. 18594

(I) If a person under eighteen years of age allegedly commits 18595
an act that would be a felony if committed by an adult and if the 18596
person is not taken into custody or apprehended for that act until 18597
after the person attains twenty-one years of age, the juvenile 18598
court does not have jurisdiction to hear or determine any portion 18599
of the case charging the person with committing that act. In those 18600

circumstances, divisions (A) and (B) of section 2152.12 of the Revised Code do not apply regarding the act, and the case charging the person with committing the act shall be a criminal prosecution commenced and heard in the appropriate court having jurisdiction of the offense as if the person had been eighteen years of age or older when the person committed the act. All proceedings pertaining to the act shall be within the jurisdiction of the court having jurisdiction of the offense, and that court has all the authority and duties in the case that it has in other criminal cases in that court.

(J) In exercising its exclusive original jurisdiction under division (A)(16) of this section with respect to any proceedings brought under section 2151.34 or 3113.31 of the Revised Code in which the respondent is a child, the juvenile court retains all dispositional powers consistent with existing rules of juvenile procedure and may also exercise its discretion to adjudicate proceedings as provided in sections 2151.34 and 3113.31 of the Revised Code, including the issuance of protection orders or the approval of consent agreements under those sections.

Sec. 2151.25. (A) If a public children services agency receives a report of child abuse or neglect under section 2151.421 of the Revised Code, or a report that a child may be a dependent child, and is denied reasonable access to the child by a parent, guardian, custodian, or caregiver of the child, or to any other information necessary to determine if the child is, or at risk of becoming, an abused, neglected, or dependent child, the agency may request a juvenile court to issue an order granting the agency access to examine and interview the child, or to conduct other activities necessary to determine the risk to the child. The agency shall make the request by submitting a sworn affidavit explaining the need for the order in the juvenile court of the county in which the child has a residence or legal settlement or

in which the reported abuse or neglect of the child occurred or 18633
the reported conditions exist regarding the child's dependency. 18634

(B) The affidavit shall include the following: 18635

(1) The particular facts of the allegation or allegations in 18636
the report that may indicate the child is an abused, neglected, or 18637
dependent child; 18638

(2) The agency's efforts to gather additional information to 18639
determine whether or not the child may be, or at risk of becoming, 18640
an abused, neglected, or dependent child; 18641

(3) The agency efforts to obtain consent from a parent, 18642
guardian, custodian, or caregiver to examine and interview the 18643
child, or to conduct other activities necessary to determine the 18644
risk to the child; 18645

(4) The activities the agency deems necessary to determine 18646
the current risk to the child. 18647

(C) The affidavit shall not identify the source of the 18648
allegation or allegations in the report that may indicate the 18649
child is an abused, neglected, or dependent child. 18650

(D)(1) Upon receipt of request and a sworn affidavit 18651
submitted according to division (A) of this section, if the court 18652
determines that probable cause exists, the court may, without a 18653
hearing, issue an order requiring the parent, guardian, custodian, 18654
or caregiver of the child comply with the agency's investigation, 18655
including, an interview and examination of the child, and other 18656
activity the court deems necessary to determine the current risk 18657
posed to the child. 18658

(2) The court may include within the order specific 18659
instructions on the manner and location of the interview and 18660
examination of the child, as well as detail any other necessary 18661
activities. 18662

(E) An order issued pursuant to this section is not a final, appealable order for purposes of appeal under division (B) of section 2505.02 of the Revised Code. 18663

Sec. 2151.362. (A)(1) In the manner prescribed by division (C)(1) or (2) of section 3313.64 of the Revised Code, as applicable, the court, at the time of making any order that removes a child from the child's own home or that vests legal or permanent custody of the child in a person other than the child's parent or a government agency, shall determine the school district that is to bear the cost of educating the child. The court shall make the determination a part of the order that provides for the child's placement or commitment. That school district shall bear 18684

the cost of educating the child unless and until the department of 18693
education determines that a different district shall be 18694
responsible for bearing that cost pursuant to division (A)(2) of 18695
this section. The court's order shall state that the determination 18696
of which school district is responsible to bear the cost of 18697
educating the child is subject to re-determination by the 18698
department pursuant to that division. 18699

(2) If, while the child is in the custody of a person other 18700
than the child's parent or a government agency, the department of 18701
education determines that the place of residence of the child's 18702
parent has changed since the court issued its initial order, the 18703
department may name a different school district to bear the cost 18704
of educating the child. The department shall make this new 18705
determination, and any future determinations, based on evidence 18706
received from the school district currently responsible to bear 18707
the cost of educating the child. If the department finds that the 18708
evidence demonstrates to its satisfaction that the residence of 18709
the child's parent has changed since the court issued its initial 18710
order under division (A)(1) of this section, or since the 18711
department last made a determination under division (A)(2) of this 18712
section, the department shall name the district in which the 18713
child's parent currently resides or, if the parent's residence is 18714
not known, the district in which the parent's last known residence 18715
is located. If the department cannot determine any Ohio district 18716
in which the parent currently resides or has resided, the school 18717
district designated in the initial court order under division 18718
(A)(1) of this section, or in the most recent determination made 18719
by the department under division (A)(2) of this section, shall 18720
continue to bear the cost of educating the child. 18721

(B) Whenever a child is placed in a detention facility 18722
established under section 2152.41 of the Revised Code or a 18723
juvenile facility established under section 2151.65 of the Revised 18724

Code, the facility shall be responsible for coordinating the 18725
education of the child. The facility may take any of the following 18726
measures in coordinating the education of the child: 18727

(1) If applicable, use the chartered nonpublic school that 18728
the facility operates; 18729

(2) Arrange with the school district responsible for bearing 18730
the cost of educating the child determined under division (A) of 18731
this section, for the facility to educate the child on its own; 18732

(3) Contract with an educational service center for the 18733
service center to educate the child; 18734

(4) Contract with the school district in which the facility 18735
is located for that school district to educate the child; 18736

(5) If the child is enrolled in an internet- or 18737
computer-based community school established under Chapter 3314. of 18738
the Revised Code, and provided that the facility possesses the 18739
necessary hardware, software, and internet connectivity, permit 18740
continued instruction of the child by the internet- or 18741
computer-based community school. 18742

If the facility coordinates the education of the child 18743
pursuant to division (B)(1), (2), (3), or (4) of this section, 18744
child's school district as determined by the court or the 18745
department, in the same manner as prescribed in division (A) of 18746
this section, shall pay the cost of educating the child based on 18747
the per capita cost of the educational facility within the 18748
detention home or juvenile facility. 18749

If the facility coordinates the education of the child 18750
pursuant to division (B)(5) of this section, payment for the cost 18751
of educating the child shall be made only as provided in ~~division~~ 18752
~~(C) of section 3314.08~~ 3317.022 of the Revised Code. 18753

(C) Whenever a child is placed by the court in a private 18754

institution, school, or residential treatment center or any other 18755
private facility, the state shall pay to the court a subsidy to 18756
help defray the expense of educating the child in an amount equal 18757
to the product of the daily per capita educational cost of the 18758
private facility, as determined pursuant to this section, and the 18759
number of days the child resides at the private facility, provided 18760
that the subsidy shall not exceed twenty-five hundred dollars per 18761
year per child. The daily per capita educational cost of a private 18762
facility shall be determined by dividing the actual program cost 18763
of the private facility or twenty-five hundred dollars, whichever 18764
is less, by three hundred sixty-five days or by three hundred 18765
sixty-six days for years that include February twenty-ninth. The 18766
state shall pay seventy-five per cent of the total subsidy for 18767
each year quarterly to the court. The state may adjust the 18768
remaining twenty-five per cent of the total subsidy to be paid to 18769
the court for each year to an amount that is less than twenty-five 18770
per cent of the total subsidy for that year based upon the 18771
availability of funds appropriated to the department of education 18772
for the purpose of subsidizing courts that place a child in a 18773
private institution, school, or residential treatment center or 18774
any other private facility and shall pay that adjusted amount to 18775
the court at the end of the year. 18776

Sec. 2151.412. (A) Each public children services agency and 18777

(3) The child is living at home subject to an order for protective supervision; 18786
18787

(4) The child is in a planned permanent living arrangement. 18788

Except as provided by division (A)(2) of section 5103.153 of the Revised Code, a private child placing agency providing services to a child who is the subject of a voluntary permanent custody surrender agreement entered into under division (B)(2) of section 5103.15 of the Revised Code is not required to prepare and maintain a case plan for that child. 18789

The rules shall at a minimum comply with the requirements of Title IV-E of the "Social Security Act," ~~94 Stat. 501,~~ 42 U.S.C. ~~671~~ 670, et seq. (1980), ~~as amended.~~ 18799

provision of this section except as specifically required by the 18820

(D) Each public children services agency and private child 18822
placing agency that is required by division (A) of this section to 18823
maintain a case plan shall file the case plan with the court prior 18824
to the child's adjudicatory hearing but no later than thirty days 18825
after the earlier of the date on which the complaint in the case 18826
was filed or the child was first placed into shelter care. If the 18827
agency does not have sufficient information prior to the 18828
adjudicatory hearing to complete any part of the case plan, the 18829
agency shall specify in the case plan the additional information 18830
necessary to complete each part of the case plan and the steps 18831
that will be taken to obtain that information. All parts of the 18832
case plan shall be completed by the earlier of thirty days after 18833
the adjudicatory hearing or the date of the dispositional hearing 18834
for the child. 18835

(E) Any agency that is required by division (A) of this 18836
section to prepare a case plan shall attempt to obtain an 18837
agreement among all parties, including, but not limited to, the 18838
parents, guardian, or custodian of the child and the guardian ad 18839
litem of the child regarding the content of the case plan. If all 18840
parties agree to the content of the case plan and the court 18841
approves it, the court shall journalize it as part of its 18842
dispositional order. If the agency cannot obtain an agreement upon 18843
the contents of the case plan or the court does not approve it, 18844
the parties shall present evidence on the contents of the case 18845
plan at the dispositional hearing. The court, based upon the 18846
evidence presented at the dispositional hearing and the best 18847
interest of the child, shall determine the contents of the case 18848

plan and journalize it as part of the dispositional order for the child. 18849
18850

(F)(1) All parties, including the parents, guardian, or 18851
custodian of the child, are bound by the terms of the journalized 18852
case plan. A party that fails to comply with the terms of the 18853
journalized case plan may be held in contempt of court. 18854

(2) Any party may propose a change to a substantive part of 18855
the case plan, including, but not limited to, the child's 18856
placement and the visitation rights of any party. A party 18857
proposing a change to the case plan shall file the proposed change 18858
with the court and give notice of the proposed change in writing 18859
before the end of the day after the day of filing it to all 18860
parties and the child's guardian ad litem. All parties and the 18861
guardian ad litem shall have seven days from the date the notice 18862
is sent to object to and request a hearing on the proposed change. 18863

(a) If it receives a timely request for a hearing, the court 18864
shall schedule a hearing pursuant to section 2151.417 of the 18865
Revised Code to be held no later than thirty days after the 18866
request is received by the court. The court shall give notice of 18867
the date, time, and location of the hearing to all parties and the 18868
guardian ad litem. The agency may implement the proposed change 18869
after the hearing, if the court approves it. The agency shall not 18870
implement the proposed change unless it is approved by the court. 18871

(b) If it does not receive a timely request for a hearing, 18872
the court may approve the proposed change without a hearing. If 18873
the court approves the proposed change without a hearing, it shall 18874
journalize the case plan with the change not later than fourteen 18875
days after the change is filed with the court. If the court does 18876
not approve the proposed change to the case plan, it shall 18877
schedule a hearing to be held pursuant to section 2151.417 of the 18878
Revised Code no later than thirty days after the expiration of the 18879
fourteen-day time period and give notice of the date, time, and 18880

location of the hearing to all parties and the guardian ad litem 18881
of the child. If, despite the requirements of division (F)(2) of 18882
this section, the court neither approves and journalizes the 18883
proposed change nor conducts a hearing, the agency may implement 18884
the proposed change not earlier than fifteen days after it is 18885
submitted to the court. 18886

(3) If an agency has reasonable cause to believe that a child 18887
is suffering from illness or injury and is not receiving proper 18888
care and that an appropriate change in the child's case plan is 18889
necessary to prevent immediate or threatened physical or emotional 18890
harm, to believe that a child is in immediate danger from the 18891
child's surroundings and that an immediate change in the child's 18892
case plan is necessary to prevent immediate or threatened physical 18893
or emotional harm to the child, or to believe that a parent, 18894
guardian, custodian, or other member of the child's household has 18895
abused or neglected the child and that the child is in danger of 18896
immediate or threatened physical or emotional harm from that 18897
person unless the agency makes an appropriate change in the 18898
child's case plan, it may implement the change without prior 18899
agreement or a court hearing and, before the end of the next day 18900
after the change is made, give all parties, the guardian ad litem 18901
of the child, and the court notice of the change. Before the end 18902
of the third day after implementing the change in the case plan, 18903
the agency shall file a statement of the change with the court and 18904
give notice of the filing accompanied by a copy of the statement 18905
to all parties and the guardian ad litem. All parties and the 18906
guardian ad litem shall have ten days from the date the notice is 18907
sent to object to and request a hearing on the change. 18908

(a) If it receives a timely request for a hearing, the court 18909
shall schedule a hearing pursuant to section 2151.417 of the 18910
Revised Code to be held no later than thirty days after the 18911
request is received by the court. The court shall give notice of 18912

the date, time, and location of the hearing to all parties and the guardian ad litem. The agency shall continue to administer the case plan with the change after the hearing, if the court approves the change. If the court does not approve the change, the court shall make appropriate changes to the case plan and shall journalize the case plan.

(b) If it does not receive a timely request for a hearing, the court may approve the change without a hearing. If the court approves the change without a hearing, it shall journalize the case plan with the change within fourteen days after receipt of the change. If the court does not approve the change to the case plan, it shall schedule a hearing under section 2151.417 of the Revised Code to be held no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child.

(G)(1) All case plans for children in temporary custody shall have the following general goals:

(a) Consistent with the best interest and special needs of the child, to achieve a safe out-of-home placement in the least restrictive, most family-like setting available and in close proximity to the home from which the child was removed or the home in which the child will be permanently placed;

(b) To eliminate with all due speed the need for the out-of-home placement so that the child can safely return home.

(2) The director of job and family services shall adopt rules pursuant to Chapter 119. of the Revised Code setting forth the general goals of case plans for children subject to dispositional orders for protective supervision, a planned permanent living arrangement, or permanent custody.

(H) In the agency's development of a case plan and the

court's review of the case plan, the child's health and safety 18944
shall be the paramount concern. The agency and the court shall be 18945
guided by the following general priorities: 18946

(1) A child who is residing with or can be placed with the 18947
child's parents within a reasonable time should remain in their 18948
legal custody even if an order of protective supervision is 18949
required for a reasonable period of time; 18950

(2) If both parents of the child have abandoned the child, 18951
have relinquished custody of the child, have become incapable of 18952
supporting or caring for the child even with reasonable 18953
assistance, or have a detrimental effect on the health, safety, 18954
and best interest of the child, the child should be placed in the 18955
legal custody of a suitable member of the child's extended family; 18956

(3) If a child described in division (H)(2) of this section 18957
has no suitable member of the child's extended family to accept 18958
legal custody, the child should be placed in the legal custody of 18959
a suitable nonrelative who shall be made a party to the 18960
proceedings after being given legal custody of the child; 18961

(4) If the child has no suitable member of the child's 18962
extended family to accept legal custody of the child and no 18963
suitable nonrelative is available to accept legal custody of the 18964
child and, if the child temporarily cannot or should not be placed 18965
with the child's parents, guardian, or custodian, the child should 18966
be placed in the temporary custody of a public children services 18967
agency or a private child placing agency; 18968

(5) If the child cannot be placed with either of the child's 18969
parents within a reasonable period of time or should not be placed 18970
with either, if no suitable member of the child's extended family 18971
or suitable nonrelative is available to accept legal custody of 18972
the child, and if the agency has a reasonable expectation of 18973
placing the child for adoption, the child should be committed to 18974

the permanent custody of the public children services agency or 18975
private child placing agency; 18976

(6) If the child is to be placed for adoption or foster care, 18977
the placement shall not be delayed or denied on the basis of the 18978

parent, guardian, custodian, guardian ad litem, or foster care 19088
provider of the child cannot be located after reasonable efforts 19089
to do so or declines to participate in the administrative review 19090
after being contacted, the agency does not have to include them in 19091
the joint meeting. 19092

of search technology to find biological family members of the 19116
child and all other efforts undertaken since the last review, 19117
unless a court has determined that intensive efforts are 19118
unnecessary pursuant to section 2151.4118 of the Revised Code. 19119

(E) The agency shall file the summary with the court no later 19120
than seven days after the completion of the administrative review. 19121
If the agency proposes a change to the case plan as a result of 19122
the administrative review, the agency shall file the proposed 19123
change with the court at the time it files the summary. The agency 19124

The court shall give notice of the date, time, and location of the hearing to all parties and the guardian ad litem. The agency may implement the proposed change after the hearing, if the court approves it. The agency shall not implement the proposed change unless it is approved by the court.

(2) If the court does not receive a timely request for a hearing, the court may approve the proposed change without a hearing. If the court approves the proposed change without a hearing, it shall journalize the case plan with the change not later than fourteen days after the change is filed with the court. If the court does not approve the proposed change to the case plan, it shall schedule a review hearing to be held pursuant to section 2151.417 of the Revised Code no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child. If, despite the requirements of this division and division (D) of section 2151.417 of the Revised Code, the court neither approves and journalizes the proposed change nor conducts a hearing, the agency may implement the proposed change not earlier than fifteen days after it is submitted to the court.

(F) The director of job and family services may adopt rules pursuant to Chapter 119. of the Revised Code for procedures and standard forms for conducting administrative reviews pursuant to this section.

(G) The juvenile court that receives the written summary of the administrative review, upon determining, either from the written summary, case plan, or otherwise, that the custody or care arrangement is not in the best interest of the child, may terminate the custody of an agency and place the child in the

department of job and family services under section 5103.03 of the 19164
Revised Code. 19165

Sec. 2151.4115. (A) As used in sections 2151.4116 to 19166
2151.4122 of the Revised Code: 19167

(1) "Kinship caregiver" has the same meaning as used in 19168
section 5101.85 of the Revised Code. 19169

(2) "Search technology" means any locate-and-research tool, 19170
search engine, electronic database, or social media search tool 19171
available to a public children services agency or a private child 19172
placing agency. 19173

Sec. 2151.4116. A public children services agency or private 19174
child placing agency shall make intensive efforts to identify and 19175
engage an appropriate and willing kinship caregiver for the care 19176
of a child who is in one of following: 19177

(A) Temporary custody of the agency; 19178

(B) A planned permanent living arrangement with the agency. 19179

Sec. 2151.4117. (A) At every court hearing regarding a child 19180
described in section 2151.4116 of the Revised Code, the court 19181
shall determine whether the public children services agency or 19182
private child placing agency has continued intensive efforts to 19183
identify and engage appropriate and willing kinship caregivers for 19184
the child. 19185

(B) At each hearing the court shall: 19186

utilize search technology to find biological family members for 19192
the child; 19193

(3) Review any previous court order issued under section 19194

continue based on the child's current placement situation. 19196

Sec. 2151.4118. A court may issue an order that determines, 19197
with respect to a child described in section 2151.4116 of the 19198
Revised Code who is not receiving care in the home of a kinship 19199
caregiver, that the continuation of the child's current placement 19200
is in the child's best interest and that intensive efforts to 19201
identify and engage an appropriate and willing kinship caregiver 19202
for the child are unnecessary if the court makes the findings in 19203
section 2151.4119 of the Revised Code. 19204

Sec. 2151.4119. A court may issue an order under section 19205

2151.4119 of the Revised Code, the court and public children 19215
services agency or private child placing agency may consider the 19216
child's current caregiver as having a kin relationship with the 19217
child and at an equal standing to other kin in regards to 19218
permanency. 19219

Sec. 2151.4121. If a relative who received the required 19220
notice pursuant to section 2151.33 of the Revised Code fails 19221
within six months from the date of receipt to demonstrate interest 19222
in and willingness to provide a permanent home for a child, a 19223
court may excuse the public children services agency or private 19224
child placing agency from considering such relative for placement 19225
if the court has issued an order under section 2151.4119 of the 19226
Revised Code. 19227

Sec. 2151.4122. Nothing in sections 2151.4115 to 2151.4121 of 19228
the Revised Code shall be construed to prevent a public children 19229
services agency or private child placement agency from continuing 19230
to search or consider kinship caregivers. 19231

Sec. 2151.451. (A) The juvenile court of the county ~~in,~~ to 19232

the department of youth services, as applicable. The individuals 19395
who provide the probation services and supervisory services shall 19396
not be included in the classified or unclassified civil service of 19397
any of those counties. 19398

(b) The courts of common pleas of two or more adjoining 19399
counties that have jointly established a probation department for 19400
those counties or have entered into an agreement with the adult 19401
parole authority as described in division (A) or (B) of section 19402
2301.32 of the Revised Code may jointly request the board of 19403
county commissioners of each county to contract with, and upon 19404
that request the board may contract with, any nonprofit, public or 19405
private agency, association, or organization for the provision of 19406

probation services and supervisory services, including the 19407
preparation of presentence investigation reports to supplement the 19408
probation services and supervisory services provided by the 19409
probation department or adult parole authority, as applicable. The 19410
contract shall specify that each individual providing the 19411
probation services and supervisory services shall possess the 19412
training, experience, and other qualifications prescribed by the 19413
adult parole authority. The individuals who provide the probation 19414
services and supervisory services shall not be included in the 19415
classified or unclassified civil service of the county. A 19416
nonprofit, public or private agency, association, or organization 19417
providing probation services or supervisory services under this 19418
division is hereby designated a criminal justice agency in the 19419
provision of those services, and as such is authorized by this 19420
state to apply for access to the computerized databases 19421
administered by the national crime information center or the law 19422
enforcement automated data system in Ohio and to other 19423
computerized databases administered for the purpose of making 19424
criminal justice information accessible to state criminal justice 19425
agencies. 19426

(C) The chief probation officer may grant permission to a 19427
probation officer to carry firearms when required in the discharge 19428
of official duties if the probation officer has successfully 19429
completed a basic firearm training program that is approved by the 19430
executive director of the Ohio peace officer training commission. 19431
A probation officer who has been granted permission to carry a 19432
firearm in the discharge of official duties, annually shall 19433
successfully complete a firearms requalification program in 19434
accordance with section 109.801 of the Revised Code. 19435

(D) As used in this section and sections 2301.28 to 2301.32 19436
of the Revised Code, "community control sanction" has the same 19437
meaning as in section 2929.01 of the Revised Code. 19438

Sec. 2303.05. The clerk of the court of common pleas may 19439
appoint one or more deputies. Such appointment or appointments 19440
shall be ~~in writing signed~~ endorsed by the clerk and entered on 19441
the journal of the court. 19442

Sec. 2323.52. (A) As used in this section: 19443

(1) "Conduct" has the same meaning as in section 2323.51 of 19444
the Revised Code. 19445

(2) "Vexatious conduct" means conduct of a party in a civil 19446
action that satisfies any of the following: 19447

(a) The conduct obviously serves merely to harass or 19448
maliciously injure another party to the civil action. 19449

(b) The conduct is not warranted under existing law and 19450
cannot be supported by a good faith argument for an extension, 19451
modification, or reversal of existing law. 19452

(c) The conduct is imposed solely for delay. 19453

(3) "Vexatious litigator" means any person who has 19454
habitually, persistently, and without reasonable grounds engaged 19455
in vexatious conduct in a civil action or actions, whether in the 19456
court of claims or in a court of appeals, court of common pleas, 19457
municipal court, or county court, whether the person or another 19458
person instituted the civil action or actions, and whether the 19459
vexatious conduct was against the same party or against different 19460
parties in the civil action or actions. "Vexatious litigator" does 19461
not include a person who is authorized to practice law in the 19462
courts of this state under the Ohio Supreme Court Rules for the 19463
Government of the Bar of Ohio unless that person is representing 19464
or has represented self pro se in the civil action or actions. For 19465
the purposes of division (A)(3) of this section, "civil action" 19466
includes a proceeding under section 2743.75 or 2743.76 of the 19467
Revised Code. 19468

(B) A person, the office of the attorney general, or a prosecuting attorney, city director of law, village solicitor, or similar chief legal officer of a municipal corporation who has defended against habitual and persistent vexatious conduct in the court of claims or in a court of appeals, court of common pleas, municipal court, or county court may commence a civil action in a court of common pleas with jurisdiction over the person who allegedly engaged in the habitual and persistent vexatious conduct to have that person declared a vexatious litigator. The person, office of the attorney general, prosecuting attorney, city director of law, village solicitor, or similar chief legal officer of a municipal corporation may commence this civil action while the civil action or actions in which the habitual and persistent vexatious conduct occurred are still pending or within one year after the termination of the civil action or actions in which the habitual and persistent vexatious conduct occurred.

