[ENGLISH] In this parallel event to the 66th session of the United Nations Commission on the Status of Women (CSW66), the members of the Global Alliance for Tax Justice (GATJ)'s Tax and Gender Working Group invite academics, civil society and activists for a discussion on how progressive taxation can support countries to combat climate change, and foster feminist and green measures for economic recovery in response to the current multidimensional crisis.

[ESPAÑOL] En este evento paralelo a la 66ª sesión de la Comisión de las Naciones Unidas sobre la Condición Jurídica y Social de la Mujer (CSW66), los miembros del Grupo de Trabajo de Fiscalidad y Género de la Alianza Global por la Justicia Fiscal (GATJ) invitan a académicos, sociedad civil y activistas a un debate sobre cómo la fiscalidad progresiva puede ayudar a los países a luchar contra el cambio climático y fomentar medidas feministas y sostenibles para la recuperación económica en respuesta a la actual crisis multidimensional.

[FRANÇAIS] Dans le cadre de cet événement parallèle à la 66ème session de la Commission des Nations Unies sur le Statut des Femmes (CSW66), les membres du Groupe de Travail sur la Fiscalité et le Genre de l'Alliance Mondiale pour la Justice Fiscale (GATJ) invitent l'académie, la société civile et des militants à une discussion sur la manière dont la fiscalité progressive peut aider les pays à lutter contre le changement climatique, et favoriser des mesures féministes et vertes pour la récupération économique en réponse à la crise multidimensionnelle actuelle.