(C) A civil action to have a person declared a vexatious litigator shall proceed as any other civil action, and the Ohio Rules of Civil Procedure apply to the action.

(D)(1) If the person alleged to be a vexatious litigator is found to be a vexatious litigator, subject to division (D)(2) of this section, the court of common pleas may enter an order prohibiting the vexatious litigator from doing one or more of the following without first obtaining the leave of that court to proceed:

(a) Instituting legal proceedings in the court of claims or in a court of common pleas, municipal court, or county court;

(b) Continuing any legal proceedings that the vexatious litigator had instituted in any of the courts specified in division (D)(1)(a) of this section prior to the entry of the order;

(c) Making any application, other than an application for 19500
leave to proceed under division (F)(1) of this section, in any 19501
legal proceedings instituted by the vexatious litigator or another 19502
person in any of the courts specified in division (D)(1)(a) of 19503
this section. 19504

(2) If the court of common pleas finds a person who is 19505
authorized to practice law in the courts of this state under the 19506
Ohio Supreme Court Rules for the Government of the Bar of Ohio to 19507
be a vexatious litigator and enters an order described in division 19508
(D)(1) of this section in connection with that finding, the order 19509
shall apply to the person only insofar as the person would seek to 19510
institute proceedings described in division (D)(1)(a) of this 19511
section on a pro se basis, continue proceedings described in 19512
division (D)(1)(b) of this section on a pro se basis, or make an 19513
application described in division (D)(1)(c) of this section on a 19514
pro se basis. The order shall not apply to the person insofar as 19515
the person represents one or more other persons in the person's 19516
capacity as a licensed and registered attorney in a civil or 19517
criminal action or proceeding or other matter in a court of common 19518
pleas, municipal court, or county court or in the court of claims. 19519
Division (D)(2) of this section does not affect any remedy that is 19520
available to a court or an adversely affected party under section 19521
2323.51 or another section of the Revised Code, under Civil Rule 19522
11 or another provision of the Ohio Rules of Civil Procedure, or 19523
under the common law of this state as a result of frivolous 19524
conduct or other inappropriate conduct by an attorney who 19525
represents one or more clients in connection with a civil or 19526
criminal action or proceeding or other matter in a court of common 19527
pleas, municipal court, or county court or in the court of claims. 19528

(3) A person who is subject to an order entered pursuant to 19529
division (D)(1) of this section may not institute legal 19530
proceedings in a court of appeals, continue any legal proceedings 19531

that the vexatious litigator had instituted in a court of appeals 19532
prior to entry of the order, or make any application, other than 19533
the application for leave to proceed allowed by division (F)(2) of 19534
this section, in any legal proceedings instituted by the vexatious 19535
litigator or another person in a court of appeals without first 19536
obtaining leave of the court of appeals to proceed pursuant to 19537
division (F)(2) of this section. 19538

(E) An order that is entered under division (D)(1) of this 19539
section shall remain in force indefinitely unless the order 19540
provides for its expiration after a specified period of time. 19541

(F)(1) A court of common pleas that entered an order under 19542
division (D)(1) of this section shall not grant a person found to 19543
be a vexatious litigator leave for the institution or continuance 19544
of, or the making of an application in, legal proceedings in the 19545
court of claims or in a court of common pleas, municipal court, or 19546
county court unless the court of common pleas that entered that 19547
order is satisfied that the proceedings or application are not an 19548
abuse of process of the court in question and that there are 19549
reasonable grounds for the proceedings or application. If a person 19550
who has been found to be a vexatious litigator under this section 19551
requests the court of common pleas that entered an order under 19552
division (D)(1) of this section to grant the person leave to 19553
proceed as described in division (F)(1) of this section, the 19554
period of time commencing with the filing with that court of an 19555
application for the issuance of an order granting leave to proceed 19556
and ending with the issuance of an order of that nature shall not 19557
be computed as a part of an applicable period of limitations 19558
within which the legal proceedings or application involved 19559
generally must be instituted or made. 19560

(2) A person who is subject to an order entered pursuant to 19561
division (D)(1) of this section and who seeks to institute or 19562
continue any legal proceedings in a court of appeals or to make an 19563

application, other than an application for leave to proceed under 19564
division (F)(2) of this section, in any legal proceedings in a 19565
court of appeals shall file an application for leave to proceed in 19566
the court of appeals in which the legal proceedings would be 19567
instituted or are pending. The court of appeals shall not grant a 19568
person found to be a vexatious litigator leave for the institution 19569
or continuance of, or the making of an application in, legal 19570
proceedings in the court of appeals unless the court of appeals is 19571
satisfied that the proceedings or application are not an abuse of 19572
process of the court and that there are reasonable grounds for the 19573
proceedings or application. If a person who has been found to be a 19574
vexatious litigator under this section requests the court of 19575
appeals to grant the person leave to proceed as described in 19576
division (F)(2) of this section, the period of time commencing 19577
with the filing with the court of an application for the issuance 19578
of an order granting leave to proceed and ending with the issuance 19579
of an order of that nature shall not be computed as a part of an 19580
applicable period of limitations within which the legal 19581
proceedings or application involved generally must be instituted 19582
or made. 19583

(G) During the period of time that the order entered under 19584
division (D)(1) of this section is in force, no appeal by the 19585
person who is the subject of that order shall lie from a decision 19586
of the court of common pleas or court of appeals under division 19587
(F) of this section that denies that person leave for the 19588
institution or continuance of, or the making of an application in, 19589
legal proceedings in the court of claims or in a court of appeals, 19590
court of common pleas, municipal court, or county court. 19591

(H) The clerk of the court of common pleas that enters an 19592
order under division (D)(1) of this section shall send a certified 19593
copy of the order to the supreme court for publication in a manner 19594
that the supreme court determines is appropriate and that will 19595

facilitate the clerk of the court of claims and a clerk of a court 19596
of appeals, court of common pleas, municipal court, or county 19597
court in refusing to accept pleadings or other papers submitted 19598
for filing by persons who have been found to be a vexatious 19599
litigator under this section and who have failed to obtain leave 19600
to proceed under this section. 19601

(I) Whenever it appears by suggestion of the parties or 19602
otherwise that a person found to be a vexatious litigator under 19603
this section has instituted, continued, or made an application in 19604
legal proceedings without obtaining leave to proceed from the 19605
appropriate court of common pleas or court of appeals to do so 19606
under division (F) of this section, the court in which the legal 19607
proceedings are pending shall dismiss the proceedings or 19608
application of the vexatious litigator. 19609

Sec. 2329.312. (A) All levying officers appointed or 19610
authorized by a court under this chapter to conduct the judicial 19611
or execution sale of residential property consisting of one to 19612
four single-family units shall submit quarterly reports to the 19613
attorney general ~~for the purpose of assessing the extent to which~~ 19614
~~deadlines required by this chapter are met.~~ The reports shall 19615
include data on each such sale conducted by the officer, including 19616
data showing whether or not the deadlines required under division 19617
(E) of section 2308.02, division (B) of section 2329.17, and 19618
sections 2329.30 and 2329.31 of the Revised Code are met. 19619

(B) ~~Starting one year after the effective date of this~~ 19620
~~section September 28, 2016, the~~ The attorney general shall ~~do all~~ 19621
~~of the following:~~ 19622

~~(1) Establish and maintain a database comprised of the~~ 19623
~~information submitted by levying officers pursuant to division (A)~~ 19624
~~of this section;~~ 19625

~~(2) Make~~ make the information included in the database 19626

<u>reports described in division (A) of this section publicly</u>	19627
available+	19628
(3) Adopt rules for the creation and administration of the	19629
database.	19630
Sec. 2743.01. As used in this chapter:	19631
(A) "State" means the state of Ohio, including, but not	19632
limited to, the general assembly, the supreme court, the offices	19633
of all elected state officers, and all departments, boards,	19634
offices, commissions, agencies, institutions, and other	19635
instrumentalities of the state. "State" does not include political	19636
subdivisions.	19637
(B) "Political subdivisions" means municipal corporations,	19638
townships, counties, school districts, and all other bodies	19639
corporate and politic responsible for governmental activities only	19640
in geographic areas smaller than that of the state to which the	19641
sovereign immunity of the state attaches.	19642
(C) "Claim for an award of reparations" or "claim" means a	19643
claim for an award of reparations made under sections 2743.51 to	19644
2743.72 of the Revised Code.	19645
(D) "Award of reparations" or "award" means an award made	19646
under sections 2743.51 to 2743.72 of the Revised Code.	19647
(E)(1) "Public duty" includes, but is not limited to, any	19648
statutory, regulatory, or assumed duty concerning any action or	19649
omission of the state involving any of the following:	19650
(a) Permitting, certifying, licensing, inspecting,	19651
investigating, supervising, regulating, auditing, monitoring, law	19652
enforcement, or emergency response activity, <u>or compromising</u>	19653
<u>claims;</u>	19654
(b) Supervising, rehabilitating, or liquidating corporations	19655
or other business entities.	19656

(2) "Public duty" does not include any action of the state 19657
under circumstances in which a special relationship can be 19658
established between the state and an injured party as provided in 19659
division (A)(3) of section 2743.02 of the Revised Code. 19660

Sec. 2743.02. (A)(1) The state hereby waives its immunity 19661
from liability, except as provided for the office of the state 19662
fire marshal in division (G)(1) of section 9.60 and division (B) 19663
of section 3737.221 of the Revised Code and subject to division 19664
(H) of this section, and consents to be sued, and have its 19665
liability determined, in the court of claims created in this 19666
chapter in accordance with the same rules of law applicable to 19667
suits between private parties, except that the determination of 19668
liability is subject to the limitations set forth in this chapter 19669
and, in the case of state universities or colleges, in section 19670
3345.40 of the Revised Code, and except as provided in division 19671
(A)(2) or (3) of this section. To the extent that the state has 19672
previously consented to be sued, this chapter has no 19673
applicability. 19674

Except in the case of a civil action filed by the state, 19675
filing a civil action in the court of claims results in a complete 19676
waiver of any cause of action, based on the same act or omission, 19677
that the filing party has against any officer or employee, as 19678
defined in section 109.36 of the Revised Code. The waiver shall be 19679
void if the court determines that the act or omission was 19680
manifestly outside the scope of the officer's or employee's office 19681
or employment or that the officer or employee acted with malicious 19682
purpose, in bad faith, or in a wanton or reckless manner. 19683

(2) If a claimant proves in the court of claims that an 19684
officer or employee, as defined in section 109.36 of the Revised 19685
Code, would have personal liability for the officer's or 19686
employee's acts or omissions but for the fact that the officer or 19687

employee has personal immunity under section 9.86 of the Revised Code, the state shall be held liable in the court of claims in any action that is timely filed pursuant to section 2743.16 of the Revised Code and that is based upon the acts or omissions.

(3)(a) Except as provided in division (A)(3)(b) of this section, the state is immune from liability in any civil action or proceeding involving the performance or nonperformance of a public duty, including the performance or nonperformance of a public duty that is owed by the state in relation to any action of an individual who is committed to the custody of the state.

(b) The state immunity provided in division (A)(3)(a) of this section does not apply to any action of the state under circumstances in which a special relationship can be established between the state and an injured party. A special relationship under this division is demonstrated if all of the following elements exist:

(i) An assumption by the state, by means of promises or actions, of an affirmative duty to act on behalf of the party who was allegedly injured;

(ii) Knowledge on the part of the state's agents that inaction of the state could lead to harm;

(iii) Some form of direct contact between the state's agents and the injured party;

(iv) The injured party's justifiable reliance on the state's affirmative undertaking.

(B) The state hereby waives the immunity from liability of all hospitals owned or operated by one or more political subdivisions and consents for them to be sued, and to have their liability determined, in the court of common pleas, in accordance with the same rules of law applicable to suits between private parties, subject to the limitations set forth in this chapter.

This division is also applicable to hospitals owned or operated by 19719
political subdivisions that have been determined by the supreme 19720
court to be subject to suit prior to July 28, 1975. 19721

(C) Any hospital, as defined in section 2305.113 of the 19722
Revised Code, may purchase liability insurance covering its 19723
operations and activities and its agents, employees, nurses, 19724
interns, residents, staff, and members of the governing board and 19725
committees, and, whether or not such insurance is purchased, may, 19726
to the extent that its governing board considers appropriate, 19727
indemnify or agree to indemnify and hold harmless any such person 19728
against expense, including attorney's fees, damage, loss, or other 19729
liability arising out of, or claimed to have arisen out of, the 19730
death, disease, or injury of any person as a result of the 19731
negligence, malpractice, or other action or inaction of the 19732
indemnified person while acting within the scope of the 19733
indemnified person's duties or engaged in activities at the 19734
request or direction, or for the benefit, of the hospital. Any 19735
hospital electing to indemnify those persons, or to agree to so 19736
indemnify, shall reserve any funds that are necessary, in the 19737
exercise of sound and prudent actuarial judgment, to cover the 19738
potential expense, fees, damage, loss, or other liability. The 19739
superintendent of insurance may recommend, or, if the hospital 19740
requests the superintendent to do so, the superintendent shall 19741
recommend, a specific amount for any period that, in the 19742
superintendent's opinion, represents such a judgment. This 19743
authority is in addition to any authorization otherwise provided 19744
or permitted by law. 19745

(D) Recoveries against the state shall be reduced by the 19746
aggregate of insurance proceeds, disability award, or other 19747
collateral recovery ~~received by that~~ the claimant receives or is 19748
entitled to. This division does not apply to civil actions in the 19749
court of claims against a state university or college under the 19750

circumstances described in section 3345.40 of the Revised Code. 19751
The collateral benefits provisions of division (B)(2) of that 19752
section apply under those circumstances. 19753

(E) The only defendant in original actions in the court of 19754
claims is the state. The state may file a third-party complaint or 19755
counterclaim in any civil action, except a civil action for ten 19756
thousand dollars or less, that is filed in the court of claims. 19757

(F) A civil action against an officer or employee, as defined 19758
in section 109.36 of the Revised Code, that alleges that the 19759
officer's or employee's conduct was manifestly outside the scope 19760
of the officer's or employee's employment or official 19761
responsibilities, or that the officer or employee acted with 19762
malicious purpose, in bad faith, or in a wanton or reckless manner 19763
shall first be filed against the state in the court of claims that 19764
has exclusive, original jurisdiction to determine, initially, 19765
whether the officer or employee is entitled to personal immunity 19766
under section 9.86 of the Revised Code and whether the courts of 19767
common pleas have jurisdiction over the civil action. The officer 19768
or employee may participate in the immunity determination 19769
proceeding before the court of claims to determine whether the 19770
officer or employee is entitled to personal immunity under section 19771
9.86 of the Revised Code. 19772

The filing of a claim against an officer or employee under 19773
this division tolls the running of the applicable statute of 19774
limitations until the court of claims determines whether the 19775
officer or employee is entitled to personal immunity under section 19776
9.86 of the Revised Code. 19777

(G) If a claim lies against an officer or employee who is a 19778
member of the Ohio national guard, and the officer or employee 19779
was, at the time of the act or omission complained of, subject to 19780
the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 19781
2671, et seq., the Federal Tort Claims Act is the exclusive remedy 19782

of the claimant and the state has no liability under this section. 19783

(H) If an inmate of a state correctional institution has a 19784
claim against the state for the loss of or damage to property and 19785
the amount claimed does not exceed three hundred dollars, before 19786
commencing an action against the state in the court of claims, the 19787
inmate shall file a claim for the loss or damage under the rules 19788
adopted by the director of rehabilitation and correction pursuant 19789
to this division. The inmate shall file the claim within the time 19790
allowed for commencement of a civil action under section 2743.16 19791
of the Revised Code. If the state admits or compromises the claim, 19792
the director shall make payment from a fund designated by the 19793
director for that purpose. If the state denies the claim or does 19794
not compromise the claim at least sixty days prior to expiration 19795
of the time allowed for commencement of a civil action based upon 19796
the loss or damage under section 2743.16 of the Revised Code, the 19797
inmate may commence an action in the court of claims under this 19798
chapter to recover damages for the loss or damage. 19799

The director of rehabilitation and correction shall adopt 19800
rules pursuant to Chapter 119. of the Revised Code to implement 19801
this division. 19802

Sec. 2743.03. (A)(1) There is hereby created a court of 19803
claims. Except as provided under section 107.43 of the Revised 19804
Code, the court of claims is a court of record and has exclusive, 19805
original jurisdiction of all civil actions against the state 19806
permitted by the waiver of immunity contained in section 2743.02 19807
of the Revised Code and exclusive jurisdiction of the causes of 19808
action of all parties in civil actions that are removed to the 19809
court of claims. The court shall have full equity powers in all 19810
actions within its jurisdiction and may entertain and determine 19811
all counterclaims, cross-claims, and third-party claims. 19812

(2) If the claimant in a civil action as described in 19813

division (A)(1) of this section also files a claim for a 19814
declaratory judgment, injunctive relief, or other equitable relief 19815
against the state that arises out of the same circumstances that 19816
gave rise to the civil action described in division (A)(1) of this 19817
section, the court of claims has exclusive, original jurisdiction 19818
to hear and determine that claim in that civil action. This 19819
division does not affect, and shall not be construed as affecting, 19820
the original jurisdiction of another court of this state to hear 19821
and determine a civil action in which the sole relief that the 19822
claimant seeks against the state is a declaratory judgment, 19823
injunctive relief, or other equitable relief. 19824

(3) In addition to its exclusive, original jurisdiction as 19825
conferred by divisions (A)(1) and (2) of this section, the court 19826
of claims has exclusive, original jurisdiction as follows: 19827

(a) As described in division (F) of section 2743.02, division 19828
(B) of section 3335.03, and division (C) of section 5903.02 of the 19829
Revised Code; 19830

(b) Under section 2743.75 of the Revised Code to hear 19831
complaints alleging a denial of access to public records in 19832
violation of division (B) of section 149.43 of the Revised Code, 19833
regardless of whether the public office or person responsible for 19834
public records is an office or employee of the state or of a 19835
political subdivision; 19836

(c) Under section 2743.76 of the Revised Code to hear 19837
complaints alleging a violation of section 121.22 of the Revised 19838
Code by a public body, as defined in section 121.22 of the Revised 19839
Code. 19840

(B) The court of claims shall sit in Franklin county, its 19841
hearings shall be public, and it shall consist of incumbent 19842
justices or judges of the supreme court, courts of appeals, or 19843
courts of common pleas, or retired justices or judges eligible for 19844

active duty pursuant to division (C) of Section 6 of Article IV, 19845
Ohio Constitution, sitting by temporary assignment of the chief 19846
justice of the supreme court. The chief justice may direct the 19847
court to sit in any county for cases on removal upon a showing of 19848
substantial hardship and whenever justice dictates. 19849

(C)(1) A civil action against the state shall be heard and 19850
determined by a single judge. Upon application by the claimant or 19851
the state, the chief justice of the supreme court may assign a 19852
panel of three judges to hear and determine a civil action 19853
presenting novel or complex issues of law or fact. Concurrence of 19854
two members of the panel is necessary for any judgment or order. 19855

(2) Whenever the chief justice of the supreme court believes 19856
an equitable resolution of a case will be expedited, the chief 19857
justice may appoint magistrates in accordance with Civil Rule 53 19858
to hear the case. 19859

(3) When any dispute under division (B) of section 153.12 of 19860
the Revised Code is brought to the court of claims, upon request 19861
of either party to the dispute, the chief justice of the supreme 19862
court shall appoint a single referee or a panel of three referees. 19863
The referees need not be attorneys, but shall be persons 19864
knowledgeable about construction contract law, a member of the 19865
construction industry panel of the American arbitration 19866
association, or an individual or individuals deemed qualified by 19867
the chief justice to serve. No person shall serve as a referee if 19868
that person has been employed by an affected state agency or a 19869
contractor or subcontractor involved in the dispute at any time in 19870
the preceding five years. Proceedings governing referees shall be 19871
in accordance with Civil Rule 53, except as modified by this 19872
division. The referee or panel of referees shall submit its 19873
report, which shall include a recommendation and finding of fact, 19874
to the judge assigned to the case by the chief justice, within 19875
thirty days of the conclusion of the hearings. Referees appointed 19876

pursuant to this division shall be compensated on a per diem basis 19877
at the same rate as is paid to judges of the court and also shall 19878
be paid their expenses. If a single referee is appointed or a 19879
panel of three referees is appointed, then, with respect to one 19880
referee of the panel, the compensation and expenses of the referee 19881
shall not be taxed as part of the costs in the case but shall be 19882
included in the budget of the court. If a panel of three referees 19883
is appointed, the compensation and expenses of the two remaining 19884
referees shall be taxed as costs of the case. 19885

All costs of a case shall be apportioned among the parties. 19886
The court may not require that any party deposit with the court 19887
cash, bonds, or other security in excess of two hundred dollars to 19888
guarantee payment of costs without the prior approval in each case 19889
of the chief justice. 19890

(4) An appeal from a decision of the attorney general 19891
pursuant to sections 2743.51 to 2743.72 of the Revised Code shall 19892
be heard and determined by the court of claims. 19893

(D) The Rules of Civil Procedure shall govern practice and 19894
procedure in all actions in the court of claims, except insofar as 19895
inconsistent with this chapter. The supreme court may promulgate 19896
rules governing practice and procedure in actions in the court as 19897
provided in Section 5 of Article IV, Ohio Constitution. 19898

(E)(1) A party who files a counterclaim against the state or 19899
makes the state a third-party defendant in an action commenced in 19900
any court, other than the court of claims, shall file a petition 19901
for removal in the court of claims. The petition shall state the 19902
basis for removal, be accompanied by a copy of all process, 19903
pleadings, and other papers served upon the petitioner, and shall 19904
be signed in accordance with Civil Rule 11. A petition for removal 19905
based on a counterclaim shall be filed within twenty-eight days 19906
after service of the counterclaim of the petitioner. A petition 19907
for removal based on third-party practice shall be filed within 19908

twenty-eight days after the filing of the third-party complaint of 19909
the petitioner. 19910

(2) Within seven days after filing a petition for removal, 19911
the petitioner shall give written notice to the parties, and shall 19912
file a copy of the petition with the clerk of the court in which 19913
the action was brought originally. The filing effects the removal 19914
of the action to the court of claims, and the clerk of the court 19915
where the action was brought shall forward all papers in the case 19916
to the court of claims. The court of claims shall adjudicate all 19917
civil actions removed. The court may remand a civil action to the 19918
court in which it originated upon a finding that the removal 19919
petition does not justify removal, or upon a finding that the 19920
state is no longer a party. 19921

(3) Bonds, undertakings, or security and injunctions, 19922
attachments, sequestrations, or other orders issued prior to 19923
removal remain in effect until dissolved or modified by the court 19924
of claims. 19925

Sec. 2743.15. (A) The director or other administrative chief, 19926
or the governing body, of any department, board, office, 19927
commission, agency, institution, or other instrumentality of the 19928
state, ~~with:~~ 19929

(1) With the approval of the attorney general and the court 19930
of claims, may settle or compromise any civil action against the 19931
state insofar as the department, board, office, commission, 19932
agency, institution, or other instrumentality is named as a 19933
defendant; 19934

(2) Shall notify the office of risk management in the 19935
department of administrative services of any settlement or 19936
compromise to allow for the proper reservation of funds. 19937

(B) The acceptance by the claimant of any such compromise or 19938

settlement shall be final and conclusive on the claimant and is a 19939
complete release of the civil action against the state insofar as 19940
the particular department, board, office, commission, agency, 19941
institution, or other instrumentality is named, or could be named, 19942
as a defendant. A compromise or settlement that requires the 19943
payment of money by the state may be implemented and enforced, 19944
insofar as the payment of money is concerned, only through the 19945
procedure specified in section 2743.19 of the Revised Code, which 19946
shall be commenced by the attorney general forwarding a clerk's 19947
certified copy of the settlement instrument to the director of 19948
budget and management. A copy of the settlement instrument of 19949
actions involving the office of risk management in the department 19950
of administrative services shall be forwarded to the office of 19951
risk management for payment via the risk management reserve fund 19952
created in section 9.823 of the Revised Code. 19953

No interest of any kind, including any kind set forth in 19954
sections 2743.18 and 2743.19 of the Revised Code, is allowed on 19955
any compromise or settlement of any civil action against the state 19956
under this section. 19957

The authority of the department of administrative services to 19958
compromise claims does not extend to other statutory and agency 19959
programs with direct settlement authority, including activities by 19960
the department of transportation, inmate property actions 19961
described in division (H) of section 2743.02 of the Revised Code, 19962
and wrongful imprisonment actions provided for in section 2743.48 19963
of the Revised Code. 19964

Sec. 2743.16. (A) Subject to division (B) of this section, 19965
civil actions against the state permitted by sections 2743.01 to 19966
2743.20 of the Revised Code shall be commenced no later than two 19967
years after the date of accrual of the cause of action or within 19968
any shorter period that is applicable to similar suits between 19969

private parties. 19970

(B) If a person suffers injury, death, or loss to person or 19971
property ~~from the operation of an automobile, truck, motor vehicle~~ 19972
~~with auxiliary equipment, self-propelling equipment or trailer,~~ 19973
~~aircraft, or watercraft by an officer or employee of the state~~ 19974
~~while engaged in the course of his employment or official~~ 19975
~~responsibilities for the state, as contemplated in sections 9.821~~ 19976
~~to 9.83 of the Revised Code,~~ the person or the representative of 19977
that person or of the estate of that person shall attempt, prior 19978
to the commencement of an action based upon that injury, death, or 19979
loss, to have the claim based upon that injury, death, or loss 19980
compromised by the ~~state~~ office of risk management in the 19981
department of administrative services or satisfied by the state's 19982
liability insurance. No action for any such claim shall be filed 19983
in the court of claims until the person, the representative of 19984
that person, or the estate of the person asserting the claim has 19985
complied with this division. Any compromise by the office of risk 19986
management shall be paid from the risk management reserve fund 19987
created in section 9.823 of the Revised Code. The acceptance by 19988
the claimant of any such compromise or settlement shall be final 19989
and conclusive on the person or representative of the person or 19990
the person's estate and is a complete release against the state 19991
insofar as the particular department, board, office, commission, 19992
agency, institution, or other instrumentality is named, or could 19993
be named, as a defendant and results in a complete waiver of any 19994
cause of action, based on the same act or omission, that the 19995
person or representative of the person or the person's estate has 19996
against any officer or employee, as defined in section 109.36 of 19997
the Revised Code. 19998

If the state, upon a request of the person or of ~~his or his~~ 19999
~~estate's~~ the representative of the person or the person's estate 20000
to compromise such a claim, does not compromise the claim within a 20001

reasonable time after the request is made and at least sixty days 20002
prior to the expiration of the applicable period of limitations 20003
for commencement of an action based upon the injury, death, or 20004
loss, or if the amount of the claim is in excess of the state's 20005
liability insurance coverage, the person or ~~his or his estate's~~ 20006
the representative of the person or the person's estate may 20007
commence an action in the court of claims under this chapter to 20008
recover the claim or the unpaid amount of the claim from the 20009
state. Neither the person nor ~~his or his estate's~~ the 20010
representative of the person or the person's estate shall commence 20011
an action against the officer or employee to recover damages for 20012
the injury, death, or loss until after ~~he~~ the person or 20013
representative commences the action in the court of claims against 20014
the state and the action in that court is terminated. If the court 20015
of claims determines that the state is not liable for the injury, 20016
death, or loss ~~caused by the officer's or employee's operation of~~ 20017
~~the automobile, truck, motor vehicle with auxiliary equipment,~~ 20018
~~self-propelling equipment or trailer, aircraft, or watercraft,~~ the 20019
person or ~~his or his estate's~~ the representative of the person or 20020
the person's estate is not prohibited by this division from 20021
commencing an action against the officer or employee to recover 20022
the claim or the unpaid amount of the claim based upon the injury, 20023
death, or loss. Nothing in this division shall affect the immunity 20024
of any state officer or employee pursuant to section 9.86 of the 20025
Revised Code. 20026

If a person or his or his estate's representative attempts, 20027
pursuant to this division, to have a claim compromised by the 20028
state or satisfied by the state's liability insurance, and if the 20029
state determines not to compromise the claim, the state's 20030
liability insurance will not cover the claim, or the claim is in 20031
excess of the state's liability insurance coverage, then the state 20032
shall so notify the person or his or his estate's representative 20033
in writing. The notice shall be provided as soon as possible after 20034

the state determines not to compromise the claim or it is 20035
determined that the state's liability insurance will not cover 20036
either the claim or the entire claim. 20037

(C) All summaries, reports, and records received and 20038
maintained by the office of risk management in the department of 20039
administrative services in connection with claims against the 20040
state are not public records, shall be held in confidence, shall 20041
not be released, and shall not be subject to discovery or 20042
introduction in evidence in any federal or state civil action. 20043

(D)(1) The period of limitations prescribed by division (A) 20044
of this section shall be tolled pursuant to section 2305.16 of the 20045
Revised Code. 20046

(2) If a person suffers injury, death, or loss to person or 20047
property ~~from the operation of an automobile, truck, motor vehicle~~ 20048
~~with auxiliary equipment, self-propelling equipment or trailer,~~ 20049
~~aircraft, or watercraft by an officer or employee of the state~~ 20050
~~while engaged in the course of his employment or official~~ 20051
~~responsibilities for the state contemplated by sections 9.82 to~~ 20052
~~9.83 of the Revised Code, if the person or his or his estate's the~~ 20053
representative of the person or the person's estate is required by 20054
division (B) of this section to attempt to have the claim based 20055
upon the injury, death, or loss compromised by the state or 20056
satisfied by the state's liability insurance prior to commencing 20057
an action based upon the injury, death, or loss, and if the person 20058
or ~~his or his estate's~~ the representative of the person or the 20059
person's estate complies with that division prior to the 20060
expiration of the applicable period of limitations prescribed by 20061
division (A) of this section for the commencement of an action in 20062
the court of claims based upon that injury, death, or loss, the 20063
period of time commencing with the submission of the claim to the 20064
state for the purposes of compromise or liability insurance 20065
satisfaction and ending with the state's compromise of the claim, 20066

the satisfaction of the claim by the state's liability insurance, 20067
or the provision of the written notice described in division (B) 20068
of this section shall not be computed as any part of the period 20069
within which an action based upon that injury, death, or loss must 20070
be brought. 20071

(3) If a person or ~~his or his estate's~~ the representative of 20072
a person or a person's estate commences an action to recover a 20073
claim, or the unpaid amount of a claim, against the state in the 20074
court of claims and that claim arises out of ~~the operation of an~~ 20075
~~automobile, truck, motor vehicle with auxiliary equipment,~~ 20076
~~self-propelling equipment or trailer, aircraft, or watercraft by~~ 20077
~~an officer or employee of the state while engaged in the course of~~ 20078
~~his employment or official responsibilities for the state~~ an 20079
injury, death, or loss contemplated by sections 9.82 to 9.83 of 20080
the Revised Code, the statute of limitations on the claim against 20081
the officer or employee shall not run during any time when the 20082
action against the state is pending in the court of claims. 20083

Sec. 2743.19. (A) In rendering a judgment against the state, 20084
the court of claims shall determine and specify in the judgment 20085
the department, office, commission, board, agency, institution, or 20086
other instrumentality of the state against which a determination 20087
of liability has been made. The court of claims shall award 20088
compensation for fees to a prevailing party in an action under 20089
this chapter in accordance with section 2335.39 of the Revised 20090
Code. 20091

(B) No execution shall issue against the state or any 20092
department, board, office, commission, agency, institution, or 20093
other instrumentality of the state upon any judgment for the 20094
payment of money. 20095

(C) Judgments shall be accomplished only through the 20096
following procedure, which may be enforced by writ of mandamus 20097

directed to the appropriate official: 20098

(1) The clerk of the court of claims shall forward a 20099
certified copy of the judgment to the director of budget and 20100
management and the attorney general or the officer who signed the 20101
investigative report for the department, office, commission, 20102
board, agency, institution, or other instrumentality of the state 20103
against which a determination of liability has been made. If the 20104
judgment requires payment from the risk management reserve fund 20105
created in section 9.823 of the Revised Code, a final signed copy 20106
of the judgment shall be forwarded to the office of risk 20107
management in the department of administrative services for 20108
payment. 20109

(2) The expense of a judgment paid, plus interest at the same 20110
rate that is applicable to judgments rendered against private 20111
parties to a suit as specified in section 1343.03 of the Revised 20112
Code and for the number of days determined pursuant to division 20113
(B)(1) or (2) of section 2743.18 of the Revised Code, shall be 20114
charged by the director of budget and management against available 20115
unencumbered moneys in the appropriations to whichever state 20116
departments, boards, offices, commissions, agencies, institutions, 20117
or other instrumentalities are named in the judgment. The director 20118
of budget and management shall have sole discretion to determine 20119
whether or not unencumbered moneys in a particular appropriation 20120
are available for satisfaction of a judgment. 20121

(3) The director of budget and management, upon receipt of 20122
the certified copy of the judgment from the clerk of the court of 20123
claims pursuant to division (C)(1) of this section, shall provide 20124
for payment of the judgment creditor in the amount of the judgment 20125
certified by the clerk of the court of claims, plus interest. 20126

(4) If the director of budget and management determines that 20127
sufficient unencumbered moneys do not exist in the particular 20128
appropriations to pay the judgment and interest, the director may 20129

make application for payment of the judgment and interest out of 20130
the emergency purposes account or another appropriation for 20131
emergencies or contingencies. 20132

(5) If moneys in the emergency purposes account or another 20133
appropriation for emergencies or contingencies are not used to pay 20134
the judgment and interest, the director of budget and management 20135
shall request the general assembly to make an appropriation 20136
sufficient to pay the judgment and interest, and no payment shall 20137
be made until the appropriation has been made. The appropriate 20138
state department, board, office, commission, agency, institution, 20139
or other instrumentality shall make this appropriation request 20140
during the current biennium and during each succeeding biennium 20141
until a sufficient appropriation is made. 20142

(6) If the judgment is against any department, board, office, 20143
commission, agency, institution, or other instrumentality of the 20144
state whose funds are not handled by the director of budget and 20145
management, the instrumentality against which the judgment is 20146
made, within sixty days after the date of the judgment, shall pay 20147
the judgment creditor in the amount of the judgment plus interest 20148
at the same rate that is applicable to judgments rendered against 20149
private parties to a suit as specified in section 1343.03 of the 20150
Revised Code and for the number of days determined pursuant to 20151
division (B)(1) or (2) of section 2743.18 of the Revised Code. 20152

(D) No judgment shall be forwarded by the clerk of the court 20153
of claims to the director of budget and management until all 20154
appeals have been determined and all rights to appeal have been 20155
exhausted, except as otherwise provided in this section. If a 20156
party to a civil action against the state appeals from only a 20157
portion of a judgment and if a remaining portion provides for the 20158
payment of money by the state, a certified copy of the judgment 20159
and a copy of the notice of appeal shall be forwarded to the 20160
director, and that part of the judgment calling for the payment of 20161

money by the state and not a subject of the appeal shall be 20162
processed for payment as described in this section. 20163

Sec. 2743.76. (A) In order to provide for an expeditious and 20164
economical procedure that attempts to resolve disputes alleging a 20165
violation of section 121.22 of the Revised Code, except for a 20166
court that hears an action pursuant to that section, the court of 20167
claims shall be the sole and exclusive authority in this state 20168
that adjudicates or resolves complaints based on alleged 20169
violations of that section. The clerk of the court of claims shall 20170
designate one or more current employees or hire one or more 20171
individuals to serve as special masters to hear complaints brought 20172
under this section. All special masters shall have been engaged in 20173
the practice of law in this state for at least four years and be 20174
in good standing with the supreme court at the time of designation 20175
or hiring. The clerk may assign administrative and clerical work 20176
associated with complaints brought under this section to current 20177
employees or may hire such additional employees as may be 20178
necessary to perform such work. 20179

(B) The clerk of the court of common pleas in each county 20180
shall act as the clerk of the court of claims for purposes of 20181
accepting those complaints filed with the clerk under division 20182
(D)(1) of this section, accepting filing fees for those 20183
complaints, and serving those complaints. 20184

(C)(1) Subject to division (C)(2) of this section, a person 20185
allegedly aggrieved by a violation of section 121.22 of the 20186
Revised Code may seek relief under that section or under this 20187
section, provided, however, that if the allegedly aggrieved person 20188
files a complaint under either section, that person may not seek 20189
relief that pertains to the same allegation in a complaint filed 20190
under the other section. 20191

(2) If the allegedly aggrieved person files a complaint under 20192

this section and the court of claims determines that the complaint 20193
constitutes a case of first impression that involves an issue of 20194
substantial public interest or a unique or complex case that 20195
manifestly requires discovery, hearings, or oral testimony, the 20196
court shall dismiss the complaint without prejudice and direct the 20197
allegedly aggrieved person to commence an action in the court of 20198
common pleas with appropriate jurisdiction as provided in division 20199
(I)(1)(a)(ii) of section 121.22 of the Revised Code. 20200

(D)(1) An allegedly aggrieved person who proceeds under this 20201
section shall file a complaint, on a form prescribed by the clerk 20202
of the court of claims, with the clerk of the court of claims or 20203
with the clerk of the court of common pleas of the county in which 20204
the public body that allegedly violated section 121.22 of the 20205
Revised Code is located. The person shall attach to the complaint 20206
copies of any documents, written responses, or other 20207
communications relating to the alleged violation from the public 20208
body or its authorized representative and shall pay a filing fee 20209
of twenty-five dollars made payable to the clerk of the court with 20210
whom the complaint is filed. The clerk shall serve a copy of the 20211
complaint on the public body and its authorized representative in 20212
accordance with Civil Rule 4.1 and, if the complaint is filed with 20213
the clerk of the court of common pleas, shall forward the 20214
complaint to the clerk of the court of claims, and to no other 20215
court, within five business days after service on the public body 20216
and its authorized representative is complete. 20217

(2) Upon receipt of a complaint filed under division (D)(1) 20218
of this section, the clerk of the court of claims shall assign a 20219
case number for the action and a special master to examine the 20220
complaint. Notwithstanding any provision to the contrary in this 20221
section, upon the recommendation of the special master, the court 20222
of claims on its own motion may dismiss the complaint at any time. 20223
The allegedly aggrieved person may voluntarily dismiss the 20224

complaint filed by that person under division (D)(1) of this 20225
section. 20226

(E)(1) Upon service of a complaint under division (D)(1) of 20227
this section, except as otherwise provided in this division, the 20228
special master assigned by the clerk under division (D)(2) of this 20229
section immediately shall refer the case to mediation services 20230
that the court of claims makes available to persons. If, in the 20231
interest of justice considering the circumstances of the case or 20232
the parties, the special master determines that the case should 20233
not be referred to mediation, the special master shall notify the 20234
court that the case was not referred to mediation, and the case 20235
shall proceed in accordance with division (F) of this section. If 20236
the case is referred to mediation, any further proceedings under 20237
division (F) of this section shall be stayed until the conclusion 20238
of the mediation. Any mediation proceedings under this division 20239
may be conducted by teleconference, telephone, or other electronic 20240
means. If an agreement is reached during mediation, the court 20241
shall dismiss the complaint. If an agreement is not reached, the 20242
special master shall notify the court that the case was not 20243
resolved and that the mediation has been terminated. 20244

(2) Within ten business days after the termination of the 20245
mediation or the notification to the court that the case was not 20246
referred to mediation under division (E)(1) of this section, the 20247
public body or its authorized representative shall file a 20248
response, and if applicable, a motion to dismiss the complaint, 20249
with the clerk of the court of claims and transmit copies of the 20250
pleadings to the allegedly aggrieved party. No further motions or 20251
pleadings shall be accepted by the clerk of the court of claims or 20252
by the special master assigned by the clerk under division (D)(2) 20253
of this section unless the special master directs in writing that 20254
a further motion or pleading be filed. 20255

(3) All of the following apply prior to the submission of the 20256

special master's report and recommendation to the court of claims 20257
under division (F)(1) of this section: 20258

(a) The special master shall not permit any discovery. 20259

(b) The parties may attach supporting affidavits to their 20260
respective pleadings. 20261

(c) The special master may require either or both of the 20262
parties to submit additional information or documentation 20263
supported by affidavits. 20264

(F)(1) Not later than thirty business days after receiving 20265
the response, or motion to dismiss the complaint, if applicable, 20266
of the public body or its authorized representative, the special 20267
master shall submit to the court of claims a report and 20268
recommendation based on the ordinary application of statutory law 20269
and case law as they existed at the time of the filing of the 20270
complaint. For good cause shown, the special master may extend the 20271
thirty-day period for the submission of the report and 20272
recommendation to the court of claims under this division. 20273

(2) Upon submission of the special master's report and 20274
recommendation to the court of claims under division (F)(1) of 20275
this section, the clerk shall send copies of the report and 20276
recommendation to each party by certified mail, return receipt 20277
requested, not later than three business days after the report and 20278
recommendation is filed. Either party may object to the report and 20279
recommendation within seven business days after receiving the 20280
report and recommendation by filing a written objection with the 20281
clerk and sending a copy to the other party by certified mail, 20282
return receipt requested. Any objection to the report and 20283
recommendation shall be specific and state with particularity all 20284
grounds for the objection. If neither party timely objects, the 20285
court of claims shall promptly issue a final order adopting the 20286
report and recommendation, unless it determines that there is an 20287

error of law or other defect evident on the face of the report and 20288
recommendation. If either party timely objects, the other party 20289
may file with the clerk a response within seven business days 20290
after receiving the objection and send a copy of the response to 20291
the objecting party by certified mail, return receipt requested. 20292
The court, within seven business days after the response to the 20293
objection is filed, shall issue a final order that adopts, 20294
modifies, or rejects the report and recommendation. 20295

(3) If the court of claims determines that the public body 20296
violated section 121.22 of the Revised Code as alleged by the 20297
aggrieved person and if no appeal from the court's final order is 20298
taken under division (G) of this section, all of the following 20299
apply: 20300

(a) The public body shall comply with the remedy that the 20301
court requires in its order. 20302

(b) The aggrieved person shall be entitled to recover from 20303
the public body the amount of the filing fee of twenty-five 20304
dollars and any other costs associated with the action that are 20305
incurred by the aggrieved person, but shall not be entitled to 20306
recover attorney's fees, except that division (G)(2) of this 20307
section applies if an appeal is taken under division (G)(1) of 20308
this section. 20309

(c) The court of claims shall issue an injunction to compel 20310
the members of the public body to comply with section 121.22 of 20311
the Revised Code. 20312

(4) A determination under this section that the public body 20313
violated section 121.22 of the Revised Code does not void or 20314
invalidate any actions taken by the public body. 20315

(G)(1) Any appeal from a final order of the court of claims 20316
under this section or from an order of the court of claims 20317
dismissing the complaint as provided in division (D)(2) of this 20318

section shall be taken to the court of appeals of the appellate district where the principal place of business of the public body that is alleged to have violated section 121.22 of the Revised Code is located. However, no appeal may be taken from a final order of the court of claims that adopts the special master's report and recommendation unless a timely objection to that report and recommendation was filed under division (F)(2) of this section. If the court of claims materially modifies the special master's report and recommendation, either party may take an appeal to the court of appeals of the appellate district of the principal place of business where that public body is located but the appeal shall be limited to the issue in the report and recommendation that is materially modified by the court of claims. In order to facilitate the expeditious resolution of disputes over alleged violations of section 121.22 of the Revised Code, the appeal shall be given such precedence over other pending matters as will ensure that the court will reach a decision promptly.

(2) If a court of appeals in any appeal taken under division (G)(1) of this section by the public body or its authorized representative determines that the public body violated section 121.22 of the Revised Code as alleged by the aggrieved person and obviously filed the appeal with the intent to either delay compliance with the court of claims' order from which the appeal is taken for no reasonable cause or unduly harass the aggrieved person, the court of appeals may award reasonable attorney's fees to the aggrieved person in accordance with division (I)(2)(a) of section 121.22 of the Revised Code. No discovery may be conducted on the issue of the public body or its authorized representative filing the appeal with the alleged intent to either delay compliance with the court of claims' order for no reasonable cause or unduly harass the aggrieved person. This division shall not be construed as creating a presumption that the public body or its authorized representative filed the appeal with the intent to

either delay compliance with the court of claims' order for no 20352
reasonable cause or unduly harass the aggrieved person. 20353

(H) The powers of the court of claims prescribed in section 20354
2743.05 of the Revised Code apply to the proceedings in that court 20355
under this section. 20356

(I)(1) All filing fees collected by a clerk of the court of 20357
common pleas under division (D)(1) of this section shall be paid 20358
to the county treasurer for deposit into the county general 20359
revenue fund. All such money collected during a month shall be 20360
transmitted on or before the twentieth day of the following month 20361
by the clerk of the court of common pleas to the county treasurer. 20362

(2) All filing fees collected by the clerk of the court of 20363
claims under division (D)(1) of this section shall be kept by the 20364
court of claims to assist in paying for its costs to implement 20365
this section. Not later than the first day of February of each 20366
year, the clerk of the court of claims shall prepare a report 20367
accessible to the public that details the fees collected during 20368
the preceding calendar year by the clerk of the court of claims 20369
and the clerks of the courts of common pleas under this section. 20370

(J) Nothing in this section shall be construed to limit the 20371
authority of the auditor of state under division (G) of section 20372
109.43 of the Revised Code. 20373

Sec. 2746.04. In addition to any applicable fees or costs set 20374
forth in sections 2746.01 and 2746.02 of the Revised Code or any 20375
other applicable provision of law, a court of common pleas shall 20376
tax as costs or otherwise require the payment of fees for the 20377
following services rendered or as compensation for the following 20378
persons or any other of the following fees that are applicable in 20379

Sec. 2929.15. (A)(1) If in sentencing an offender for a 20546
felony the court is not required to impose a prison term, a 20547
mandatory prison term, or a term of life imprisonment upon the 20548
offender, the court may directly impose a sentence that consists 20549
of one or more community control sanctions authorized pursuant to 20550
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 20551
court is sentencing an offender for a fourth degree felony OVI 20552
offense under division (G)(1) of section 2929.13 of the Revised 20553
Code, in addition to the mandatory term of local incarceration 20554
imposed under that division and the mandatory fine required by 20555
division (B)(3) of section 2929.18 of the Revised Code, the court 20556
may impose upon the offender a community control sanction or 20557
combination of community control sanctions in accordance with 20558
sections 2929.16 and 2929.17 of the Revised Code. If the court is 20559
sentencing an offender for a third or fourth degree felony OVI 20560
offense under division (G)(2) of section 2929.13 of the Revised 20561
Code, in addition to the mandatory prison term or mandatory prison 20562
term and additional prison term imposed under that division, the 20563
court also may impose upon the offender a community control 20564

section 2929.16 or 2929.17 of the Revised Code, but the offender 20566
shall serve all of the prison terms so imposed prior to serving 20567
the community control sanction. 20568

The duration of all community control sanctions imposed on an offender under this division shall not exceed five years. If the offender absconds or otherwise leaves the jurisdiction of the court in which the offender resides without obtaining permission from the court or the offender's probation officer to leave the jurisdiction of the court, or if the offender is confined in any institution for the commission of any offense while under a community control sanction, the period of the community control sanction ceases to run until the offender is brought before the court for its further action. If the court sentences the offender to one or more nonresidential sanctions under section 2929.17 of the Revised Code, the court shall impose as a condition of the nonresidential sanctions that, during the period of the sanctions, the offender must abide by the law and must not leave the state without the permission of the court or the offender's probation officer. The court may impose any other conditions of release under a community control sanction that the court considers appropriate, including, but not limited to, requiring that the offender not ingest or be injected with a drug of abuse and submit to random drug testing as provided in division (D) of this section to determine whether the offender ingested or was injected with a drug of abuse and requiring that the results of the drug test indicate that the offender did not ingest or was not injected with a drug of abuse.

(2)(a) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, the court shall place the offender under the general control and supervision of a department of probation in the county that serves the court for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state

without the permission of the court or the offender's probation officer. Alternatively, if the offender resides in another county and a county department of probation has been established in that county or that county is served by a multicounty probation department established under section 2301.27 of the Revised Code, the court may request the court of common pleas of that county to receive the offender into the general control and supervision of that county or multicounty department of probation for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer, subject to the jurisdiction of the trial judge over and with respect to the person of the offender, and to the rules governing that department of probation.

If there is no department of probation in the county that serves the court, the court shall place the offender, regardless of the offender's county of residence, under the general control and supervision of the adult parole authority or an entity authorized under division (B) of section 2301.27 of the Revised Code to provide probation and supervisory services to counties for purposes of reporting to the court a violation of any of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer.

(b) If the court imposing sentence on an offender sentences the offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, and if the offender violates any condition of the sanctions, violates any

condition of release under a community control sanction imposed by 20634
the court, violates any law, or departs the state without the 20635
permission of the court or the offender's probation officer, the 20636
public or private person or entity that operates or administers 20637
the sanction or the program or activity that comprises the 20638
sanction shall report the violation or departure directly to the 20639
sentencing court, or shall report the violation or departure to 20640
the county or multicounty department of probation with general 20641
control and supervision over the offender under division (A)(2)(a) 20642
of this section or the officer of that department who supervises 20643
the offender, or, if there is no such department with general 20644
control and supervision over the offender under that division, to 20645
the adult parole authority or an entity authorized under division 20646
(B) of section 2301.27 of the Revised Code to provide probation 20647
and supervisory services to the county. If the public or private 20648
person or entity that operates or administers the sanction or the 20649
program or activity that comprises the sanction reports the 20650
violation or departure to the county or multicounty department of 20651
probation, the adult parole authority, or any other entity 20652
providing probation and supervisory services to the county, the 20653
department's, authority's, or other entity's officers may treat 20654
the offender as if the offender were on probation and in violation 20655
of the probation, and shall report the violation of the condition 20656
of the sanction, any condition of release under a community 20657
control sanction imposed by the court, the violation of law, or 20658
the departure from the state without the required permission to 20659
the sentencing court. 20660

(3) If an offender who is eligible for community control 20661
sanctions under this section admits to being drug addicted or the 20662
court has reason to believe that the offender is drug addicted, 20663
and if the offense for which the offender is being sentenced was 20664
related to the addiction, the court may require that the offender 20665
be assessed by a properly credentialed professional within a 20666

specified period of time and shall require the professional to 20667
file a written assessment of the offender with the court. If a 20668
court imposes treatment and recovery support services as a 20669
community control sanction, the court shall direct the level and 20670
type of treatment and recovery support services after 20671
consideration of the written assessment, if available at the time 20672
of sentencing, and recommendations of the professional and other 20673
treatment and recovery support services providers. 20674

(4) If an assessment completed pursuant to division (A)(3) of 20675
this section indicates that the offender is addicted to drugs or 20676
alcohol, the court may include in any community control sanction 20677
imposed for a violation of section 2925.02, 2925.03, 2925.04, 20678
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 20679
2925.37 of the Revised Code a requirement that the offender 20680
participate in alcohol and drug addiction services and recovery 20681
supports certified under section 5119.36 of the Revised Code or 20682
offered by a properly credentialed community addiction services 20683
provider. 20684

(B)(1) If the conditions of a community control sanction 20685
imposed for a felony are violated or if the offender violates a 20686
law or leaves the state without the permission of the court or the 20687
offender's probation officer, the sentencing court may impose on 20688
the violator one or more of the following penalties: 20689

(a) A longer time under the same sanction if the total time 20690
under the sanctions does not exceed the five-year limit specified 20691
in division (A) of this section; 20692

(b) A more restrictive sanction under section 2929.16, 20693
2929.17, or 2929.18 of the Revised Code, including but not limited 20694
to, a new term in a community-based correctional facility, halfway 20695
house, or jail pursuant to division (A)(6) of section 2929.16 of 20696
the Revised Code; 20697

(c) A prison term on the offender pursuant to section 2929.14 20698
of the Revised Code and division (B)(3) of this section, provided 20699
that a prison term imposed under this division is subject to the 20700
following limitations and rules, as applicable: 20701

(i) If the prison term is imposed for any technical violation 20702
of the conditions of a community control sanction imposed for a 20703
felony of the fifth degree, the prison term shall not exceed 20704
ninety days, provided that if the remaining period of community 20705
control at the time of the violation or the remaining period of 20706
the ~~suspended~~ reserved prison sentence at that time is less than 20707
ninety days, the prison term shall not exceed the length of the 20708
remaining period of community control or the remaining period of 20709
the ~~suspended~~ reserved prison sentence. If the court imposes a 20710
prison term as described in this division, division (B)(2)(b) of 20711
this section applies. 20712

(ii) If the prison term is imposed for any technical 20713
violation of the conditions of a community control sanction 20714
imposed for a felony of the fourth degree that is not an offense 20715
of violence and is not a sexually oriented offense , the prison 20716
term shall not exceed one hundred eighty days, provided that if 20717
the remaining period of the community control at the time of the 20718
violation or the remaining period of the ~~suspended~~ reserved prison 20719
sentence at that time is less than one hundred eighty days, the 20720
prison term shall not exceed the length of the remaining period of 20721
community control or the remaining period of the ~~suspended~~ 20722
reserved prison sentence. If the court imposes a prison term as 20723
described in this division, division (B)(2)(b) of this section 20724
applies. 20725

(iii) A court is not limited in the number of times it may 20726
sentence an offender to a prison term under division (B)(1)(c) of 20727
this section for a violation of the conditions of a community 20728
control sanction or for a violation of a law or leaving the state 20729

without the permission of the court or the offender's probation officer. If an offender who is under a community control sanction violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, is sentenced to a prison term for the violation or conduct, is released from the term after serving it, and subsequently violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, the court may impose a new prison term sanction on the offender under division (B)(1)(c) of this section for the subsequent violation or conduct.

(2)(a) If an offender was acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code and in so doing violated the conditions of a community control sanction based on a minor drug possession offense, as defined in section 2925.11 of the Revised Code, the sentencing court may consider the offender's conduct in seeking or obtaining medical assistance for another in good faith or for self or may consider the offender being the subject of another person seeking or obtaining medical assistance in accordance with that division as a mitigating factor before imposing any of the penalties described in division (B)(1) of this section.

(b) If a court imposes a prison term on an offender under division (B)(1)(c)(i) or (ii) of this section for a technical violation of the conditions of a community control sanction, one of the following is applicable with respect to the time that the offender spends in prison under the term:

(i) Subject to division (B)(2)(b)(ii) of this section, it shall be credited against the offender's community control sanction that was being served at the time of the violation, and the remaining time under that community control sanction shall be reduced by the time that the offender spends in prison under the

prison term. ~~The~~ By determination of the court, the offender upon 20762
release from the prison term either shall continue serving the 20763
remaining time under the community control sanction, as reduced 20764
under this division, or shall have the community control sanction 20765
terminated. 20766

(ii) If the offender at the time of the violation was serving 20767
a community control sanction as part of a ~~suspended~~ reserved 20768
prison sentence, it shall be credited against the offender's 20769
community control sanction that was being served at the time of 20770
the violation and against the ~~suspended~~ reserved prison sentence, 20771
and the remaining time under that community control sanction and 20772
under the ~~suspended~~ reserved prison sentence shall be reduced by 20773
the time that the offender spends in prison under the prison term. 20774
~~The~~ By determination of the court, the offender upon release from 20775
the prison term either shall continue serving the remaining time 20776
under the community control sanction, as reduced under this 20777
division, or shall have the community control sanction terminated. 20778

~~(c) A court is not limited in the number of times it may~~ 20779
~~sentence an offender to a prison term under division (B)(1)(c) of~~ 20780
~~this section for a violation of the conditions of a community~~ 20781
~~control sanction or for a violation of a law or leaving the state~~ 20782
~~without the permission of the court or the offender's probation~~ 20783
~~officer. If an offender who is under a community control sanction~~ 20784
~~violates the conditions of the sanction or violates a law or~~ 20785
~~leaves the state without the permission of the court or the~~ 20786
~~offender's probation officer, is sentenced to a prison term for~~ 20787
~~the violation or conduct, is released from the term after serving~~ 20788
~~it, and subsequently violates the conditions of the sanction or~~ 20789
~~violates a law or leaves the state without the permission of the~~ 20790
~~court or the offender's probation officer, the court may impose a~~ 20791
~~new prison term sanction on the offender under division (B)(1)(c)~~ 20792
~~of this section for the subsequent violation or conduct.~~ 20793

(3) The prison term, if any, imposed on a violator pursuant to this division and division (B)(1) of this section shall be within the range of prison terms described in this division and shall not exceed ~~the~~ a prison term from the range of terms specified in the notice provided to the offender at the sentencing hearing pursuant to division ~~(B)(2)~~(B)(4) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to division (B)(1) of this section by the time the offender successfully spent under the sanction that was initially imposed. Except as otherwise specified in this division, the prison term imposed under this division and division (B)(1) of this section shall be within the range of prison terms available as a definite term for the offense for which the sanction that was violated was imposed. If the offense for which the sanction that was violated was imposed is a felony of the first or second degree committed on or after March 22, 2019, the prison term so imposed under this division shall be within the range of prison terms available as a minimum term for the offense under division (A)(1)(a) or (2)(a) of section 2929.14 of the Revised Code.

(C) If an offender, for a significant period of time, fulfills the conditions of a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary manner, the court may reduce the period of time under the sanction or impose a less restrictive sanction, but the court shall not permit the offender to violate any law or permit the offender to leave the state without the permission of the court or the offender's probation officer.

(D)(1) If a court under division (A)(1) of this section imposes a condition of release under a community control sanction that requires the offender to submit to random drug testing, the

department of probation, the adult parole authority, or any other 20826
entity that has general control and supervision of the offender 20827
under division (A)(2)(a) of this section may cause the offender to 20828
submit to random drug testing performed by a laboratory or entity 20829
that has entered into a contract with any of the governmental 20830
entities or officers authorized to enter into a contract with that 20831
laboratory or entity under section 341.26, 753.33, or 5120.63 of 20832
the Revised Code. 20833

(2) If no laboratory or entity described in division (D)(1) 20834
of this section has entered into a contract as specified in that 20835
division, the department of probation, the adult parole authority, 20836
or any other entity that has general control and supervision of 20837
the offender under division (A)(2)(a) of this section shall cause 20838
the offender to submit to random drug testing performed by a 20839
reputable public laboratory to determine whether the individual 20840
who is the subject of the drug test ingested or was injected with 20841
a drug of abuse. 20842

(3) A laboratory or entity that has entered into a contract 20843
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 20844
shall perform the random drug tests under division (D)(1) of this 20845
section in accordance with the applicable standards that are 20846
included in the terms of that contract. A public laboratory shall 20847
perform the random drug tests under division (D)(2) of this 20848
section in accordance with the standards set forth in the policies 20849
and procedures established by the department of rehabilitation and 20850
correction pursuant to section 5120.63 of the Revised Code. An 20851
offender who is required under division (A)(1) of this section to 20852
submit to random drug testing as a condition of release under a 20853
community control sanction and whose test results indicate that 20854
the offender ingested or was injected with a drug of abuse shall 20855
pay the fee for the drug test if the department of probation, the 20856
adult parole authority, or any other entity that has general 20857

control and supervision of the offender requires payment of a fee. 20858
A laboratory or entity that performs the random drug testing on an 20859
offender under division (D)(1) or (2) of this section shall 20860
transmit the results of the drug test to the appropriate 20861
department of probation, the adult parole authority, or any other 20862
entity that has general control and supervision of the offender 20863
under division (A)(2)(a) of this section. 20864

(E) As used in this section, "technical violation" means a 20865
violation of the conditions of a community control sanction 20866
imposed for a felony of the fifth degree, or for a felony of the 20867
fourth degree that is not an offense of violence and is not a 20868
sexually oriented offense, and to which neither of the following 20869
applies: 20870

(1) The violation consists of a new criminal offense that is 20871
a felony or that is a misdemeanor other than a minor misdemeanor, 20872
and the violation is committed while under the community control 20873
sanction. 20874

(2) The violation consists of or includes the offender's 20875
articulated or demonstrated refusal to participate in the 20876
community control sanction imposed on the offender or any of its 20877
conditions, and the refusal demonstrates to the court that the 20878
offender has abandoned the objects of the community control 20879
sanction or condition. 20880

Sec. 2929.19. (A) The court shall hold a sentencing hearing 20881
before imposing a sentence under this chapter upon an offender who 20882
was convicted of or pleaded guilty to a felony and before 20883
resentencing an offender who was convicted of or pleaded guilty to 20884
a felony and whose case was remanded pursuant to section 2953.07 20885
or 2953.08 of the Revised Code. At the hearing, the offender, the 20886
prosecuting attorney, the victim or the victim's representative in 20887
accordance with section 2930.14 of the Revised Code, and, with the 20888

approval of the court, any other person may present information 20889
relevant to the imposition of sentence in the case. The court 20890
shall inform the offender of the verdict of the jury or finding of 20891
the court and ask the offender whether the offender has anything 20892
to say as to why sentence should not be imposed upon the offender. 20893

(B)(1) At the sentencing hearing, the court, before imposing 20894
sentence, shall do all of the following: 20895

(a) Consider the record, any information presented at the 20896
hearing by any person pursuant to division (A) of this section, 20897
and, if one was prepared, the presentence investigation report 20898
made pursuant to section 2951.03 of the Revised Code or Criminal 20899
Rule 32.2, and any victim impact statement made pursuant to 20900
section 2947.051 of the Revised Code; 20901

(b) If the offense was committed when the offender was under 20902
eighteen years of age, in addition to other factors considered, 20903
consider youth and its characteristics as mitigating factors, 20904
including: 20905

(i) The chronological age of the offender at the time of the 20906
offense and that age's hallmark features, including intellectual 20907
capacity, immaturity, impetuosity, and a failure to appreciate 20908
risks and consequences; 20909

(ii) The family and home environment of the offender at the 20910
time of the offense, the offender's inability to control the 20911
offender's surroundings, a history of trauma regarding the 20912
offender, and the offender's school and special education history; 20913

(iii) The circumstances of the offense, including the extent 20914
of the offender's participation in the conduct and the way 20915
familial and peer pressures may have impacted the offender's 20916
conduct; 20917

(iv) Whether the offender might have been charged and 20918

convicted of a lesser offense if not for the incompetencies 20919
associated with youth, such as the offender's inability to deal 20920
with police officers and prosecutors during the offender's 20921
interrogation or possible plea agreement or the offender's 20922
inability to assist the offender's own attorney; 20923

(v) Examples of the offender's rehabilitation, including any 20924
subsequent growth or increase in maturity during confinement. 20925

(2) Subject to division (B)(3) of this section, if the 20926
sentencing court determines at the sentencing hearing that a 20927
prison term is necessary or required, the court shall do all of 20928
the following: 20929

(a) Impose a stated prison term and, if the court imposes a 20930
mandatory prison term, notify the offender that the prison term is 20931
a mandatory prison term; 20932

(b) In addition to any other information, include in the 20933
sentencing entry the name and section reference to the offense or 20934
offenses, the sentence or sentences imposed and whether the 20935
sentence or sentences contain mandatory prison terms, if sentences 20936
are imposed for multiple counts whether the sentences are to be 20937
served concurrently or consecutively, and the name and section 20938
reference of any specification or specifications for which 20939
sentence is imposed and the sentence or sentences imposed for the 20940
specification or specifications; 20941

(c) If the prison term is a non-life felony indefinite prison 20942
term, notify the offender of all of the following: 20943

(i) That it is rebuttably presumed that the offender will be 20944
released from service of the sentence on the expiration of the 20945
minimum prison term imposed as part of the sentence or on the 20946
offender's presumptive earned early release date, as defined in 20947
section 2967.271 of the Revised Code, whichever is earlier; 20948

(ii) That the department of rehabilitation and correction may 20949

rebut the presumption described in division (B)(2)(c)(i) of this 20950
section if, at a hearing held under section 2967.271 of the 20951
Revised Code, the department makes specified determinations 20952
regarding the offender's conduct while confined, the offender's 20953
rehabilitation, the offender's threat to society, the offender's 20954
restrictive housing, if any, while confined, and the offender's 20955
security classification; 20956

(iii) That if, as described in division (B)(2)(c)(ii) of this 20957
section, the department at the hearing makes the specified 20958
determinations and rebuts the presumption, the department may 20959
maintain the offender's incarceration after the expiration of that 20960
minimum term or after that presumptive earned early release date 20961
for the length of time the department determines to be reasonable, 20962
subject to the limitation specified in section 2967.271 of the 20963
Revised Code; 20964

(iv) That the department may make the specified 20965
determinations and maintain the offender's incarceration under the 20966
provisions described in divisions (B)(2)(c)(i) and (ii) of this 20967
section more than one time, subject to the limitation specified in 20968
section 2967.271 of the Revised Code; 20969

(v) That if the offender has not been released prior to the 20970
expiration of the offender's maximum prison term imposed as part 20971
of the sentence, the offender must be released upon the expiration 20972
of that term. 20973

(d) Notify the offender that the offender will be supervised 20974
under section 2967.28 of the Revised Code after the offender 20975
leaves prison if the offender is being sentenced, other than to a 20976
sentence of life imprisonment, for a felony of the first degree or 20977
second degree, for a felony sex offense, or for a felony of the 20978
third degree that is an offense of violence and is not a felony 20979
sex offense. This division applies with respect to all prison 20980
terms imposed for an offense of a type described in this division, 20981

including a non-life felony indefinite prison term and including a 20982
term imposed for any offense of a type described in this division 20983
that is a risk reduction sentence, as defined in section 2967.28 20984
of the Revised Code. If a court imposes a sentence including a 20985
prison term of a type described in division (B)(2)(d) of this 20986
section on or after July 11, 2006, the failure of a court to 20987
notify the offender pursuant to division (B)(2)(d) of this section 20988
that the offender will be supervised under section 2967.28 of the 20989
Revised Code after the offender leaves prison or to include in the 20990
judgment of conviction entered on the journal a statement to that 20991
effect does not negate, limit, or otherwise affect the mandatory 20992
period of supervision that is required for the offender under 20993
division (B) of section 2967.28 of the Revised Code. Section 20994
2929.191 of the Revised Code applies if, prior to July 11, 2006, a 20995
court imposed a sentence including a prison term of a type 20996
described in division (B)(2)(d) of this section and failed to 20997
notify the offender pursuant to division (B)(2)(d) of this section 20998
regarding post-release control or to include in the judgment of 20999
conviction entered on the journal or in the sentence a statement 21000
regarding post-release control. 21001

(e) Notify the offender that the offender may be supervised 21002
under section 2967.28 of the Revised Code after the offender 21003
leaves prison if the offender is being sentenced for a felony of 21004
the third, fourth, or fifth degree that is not subject to division 21005
(B)(2)(d) of this section. This division applies with respect to 21006
all prison terms imposed for an offense of a type described in 21007
this division, including a term imposed for any such offense that 21008
is a risk reduction sentence, as defined in section 2967.28 of the 21009
Revised Code. Section 2929.191 of the Revised Code applies if, 21010
prior to July 11, 2006, a court imposed a sentence including a 21011
prison term of a type described in division (B)(2)(e) of this 21012
section and failed to notify the offender pursuant to division 21013
(B)(2)(e) of this section regarding post-release control or to 21014

include in the judgment of conviction entered on the journal or in 21015
the sentence a statement regarding post-release control. 21016

(f) Notify the offender that, if a period of supervision is 21017
imposed following the offender's release from prison, as described 21018
in division (B)(2)(d) or (e) of this section, and if the offender 21019
violates that supervision or a condition of post-release control 21020
imposed under division (B) of section 2967.131 of the Revised 21021
Code, the parole board may impose a prison term, as part of the 21022
sentence, of up to one-half of the definite prison term originally 21023
imposed upon the offender as the offender's stated prison term or 21024
up to one-half of the minimum prison term originally imposed upon 21025
the offender as part of the offender's stated non-life felony 21026
indefinite prison term. If a court imposes a sentence including a 21027
prison term on or after July 11, 2006, the failure of a court to 21028
notify the offender pursuant to division (B)(2)(f) of this section 21029
that the parole board may impose a prison term as described in 21030
division (B)(2)(f) of this section for a violation of that 21031
supervision or a condition of post-release control imposed under 21032
division (B) of section 2967.131 of the Revised Code or to include 21033
in the judgment of conviction entered on the journal a statement 21034
to that effect does not negate, limit, or otherwise affect the 21035
authority of the parole board to so impose a prison term for a 21036
violation of that nature if, pursuant to division (D)(1) of 21037
section 2967.28 of the Revised Code, the parole board notifies the 21038
offender prior to the offender's release of the board's authority 21039
to so impose a prison term. Section 2929.191 of the Revised Code 21040
applies if, prior to July 11, 2006, a court imposed a sentence 21041
including a prison term and failed to notify the offender pursuant 21042
to division (B)(2)(f) of this section regarding the possibility of 21043
the parole board imposing a prison term for a violation of 21044
supervision or a condition of post-release control. 21045

(g)(i) Determine, notify the offender of, and include in the 21046

sentencing entry the total number of days, including the 21047
sentencing date but excluding conveyance time, that the offender 21048
has been confined for any reason arising out of the offense for 21049
which the offender is being sentenced and by which the department 21050
of rehabilitation and correction must reduce the definite prison 21051
term imposed on the offender as the offender's stated prison term 21052
or, if the offense is an offense for which a non-life felony 21053
indefinite prison term is imposed under division (A)(1)(a) or 21054
(2)(a) of section 2929.14 of the Revised Code, the minimum and 21055
maximum prison terms imposed on the offender as part of that 21056
non-life felony indefinite prison term, under section 2967.191 of 21057
the Revised Code. The court's calculation shall not include the 21058
number of days, if any, that the offender served in the custody of 21059
the department of rehabilitation and correction arising out of any 21060
prior offense for which the prisoner was convicted and sentenced. 21061

(ii) In making a determination under division (B)(2)(g)(i) of 21062
this section, the court shall consider the arguments of the 21063
parties and conduct a hearing if one is requested. 21064

(iii) The sentencing court retains continuing jurisdiction to 21065
correct any error not previously raised at sentencing in making a 21066
determination under division (B)(2)(g)(i) of this section. The 21067
offender may, at any time after sentencing, file a motion in the 21068
sentencing court to correct any error made in making a 21069

(iv) An inaccurate determination under division (B)(2)(g)(i) 21077
of this section is not grounds for setting aside the offender's 21078

(v) The department of rehabilitation and correction shall 21081
rely upon the latest journal entry of the court in determining the 21082
total days of local confinement for purposes of division 21083

the Revised Code. 21112

(vii) The offender is being sentenced under division 21113

for an offense described in those divisions committed on or after 21115
January 1, 2008. 21116

(b) Additionally, if any criterion set forth in divisions 21117
(B)(3)(a)(i) to (vii) of this section is satisfied, in the 21118
circumstances described in division (E) of section 2929.14 of the 21119
Revised Code, the court shall impose sentence on the offender as 21120
described in that division. 21121

(4) If the sentencing court determines at the sentencing 21122
hearing that a community control sanction should be imposed and 21123
the court is not prohibited from imposing a community control 21124

(5) Before imposing a financial sanction under section 21138
2929.18 of the Revised Code or a fine under section 2929.32 of the 21139
Revised Code, the court shall consider the offender's present and 21140

future ability to pay the amount of the sanction or fine. 21141

(6) If the sentencing court sentences the offender to a 21142
sanction of confinement pursuant to section 2929.14 or 2929.16 of 21143
the Revised Code that is to be served in a local detention 21144

accordance with that section. 21156

(ii) If the offender does not dispute the bill described in 21157
division (B)(6)(a)(i) of this section and does not pay the bill by 21158
the times specified in section 2929.37 of the Revised Code, the 21159
clerk of the court may issue a certificate of judgment against the 21160
offender as described in that section. 21161

(b) The sentence automatically includes any certificate of 21162
judgment issued as described in division (B)(6)(a)(ii) of this 21163
section. 21164

(7) The failure of the court to notify the offender that a 21165
prison term is a mandatory prison term pursuant to division 21166
(B)(2)(a) of this section or to include in the sentencing entry 21167
any information required by division (B)(2)(b) of this section 21168
does not affect the validity of the imposed sentence or sentences. 21169
If the sentencing court notifies the offender at the sentencing 21170
hearing that a prison term is mandatory but the sentencing entry 21171

does not specify that the prison term is mandatory, the court may 21172

the court shall complete a corrected journal entry and send copies 21176
of the corrected entry to the offender and department of 21177

mandatory fine in accordance with division (B)(3) of section 21183
2929.18 of the Revised Code, and, in addition, may impose 21184
additional sanctions as specified in sections 2929.15, 2929.16, 21185
2929.17, and 2929.18 of the Revised Code. The court shall not 21186

(A)(1) of section 2929.13 of the Revised Code. 21189

(2) If the offender is being sentenced for a third or fourth 21190
degree felony OVI offense under division (G)(2) of section 2929.13 21191
of the Revised Code, the court shall impose the mandatory prison 21192
term in accordance with that division, shall impose a mandatory 21193
fine in accordance with division (B)(3) of section 2929.18 of the 21194

impose a community control sanction on the offender, but the 21199
offender shall serve all of the prison terms so imposed prior to 21200
serving the community control sanction. 21201

(D) The sentencing court, pursuant to division (I)(1) of 21202
section 2929.14 of the Revised Code, may recommend placement of 21203

the offender in a program of shock incarceration under section 21204
5120.031 of the Revised Code or an intensive program prison under 21205
section 5120.032 of the Revised Code, disapprove placement of the 21206
offender in a program or prison of that nature, or make no 21207
recommendation. If the court recommends or disapproves placement, 21208
it shall make a finding that gives its reasons for its 21209
recommendation or disapproval. 21210

Sec. 2929.34. (A) A person who is convicted of or pleads 21211
guilty to aggravated murder, murder, or an offense punishable by 21212
life imprisonment and who is sentenced to a term of life 21213
imprisonment or a prison term pursuant to that conviction shall 21214
serve that term in an institution under the control of the 21215
department of rehabilitation and correction. 21216

(B)(1) A person who is convicted of or pleads guilty to a 21217

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 21222
this section, in an institution under the control of the 21223
department of rehabilitation and correction if the term is a 21224

to agreement under section 5120.161 of the Revised Code between 21233
the department of rehabilitation and correction and the local 21234

(3)(a) As used in divisions (B)(3)(a) to (d) of this section, 21236
"voluntary county" means any county in which the board of county 21237

court of common pleas of a voluntary county to a prison term for a 21258
felony of the fifth degree shall serve the term in an institution 21259
under the control of the department of rehabilitation and 21260
correction. The person shall instead serve the sentence as a term 21261
of confinement in a facility of a type described in division (C) 21262
or (D) of this section. 21263

(ii) On and after September 1, 2022, no person sentenced by 21264
the court of common pleas of a voluntary county to a prison term 21265

section. 21274

(d) Division (B)(3)(c) of this section does not apply to any 21275

(I)(1) of section 2903.43 of the Revised Code. 21286

(iii) The person previously has been convicted of or pleaded 21287
guilty to any felony sex offense under Chapter 2907. of the 21288
Revised Code. 21289

(iv) The person's sentence is required to be served 21290
concurrently to any other sentence imposed upon the person for a 21291
felony that is required to be served in an institution under the 21292
control of the department of rehabilitation and correction. 21293

(C) A person who is convicted of or pleads guilty to one or 21294

so imposed are accepted by the convict or prisoner so pardoned or 21310
having ~~his~~ a sentence commuted, and ~~his~~ the convict's or 21311
prisoner's acceptance is indorsed upon the warrant, signed by ~~him~~ 21312
the prisoner or convict, and attested by one witness. Such witness 21313
shall go before the clerk of the court of common pleas in whose 21314
office the sentence is recorded and prove the signature of the 21315
convict. The clerk shall thereupon record the warrant, 21316
indorsement, and proof in the journal of the court, which record, 21317
or a duly certified transcript thereof, shall be evidence of such 21318
pardon or commutation, the conditions thereof, and the acceptance 21319
of the conditions. 21320

(B) An unconditional pardon relieves the person to whom it is 21321
granted of all disabilities arising out of the conviction or 21322
convictions from which it is granted. For purposes of this 21323
section, "unconditional pardon" includes a conditional pardon with 21324
respect to which all conditions have been performed or have 21325
transpired. 21326

(C) In the case of an unconditional pardon, the governor may 21327

include as a condition of the pardon that records related to the conviction be sealed as if the records are related to an offense that is eligible to be sealed. The governor may issue a writ for the records related to the pardoned conviction or convictions to be sealed. However, such a writ shall not seal the records required to be kept under division (E) of section 107.10 of the Revised Code and shall not have any impact on the governor's office or on reports required to be made under law. Other than the records required to be kept under division (E) of section 107.10 of the Revised Code, no records of the governor's office related to a pardon that have been sealed under this division are subject to public inspection unless directed by the governor. (2) The adult parole authority shall not grant an administrative release except upon the concurrence of a majority of the parole board and approval of the chief of the adult parole authority. An administrative release does not restore for the person to whom it is granted the rights and privileges forfeited by conviction as provided in section 2961.01 of the Revised Code. Any person granted an administrative release under this section may subsequently apply for a commutation of sentence for the purpose of regaining the rights and privileges forfeited by conviction, except that the privilege of circulating or serving as a witness for the signing of any declaration of candidacy and petition, voter registration application, or nominating, initiative, referendum, or recall petition forfeited under section 2961.01 of the Revised Code may not be restored under this section and except that the privilege of holding a position of honor, trust, or profit may not be restored under this section to a person in the circumstances described in division (B)(3) of this section.

(3) The privilege of holding a position of honor, trust, or profit may not be restored under this section to a person who was

convicted of or pleaded guilty to committing on or after ~~the~~ 21391

meanings as in section 2923.11 of the Revised Code. 21400

(3) "Felony sex offense" means a violation of a section 21401
contained in Chapter 2907. of the Revised Code that is a felony. 21402

a court, when the court recommends pursuant to section 2929.143 of 21404

potentially be released from imprisonment prior to the expiration 21407
of the prison term if the offender successfully completes all 21408
assessment and treatment or programming required by the department 21409
of rehabilitation and correction under section 5120.036 of the 21410

the second degree, for a felony sex offense, or for a felony of 21422
the third degree that is an offense of violence and is not a 21423
felony sex offense shall include a requirement that the offender 21424
be subject to a period of post-release control imposed by the 21425

division applies with respect to all prison terms of a type 21427
described in this division, including a term of any such type that 21428

the Revised Code of this requirement or to include in the judgment 21433
of conviction entered on the journal a statement that the 21434
offender's sentence includes this requirement does not negate, 21435
limit, or otherwise affect the mandatory period of supervision 21436
that is required for the offender under this division. This 21437
division applies with respect to all prison terms of a type 21438
described in this division, including a non-life felony indefinite 21439
prison term. Section 2929.191 of the Revised Code applies if, 21440

prison term of a type described in this division and failed to 21442

2929.19 of the Revised Code regarding post-release control or to 21444
include in the judgment of conviction entered on the journal or in 21445
the sentence pursuant to division (D)(1) of section 2929.14 of the 21446
Revised Code a statement regarding post-release control. Unless 21447
reduced by the parole board pursuant to division (D) of this 21448
section when authorized under that division, a period of 21449
post-release control required by this division for an offender 21450
shall be of one of the following periods: 21451

- (1) For a ~~felony of the first degree or for a~~ felony sex 21452
offense, five years; 21453

(2) For a felony of the first degree that is not a felony sex offense, up to five years, but not less than two years; 21454
21455

(3) For a felony of the second degree that is not a felony sex offense, up to three years, but not less than eighteen months; 21456
21457

~~(3)~~(4) For a felony of the third degree that is an offense of violence and is not a felony sex offense, up to three years, but not less than one year. 21458
21459
21460

(C) Any sentence to a prison term for a felony of the third, 21461
fourth, or fifth degree that is not subject to division (B)(1) or 21462
~~(3)~~(4) of this section shall include a requirement that the 21463
offender be subject to a period of post-release control of up to 21464
~~three~~ two years after the offender's release from imprisonment, if 21465
the parole board, in accordance with division (D) of this section, 21466
determines that a period of post-release control is necessary for 21467
that offender. This division applies with respect to all prison 21468
terms of a type described in this division, including a term of 21469
any such type that is a risk reduction sentence. Section 2929.191 21470
of the Revised Code applies if, prior to July 11, 2006, a court 21471
imposed a sentence including a prison term of a type described in 21472
this division and failed to notify the offender pursuant to 21473
division (B)(2)(e) of section 2929.19 of the Revised Code 21474
regarding post-release control or to include in the judgment of 21475
conviction entered on the journal or in the sentence pursuant to 21476
division (D)(2) of section 2929.14 of the Revised Code a statement 21477
regarding post-release control. Pursuant to an agreement entered 21478
into under section 2967.29 of the Revised Code, a court of common 21479
pleas or parole board may impose sanctions or conditions on an 21480
offender who is placed on post-release control under this 21481
division. 21482

(D)(1) Before the prisoner is released from imprisonment, the 21483
parole board or, pursuant to an agreement under section 2967.29 of 21484
the Revised Code, the court shall impose ~~upon~~ on a prisoner 21485

described in division (B) of this section, shall impose ~~upon~~ on a 21486
prisoner described in division (C) of this section who is to be 21487
released before the expiration of the prisoner's stated prison 21488
term under a risk reduction sentence, may impose ~~upon~~ on a 21489
prisoner described in division (C) of this section who is not to 21490
be released before the expiration of the prisoner's stated prison 21491
term under a risk reduction sentence, and shall impose ~~upon~~ on a 21492
prisoner described in division (B)(2)(b) of section 5120.031 or in 21493
division (B)(1) of section 5120.032 of the Revised Code, one or 21494
more post-release control sanctions to apply during the prisoner's 21495
period of post-release control. Whenever the board or court 21496
imposes one or more post-release control sanctions ~~upon~~ on a 21497
prisoner, the board or court, in addition to imposing the 21498
sanctions, also shall include as a condition of the post-release 21499
control that the offender not leave the state without permission 21500
of the court or the offender's parole or probation officer and 21501
that the offender abide by the law. The board or court may impose 21502
any other conditions of release under a post-release control 21503
sanction that the board or court considers appropriate, and the 21504
conditions of release may include any community residential 21505
sanction, community nonresidential sanction, or financial sanction 21506
that the sentencing court was authorized to impose pursuant to 21507
sections 2929.16, 2929.17, and 2929.18 of the Revised Code. Prior 21508
to the release of a prisoner for whom it will impose one or more 21509
post-release control sanctions under this division, the parole 21510
board or court shall review the prisoner's criminal history, 21511
results from the single validated risk assessment tool ~~selected by~~ 21512
~~the department of rehabilitation and correction under section~~ 21513
~~5120.114 of the Revised Code, all juvenile court adjudications~~ 21514
~~finding the prisoner, while a juvenile, to be a delinquent child,~~ 21515
and the record of the prisoner's conduct while imprisoned. The 21516
parole board or court shall consider any recommendation regarding 21517
post-release control sanctions for the prisoner made by the office 21518

of victims' services. After considering those materials, the board 21519
or court shall determine, for a prisoner described in division (B) 21520
of this section, division (B)(2)(b) of section 5120.031, or 21521
division (B)(1) of section 5120.032 of the Revised Code and for a 21522
prisoner described in division (C) of this section who is to be 21523
released before the expiration of the prisoner's stated prison 21524
term under a risk reduction sentence, which post-release control 21525
sanction or combination of post-release control sanctions is 21526
reasonable under the circumstances or, for a prisoner described in 21527
division (C) of this section who is not to be released before the 21528
expiration of the prisoner's stated prison term under a risk 21529
reduction sentence, whether a post-release control sanction is 21530
necessary and, if so, which post-release control sanction or 21531
combination of post-release control sanctions is reasonable under 21532
the circumstances. In the case of a prisoner convicted of a felony 21533
of the fourth or fifth degree other than a felony sex offense, the 21534
board or court shall presume that monitored time is the 21535
appropriate post-release control sanction unless the board or 21536
court determines that a more restrictive sanction is warranted. A 21537
post-release control sanction imposed under this division takes 21538
effect upon the prisoner's release from imprisonment. 21539

Regardless of whether the prisoner was sentenced to the 21540
prison term prior to, on, or after July 11, 2006, prior to the 21541
release of a prisoner for whom it will impose one or more 21542
post-release control sanctions under this division, the parole 21543
board shall notify the prisoner that, if the prisoner violates any 21544
sanction so imposed or any condition of post-release control 21545
described in division (B) of section 2967.131 of the Revised Code 21546
that is imposed on the prisoner, the parole board may impose a 21547
prison term of up to one-half of the stated prison term originally 21548
imposed ~~upon~~ on the prisoner. 21549

At least thirty days before the prisoner is released from 21550

imprisonment under post-release control, except as otherwise 21551
provided in this paragraph, the department of rehabilitation and 21552
correction shall notify the victim and the victim's immediate 21553
family of the date on which the prisoner will be released, the 21554
period for which the prisoner will be under post-release control 21555
supervision, and the terms and conditions of the prisoner's 21556
post-release control regardless of whether the victim or victim's 21557
immediate family has requested the notification. The notice 21558
described in this paragraph shall not be given to a victim or 21559
victim's immediate family if the victim or the victim's immediate 21560
family has requested pursuant to division (B)(2) of section 21561
2930.03 of the Revised Code that the notice not be provided to the 21562
victim or the victim's immediate family. At least thirty days 21563
before the prisoner is released from imprisonment and regardless 21564
of whether the victim or victim's immediate family has requested 21565
that the notice described in this paragraph be provided or not be 21566
provided to the victim or the victim's immediate family, the 21567
department also shall provide notice of that nature to the 21568
prosecuting attorney in the case and the law enforcement agency 21569
that arrested the prisoner if any officer of that agency was a 21570
victim of the offense. 21571

If the notice given under the preceding paragraph to the 21572
victim or the victim's immediate family is based on an offense 21573
committed prior to March 22, 2013, and if the department of 21574
rehabilitation and correction has not previously successfully 21575
provided any notice to the victim or the victim's immediate family 21576
under division (B), (C), or (D) of section 2930.16 of the Revised 21577
Code with respect to that offense and the offender who committed 21578
it, the notice also shall inform the victim or the victim's 21579
immediate family that the victim or the victim's immediate family 21580
may request that the victim or the victim's immediate family not 21581
be provided any further notices with respect to that offense and 21582
the offender who committed it and shall describe the procedure for 21583

making that request. The department may give the notices to which 21584
the preceding paragraph applies by any reasonable means, including 21585
regular mail, telephone, and electronic mail. If the department 21586
attempts to provide notice to any specified person under the 21587
preceding paragraph but the attempt is unsuccessful because the 21588
department is unable to locate the specified person, is unable to 21589
provide the notice by its chosen method because it cannot 21590
determine the mailing address, electronic mail address, or 21591
telephone number at which to provide the notice, or, if the notice 21592
is sent by mail, the notice is returned, the department shall make 21593
another attempt to provide the notice to the specified person. If 21594
the second attempt is unsuccessful, the department shall make at 21595
least one more attempt to provide the notice. If the notice is 21596
based on an offense committed prior to March 22, 2013, in each 21597
attempt to provide the notice to the victim or victim's immediate 21598
family, the notice shall include the opt-out information described 21599
in this paragraph. The department, in the manner described in 21600
division (D)(2) of section 2930.16 of the Revised Code, shall keep 21601
a record of all attempts to provide the notice, and of all notices 21602
provided, under this paragraph and the preceding paragraph. The 21603
record shall be considered as if it was kept under division (D)(2) 21604
of section 2930.16 of the Revised Code. This paragraph, the 21605
preceding paragraph, and the notice-related provisions of 21606
divisions (E)(2) and (K) of section 2929.20, division (D)(1) of 21607
section 2930.16, division (H) of section 2967.12, division 21608
(E)(1)(b) of section 2967.19, division (A)(3)(b) of section 21609
2967.26, and division (A)(2) of section 5149.101 of the Revised 21610
Code enacted in the act in which this paragraph and the preceding 21611
paragraph were enacted, shall be known as "Roberta's Law." 21612

(2) If a prisoner who is placed on post-release control under 21613
this section is released before the expiration of the definite 21614
term that is the prisoner's stated prison term or the expiration 21615
of the minimum term that is part of the prisoner's indefinite 21616

prison term imposed under a non-life felony indefinite prison term 21617
by reason of credit earned under section 2967.193 or a reduction 21618
under division (F) of section 2967.271 of the Revised Code and if 21619
the prisoner earned sixty or more days of credit, the adult parole 21620
authority ~~shall~~ may supervise the offender with an active global 21621
positioning system device for the first fourteen days after the 21622
offender's release from imprisonment. This division does not 21623
prohibit or limit the imposition of any post-release control 21624
sanction otherwise authorized by this section. 21625

(3) ~~At any time after~~ After a prisoner is released from 21626
imprisonment and during the period of post-release control 21627
applicable to the releasee, the adult parole authority or, 21628
pursuant to an agreement under section 2967.29 of the Revised 21629
Code, the court may review the releasee's behavior under the 21630
post-release control sanctions imposed upon the releasee under 21631
this section. The authority or court may determine, based upon the 21632
review and in accordance with the standards established under 21633
division (E) of this section, that ~~a more restrictive or a less~~ 21634
~~restrictive sanction is appropriate and may impose a different~~ 21635
~~sanction. The authority also may recommend that the parole board~~ 21636
~~or court increase or reduce the duration of the period of~~ 21637
~~post release control imposed by the court. If the authority~~ 21638
~~recommends that the board or court increase the duration of~~ 21639
~~post release control, the board or court shall review the~~ 21640
~~releasee's behavior and may increase the duration of the period of~~ 21641
~~post release control imposed by the court up to eight years. If~~ 21642
~~the authority recommends that the board or court reduce the~~ 21643
~~duration of control for an offense described in division (B) or~~ 21644
~~(C) of this section, the board or court shall review the~~ 21645
~~releasee's behavior and, subject to divisions (D)(3)(a) to (c) of~~ 21646
~~this section, may reduce the duration of the period of control~~ 21647
~~imposed by the court or, if the period of control was imposed for~~ 21648
~~a non life felony indefinite prison term, reduce the duration of~~ 21649

~~or terminate the period of control imposed by the court the 21650
releasee has satisfactorily complied with the sanctions imposed, 21651
and if such a determination is made, the authority may recommend a 21652
less restrictive sanction, reduce the period of post-release 21653
control, or, no sooner than the minimum period of time required 21654
under section 2967.16 of the Revised Code, recommend that the 21655
parole board or court terminate the duration of the period of 21656
post-release control. In no case shall the board or court ~~do any~~ 21657
~~of the following:~~ 21658~~

~~(a) Reduce reduce the duration of the period of control 21659
imposed for ~~an~~ a felony sex offense described in division (B)(1) 21660
of this section to a period less than the length of the definite 21661
prison term included in the stated prison term originally imposed 21662
on the offender as part of the sentence or, with respect to a 21663
stated non life felony indefinite prison term, to a period less 21664
than the length of the minimum prison term imposed as part of that 21665
stated prison term;~~ 21666

~~(b) Consider any reduction or termination of the duration of 21667
the period of control imposed on a releasee prior to the 21668
expiration of one year after the commencement of the period of 21669
control, if the period of control was imposed for a non life 21670
felony indefinite prison term and the releasee's minimum prison 21671
term or presumptive earned early release date under that term was 21672
extended for any length of time under division (C) or (D) of 21673
section 2967.271 of the Revised Code.~~ 21674

~~(c) Permit the releasee to leave the state without permission 21675
of the court or the releasee's parole or probation officer.~~ 21676

(4) The department of rehabilitation and correction shall 21677
develop factors that the parole board or court shall consider in 21678
determining under division (D)(3) of this section whether to 21679
terminate the period of control imposed on a releasee ~~for a~~ 21680
~~non life felony indefinite prison term.~~ 21681

(E) The department of rehabilitation and correction, in accordance with Chapter 119. of the Revised Code, shall adopt rules that do all of the following:

(1) Establish standards for the imposition by the parole board of post-release control sanctions under this section that are consistent with the overriding purposes and sentencing principles set forth in section 2929.11 of the Revised Code and that are appropriate to the needs of releasees;

(2) Establish standards that provide for a period of post-release control of up to ~~three~~ two years for all prisoners described in division (C) of this section who are to be released before the expiration of their stated prison term under a risk reduction sentence and standards by which the parole board can determine which prisoners described in division (C) of this section who are not to be released before the expiration of their stated prison term under a risk reduction sentence should be placed under a period of post-release control;

(3) Establish standards to be used by the parole board in reducing or terminating the duration of the period of post-release control imposed by the court when authorized under division (D) of this section, in imposing a more restrictive post-release control sanction than monitored time ~~upon~~ on a prisoner convicted of a felony of the fourth or fifth degree other than a felony sex offense, or in imposing a less restrictive control sanction ~~upon~~ on a releasee based on results from the single validated risk assessment tool and on the releasee's activities including, but not limited to, remaining free from criminal activity and from the abuse of alcohol or other drugs, successfully participating in approved rehabilitation programs, maintaining employment, and paying restitution to the victim or meeting the terms of other financial sanctions;

(4) Establish standards to be used by the adult parole

authority in modifying a releasee's post-release control sanctions 21714
pursuant to division (D)(2) of this section; 21715

(5) Establish standards to be used by the adult parole 21716
authority or parole board in imposing further sanctions under 21717
division (F) of this section on releasees who violate post-release 21718
control sanctions, including standards that do the following: 21719

(a) Classify violations according to the degree of 21720
seriousness; 21721

(b) Define the circumstances under which formal action by the 21722
parole board is warranted; 21723

(c) Govern the use of evidence at violation hearings; 21724

(d) Ensure procedural due process to an alleged violator; 21725

(e) Prescribe nonresidential community control sanctions for 21726
most misdemeanor and technical violations; 21727

(f) Provide procedures for the return of a releasee to 21728
imprisonment for violations of post-release control. 21729

(F)(1) Whenever the parole board imposes one or more 21730
post-release control sanctions ~~upon~~ on an offender under this 21731
section, the offender upon release from imprisonment shall be 21732
under the general jurisdiction of the adult parole authority and 21733
generally shall be supervised by the field services section 21734
through its staff of parole and field officers as described in 21735
section 5149.04 of the Revised Code, as if the offender had been 21736
placed on parole. If the offender upon release from imprisonment 21737
violates the post-release control sanction or any conditions 21738
described in division (A) of section 2967.131 of the Revised Code 21739
that are imposed on the offender, the public or private person or 21740
entity that operates or administers the sanction or the program or 21741
activity that comprises the sanction shall report the violation 21742
directly to the adult parole authority or to the officer of the 21743

authority who supervises the offender. The authority's officers 21744
may treat the offender as if the offender were on parole and in 21745
violation of the parole, and otherwise shall comply with this 21746
section. 21747

(2) If the adult parole authority or, pursuant to an 21748
agreement under section 2967.29 of the Revised Code, the court 21749
determines that a releasee has violated a post-release control 21750
sanction or any conditions described in division (A) of section 21751
2967.131 of the Revised Code imposed ~~upon~~ on the releasee and that 21752
a more restrictive sanction is appropriate, the authority or court 21753
may impose a more restrictive sanction ~~upon~~ on the releasee, in 21754
accordance with the standards established under division (E) of 21755
this section or in accordance with the agreement made under 21756
section 2967.29 of the Revised Code, or may report the violation 21757
to the parole board for a hearing pursuant to division (F)(3) of 21758
this section. The authority or court may not, pursuant to this 21759
division, increase the duration of the releasee's post-release 21760
control or impose as a post-release control sanction a residential 21761
sanction that includes a prison term, but the authority or court 21762
may impose on the releasee any other residential sanction, 21763
nonresidential sanction, or financial sanction that the sentencing 21764
court was authorized to impose pursuant to sections 2929.16, 21765
2929.17, and 2929.18 of the Revised Code. 21766

(3) The parole board or, pursuant to an agreement under 21767
section 2967.29 of the Revised Code, the court may hold a hearing 21768
on any alleged violation by a releasee of a post-release control 21769
sanction or any conditions described in division (A) of section 21770
2967.131 of the Revised Code that are imposed upon the releasee. 21771
If after the hearing the board or court finds that the releasee 21772
violated the sanction or condition, the board or court may 21773
increase the duration of the releasee's post-release control up to 21774
the maximum duration authorized by division (B) or (C) of this 21775

section or impose a more restrictive post-release control 21776
sanction. If a releasee was acting pursuant to division (B)(2)(b) 21777
of section 2925.11 of the Revised Code and in so doing violated 21778
the conditions of a post-release control sanction based on a minor 21779
drug possession offense as defined in that section, the board or 21780
the court may consider the releasee's conduct in seeking or 21781
obtaining medical assistance for another in good faith or for self 21782
or may consider the releasee being the subject of another person 21783
seeking or obtaining medical assistance in accordance with that 21784
division as a mitigating factor before imposing any of the 21785
penalties described in this division. When appropriate, the board 21786
or court may impose as a post-release control sanction a 21787
residential sanction that includes a prison term. The board or 21788
court shall consider a prison term as a post-release control 21789
sanction imposed for a violation of post-release control when the 21790
violation involves a deadly weapon or dangerous ordnance, physical 21791
harm or attempted serious physical harm to a person, or sexual 21792
misconduct. Unless a releasee's stated prison term was reduced 21793
pursuant to section 5120.032 of the Revised Code, the period of a 21794
prison term that is imposed as a post-release control sanction 21795
under this division shall not exceed nine months, and the maximum 21796
cumulative prison term for all violations under this division 21797
shall not exceed one-half of the definite prison term that was the 21798
stated prison term originally imposed ~~upon~~ on the offender as part 21799
of this sentence or, with respect to a stated non-life felony 21800
indefinite prison term, one-half of the minimum prison term that 21801
was imposed as part of that stated prison term originally imposed 21802
~~upon~~ on the offender. If a releasee's stated prison term was 21803
reduced pursuant to section 5120.032 of the Revised Code, the 21804
period of a prison term that is imposed as a post-release control 21805
sanction under this division and the maximum cumulative prison 21806
term for all violations under this division shall not exceed the 21807
period of time not served in prison under the sentence imposed by 21808

the court. The period of a prison term that is imposed as a 21809
post-release control sanction under this division shall not count 21810
as, or be credited toward, the remaining period of post-release 21811
control. If, during the period of the releasee's post-release 21812
control, the releasee serves as a post-release control sanction 21813
the maximum prison time available as a sanction, the post-release 21814
control shall terminate. 21815

If an offender is imprisoned for a felony committed while 21816
under post-release control supervision and is again released on 21817
post-release control for a period of time ~~determined by division~~ 21818
~~(F)(4)(d) of this section~~, the maximum cumulative prison term for 21819
all violations under this division shall not exceed one-half of 21820
the total stated prison terms of the earlier felony, reduced by 21821
any prison term administratively imposed by the parole board or 21822
court, plus one-half of the total stated prison term of the new 21823
felony. 21824

~~(4) Any period of post-release control shall commence upon an~~ 21825
~~offender's actual release from prison. If an offender is serving~~ 21826
~~an indefinite prison term or a life sentence in addition to a~~ 21827
~~stated prison term, the offender shall serve the period of~~ 21828
~~post-release control in the following manner:~~ 21829

~~(a) If a period of post-release control is imposed upon the~~ 21830
~~offender and if the offender also is subject to a period of parole~~ 21831
~~under a life sentence or an indefinite sentence, and if the period~~ 21832
~~of post-release control ends prior to the period of parole, the~~ 21833
~~offender shall be supervised on parole. The offender shall receive~~ 21834
~~credit for post-release control supervision during the period of~~ 21835
~~parole. The offender is not eligible for final release under~~ 21836
~~section 2967.16 of the Revised Code until the post-release control~~ 21837
~~period otherwise would have ended.~~ 21838

~~(b) If a period of post-release control is imposed upon the~~ 21839
~~offender and if the offender also is subject to a period of parole~~ 21840

~~under an indefinite sentence, and if the period of parole ends 21841
prior to the period of post release control, the offender shall be 21842
supervised on post release control. The requirements of parole 21843
supervision shall be satisfied during the post release control 21844
period. 21845~~

~~(c) If an offender is subject to more than one period of 21846
post release control, the period of post release control for all 21847
of the sentences shall be the period of post release control that 21848
expires last, as determined by the parole board or court. Periods 21849
of post release control shall be served concurrently and shall not 21850
be imposed consecutively to each other. 21851~~

~~(d)(G)(1) If an offender is simultaneously subject to a 21852
period of parole under an indefinite or life sentence and a period 21853
of post-release control, or is simultaneously subject to two 21854
periods of post-release control, the period of supervision that 21855
expires last shall determine the length and form of supervision 21856
for all the periods and the related sentences. 21857~~

~~(2) An offender shall receive credit for post-release control 21858
supervision during the period of parole, and shall not be eligible 21859
for final release under section 2967.16 of the Revised Code until 21860
the post-release control period otherwise would have ended. 21861~~

~~(3) If the period of parole ends prior to the end of the 21862
period of post-release control, the requirements of parole 21863
supervision shall be satisfied during the post-release control 21864
period. 21865~~

~~(H)(1) A period of post-release control shall not be imposed 21866
consecutively to any other post-release control period. 21867~~

~~(2) The period of post-release control for a releasee who 21868
commits a felony while under post-release control for an earlier 21869
felony shall be the longer of the period of post-release control 21870

includes the adopted person by name or expressly states that it 22285
includes a person who is eighteen years of age or older at the 22286
time the person is adopted. 22287

of a child dies without the relationship of parent and child 22289
having been previously terminated and a spouse of the living 22290
parent thereafter adopts the child, the child's rights from or 22291
through the deceased parent for all purposes, including 22292
inheritance and applicability or construction of documents, 22293
statutes, and instruments, are not restricted or curtailed by the 22294
adoption. 22295

(C) Notwithstanding division (A) of this section, if the 22296
relationship of parent and child has not been terminated between a 22297
parent and that parent's child and a spouse of the other parent of 22298

Sec. 3301.0712. (A) The state board of education, the 22740
superintendent of public instruction, and the chancellor of higher 22741
education shall develop a system of college and work ready 22742
assessments as described in division (B) of this section to assess 22743
whether each student upon graduating from high school is ready to 22744
enter college or the workforce. Beginning with students who enter 22745
the ninth grade for the first time on or after July 1, 2014, the 22746
system shall replace the Ohio graduation tests prescribed in 22747
division (B)(1) of section 3301.0710 of the Revised Code as a 22748
measure of student academic performance and one determinant of 22749
eligibility for a high school diploma in the manner prescribed by 22750
rule of the state board adopted under division (D) of this 22751
section. 22752

(B) The college and work ready assessment system shall 22753
consist of the following: 22754

(1) ~~Nationally~~(a) Except as provided in division (B)(1)(b) of 22755
this section, nationally standardized assessments that measure 22756
college and career readiness and are used for college admission. 22757
The assessments shall be selected jointly by the state 22758
superintendent and the chancellor, and one of which shall be 22759
selected by each school district or school to administer to its 22760

students. The assessments prescribed under division (B)(1) of this 22761
section shall be administered to all eleventh-grade students in 22762
the spring of the school year. 22763

(b) Beginning with students who enter the ninth grade for the 22764
first time on or after the first day of July immediately following 22765
the effective date of this amendment, the parent or guardian of a 22766
student may elect not to have a nationally standardized assessment 22767
administered to that student. In that event, the student's school 22768
district or school shall not administer the nationally 22769
standardized assessment to that student. 22770

(2)(a) Except as provided in division (B)(2)(b) of this 22771
section, seven end-of-course examinations, one in each of the 22772
areas of English language arts I, English language arts II, 22773
science, Algebra I, geometry, American history, and American 22774
government. The end-of-course examinations shall be selected 22775
jointly by the state superintendent and the chancellor in 22776
consultation with faculty in the appropriate subject areas at 22777
institutions of higher education of the university system of Ohio. 22778
Advanced placement examinations and international baccalaureate 22779
examinations, as prescribed under section 3313.6013 of the Revised 22780
Code, in the areas of science, American history, and American 22781
government may be used as end-of-course examinations in accordance 22782
with division (B)(4)(a)(i) of this section. Final course grades 22783
for courses taken under any other advanced standing program, as 22784
prescribed under section 3313.6013 of the Revised Code, in the 22785
areas of science, American history, and American government may be 22786
used in lieu of end-of-course examinations in accordance with 22787
division (B)(4)(a)(ii) of this section. 22788

(b) Beginning with students who enter ninth grade for the 22789
first time on or after July 1, 2019, five end-of-course 22790
examinations, one in each areas of English language arts II, 22791
science, Algebra I, American history, and American government. 22792

However, only the end-of-course examinations in English language arts II and Algebra I shall be required for graduation.

The department of education shall, as necessary to implement division (B)(2)(b) of this section, seek a waiver from the United States secretary of education for testing requirements prescribed under federal law to allow for the use and implementation of Algebra I as the primary assessment of high school mathematics. If the department does not receive a waiver under this division, the end-of-course examinations for students described in division (B)(2)(b) of this section also shall include an end-of-course examination in the area of geometry. However, the geometry end-of-course examination shall not be required for graduation.

(3)(a) Not later than July 1, 2013, each school district board of education shall adopt interim end-of-course examinations that comply with the requirements of divisions (B)(3)(b)(i) and (ii) of this section to assess mastery of American history and American government standards adopted under division (A)(1)(b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code. Each high school of the district shall use the interim examinations until the state superintendent and chancellor select end-of-course examinations in American history and American government under division (B)(2) of this section.

(b) Not later than July 1, 2014, the state superintendent and the chancellor shall select the end-of-course examinations in American history and American government.

(i) The end-of-course examinations in American history and American government shall require demonstration of mastery of the American history and American government content for social studies standards adopted under division (A)(1)(b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code.

(ii) At least twenty per cent of the end-of-course examination in American government shall address the topics on American history and American government described in division (M) of section 3313.603 of the Revised Code.

(4)(a) Notwithstanding anything to the contrary in this section, beginning with the 2014-2015 school year, both of the following shall apply:

(i) If a student is enrolled in an appropriate advanced placement or international baccalaureate course, that student shall take the advanced placement or international baccalaureate examination in lieu of the science, American history, or American government end-of-course examinations prescribed under division (B)(2) of this section. The state board shall specify the score levels for each advanced placement examination and international baccalaureate examination for purposes of calculating the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.

(ii) If a student is enrolled in an appropriate course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, that student shall not be required to take the science, American history, or American government end-of-course examination, whichever is applicable, prescribed under division (B)(2) of this section. Instead, that student's final course grade shall be used in lieu of the applicable end-of-course examination prescribed under that section. The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades that demonstrate the level of academic achievement necessary to earn a high school diploma.

Division (B)(4)(a)(ii) of this section shall apply only to courses for which students receive transcribed credit, as defined in section 3365.01 of the Revised Code. It shall not apply to

remedial or developmental courses. 22857

(b) No student shall take a substitute examination or 22858
examination prescribed under division (B)(4)(a) of this section in 22859
place of the end-of-course examinations in English language arts 22860
I, English language arts II, Algebra I, or geometry prescribed 22861
under division (B)(2) of this section. 22862

(c) The state board shall consider additional assessments 22863
that may be used, beginning with the 2016-2017 school year, as 22864
substitute examinations in lieu of the end-of-course examinations 22865
prescribed under division (B)(2) of this section. 22866

(5) The state board shall do all of the following: 22867

(a) Determine and designate at least five ranges of scores on 22868
each of the end-of-course examinations prescribed under division 22869
(B)(2) of this section, and substitute examinations prescribed 22870
under division (B)(4) of this section. Not later than sixty days 22871
after the designation of ranges of scores, the state 22872
superintendent, or the state superintendent's designee, shall 22873
conduct a public presentation before the standing committees of 22874
the house of representatives and the senate that consider primary 22875
and secondary education legislation regarding the designated range 22876
of scores. Each range of scores shall be considered to demonstrate 22877
a level of achievement so that any student attaining a score 22878
within such range has achieved one of the following: 22879

(i) An advanced level of skill; 22880

(ii) An accelerated level of skill; 22881

(iii) A proficient level of skill; 22882

(iv) A basic level of skill; 22883

(v) A limited level of skill. 22884

(b) Determine a method by which to calculate a cumulative 22885
performance score based on the results of a student's 22886

end-of-course examinations or substitute examinations; 22887

(c) Determine the minimum cumulative performance score that 22888
demonstrates the level of academic achievement necessary to earn a 22889
high school diploma under division (A)(2) of section 3313.618 of 22890
the Revised Code. However, the state board shall not determine a 22891
new minimum cumulative performance score after ~~the effective date~~ 22892
~~of this amendment~~ October 17, 2019. 22893

(d) Develop a table of corresponding score equivalents for 22894
the end-of-course examinations and substitute examinations in 22895
order to calculate student performance consistently across the 22896
different examinations. 22897

A score of two on an advanced placement examination or a 22898
score of two or three on an international baccalaureate 22899
examination shall be considered equivalent to a proficient level 22900
of skill as specified under division (B)(5)(a)(iii) of this 22901
section. 22902

(6)(a) A student who meets both of the following conditions 22903
shall not be required to take an end-of-course examination: 22904

(i) The student received high school credit prior to July 1, 22905
2015, for a course for which the end-of-course examination is 22906
prescribed. 22907

(ii) The examination was not available for administration 22908
prior to July 1, 2015. 22909

Receipt of credit for the course described in division 22910
(B)(6)(a)(i) of this section shall satisfy the requirement to take 22911
the end-of-course examination. A student exempted under division 22912
(B)(6)(a) of this section may take the applicable end-of-course 22913
examination at a later date. 22914

(b) For purposes of determining whether a student who is 22915
exempt from taking an end-of-course examination under division 22916

(B)(6)(a) of this section has attained the cumulative score 22917
prescribed by division (B)(5)(c) of this section, such student 22918
shall select either of the following: 22919

(i) The student is considered to have attained a proficient 22920
score on the end-of-course examination from which the student is 22921
exempt; 22922

(ii) The student's final course grade shall be used in lieu 22923
of a score on the end-of-course examination from which the student 22924
is exempt. 22925

The state superintendent, in consultation with the 22926
chancellor, shall adopt guidelines for purposes of calculating the 22927
corresponding final course grades and the minimum cumulative 22928
performance score that demonstrates the level of academic 22929
achievement necessary to earn a high school diploma. 22930

(7)(a) Notwithstanding anything to the contrary in this 22931
section, the state board may replace the algebra I end-of-course 22932
examination prescribed under division (B)(2) of this section with 22933
an algebra II end-of-course examination, beginning with the 22934
2016-2017 school year for students who enter ninth grade on or 22935
after July 1, 2016. 22936

(b) If the state board replaces the algebra I end-of-course 22937
examination with an algebra II end-of-course examination as 22938
authorized under division (B)(7)(a) of this section, both of the 22939
following shall apply: 22940

(i) A student who is enrolled in an advanced placement or 22941
international baccalaureate course in algebra II shall take the 22942
advanced placement or international baccalaureate examination in 22943
lieu of the algebra II end-of-course examination. 22944

(ii) A student who is enrolled in an algebra II course under 22945
any other advanced standing program, as described in section 22946
3313.6013 of the Revised Code, shall not be required to take the 22947

algebra II end-of-course examination. Instead, that student's 22948
final course grade shall be used in lieu of the examination. 22949

(c) If a school district or school utilizes an integrated 22950
approach to mathematics instruction, the district or school may do 22951
either or both of the following: 22952

(i) Administer an integrated mathematics I end-of-course 22953
examination in lieu of the prescribed algebra I end-of-course 22954
examination; 22955

(ii) Administer an integrated mathematics II end-of-course 22956
examination in lieu of the prescribed geometry end-of-course 22957
examination. 22958

(8)(a) For students entering the ninth grade for the first 22959
time on or after July 1, 2014, but prior to July 1, 2015, the 22960
assessment in the area of science shall be physical science or 22961
biology. For students entering the ninth grade for the first time 22962
on or after July 1, 2015, the assessment in the area of science 22963

the end-of-course examination in physical science for students who 22966
entered the ninth grade for the first time on or after July 1, 22967
2014, but prior to July 1, 2015, and who wish to retake the 22968
examination. 22969

(c) Not later than July 1, 2016, the state board shall adopt 22970
rules prescribing the requirements for the end-of-course 22971
examination in science for students who entered the ninth grade 22972
for the first time on or after July 1, 2014, but prior to July 1, 22973
2015, and who have not met the requirement prescribed by section 22974
3313.618 of the Revised Code by July 1, 2019, due to a student's 22975
failure to satisfy division (A)(2) of section 3313.618 of the 22976
Revised Code. 22977

(9) Neither the state board nor the department of education 22978

shall develop or administer an end-of-course examination in the 22979
area of world history. 22980

(10) Not later than March 1, 2020, the department, in 22981
consultation with the chancellor and the governor's office of 22982
workforce transformation, shall determine a competency score for 22983
both of the Algebra I and English language arts II end-of-course 22984
examinations for the purpose of graduation eligibility. 22985

(C) The state board shall convene a group of national 22986
experts, state experts, and local practitioners to provide advice, 22987
guidance, and recommendations for the alignment of standards and 22988
model curricula to the assessments and in the design of the 22989
end-of-course examinations prescribed by this section. 22990

(B) Each district board shall administer each diagnostic 23588
assessment when the board deems appropriate, provided the 23589
administration complies with section 3313.608 of the Revised Code. 23590
However, the board shall administer any diagnostic assessment at 23591
least once annually to all students in the appropriate grade 23592
level. A district board may administer any diagnostic assessment 23593
in the fall and spring of a school year to measure the amount of 23594
academic growth attributable to the instruction received by 23595
students during that school year. 23596

(C) Any district that received a grade of "A" or "B" for the 23597
performance index score under division (A)(1)(b), (B)(1)(b), or 23598
(C)(1)(b) of section 3302.03 of the Revised Code or for the 23599

value-added progress dimension under division (A)(1)(e), 23600
(B)(1)(e), or (C)(1)(e) of section 3302.03 of the Revised Code for 23601
the immediately preceding school year may use different diagnostic 23602
assessments from those adopted under division (D) of section 23603
3301.079 of the Revised Code in order to satisfy the requirements 23604
of division (A)(3) of this section. 23605

(D) Each district board shall utilize and score any 23606
diagnostic assessment administered under division (A) of this 23607
section in accordance with rules established by the department. 23608
After the administration of any diagnostic assessment, each 23609
district shall provide a student's completed diagnostic 23610
assessment, the results of such assessment, and any other 23611
accompanying documents used during the administration of the 23612
assessment to the parent of that student, and shall include all 23613
such documents and information in any plan developed for the 23614
student under division (C) of section 3313.608 of the Revised 23615
Code. Each district shall submit to the department, in the manner 23616
the department prescribes, the results of the diagnostic 23617
assessments administered under this section, regardless of the 23618
type of assessment used under section 3313.608 of the Revised 23619
Code. The department may issue reports with respect to the data 23620
collected. The department may report school and district level 23621
kindergarten diagnostic assessment data and use diagnostic 23622
assessment data to calculate the measure prescribed by divisions 23623
(B)(1)(g) and (C)(1)(g) of section 3302.03 of the Revised Code. 23624

(E) Each district board shall provide intervention services 23625
to students whose diagnostic assessments show that they are 23626
failing to make satisfactory progress toward attaining the 23627
academic standards for their grade level. 23628

(F) Beginning in the 2018-2019 school year, any chartered 23629
nonpublic school may elect to administer the kindergarten 23630
readiness assessment to all kindergarten students enrolled in the 23631

school. If the school so elects, the chief administrator of the 23632
school shall notify the superintendent of public instruction not 23633
later than the thirty-first day of March prior to any school year 23634
in which the school will administer the assessment. The department 23635
shall furnish the assessment to the school at no cost to the 23636
school. In administering the assessment, the school shall do all 23637
of the following: 23638

(1) Enter into a written agreement with the department 23639
specifying that the school will share each participating student's 23640
assessment data with the department and, that for the purpose of 23641
reporting the data to the department, each participating student 23642
will be assigned a data verification code as described in division 23643
(D)(2) of section 3301.0714 of the Revised Code; 23644

(2) Require the assessment to be administered by a teacher 23645
certified under section 3301.071 of the Revised Code who either 23646
has completed training on administering the kindergarten readiness 23647
assessment provided by the department or has been trained by 23648
another person who has completed such training; 23649

(3) Administer the assessment in the same manner as school 23650
districts are required to do under this section and the rules 23651
established under division (D) of this section. 23652

(G) Beginning in the 2019-2020 school year, a school district 23653
in which less than eighty per cent of its students score at the 23654
proficient level or higher on the third-grade English language 23655
arts assessment prescribed under section 3301.0710 of the Revised 23656
Code shall establish a reading improvement plan supported by 23657
reading specialists. Prior to implementation, the plan shall be 23658
approved by the school district board of education. 23659

Sec. 3301.23. (A) Not later than thirty days after the 23660
effective date of this section, the department of education, in 23661
consultation with the chancellor of higher education, shall 23662

establish a committee to develop a state plan for computer science education for the purposes of primary and secondary education. 23663
23664

(B) When developing the plan, the committee established under this section shall consider the following: 23665

adopted under division (A)(4) of section 3301.079 of the Revised 23730
Code. 23731

(2) A student may earn high school credits that apply to the 23732
curriculum requirements prescribed under section 3313.603 of the 23733

(C) The department shall determine a method to calculate and 23735
make payments to educational providers who enroll students in 23736
online computer science courses approved under division (B) of 23737
this section and offered to the students under section 3301.232 of 23738
the Revised Code. The method shall be deducted from the school 23739
foundation payments made to the participant's school district or, 23740

college credit plus program, as determined by the department. 23746

(D) The department shall adopt rules to implement this 23747
section and section 3301.232 of the Revised Code. 23748

(E) This section and section 3301.232 of the Revised Code do 23749
not affect the college credit plus program established under 23750

student's district or an approved course offered by an educational 23762
provider, as follows: 23763

(1) For the 2022-2023 school year and each school year 23764
thereafter, a student enrolled in grade eleven or twelve shall 23765

disapprove the waiver based on standards adopted by the state 23786
board of education. For each approved waiver, the state 23787
superintendent shall specify the period of time for which the 23788
waiver shall be in effect, except that period shall not exceed 23789

Sec. 3301.85. (A) Beginning on the effective date of this 23849
section, the department of education shall submit to the joint 23850
committee on agency rule review, created in section 101.35 of the 23851
Revised Code, any proposed changes to either the education 23852

Chapter 3314. of the Revised Code. 23856

(B) When the department submits the proposed changes to the 23857
education management information system or the department's 23858
business rules and policies that affect community schools, the 23859
joint committee on agency rule review shall hold one or more 23860

(C) The joint committee on agency rule review shall consider 23863
any testimonies provided at the public hearings required under 23864
division (B) of this section and vote to determine whether 23865
community schools can reasonably comply with the proposed changes. 23866

(D) The department shall not implement any changes to the 23867
education management information system or the department's 23868
business rules and policies that may affect community schools 23869

districts, community schools established under Chapter 3314. of 23880
the Revised Code, or STEM schools established under Chapter 3326. 23881
of the Revised Code under section 3302.21 of the Revised Code for 23882

considered in determining whether a school district or a school is 23885
subject to sanctions or penalties. However, the report card 23886
ratings of any previous or subsequent years shall be considered in 23887
determining whether a school district or building is subject to 23888
sanctions or penalties. Accordingly, the report card ratings for 23889
the 2014-2015, 2015-2016, or 2016-2017 school years shall have no 23890

No individual student score reports on such assessments administered in the 2014-2015, 2015-2016, or 2016-2017 school years shall be released, except to a student's school district or school or to the student or the student's parent or guardian.

Sec. 3302.04. As used in divisions (A), (C), and (D) of this

section, for the 2014-2015 school year, and for each school year 23932
thereafter, when a provision refers to a school district or school 23933

district or building rated "F"; when a provision refers to a 23935
school district or school building under an academic watch, it 23936
shall mean a district or building rated "D"; and when a provision 23937
refers to a school district or school building in need of 23938
continuous improvement, it shall mean a district or building rated 23939

(A) The department of education shall establish a system of 23943
intensive, ongoing support for the improvement of school districts 23944
and school buildings. In accordance with the model of 23945
differentiated accountability described in section 3302.041 of the 23946
Revised Code, the system shall give priority to the following: 23947

(1) For any school year prior to the 2012-2013 school year, 23948
districts and buildings that have been declared to be under an 23949
academic watch or in a state of academic emergency under section 23950
3302.03 of the Revised Code; 23951

(2) For the 2012-2013 school year, and for each school year 23952
thereafter, districts and buildings in the manner prescribed by 23953
any agreement currently in force between the department and the 23954
United States department of education. The department shall 23955
endeavor to include schools and buildings that receive grades 23956
under section 3302.03 of the Revised Code that the department 23957
considers to be low performing. 23958

The system shall include services provided to districts and 23959
buildings through regional service providers, such as educational 23960
service centers. The system may include the appointment of an 23961
improvement coordinator for any of the lowest performing 23962
districts, as determined by the department, to coordinate the 23963

district's academic improvement efforts and to build support among 23964
the community for those efforts. 23965

(B) This division does not apply to any school district after 23966
June 30, 2008. 23967

When a school district has been notified by the department 23968
pursuant to section 3302.03 of the Revised Code that the district 23969
or a building within the district has failed to make adequate 23970
yearly progress for two consecutive school years, the district 23971
shall develop a three-year continuous improvement plan for the 23972
district or building containing each of the following: 23973

(1) An analysis of the reasons for the failure of the 23974
district or building to meet any of the applicable performance 23975
indicators established under section 3302.02 of the Revised Code 23976
that it did not meet and an analysis of the reasons for its 23977
failure to make adequate yearly progress; 23978

(2) Specific strategies that the district or building will 23979
use to address the problems in academic achievement identified in 23980
division (B)(1) of this section; 23981

(3) Identification of the resources that the district will 23982
allocate toward improving the academic achievement of the district 23983
or building; 23984

(4) A description of any progress that the district or 23985
building made in the preceding year toward improving its academic 23986
achievement; 23987

(5) An analysis of how the district is utilizing the 23988
professional development standards adopted by the state board 23989
pursuant to section 3319.61 of the Revised Code; 23990

(6) Strategies that the district or building will use to 23991
improve the cultural competency, as defined pursuant to section 23992
3319.61 of the Revised Code, of teachers and other educators. 23993

No three-year continuous improvement plan shall be developed 23994
or adopted pursuant to this division unless at least one public 23995

under divisions (E)(1)(b) and (E)(2)(a) of this section and to pay 24145
the costs of all of the supplemental educational services provided 24146

higher education in the state. 26174

family and consumer sciences, technology which may include 26182
computer science, agricultural education, a junior reserve officer 26183
training corps (JROTC) program approved by the congress of the 26184
United States under title 10 of the United States Code, or English 26185
language arts, mathematics, science, or social studies courses not 26186

Ohioans must be prepared to apply increased knowledge and 26188
skills in the workplace and to adapt their knowledge and skills 26189
quickly to meet the rapidly changing conditions of the 26190
twenty-first century. National studies indicate that all high 26191
school graduates need the same academic foundation, regardless of 26192
the opportunities they pursue after graduation. The goal of Ohio's 26193
system of elementary and secondary education is to prepare all 26194
students for and seamlessly connect all students to success in 26195
life beyond high school graduation, regardless of whether the next 26196
step is entering the workforce, beginning an apprenticeship, 26197
engaging in post-secondary training, serving in the military, or 26198
pursuing a college degree. 26199

The requirements for graduation prescribed in division (C) of 26200
this section are the standard expectation for all students 26201
entering ninth grade for the first time at a public or chartered 26202
nonpublic high school on or after July 1, 2010. A student may 26203
satisfy this expectation through a variety of methods, including, 26204
but not limited to, integrated, applied, career-technical, and 26205

traditional coursework. 26206

Stronger coordination between high schools and institutions 26207
of higher education is necessary to prepare students for more 26208
challenging academic endeavors and to lessen the need for academic 26209
remediation in college, thereby reducing the costs of higher 26210
education for Ohio's students, families, and the state. The state 26211
board and the chancellor of higher education shall develop 26212
policies to ensure that only in rare instances will students who 26213
complete the requirements for graduation prescribed in division 26214
(C) of this section require academic remediation after high 26215
school. 26216

School districts, community schools, and chartered nonpublic 26217
schools shall integrate technology into learning experiences 26218
across the curriculum in order to maximize efficiency, enhance 26219
learning, and prepare students for success in the 26220
technology-driven twenty-first century. Districts and schools 26221
shall use distance and web-based course delivery as a method of 26222
providing or augmenting all instruction required under this 26223
division, including laboratory experience in science. Districts 26224
and schools shall utilize technology access and electronic 26225
learning opportunities provided by the broadcast educational media 26226
commission, chancellor, the Ohio learning network, education 26227
technology centers, public television stations, and other public 26228
and private providers. 26229

(D) Except as provided in division (E) of this section, a 26230
student who enters ninth grade on or after July 1, 2010, and 26231
before July 1, 2016, may qualify for graduation from a public or 26232
chartered nonpublic high school even though the student has not 26233
completed the requirements for graduation prescribed in division 26234
(C) of this section if all of the following conditions are 26235
satisfied: 26236

(1) During the student's third year of attending high school, 26237

as determined by the school, the student and the student's parent, 26238
guardian, or custodian sign and file with the school a written 26239
statement asserting the parent's, guardian's, or custodian's 26240
consent to the student's graduating without completing the 26241
requirements for graduation prescribed in division (C) of this 26242
section and acknowledging that one consequence of not completing 26243
those requirements is ineligibility to enroll in most state 26244
universities in Ohio without further coursework. 26245

(2) The student and parent, guardian, or custodian fulfill 26246
any procedural requirements the school stipulates to ensure the 26247
student's and parent's, guardian's, or custodian's informed 26248
consent and to facilitate orderly filing of statements under 26249
division (D)(1) of this section. Annually, each district or school 26250
shall notify the department of the number of students who choose 26251
to qualify for graduation under division (D) of this section and 26252
the number of students who complete the student's success plan and 26253
graduate from high school. 26254

(3) The student and the student's parent, guardian, or 26255
custodian and a representative of the student's high school 26256
jointly develop a student success plan for the student in the 26257
manner described in division (C)(1) of section 3313.6020 of the 26258
Revised Code that specifies the student matriculating to a 26259
two-year degree program, acquiring a business and 26260
industry-recognized credential, or entering an apprenticeship. 26261

(4) The student's high school provides counseling and support 26262
for the student related to the plan developed under division 26263
(D)(3) of this section during the remainder of the student's high 26264
school experience. 26265

(5)(a) Except as provided in division (D)(5)(b) of this 26266
section, the student successfully completes, at a minimum, the 26267
curriculum prescribed in division (B) of this section. 26268

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows:

(i) Mathematics, four units, one unit which shall be one of the following:

(I) Probability and statistics;

(II) Computer science;

(III) Applied mathematics or quantitative reasoning;

(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.

(ii) Elective units, five units;

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.

~~The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.~~

(E) Each school district and chartered nonpublic school

retains the authority to require an even more challenging minimum 26299
curriculum for high school graduation than specified in division 26300
(B) or (C) of this section. A school district board of education, 26301
through the adoption of a resolution, or the governing authority 26302
of a chartered nonpublic school may stipulate any of the 26303
following: 26304

(1) A minimum high school curriculum that requires more than 26305
twenty units of academic credit to graduate; 26306

(2) An exception to the district's or school's minimum high 26307
school curriculum that is comparable to the exception provided in 26308
division (D) of this section but with additional requirements, 26309
which may include a requirement that the student successfully 26310
complete more than the minimum curriculum prescribed in division 26311
(B) of this section; 26312

(3) That no exception comparable to that provided in division 26313
(D) of this section is available. 26314

If a school district or chartered nonpublic school requires a 26315
foreign language as an additional graduation requirement under 26316
division (E) of this section, a student may apply one unit of 26317
instruction in computer coding to satisfy one unit of foreign 26318
language. If a student applies more than one computer coding 26319
course to satisfy the foreign language requirement, the courses 26320
shall be sequential and progressively more difficult. 26321

(F) A student enrolled in a dropout prevention and recovery 26322
program, which program has received a waiver from the department, 26323
may qualify for graduation from high school by successfully 26324
completing a competency-based instructional program administered 26325
by the dropout prevention and recovery program in lieu of 26326
completing the requirements for graduation prescribed in division 26327
(C) of this section. The department shall grant a waiver to a 26328
dropout prevention and recovery program, within sixty days after 26329

the program applies for the waiver, if the program meets all of 26330
the following conditions: 26331

(1) The program serves only students not younger than sixteen 26332
years of age and not older than twenty-one years of age. 26333

(2) The program enrolls students who, at the time of their 26334
initial enrollment, either, or both, are at least one grade level 26335
behind their cohort age groups or experience crises that 26336
significantly interfere with their academic progress such that 26337
they are prevented from continuing their traditional programs. 26338

(3) The program requires students to attain at least the 26339
applicable score designated for each of the assessments prescribed 26340
under division (B)(1) of section 3301.0710 of the Revised Code or, 26341
to the extent prescribed by rule of the state board under division 26342
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 26343
of that section. 26344

(4) The program develops a student success plan for the 26345
student in the manner described in division (C)(1) of section 26346
3313.6020 of the Revised Code that specifies the student's 26347
matriculating to a two-year degree program, acquiring a business 26348
and industry-recognized credential, or entering an apprenticeship. 26349

(5) The program provides counseling and support for the 26350
student related to the plan developed under division (F)(4) of 26351
this section during the remainder of the student's high school 26352
experience. 26353

(6) The program requires the student and the student's 26354
parent, guardian, or custodian to sign and file, in accordance 26355
with procedural requirements stipulated by the program, a written 26356
statement asserting the parent's, guardian's, or custodian's 26357
consent to the student's graduating without completing the 26358
requirements for graduation prescribed in division (C) of this 26359
section and acknowledging that one consequence of not completing 26360

those requirements is ineligibility to enroll in most state 26361
universities in Ohio without further coursework. 26362

(7) Prior to receiving the waiver, the program has submitted 26363
to the department an instructional plan that demonstrates how the 26364
academic content standards adopted by the state board under 26365
section 3301.079 of the Revised Code will be taught and assessed. 26366

(8) Prior to receiving the waiver, the program has submitted 26367
to the department a policy on career advising that satisfies the 26368
requirements of section 3313.6020 of the Revised Code, with an 26369
emphasis on how every student will receive career advising. 26370

(9) Prior to receiving the waiver, the program has submitted 26371
to the department a written agreement outlining the future 26372
cooperation between the program and any combination of local job 26373
training, postsecondary education, nonprofit, and health and 26374
social service organizations to provide services for students in 26375
the program and their families. 26376

Divisions (F)(8) and (9) of this section apply only to 26377
waivers granted on or after July 1, 2015. 26378

If the department does not act either to grant the waiver or 26379
to reject the program application for the waiver within sixty days 26380
as required under this section, the waiver shall be considered to 26381
be granted. 26382

(G) Every high school may permit students below the ninth 26383
grade to take advanced work. If a high school so permits, it shall 26384
award high school credit for successful completion of the advanced 26385
work and shall count such advanced work toward the graduation 26386
requirements of division (B) or (C) of this section if the 26387
advanced work was both: 26388

(1) Taught by a person who possesses a license or certificate 26389
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 26390
Code that is valid for teaching high school; 26391

(2) Designated by the board of education of the city, local, 26392
or exempted village school district, the board of the cooperative 26393
education school district, or the governing authority of the 26394
chartered nonpublic school as meeting the high school curriculum 26395
requirements. 26396

Each high school shall record on the student's high school 26397
transcript all high school credit awarded under division (G) of 26398
this section. In addition, if the student completed a seventh- or 26399
eighth-grade fine arts course described in division (K) of this 26400
section and the course qualified for high school credit under that 26401
division, the high school shall record that course on the 26402
student's high school transcript. 26403

(H) The department shall make its individual academic career 26404
plan available through its Ohio career information system web site 26405
for districts and schools to use as a tool for communicating with 26406
and providing guidance to students and families in selecting high 26407
school courses. 26408

(I) A school district or chartered nonpublic school may 26409
integrate academic content in a subject area for which the state 26410
board has adopted standards under section 3301.079 of the Revised 26411
Code into a course in a different subject area, including a 26412
career-technical education course, in accordance with guidance for 26413
integrated coursework developed by the department. Upon successful 26414
completion of an integrated course, a student may receive credit 26415
for both subject areas that were integrated into the course. Units 26416
earned for subject area content delivered through integrated 26417
academic and career-technical instruction are eligible to meet the 26418
graduation requirements of division (B) or (C) of this section. 26419

For purposes of meeting graduation requirements, if an 26420
end-of-course examination has been prescribed under section 26421
3301.0712 of the Revised Code for the subject area delivered 26422
through integrated instruction, the school district or school may 26423

administer the related subject area examinations upon the 26424
student's completion of the integrated course. 26425

Nothing in division (I) of this section shall be construed to 26426
excuse any school district, chartered nonpublic school, or student 26427
from any requirement in the Revised Code related to curriculum, 26428
assessments, or the awarding of a high school diploma. 26429

(J)(1) The state board, in consultation with the chancellor, 26430
shall adopt a statewide plan implementing methods for students to 26431
earn units of high school credit based on a demonstration of 26432
subject area competency, instead of or in combination with 26433
completing hours of classroom instruction. The state board shall 26434
adopt the plan not later than March 31, 2009, and commence phasing 26435
in the plan during the 2009-2010 school year. The plan shall 26436
include a standard method for recording demonstrated proficiency 26437
on high school transcripts. Each school district and community 26438
school shall comply with the state board's plan adopted under this 26439
division and award units of high school credit in accordance with 26440
the plan. The state board may adopt existing methods for earning 26441
high school credit based on a demonstration of subject area 26442
competency as necessary prior to the 2009-2010 school year. 26443

(2) Not later than December 31, 2015, the state board shall 26444
update the statewide plan adopted pursuant to division (J)(1) of 26445
this section to also include methods for students enrolled in 26446
seventh and eighth grade to meet curriculum requirements based on 26447
a demonstration of subject area competency, instead of or in 26448
combination with completing hours of classroom instruction. 26449
Beginning with the 2017-2018 school year, each school district and 26450
community school also shall comply with the updated plan adopted 26451
pursuant to this division and permit students enrolled in seventh 26452
and eighth grade to meet curriculum requirements based on subject 26453
area competency in accordance with the plan. 26454

(3) Not later than December 31, 2017, the department shall 26455

develop a framework for school districts and community schools to 26456
use in granting units of high school credit to students who 26457
demonstrate subject area competency through work-based learning 26458
experiences, internships, or cooperative education. Beginning with 26459
the 2018-2019 school year, each district and community school 26460
shall comply with the framework. Each district and community 26461
school also shall review any policy it has adopted regarding the 26462
demonstration of subject area competency to identify ways to 26463
incorporate work-based learning experiences, internships, and 26464
cooperative education into the policy in order to increase student 26465
engagement and opportunities to earn units of high school credit. 26466

(K) This division does not apply to students who qualify for 26467
graduation from high school under division (D) or (F) of this 26468
section, or to students pursuing a career-technical instructional 26469
track as determined by the school district board of education or 26470
the chartered nonpublic school's governing authority. 26471
Nevertheless, the general assembly encourages such students to 26472
consider enrolling in a fine arts course as an elective. 26473

Beginning with students who enter ninth grade for the first 26474
time on or after July 1, 2010, each student enrolled in a public 26475
or chartered nonpublic high school shall complete two semesters or 26476
the equivalent of fine arts to graduate from high school. The 26477
coursework may be completed in any of grades seven to twelve. Each 26478
student who completes a fine arts course in grade seven or eight 26479
may elect to count that course toward the five units of electives 26480
required for graduation under division (C)(8) of this section, if 26481
the course satisfied the requirements of division (G) of this 26482
section. In that case, the high school shall award the student 26483
high school credit for the course and count the course toward the 26484
five units required under division (C)(8) of this section. If the 26485
course in grade seven or eight did not satisfy the requirements of 26486
division (G) of this section, the high school shall not award the 26487

student high school credit for the course but shall count the 26488
course toward the two semesters or the equivalent of fine arts 26489
required by this division. 26490

(L) Notwithstanding anything to the contrary in this section, 26491
the board of education of each school district and the governing 26492
authority of each chartered nonpublic school may adopt a policy to 26493
excuse from the high school physical education requirement each 26494
student who, during high school, has participated in 26495
interscholastic athletics, marching band, show choir, or 26496
cheerleading for at least two full seasons or in the junior 26497
reserve officer training corps for at least two full school years. 26498
If the board or authority adopts such a policy, the board or 26499
authority shall not require the student to complete any physical 26500
education course as a condition to graduate. However, the student 26501
shall be required to complete one-half unit, consisting of at 26502
least sixty hours of instruction, in another course of study. In 26503
the case of a student who has participated in the junior reserve 26504
officer training corps for at least two full school years, credit 26505
received for that participation may be used to satisfy the 26506
requirement to complete one-half unit in another course of study. 26507

(M) It is important that high school students learn and 26508
understand United States history and the governments of both the 26509
United States and the state of Ohio. Therefore, beginning with 26510
students who enter ninth grade for the first time on or after July 26511
1, 2012, the study of American history and American government 26512
required by divisions (B)(6) and (C)(6) of this section shall 26513
include the study of all of the following documents: 26514

(1) The Declaration of Independence; 26515

(2) The Northwest Ordinance; 26516

(3) The Constitution of the United States with emphasis on 26517
the Bill of Rights; 26518

(4) The Ohio Constitution. 26519

The study of each of the documents prescribed in divisions 26520
(M)(1) to (4) of this section shall include study of that document 26521
in its original context. 26522

The study of American history and government required by 26523
divisions (B)(6) and (C)(6) of this section shall include the 26524
historical evidence of the role of documents such as the 26525
Federalist Papers and the Anti-Federalist Papers to firmly 26526

under section 3301.079 of the Revised Code, or a comparable tool 26621
approved by the department of education, to identify such 26622
students. The 26623

(b) The policies and procedures shall require the students' 26624
classroom teachers to be involved in the assessment and the 26625
identification of students reading below grade level. The 26626
assessment may be administered electronically using live, two-way 26627
video and audio connections whereby the teacher administering the 26628
assessment may be in a separate location from the student. 26629

3319.80 of the Revised Code. 26638

(d) For each comparable tool approved under this section, the 26639
department shall require that the test vendor share information 26640
with the school regarding student performance on identification 26641
items related to dyslexia as described under division (B)(1)(c) of 26642

this section. The department also shall require the vendor to 26643
provide a summary of such information to the department, in the 26644
manner prescribed by the department. 26645

specify that the assessment under section 3301.0710 of the Revised 26665
Code is not the sole determinant of promotion and that additional 26666
evaluations and assessments are available to the student to assist 26667
parents and the district in knowing when a student is reading at 26668
or above grade level and ready for promotion. 26669

(b) Provide intensive reading instruction services and 26670
regular diagnostic assessments to the student immediately 26671
following identification of a reading deficiency until the 26672
development of the reading improvement and monitoring plan 26673

(c) Provide each student with a teacher who satisfies one or 26698
more of the criteria set forth in division (H) of this section. 26699

The district shall offer the option for students to receive 26700
applicable services from one or more providers other than the 26701

the equivalent level of achievement designated under division 26745
(A)(3) of section 3301.0710 of the Revised Code on the assessment 26746
prescribed under that section to measure skill in English language 26747

~~The net tuition and fees charged to a student shall be the 28202
tuition amount specified by the alternative school minus all other 28203

mainstreamed student with a disability and shall further increase 28212

disability. Such increases shall take into account the 28214
instruction, related services, and transportation costs of 28215
educating such students. 28216~~

amount shall not exceed the lesser of the provider's actual 28218

administrator of each registered private school located in the 28233
pilot project district and the principal of each public school in 28234

project scholarship program, the department may request from any 28243
of the following entities the data verification code assigned 28244

scholarship or a request by the student's parent for that code, 28256
the school district or community school shall submit that code to 28257
the department or parent in the manner specified by the 28258
department. If the student has not been assigned a code, because 28259
the student will be entering kindergarten during the school year 28260
for which the scholarship is sought, the district shall assign a 28261
code to that student and submit the code to the department or 28262
parent by a date specified by the department. If the district does 28263
not assign a code to the student by the specified date, the 28264
department shall assign a code to the student. 28265

The department annually shall submit to each school district 28266

The scores shall be aggregated as follows:	28279 28280 28281 28282 28283

(3) The department shall post the student performance data 28306
required under divisions (G)(1) and (2) of this section on its web 28307
site and shall include that data in the information about the 28308
scholarship program provided to students under division (A) of 28309
this section. In reporting student performance data under this 28310
division, the department shall not include any data that is 28311
statistically unreliable or that could result in the 28312
identification of individual students. For this purpose, the 28313
department shall not report performance data for any group that 28314
contains less than ten students. 28315

(4) The department shall provide the parent of each 28316
scholarship student enrolled in a registered private school with 28317
information comparing the student's performance on the assessments 28318
administered pursuant to division (A)(11) of section 3313.976 of 28319
the Revised Code with the average performance of similar students 28320

(b) The second application period shall open not sooner than 28335
the first day of July of the school year for which the scholarship 28336
is sought and run not less than thirty days. 28337

(2) If the pilot scholarships awarded in the first 28338
application period for any school year use the entirety of the 28339
amount appropriated by the general assembly for such scholarships 28340
for that school year, the department need not conduct a second 28341
application period for scholarships. If, after the first 28342
application period, there are funds remaining to award, the 28343
department shall conduct a second application period in accordance 28344
with division (H)(1)(b) of this section. 28345

payments to a public school in an adjacent school district is 28356
payable to the school district of attendance by the superintendent 28357
of public instruction. Each grant to be used for payments to an 28358
approved tutorial assistance provider is payable to the approved 28359
tutorial assistance provider. 28360~~

(A)~~(1)~~ By the fifteenth day of each month of the school year 28361
that any scholarship students are enrolled in a registered private 28362
school, the chief administrator of that school shall notify the 28363
state superintendent of: 28364

~~(a)~~(1) The number of scholarship students who were reported 28365
to the school district as having been admitted by that private 28366

amount specified in divisions (C)(1) and (2) of section 3313.978 28380
of the Revised Code. This amount shall be proportionately reduced 28381
in the case of any such student who is not enrolled in a 28382
registered private school for the entire school year. 28383~~

~~(3) The first payment under this division shall be made by 28384
the last day of November and shall equal one third of the 28385
estimated total amount that will be due to the parent for the 28386
school year pursuant to division (A)(2) of this section. 28387~~

~~(B) The state superintendent, on behalf of the parents of a 28388
scholarship student enrolled in a public school in an adjacent 28389
school district pursuant to section 3327.06 of the Revised Code, 28390
shall make the tuition payments required by that section to the 28391~~

~~school district admitting the student, except that, 28392

Sec. 3314.016. This section applies to any entity that 28479
sponsors a community school, regardless of whether section 28480
3314.021 or 3314.027 of the Revised Code exempts the entity from 28481
the requirement to be approved for sponsorship under divisions 28482
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 28483

office of Ohio school sponsorship established under section 28484
3314.029 of the Revised Code shall be rated under division (B) of 28485
this section, but divisions (A) and (C) of this section do not 28486
apply to the office. 28487

(A) An entity that sponsors a community school shall be 28488
permitted to enter into contracts under section 3314.03 of the 28489
Revised Code to sponsor additional community schools only if the 28490
entity meets all of the following criteria: 28491

(1) The entity is in compliance with all provisions of this 28492
chapter requiring sponsors of community schools to report data or 28493
information to the department of education. 28494

(2) The entity is not rated as "ineffective" under division 28495
(B)(6) of this section. 28496

(3) Except as set forth in sections 3314.021 and 3314.027 of 28497
the Revised Code, the entity has received approval from and 28498
entered into an agreement with the department of education 28499
pursuant to section 3314.015 of the Revised Code. 28500

(B)(1) The department shall develop and implement an 28501
evaluation system that annually rates and assigns an overall 28502
rating to each entity that sponsors a community school. The 28503
department, not later than the first day of February of each year, 28504
shall post on the department's web site the framework for the 28505
evaluation system, including technical documentation that the 28506
department intends to use to rate sponsors for the next school 28507
year. The department shall solicit public comment on the 28508
evaluation system for thirty consecutive days. Not later than the 28509
first day of April of each year, the department shall compile and 28510
post on the department's web site all public comments that were 28511
received during the public comment period. The evaluation system 28512
shall be posted on the department's web site by the fifteenth day 28513
of July of each school year. Any changes to the evaluation system 28514

after that date shall take effect the following year. The 28515
evaluation system shall be based on the following components: 28516

(a) Academic performance of students enrolled in community 28517
schools sponsored by the same entity. The academic performance 28518
component shall be derived from the performance measures 28519
prescribed for the state report cards under section 3302.03 or 28520
3314.017 of the Revised Code, and shall be based on the 28521
performance of the schools for the school year for which the 28522
evaluation is conducted. In addition to the academic performance 28523
for a specific school year, the academic performance component 28524
shall also include year-to-year changes in the overall sponsor 28525
portfolio. For a community school for which no graded performance 28526
measures are applicable or available, the department shall use 28527
nonreport card performance measures specified in the contract 28528
between the community school and the sponsor under division (A)(4) 28529
of section 3314.03 of the Revised Code. 28530

(b) Adherence by a sponsor to the quality practices 28531
prescribed by the department under division (B)(3) of this 28532
section. For a sponsor that was rated "effective" or "exemplary" 28533
on its most recent rating, the department may evaluate that 28534
sponsor's adherence to quality practices once over a period of 28535
three years. If the department elects to evaluate a sponsor once 28536
over a period of three years, the most recent rating for a 28537
sponsor's adherence to quality practices shall be used when 28538
determining an annual overall rating conducted under this section. 28539

(c) Compliance with all applicable laws and administrative 28540
rules by an entity that sponsors a community school. 28541

(2) In calculating an academic performance component, the 28542
department shall exclude all community schools that have been in 28543
operation for not more than two full school years and all 28544
community schools described in division (A)(4)(b) of section 28545
3314.35 of the Revised Code. However, the academic performance of 28546

the community schools described in division (A)(4)(b) of section 28547
3314.35 of the Revised Code shall be reported, but shall not be 28548
used as a factor when determining a sponsoring entity's rating 28549
under this section. 28550

(3) The department, in consultation with entities that 28551
sponsor community schools, shall prescribe quality practices for 28552
community school sponsors and develop an instrument to measure 28553
adherence to those quality practices. The quality practices shall 28554
be based on standards developed by the national association of 28555
charter school authorizers or any other nationally organized 28556
community school organization. 28557

(4)(a) The department may permit peer review of a sponsor's 28558
adherence to the quality practices prescribed under division 28559
(B)(3) of this section. Peer reviewers shall be limited to 28560
individuals employed by sponsors rated "effective" or "exemplary" 28561
on the most recent ratings conducted under this section. 28562

(b) The department shall require individuals participating in 28563
peer review under division (B)(4)(a) of this section to complete 28564
training approved or established by the department. 28565

(c) The department may enter into an agreement with another 28566
entity to provide training to individuals conducting peer review 28567
of sponsors. Prior to entering into an agreement with an entity, 28568
the department shall review and approve of the entity's training 28569
program. 28570

(5) Not later than July 1, 2013, the state board of education 28571
shall adopt rules in accordance with Chapter 119. of the Revised 28572
Code prescribing standards for measuring compliance with 28573
applicable laws and rules under division (B)(1)(c) of this 28574
section. 28575

(6) The department annually shall rate all entities that 28576
sponsor community schools as either "exemplary," "effective," 28577

"ineffective," or "poor," based on the components prescribed by 28578
division (B) of this section, where each component is weighted 28579
equally. A separate rating shall be given by the department for 28580
each component of the evaluation system. 28581

The department shall publish the ratings between the first 28582
day of October and the fifteenth day of November. 28583

Prior to the publication of the final ratings, the department 28584
shall designate and provide notice of a period of at least ten 28585
business days during which each sponsor may review the information 28586
used by the department to determine the sponsor's rating on the 28587
components prescribed by division (B)(1) of this section. If the 28588
sponsor believes there is an error in the department's evaluation, 28589
the sponsor may request adjustments to the rating of any of those 28590
components based on documentation previously submitted as part of 28591
an evaluation. The sponsor shall provide to the department any 28592
necessary evidence or information to support the requested 28593
adjustments. The department shall review the evidence and 28594
information, determine whether an adjustment is valid, and 28595
promptly notify the sponsor of its determination and reasons. If 28596
any adjustments to the data could result in a change to the rating 28597
on the applicable component or to the overall rating, the 28598
department shall recalculate the ratings prior to publication. 28599

The department shall provide training on an annual basis 28600

other purposes of this chapter and shall notify the department of 30008
education of that designation. 30009~~

(4) A community school may be located in multiple facilities 30010
under the same contract and, notwithstanding division (B)(1) of 30011

the report cards issued under section 3314.012 of the Revised 30050
Code, for each facility separately. The department shall make all 30051
such calculations or computations for the school as a whole. 30052

(2)(a) On and after the effective date of this amendment, when a new start-up community school is established in two school districts under the same contract, the school's governing authority shall designate one of those districts to be considered the school's primary location and the district in which the school is located for the purposes of division (A)(19) of section 3314.03 and divisions (C) and (H) of section 3314.06 of the Revised Code and for all other purposes of this chapter and shall notify the department of education of that designation.

(b) A community school governing authority that elects to modify a community school's primary location, whether in accordance with division (F)(1) of this section or otherwise, shall notify the department of that modification.

individuals who are younger than five years of age, but the school 30122
shall not receive funds under this chapter for those individuals. 30123

section 3314.061 of the Revised Code. However, unless the total 30153
capacity established for the school has been filled, no student 30154
with any disability shall be denied admission on the basis of that 30155
disability. 30156

(2) That upon admission of any student with a disability, the 30157
community school will comply with all federal and state laws 30158

preference is less than five per cent of the school's total 30184
enrollment. 30185

Notwithstanding divisions (A) to (H) of this section, in the 30186

(a) Within ten business days of the receipt of the notice of 30638
findings, the community school may appeal the department's 30639
determination to the state board of education or its designee. 30640

(b) The board or its designee shall conduct an informal 30641
hearing on the matter within thirty days of receipt of such an 30642
appeal and shall issue a decision within fifteen days of the 30643
conclusion of the hearing. 30644

(c) If the board has enlisted a designee to conduct the 30645
hearing, the designee shall certify its decision to the board. The 30646
board may accept the decision of the designee or may reject the 30647
decision of the designee and issue its own decision on the matter. 30648

(d) Any decision made by the board under this division is 30649
final. 30650

(3) If it is decided that the community school owes moneys to 30651
the state, the department shall deduct such amount from the 30652

the superintendent of public instruction. 30654

(L) The department ~~shall not subtract from a school~~ 30655

(3) Any student who was enrolled in the community school 30662
during the previous school year when assessments were administered 30663

or more of the assessments required by that section and was not 30665
excused pursuant to division (C)(1) or (3) of that section, unless 30666

the superintendent of public instruction grants the student a 30667
waiver from the requirement to take the assessment and a parent is 30668
not paying tuition for the student pursuant to section 3314.26 of 30669
the Revised Code. The superintendent may grant a waiver only for 30670
good cause in accordance with rules adopted by the state board of 30671
education. 30672

(4) Any student who has attained the age of twenty-two years, 30673
except for veterans of the armed services whose attendance was 30674
interrupted before completing the recognized twelve-year course of 30675
the public schools by reason of induction or enlistment in the 30676
armed forces and who apply for enrollment in a community school 30677
not later than four years after termination of war or their 30678

education and related services to a student with a disability who 30688
is enrolled in a community school, as calculated under division 30689
(C)(1) of that section, the department shall deduct the amount of 30690
that payment from the amount calculated for payment to the 30691
community school under section ~~3314.08~~ 3317.022 of the Revised 30692
Code. 30693

30698

(3) "School district of residence" has the same meaning as in section 3323.01 of the Revised Code; however, a community school established under this chapter is not a "school district of residence" for purposes of this section. 30699
30700
30701
30702

(B) Notwithstanding anything to the contrary in section 3314.08 or 3317.03 of the Revised Code, all of the following apply in the case of a child who is enrolled in a community school and is also living in a home: 30703

~~(1) For purposes of the report required under division (B)(1) of section 3314.08 of the Revised Code, the child's school district of residence, and not the school district in which the home that the child is living in is located, shall be considered to be the school district in which the child is entitled to attend school. That school district of residence, therefore, shall make the report required under division (B)(1) of section 3314.08 of the Revised Code with respect to the child.~~ 30707
30708
30709
30710
30711
30712
30713
30714

~~(2)~~ For purposes of the report required under division ~~(B)(2)~~ (B) of section 3314.08 of the Revised Code, the community school shall report the name of the child's school district of residence. 30715

30724
30725

30727

~~(6)~~(4) The department shall make the payments prescribed in 30728
division ~~(C)~~ of section ~~3314.08~~ 3317.022 of the Revised Code, as 30729
applicable, to the community school. 30730

Sec. 3314.086. A community school established under this 30731
chapter, including an internet- or computer-based community 30732
school, may provide career-technical education in the manner 30733
prescribed by section 3313.90 of the Revised Code. The community 30734
school may contract with any public agency, board, or bureau or 30735
with any private individual or firm for the purchase of any 30736
career-technical education or vocational rehabilitation service 30737
for any student enrolled in the community school and may pay for 30738
such services with funds received under section ~~3314.08~~ 3317.022 30739
of the Revised Code. 30740

Sec. 3314.087. (A) As used in this section: 30741

(1) "Career-technical program" means career-technical 30742
programs or classes described in division (A), (B), (C), (D), or 30743
(E) of section 3317.014 of the Revised Code in which a student is 30744
enrolled. 30745

(2) ~~"Formula ADM," "category~~ Category one through five 30746
career-technical education ADM," and "FTE basis" have the same 30747
meanings as in section 3317.02 of the Revised Code. 30748

(3) "Resident school district" means the city, exempted 30749
village, or local school district in which a student is entitled 30750
to attend school under section 3313.64 or 3313.65 of the Revised 30751
Code. 30752

(B) Notwithstanding anything to the contrary in this chapter 30753
or Chapter 3317. of the Revised Code, a student enrolled in a 30754
community school may simultaneously enroll in the career-technical 30755
program operated by the career-technical planning district to 30756
which the student's resident district belongs. On an FTE basis, 30757

the student's resident school district shall count the student in 30758
the category one through five career-technical education ADM for 30759
the proportion of the time the student is enrolled in a 30760
career-technical program of the career-technical planning district 30761
to which the student's resident district belongs and, accordingly, 30762
the department of education shall calculate funds under Chapter 30763
3317. for the resident district attributable to the student for 30764
the proportion of time the student attends the career-technical 30765
program. The community school shall count the student in its 30766
enrollment report under section 3314.08 of the Revised Code and 30767
shall report to the department the proportion of time that the 30768
student attends classes at the community school. The department 30769
shall pay the community school ~~and deduct from the student's~~ 30770
~~resident school district~~ the amount computed for the student under 30771
section ~~3314.08~~ 3317.022 of the Revised Code in proportion to the 30772
fraction of the time on an FTE basis that the student attends 30773
classes at the community school. "Full-time equivalency" for a 30774
community school student, as defined in division (H) of section 30775
3314.08 of the Revised Code, does not apply to the student. 30776

Sec. 3314.091. (A) A school district is not required to 30777
provide transportation for any native student enrolled in a 30778
community school if the district board of education has entered 30779
into an agreement with the community school's governing authority 30780
that designates the community school as responsible for providing 30781
or arranging for the transportation of the district's native 30782
students to and from the community school. For any such agreement 30783
to be effective, it must be certified by the superintendent of 30784
public instruction as having met all of the following 30785
requirements: 30786

(1) It is submitted to the department of education by a 30787
deadline which shall be established by the department. 30788

(2) In accordance with divisions (C)(1) and (2) of this section, it specifies qualifications, such as residing a minimum distance from the school, for students to have their transportation provided or arranged.

(3) The transportation provided by the community school is subject to all provisions of the Revised Code and all rules adopted under the Revised Code pertaining to pupil transportation.

(4) The sponsor of the community school also has signed the agreement.

(B)(1) For the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school, if the community school during the previous school year transported the students enrolled in the school or arranged for the students' transportation, even if that arrangement consisted of having parents transport their children to and from the school, but did not enter into an agreement to transport or arrange for transportation for those students under division (A) of this section, and if the governing authority of the community school by July 15, 2007, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school.

(2) Except as provided in division (B)(4) of this section, for any school year subsequent to the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school if the governing authority of the community school, by the ~~thirty-first~~ first day of ~~January of the previous school year~~ August, submits written notification to the district board of education stating that the governing authority is accepting

responsibility for providing or arranging for the transportation 30821
of the district's native students to and from the community 30822
school. If the governing authority of the community school has 30823
previously accepted responsibility for providing or arranging for 30824
the transportation of a district's native students to and from the 30825
community school, under division (B)(1) or (2) of this section, 30826
and has since relinquished that responsibility under division 30827
(B)(3) of this section, the governing authority shall not accept 30828
that responsibility again unless the district board consents to 30829
the governing authority's acceptance of that responsibility. 30830

(3) A governing authority's acceptance of responsibility 30831
under division (B)(1) or (2) of this section shall cover an entire 30832
school year, and shall remain in effect for subsequent school 30833
years unless the governing authority submits written notification 30834
to the district board that the governing authority is 30835
relinquishing the responsibility. However, a governing authority 30836
shall not relinquish responsibility for transportation before the 30837
end of a school year, and shall submit the notice relinquishing 30838
responsibility by the thirty-first day of January, in order to 30839
allow the school district reasonable time to prepare 30840
transportation for its native students enrolled in the school. 30841

(4)(a) For any school year that begins on or after July 1, 30842
2014, a school district is not required to provide transportation 30843
for any native student enrolled in a community school scheduled to 30844
open for operation in the current school year, if the governing 30845
authority of the community school, by the fifteenth day of April 30846
of the previous school year, submits written notification to the 30847
district board of education stating that the governing authority 30848
is accepting responsibility for providing or arranging for the 30849
transportation of the district's native students to and from the 30850
community school. 30851

(b) The governing authority of a community school that 30852

accepts responsibility for transporting its students under 30853
division (B)(4)(a) of this section shall comply with divisions 30854
(B)(2) and (3) of this section to renew or relinquish that 30855
authority for subsequent school years. 30856

(C)(1) A community school governing authority that enters 30857
into an agreement under division (A) of this section, or that 30858
accepts responsibility under division (B) of this section, shall 30859
provide or arrange transportation free of any charge for each of 30860
its enrolled students who is required to be transported under 30861
section 3327.01 of the Revised Code. The governing authority shall 30862
report to the department of education the number of students 30863
transported or for whom transportation is arranged under this 30864
section in accordance with rules adopted by the state board of 30865
education. 30866

(2) The governing authority may provide or arrange 30867
transportation for any other enrolled student who is not eligible 30868
for transportation in accordance with division (C)(1) of this 30869
section and may charge a fee for such service up to the actual 30870
cost of the service. 30871

(3) Notwithstanding anything to the contrary in division 30872
(C)(1) or (2) of this section, a community school governing 30873
authority shall provide or arrange transportation free of any 30874
charge for any disabled student enrolled in the school for whom 30875
the student's individualized education program developed under 30876
Chapter 3323. of the Revised Code specifies transportation. 30877

~~(D)(1) If a school district board and a community school 30878
governing authority elect to enter into an agreement under 30879
division (A) of this section, the department of education shall 30880
make payments to the community school according to the terms of 30881
the agreement for each student actually transported under division 30882
(C)(1) of this section. 30883~~

~~If a community school governing authority accepts transportation responsibility under division (B) of this section, the department shall make payments to the community school for each student actually transported or for whom transportation is arranged by the community school under division (C)(1) of this section, calculated as follows:~~

~~(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across the board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:~~

~~(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by~~

~~(ii) The number of students included in the district's transportation ADM for the current fiscal year, as calculated under section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B)(1) or (2) of this section.~~

~~(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with section 3317.0212 of the Revised Code and any rules of the state board of education implementing that section, the payment to the community school shall be the amount so calculated on a per rider basis that otherwise would be paid to the school district in which the student is entitled to attend school by the method of transportation the district would have used. The community school, however, is not required to use the same method to transport that student.~~

~~(c) Divisions (D)(1)(a) and (b) of this section do not apply to fiscal years 2012 and 2013. Rather, for each of those fiscal years, the per pupil payment to a community school for transporting a student shall be the total amount paid under former section 3306.12 of the Revised Code for fiscal year 2011 to the school district in which the child is entitled to attend school divided by that district's "qualifying ridership," as defined in that section for fiscal year 2011.~~

~~As used in this division "entitled to attend school" means entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.~~

~~(2) The department shall deduct the payment under division (D)(1) of this section from the state education aid, as defined in section 3314.08 of the Revised Code, and, if necessary, the payment under sections 321.14 and 323.156 of the Revised Code, that is otherwise paid to the school district in which the student enrolled in the community school is entitled to attend school. The department shall include the number of the district's native students for whom payment is made to a community school under division (D)(1) of this section in the calculation of the district's transportation payment under section 3317.0212 of the Revised Code and the operating appropriations act.~~

~~(3) A community school shall be paid under division (D)(1) of this section only for students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, and whose transportation to and from school is actually provided, who actually utilized transportation arranged, or for whom a payment in lieu of transportation is made by the community school's governing authority. To qualify for the payments, the community school shall report to the department, in the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of~~

~~miles traveled, cost to transport, and any other information 30947
requested by the department. 30948~~

(4) A community school shall use payments received under ~~this~~ 30949
division (H) of section 3317.0212 of the Revised Code solely to 30950
pay the costs of providing or arranging for the transportation of 30951
students who are eligible as specified in section 3327.01 of the 30952
Revised Code and division (C)(1) of this section, which may 30953
include payments to a parent, guardian, or other person in charge 30954
of a child in lieu of transportation. 30955

(E) Except when arranged through payment to a parent, 30956
guardian, or person in charge of a child, transportation provided 30957
or arranged for by a community school pursuant to an agreement 30958
under this section is subject to all provisions of the Revised 30959
Code, and all rules adopted under the Revised Code, pertaining to 30960
the construction, design, equipment, and operation of school buses 30961
and other vehicles transporting students to and from school. The 30962
drivers and mechanics of the vehicles are subject to all 30963
provisions of the Revised Code, and all rules adopted under the 30964
Revised Code, pertaining to drivers and mechanics of such 30965
vehicles. The community school also shall comply with sections 30966
3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) 30967
of section 3327.16 of the Revised Code and, subject to division 30968
(C)(1) of this section, sections 3327.01 and 3327.02 of the 30969
Revised Code, as if it were a school district. 30970

Sec. 3314.11. (A) The governing authority of each community 30971
school established under this chapter monthly shall review the 30972
residency records of students enrolled in that community school. 30973
Upon the enrollment of each student and on an annual basis, the 30974
governing authority shall verify to the department of education 30975
the school district in which the student is entitled to attend 30976
school under section 3313.64 or 3313.65 of the Revised Code. 30977

The school district may review the determination made by the 30978
community school under division (A) of this section. 30979

(B)(1) For purposes of its initial reporting of the school 30980
districts in which its students are entitled to attend school, the 30981
governing authority of a community school shall adopt a policy 30982
that prescribes the number of documents listed in division (E) of 30983
this section required to verify a student's residency. This policy 30984
shall supersede any policy concerning the number of documents for 30985
initial residency verification adopted by the district the student 30986
is entitled to attend. 30987

(2) For purposes of the annual reporting of the school 30988
districts in which its students are entitled to attend school, the 30989
governing authority of a community school shall adopt a policy 30990
that prescribes the information required to verify a student's 30991
residency. This information may be obtained through any type of 30992
document, including any of the documents listed in division (E) of 30993
this section, or any type of communication with a government 30994
official authorized to provide such information. 30995

(C) For purposes of making the determinations required under 30996
this section, the school district in which a parent or child 30997
resides is the location the parent or student has established as 30998
the primary residence and where substantial family activity takes 30999
place. 31000

(D) If a community school's determination under division (A) 31001
of this section of the school district a student is entitled to 31002
attend under section 3313.64 or 3313.65 of the Revised Code 31003
differs from a district's determination, the community school that 31004
made the determination under division (A) of this section shall 31005
provide the school district with documentation of the student's 31006
residency and shall make a good faith effort to accurately 31007
identify the correct residence of the student. 31008

(E) For purposes of this section, the following documents may serve as evidence of primary residence:

(1) A deed, mortgage, lease, current home owner's or renter's insurance declaration page, or current real property tax bill;

(2) A utility bill or receipt of utility installation issued within ninety days of enrollment;

(3) A paycheck or paystub issued to the parent or student within ninety days of the date of enrollment that includes the address of the parent's or student's primary residence;

(4) The most current available bank statement issued to the parent or student that includes the address of the parent's or student's primary residence;

(5) Any other official document issued to the parent or student that includes the address of the parent's or student's primary residence. The superintendent of public instruction shall develop guidelines for determining what qualifies as an "official document" under this division.

(F) When a student loses permanent housing and becomes a homeless child or youth, as defined in 42 U.S.C. 11434a, or when a child who is such a homeless child or youth changes temporary living arrangements, the district in which the student is entitled to attend school shall be determined in accordance with division (F)(13) of section 3313.64 of the Revised Code and the "McKinney-Vento Homeless Assistance Act," 42 U.S.C. 11431 et seq.

(G) In the event of a disagreement as to which school district a student is entitled to attend, the community school, after complying with division (D) of this section, but not more than sixty days after the monthly deadline established by the department of education for reporting of community school enrollment, may present the matter to the superintendent of public instruction. Not later than thirty days after the community school

presents the matter, the state superintendent, or the state 31040
superintendent's designee, shall determine which district the 31041
student is entitled to attend and shall direct any necessary 31042
adjustments to payments ~~and deductions~~ under section ~~3314.08~~ 31043
3317.022 of the Revised Code based on that determination. 31044

Sec. 3314.191. Notwithstanding any provision to the contrary 31045
in the Revised Code, the department of education shall make no 31046
payment under section ~~3314.08~~ 3317.022 of the Revised Code to a 31047
community school opening for its first year of operation until the 31048
sponsor of that school confirms all of the following: 31049

(A) The school is in compliance with the provisions described 31050
in divisions (A), (H), (I), and (J)(3) of section 3314.19 of the 31051
Revised Code. 31052

(B) The sponsor has approved the financial controls required 31053
by the comprehensive plan for the school under division (B)(5) of 31054
section 3314.03 of the Revised Code. 31055

(C) The school facilities will be ready and open for use by 31056
the date prescribed in the contract entered into under section 31057
3314.03 of the Revised Code, and the sponsor has reviewed any 31058
lease, purchase agreement, permits required by statute or 31059
contract, and construction plans. 31060

(D) The chief administrator of the community school actively 31061
is managing daily operations at the school. 31062

(E) The projected enrollment reported to the department is 31063
accurate. 31064

Sec. 3314.20. (A) As used in this section: 31065

(1) "Base enrollment" for an internet- or computer-based 31066

(B)(1) Division (C) of this section describes the model for 31341

the calculation of the base cost per pupil for fiscal year 2022 31342
and each fiscal year thereafter that has been established as the 31343
result of deliberations by the general assembly. To guide its 31344
deliberations on the base cost per pupil, the general assembly 31345
adopted the following principles, which have been incorporated 31346
into the model as part of the calculation of the "state share 31347
multiplier" under division (C)(2)(b) of this section: 31348

(a) The average classroom teacher salary used in the model is 31349
required to include the portion that is funded by state and local 31350
shares of foundation funding. 31351

(b) The average classroom teacher salary used in the model 31352
may include the portion of the average classroom teacher salary 31353
that is funded by local property tax revenue and school district 31354
income tax revenue in excess of the local share required for 31355
foundation funding, if the general assembly chooses to include it, 31356
in order to enhance the model's funding for teacher salaries. 31357

(2) It is the intent of the general assembly that, following 31358
the initial calculation of the base cost per pupil for fiscal 31359
years 2022 and 2023 as described in division (D) of this section, 31360
each of the following variables in the base cost per pupil 31361
calculation shall be reexamined by the general assembly as part of 31362
the deliberations for each biennial budget act and that the base 31363
cost per pupil may be recalculated in each of those biennial 31364
budget acts using different numbers for these variables based on 31365
the general assembly's reexamination of them: 31366

(a) The percentages determined by the general assembly for 31367
purposes of calculating the "supplemental state share multiplier" 31368
under division (C)(2)(b)(ii) of this section that is used in the 31369
calculation of the "state share multiplier" under division 31370
(C)(2)(b) of this section; 31371

(b) The teacher-to-student ratio that is used in the 31372

<u>calculation of the per-pupil classroom teacher compensation</u>	31373
<u>component under division (C)(2)(a) of this section;</u>	31374
<u>(c) The number of funded professional development days for a</u>	31375
<u>school year that is used in the calculation of the teacher</u>	31376
<u>professional development component under division (C)(6) of this</u>	31377
<u>section;</u>	31378
<u>(d) The number of teacher contract days for a school year</u>	31379
<u>that is used in the calculation of the teacher professional</u>	31380
<u>development component under division (C)(6) of this section.</u>	31381
<u>(3) It is the intent of the general assembly that, following</u>	31382
<u>the initial calculation of the base cost per pupil for fiscal</u>	31383
<u>years 2022 and 2023 as described in division (D) of this section,</u>	31384
<u>the base cost per pupil shall be updated as part of the biennial</u>	31385
<u>budget act enacted for fiscal years 2024 and 2025 and as part of</u>	31386
<u>every third biennial budget enacted by the general assembly</u>	31387
<u>thereafter by recalculating the base cost per pupil under division</u>	31388
<u>(C) of this section using both of the following:</u>	31389
<u>(a) Any different number for the variables specified in</u>	31390
<u>divisions (B)(2)(a) to (d) of this section that are determined in</u>	31391
<u>accordance with division (B)(2) of this section;</u>	31392
<u>(b) Data based on analyses conducted by the legislative</u>	31393
<u>service commission and presented to the general assembly in</u>	31394

31408

(e) An amount for teacher professional development, determined in accordance with division (C)(6) of this section. 31409
31410

(2)(a) The amount for the per-pupil classroom teacher compensation component of the base cost per pupil shall equal the following sum: 31411
31412
31413

(The state share multiplier determined in accordance with division (C)(2)(b) of this section X the average classroom teacher salary X the teacher-to-student ratio determined by the general assembly) + 31414
31415
31416

(the state share multiplier determined in accordance with division (C)(2)(b) of this section X the average classroom teacher salary X the teacher-to-student ratio determined by the general assembly X 31417
31418
31419

the average benefits percentage) 31420

(b) For purposes of division (C)(2)(a) of this section, the "state share multiplier" equals the sum of the required state share multiplier and, if the general assembly decides to include it, the supplemental state share multiplier. 31421
31422
31423
31424

Where: 31425

(i) The "required state share multiplier" is calculated by determining the amount of school district operating funding that is attributable to the state and local share of foundation funding and then dividing that amount by the amount of school district operating funding. 31426
31427
31428
31429
31430

(ii) The "supplemental state share multiplier" is calculated as the following product: 31431
31432

A percentage determined by the general assembly X (the amount of school district operating funding that is attributable to local property tax revenue and school district income tax revenue in excess of the local share required for foundation funding / the amount of school district operating funding) 31433
31434
31435
31436
31437

(3) For each fiscal year, the amount for the per-pupil building administration and operations costs component of the base cost per pupil equals the following product: 31438
31439

(The building administration and operations cost / the classroom teacher salaries and benefits) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section 31440
31441
31442
31443
31444

(4) For each fiscal year, the amount for the per-pupil district administration salaries and benefits component of the base cost per pupil equals the following product: 31445
31446

(The district administration salaries and benefits / the classroom teacher salaries and benefits) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section 31447
31448
31449
31450
31451

(5) For each fiscal year, the amount for the per-pupil district student support component of the base cost per pupil equals the following product: 31452
31453

(The student support cost / the classroom teacher salaries and benefits) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section 31454
31455
31456
31457

(6) For each fiscal year, the amount for the teacher professional development component of the base cost per pupil equals the following product: 31458
31459

(The number of funded professional development days for a school year as determined by the general assembly / the number of teacher contract days for a school year as determined by the general assembly) X the amount for per-pupil classroom teacher 31460
31461
31462
31463
31464

compensation determined under division (C)(2) of this section 31465

(D)(1) For the initial implementation of this model for 31466
fiscal years 2022 and 2023, the base cost per pupil was calculated 31467
in accordance with division (C) of this section using the 31468
following variables: 31469

(a) Fiscal year 2019 data, for the "average benefits 31470
percentage," "average classroom teacher compensation," "average 31471
classroom teacher salary," "building administration and operations 31472
cost," "classroom teacher salaries and benefits," "district 31473
administration salaries and benefits," "school district operating 31474
funding," and "student support cost"; 31475

(b) Ten per cent, for the percentage determined by the 31476
general assembly for purposes of calculating the "supplemental 31477
state share multiplier" under division (C)(2)(b)(ii) of this 31478
section that is used in the calculation of the "state share 31479
multiplier" under division (C)(2)(b) of this section; 31480

(c) A ratio of one teacher to twenty students, for the 31481
teacher-to-student ratio that is used in the calculation of the 31482
per-pupil classroom teacher compensation component under division 31483

used in the calculation of the teacher professional development 31487
component under division (C)(6) of this section; 31488

(e) One hundred eighty teacher contract days, for the number 31489
of teacher contract days for a school year that is used in the 31490
calculation of the teacher professional development component 31491
under division (C)(6) of this section. 31492

(2) For the initial implementation of this model for fiscal 31493
years 2022 and 2023, the "state share multiplier" was calculated 31494
